

God's Leading through the cloud

The present-day church needs to pray for *grace*, in order that they may be led by the Holy Spirit, just like Israel was guided by GOD in the *wilderness*. When JEHOVAH descended in the *Cloud* of HIS Glory on December 31st, 2012, HE essentially brought HIS leading into the present-day church of Christ. And to best underscore just how significant the *wilderness* visitation on Israel was, we see that it is that encounter that crowned the covenant marker which until this day, continues to define Israel as GOD'S chosen people. Today too, we see JEHOVAH descend in The *Cloud* of HIS Glory at the Kisumu Revival Meeting, in a manner that perfectly mirrors Israel's wilderness encounter. It is this kind of *dichotomy*, that spiritually *conjoins* Israel and the church, 'at the hip', in their relationship with JEHOVAH. If the LORD could come all the way from heaven in order to lead Israel in her most desperate moment, then it goes without saying that even on this occasion, JEHOVAH would definitely

wrought for the present-day church in this most needy hour. Thence, this time too, the arrival of the *Cloud* of GOD'S Glory must have indeed come down to bring GOD'S leading into the present-day church. It then becomes plausible to highlight here that, just as JEHOVAH used HIS wilderness *Cloud* to define Israel as HIS chosen people, so has HE come to carve-off HIS holy elect church of this day. In that way, the LORD hence intends to use HIS leading through this December 31st, 2012 *Cloud*, to clearly define, and reveal unto this generation, who exactly the true sons of GOD are.

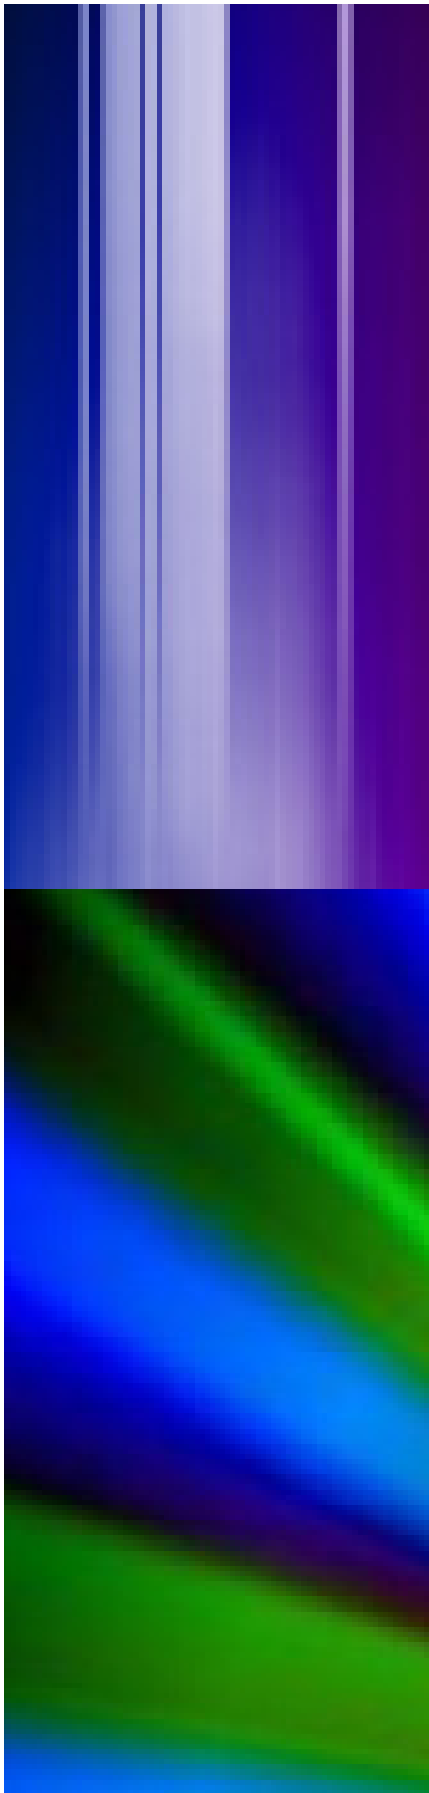

For all who are led by the Spirit of God are sons of God (Romans 8:14).

It is thus going to strictly depend upon the leading of the Holy Spirit that the bearers of the glory abound this stunning December 31st, 2012 *Cloud*, will be manifest on earth. When the children of Israel were in the *wilderness*, they literally enjoyed a perfect leading by

GOD'S *Cloud* on that journey. Through HIS Spirit that descended in this same *Cloud*, Israel was able to receive daily counsel from JEHOVAH their CREATOR. And in that GOD'S leading, the length of stay in a place, and how fast they moved, was squarely dictated by the LORD. This is because the LORD led them in the *Pillar of Cloud* by day, and *Pillar of Fire* by night.

The LORD went before them by day in a Pillar of Cloud to lead them along the way and by night in a Pillar of Fire to give them light, that they might travel by day and by night (Exodus 13:21).

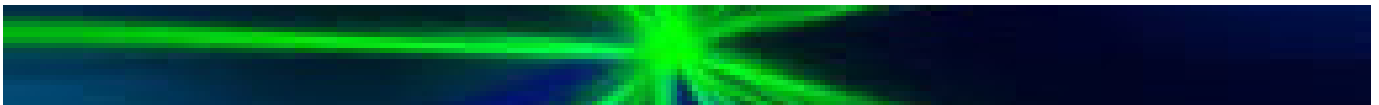

It is through this *Pillar of Cloud* by day, and light that luminated their way by night, that Israel received godly counsel and sustained an unparalleled dependence on JEHOVAH. And if there was any lesson to be taken from that wilderness experience, then it would have to be the fact that during the reign of this *Cloud* of JEHOVAH, none of the children of Israel dared question HIS Leadership. That invariably implies that, owing to

the fearful revelation they received on Who exactly HE is, nobody within the camp ever attempted to contest the *Leadership* of GOD into their lives. With the present-day church fully absorbed in *post-modernism*, and its subsequent liberal *theology*, the enemy appears to have launched a full scale assault upon christian salvation. This is what has fully established *apostasy* in the present-day body of Christ. With all this decay in place, one then wonders how this generation can ever emulate the total *submissiveness* that Israel displayed before the LORD. It must still be remembered that it was only by fully subscribing to HIS command, that Israel received the *leading* counsel of JEHOVAH. How then does a despondent church of this nature access GOD'S *Leading* in these perilous days. On the contrary, by virtue of her decayed salvation, the act in today's church, amounts to a direct contestation of GOD'S *Leadership*. It is as though the present-day church has succeeded in flouting every command that was handed down to her, and consequently incorporated *heedlessness* and *lawlessness* into their christian salvation. There is no way the church can claim her eternity with GOD, in this terrible condition. For Israel, their experience in Egypt appears to have highly informed the way in which they handled the encounter with GOD'S Cloud, on a daily basis. Given that it is the brutal slavery that prominently defined their most immediate life in Egypt, then it is understandable that there arose a dire need for GOD'S leading in the camp. While they had been fully accustomed to total *submission* to the strong command of their Egyptian slave masters, now Israel was confronted with a totally new challenge that they had never anticipated. This was a challenge that emanated out of the fact that now the children of Israel had to learn to live their lives in total freedom for the first time, and away from their slave masters. It presented a humongous problem which the Israelites would have to surmount for there to be some form of order within the camp. Albeit, it then goes without saying, that JEHOVAH had

to come down HIMSELF in the *Cloud*, in order to give them HIS command for purposes of achieving that desired order. The picture that clearly emerges here, is that in which the movement of the *Cloud* of GOD is what fully determined the movement of the Israelites. In that way, GOD ALMIGHTY used HIS Cloud in order to institute HIS righteous commandments that helped move the Israelites. When HE commanded them to stop, they stopped. And yet we further note that the duration of the *Cloud* on the Tabernacle, is what determined the period of their rest. Which implies that in GOD'S leading there was *compassion* to the extent that HE well knew when the Israelites needed *rest*, and *re-nourishment*, in order to regain strength to take on the next stretch. And because the *Cloud* withdrew either by day or by night as they journeyed, one can then clearly see that Israel in the wilderness strictly adhered to this *Cloud*, hence following the path that the LORD had set out for them on this journey. Sometimes the *Cloud* tarried for weeks or months or a year, and for that period there was no movements as they obediently observed the counsel of the LORD. In so doing, we see that the LORD indeed chose to lead HIS people by the *Cloud* and *Pillar of Fire* along HIS Own path. GOD'S leading then, deliberately chose the path of the Red Sea for a specific purpose. What is most astounding though, is Israel's uncommon *obedience* to follow this *Cloud* with unfailing zeal and resilience. Having appreciated their faithfulness, JEHOVAH then decided to choose this path of the Red Sea, in order to bless their unwavering adherence to HIS command. And as they obediently followed GOD'S *Leading* along the *path* of the Red Sea, the LORD *drowned* the Egyptians that had been in hot pursuit for them. Likewise, we see an example when the LORD Jesus was led by the Spirit into the wilderness, to be tempted by satan, in order that HE may defeat the devil, and finally *drown* him in that wilderness 'Red Sea'.

Then Jesus was led (guided) by the [Holy] Spirit into the wilderness

(desert) to be tempted (tested and tried) by the devil (Matthew 4:1).

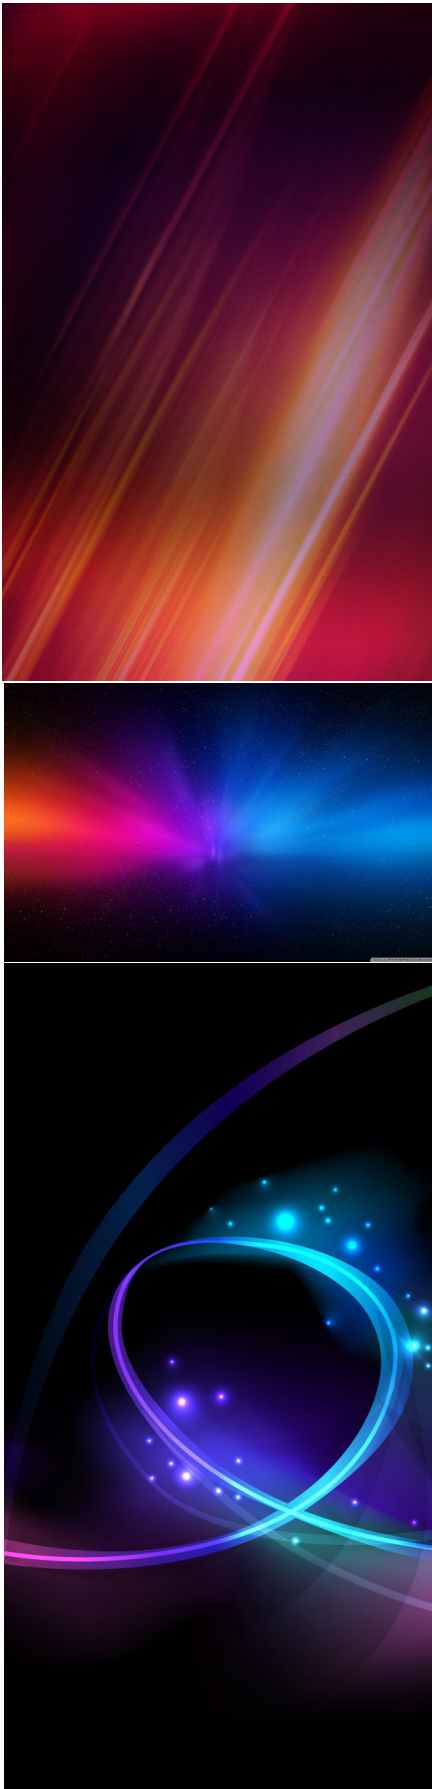

Then the devil departed from Him, and behold, angels came and ministered to Him. (Matthew 4:11).

By descending from heaven in HIS most fearsome Cloud, GOD ALMIGHTY must have come down on that December 31st, in order to commence the restructuring of the order in the house. Needless to say, is the fact that today's church has indeed operated on a different order, far removed from that originally ordained by the LORD, on the Cross at Calvary. By following a different path from that charted out by the LORD, how then will today's church attain her 'Red Sea path' for this hour? And while on a different path from GOD'S Leading, how then will JEHOVAH drown her 'Egyptians' who are evidently in hot pursuit of her? This should serve as a serious lesson and warning to the

present-day priesthood that seems to crave for everything worldly. The lust for money has in the process robbed the church off her *purity* as pastors commercialize the gospel. Moreover, the devil has taken advantage of her greed for earthly prosperity, by presenting to her providence of delusion. This has been capitalized on by the adversary in order to lead the present-day church astray and farthest from GOD'S path.

Advantages of Following God's Leading

When the LORD Jesus appeared in the most humble way, in that Bethlehem manger, HE came to show us the path of GOD'S leading. Along this path of GOD'S leading, the LORD Jesus would ensure that HE draws the church into the *highway of holiness*. This *highway* is well celebrated in Isaiah 35: 8-9. However, upon showing us this straight

path to heaven that passes through the Cross, HE indeed accomplished HIS job, and surrendered the church unto the leading of the Holy Spirit. It is this leading of the Holy Spirit now, that has greatly manifested through the *Cloud* that visited on that December 31st, 2012. It has since then become the *hallmark* of the much promised *latter visitation* in the house. However, owing to what is now at stake regarding the coming of the Messiah, GOD ALMIGHTY HIMSELF found it fit to descend on that December 31st, into the church, in order to shepherd her into HIS heavenly destination of *rapture*. And in this divine shepherding, there are some notable advantages that ought to be highlighted. Earlier on, Israel had enjoyed such trapping under the auspices of GOD'S *Leading*. First and foremost, we see that when Israel was shepherded by the LORD'S *leading* in the *wilderness*, she never ever went astray. That can only imply that if today's church would equally harken to GOD'S leading through this December 31st visitation of HIS *Cloud*, then she would for sure never be go astray. The LORD is the Good Shepherd, and there can never be any better.

But when He, the Spirit of Truth (the Truth-giving Spirit) comes, He will guide you into all the Truth (the whole, full Truth). For He will not speak His own message [on His own authority]; but He will tell whatever He hears [from the Father; He will give the message that has been given to Him], and He will announce and declare to you the things that are to come [that will happen in the future]. (John 16:13)

Moreover, it is GOD'S leading through this *Cloud* that has the capability of making the christians remain steadfast on the *holy* and *righteous* way of the LORD. In so doing, GOD'S leading is what would effectively prevent today's church from making wrong judgments in beclouding situations. We hence see very clearly that GOD'S visitation through the *Cloud* of December 31st, was essentially designed to provide the Master road map for the entry of the church into the kingdom of

heaven. Today, it is common practice to employ electronic car navigators, that have the ability to speak back to drivers, regarding whether they are still on the right course, or off course. Likewise, the LORD has presented HIMSELF in this monumental *Cloud* as the Master road navigator for today's church, that she may eventually arrive at her heavenly destination. In her current condition, the present-day church assuredly is in desperate need of GOD'S *Leading*. While this modern church is well known for a myriad of unbefitting characteristics, one however stands out above all; her *spiritual blindness*. Unfortunately, today the church has been totally blinded by the present day post-modern world. It is no wonder christians can now wilfully watch secular movies, engage in interfaith relationships, go out on dating, dress immorally without fear, drink alcohol, smoke cigarette, and go to beaches in the most obscene dressings, to mention a few. As this goes on, the pastors are fully deluded into the pursuit for money by preaching the worldly gospel of prosperity, that wields no power of deliverance. It is this appalling form of *spiritual blindness* that has caused her not to find the path that was originally charted out for her on the Cross. In this *degrading* condition, the church indeed desperately needs GOD'S *Leading* in order to retrace her *path* and recapture her vision for heavenly eternity.

And I will bring the blind by a way that they know not; I will lead them in paths that they have not known. I will make darkness into light before them and make uneven places into a plain. These things I have determined to do [for them]; and I will not leave them forsaken. (Isaiah 42:16).

²¹ And your ears will hear a word behind you, saying, This is the way; walk in it, when you turn to the right hand and when you turn to the left. (Isaiah 30:21)

Furthermore, it is GOD'S *Leading* through this Glorious *Cloud* of HIS presence, that wields the capacity to provide meaning

CRIPPLE GETS UP AND WALKS

lot whose prayers seem to centre around physical provision, then one can comfortably deduce that by descending in HIS *Cloud* on that December 31st, 2012, not only did the LORD come down to navigate the *path* of the Christian journey, but also *revive* the livelihood of the present-day church by *restoring* meaning to her salvation. This *endtime restoration and revival* presents an open affront to the present-day *status quo* that has for a long time prevailed in the church. In the present day *status quo*, the church has opted to be led by their senses, and not by GOD. A fleshy form of salvation of this nature, is what the mighty fearsome *Cloud* of GOD descended to *rebuke* on that December 31st, 2012 in the Kisumu Revival.

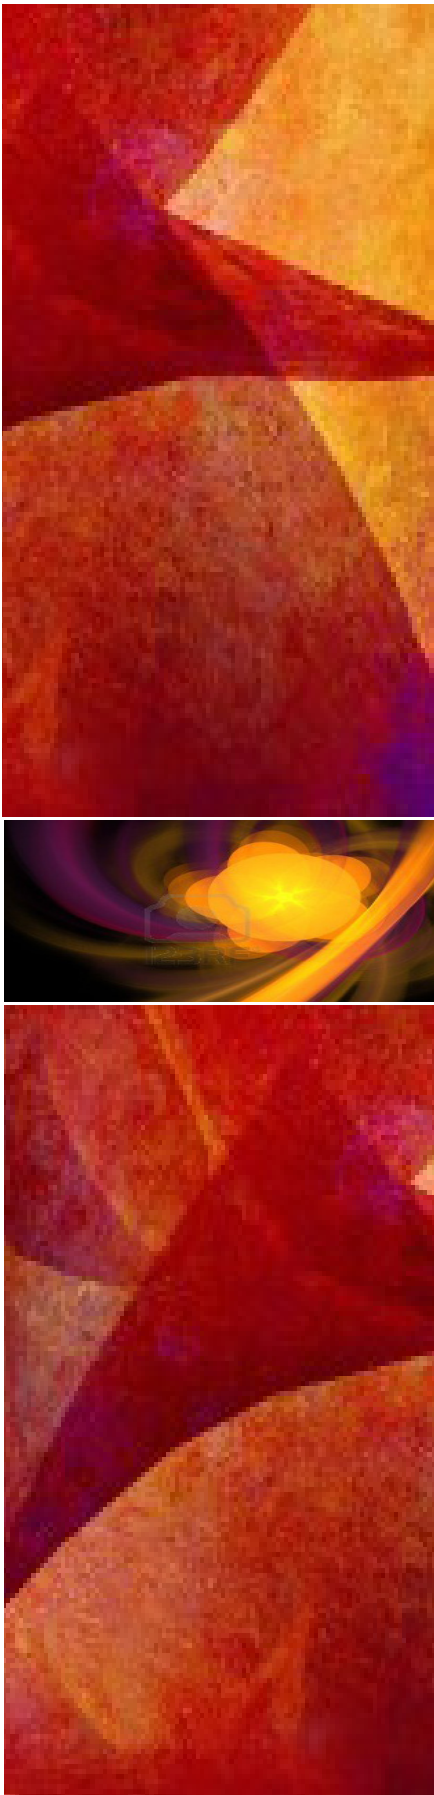

God's Leading Establishes The Credentials Of Church

When the LORD saw that the burden Moses bore for the children of Israel was beginning to overwhelm, HE decided to *devolve* some of the functions to the elders. That became the moment when the LORD commanded Moses to raise forth credible elders for Israel, during her journey across the *wilderness*. In compliance to that, Moses chose 70 elders of sound standing, from among the Israelites in the wilderness.

¹⁶ Then the Lord said to Moses, "Gather for me seventy men of the elders of Israel, whom you know to be the elders of the people and officers over them, and bring them to the tent of meeting, and let them take their stand there with you. ¹⁷ And I will come down and talk with you there. And I will take some of the Spirit that is on you and put it on them, and they shall bear the burden of the people with you, so that you may not bear it yourself alone (Numbers 11:16-30).

The purpose for *appointing* this council of elders, was that they may help Moses

to today's christian life, and especially in this day and age when life seems to have lost meaning. During their journey through the *wilderness*, the children of Israel had equally lost meaning to life. This was courtesy of their dwindling supplies, an uncomfortable condition in which they found themselves. It is this serious state of *lack* and *depravity*, that led to a great *disquiet*, and *mutiny* in the camp. However, when the LORD responded to their anxiety by coming down HIMSELF in the *Cloud*, then HE began to *replenish* Israel's supplies on a daily basis. They were now under the watchful eyes of the LORD HIMSELF, and He had now observed an *open heaven* over Israel. This implies that only in the path of GOD'S *Leading* is there access to HIS divine providence. In that way, the church can take home a lasting lesson on GOD'S everlasting *providence*, and cease the corrupt attempts to fend for herself. Therefore, GOD'S *Leading* through this December 31st, 2012 *Cloud* of visitation, becomes a major pronouncement of HIS capacity to eradicate the current financial and material despair that has corrupted the church. In so doing, the LORD HIMSELF is *restoring* meaning to a noble christian lifestyle. Considering that today's Christians have also become a desperate

administer certain aspects of living among the children of Israel in the camp. After raising the 70 elders, all of a sudden, Moses faced a big *resentment* and *contestation* from the Israelites in the wilderness. Having been accustomed to taking instructions from Moses alone, the children of Israel found it so difficult to *submit* to another line of *authority*. Hence on their own *volition*, they opted to reject the entire leadership of the 70 appointed elders. That is the time when the LORD decided to intervene on behalf of Moses, in order to *quell* the unrest. And in that response, the *Cloud* of the LORD descended upon the tent, and the LORD instructed Moses to take the 70 elders with him. However, two of the elders remained in camp, and did not manage to go with Moses. After meeting the LORD, Moses then led the 70 elders back to the camp of the Israelites. That is when all of a sudden, the Spirit of the LORD fell upon the 70 elders, and they all began to prophesy for a short time.

²⁴ So Moses went out and told the people the words of the Lord. And he gathered seventy men of the elders of the people and placed them around the tent.

²⁵ Then the Lord came down in the cloud and spoke to him, and took some of the Spirit that was on him and put it on the seventy elders. And as soon as the Spirit rested on them, they prophesied. But they did not continue doing it. ²⁶ Now two men remained in the camp, one named Eldad, and the other named Medad, and the Spirit rested on them. They were among those registered, but they had not gone out to the tent, and so they prophesied in the camp (Numbers 11:24-26).

This caused a great shock among the Israelites causing some of them to plead with Moses, that he may *rebuke* the elders from prophesying. However, Moses being aware that it was a *divine intervention* from the LORD, he did not bother to *reprehend* them. When the Spirit of the LORD befell the elders and caused them to prophesy, then the Israelites finally *feared* and *revered* them.

This was because the children of Israel woke up to the realization that these elders were the *chosen* and *appointed* leaders. It caused the entire camp to fully *submit* to the leadership of the elders, without showing any more contempt. In that way, GOD'S *leading* through this *Cloud*, established the *credentials* and the *authority* of the 70 elders, before the Israelites, causing them to fully *submit*. And from that day on, the Israelites obeyed the elders that worked under Moses.

Restoring Integrity at the Pulpit

Through this astounding episode of the *Cloud* with Israel, JEHOVAH is in essence instructing HIS Leadership into the church. As was the case with Israel, so it is with the church today. In this context, the LORD is essentially handing down a stern instruction to the present-day church of Christ, regarding the issue of *submissiveness* to HIS Voice. The LORD is principally asserting HIS great displeasure with the current loss of *integrity* at the pulpit, within the church. This is because such a lack of *honesty*, *uprightness*, and *truthfulness* at the pulpit, automatically takes away the *authority* of the *power* of the gospel that was handed over to us at Calvary. And in that way, GOD ALMIGHTY is exhorting today's church on the fact that, on the day when she will fully *submit* to the *reproving* power of HIS Presence that has descended in the *Cloud*, that will also be the day of her *restoration*. Experiencing a turning point from the current apostasy in the church, therefore, will not come until the present-day church fully *submits* to the *authority* of GOD. For that reason, GOD HIMSELF came down all the way from heaven, in HIS fearful *Cloud* of Glory to Personally Oversee the *restoration* of the present-day church. That makes December 31st, 2012 a very spectacular day in the calendar of the church, because it will forever be remembered as the day when GOD HIMSELF came down to earth, and into a mega revival meeting.

When the Prophet of the LORD prophesied before the Nakuru Meeting, and said that a Cloud of Fire would visit, indeed a Cloud of Fire descended from heaven at that Nakuru Revival Meeting on August 2013, that turned into the Sword of GOD. What a Fearful dispensation that the church has entered into.

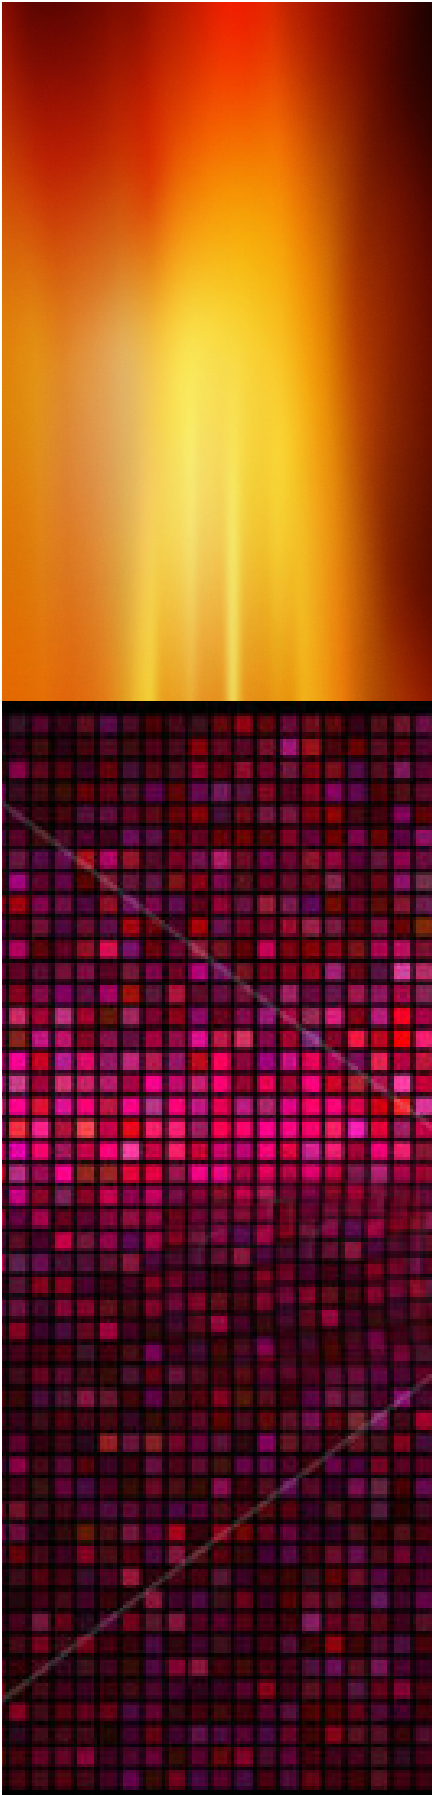

Key to that visitation then, is the fact that the LORD GOD HIMSELF came down to oversee the *restoration* of the church, and the consequent preparation of the way for the coming of the Messiah. It is a pronouncement in which GOD HIMSELF has declared HIS Overseership over the activities of the church. To put this into the right perspective, we would have to factor in how such a visitation once came down to address the issues of *insubordination* among the Israelites, and the subsequent dent it caused on the *credentials* of Moses. This becomes a *sober* call to the church that she may fully *submit* to the command of GOD ALMIGHTY, given that HE HIMSELF has now come down to *preside* over the restoration of *righteousness* and *holiness* in the house. Because of the serious lack of confidence that has today befallen the church, we see that many present-day pastors have now opted to go acquire for themselves various degrees and doctorates in theology, in a desperate attempt to boost their *diminished* stature in society. This pitiful state of affair is what caused JEHOVAH to come down HIMSELF, and address the fall in the church as a matter of urgency. If only

the church and more so the shepherds, could have known that only the LORD has the power to *restore* their *credentials* and *authority*, then the most desired *repentance revival* would have not delayed a day. As it stands today, the pastors and pulpit, are facing the consequences of *unfaithfulness* to the righteous command of the LORD (Hebrews 12:14). Things have gotten so bad that the sheep have lost *trust* and *confidence* in the pastors, owing to the great *deception* and the preaching of money that has seriously eaten into the pulpit. Moreover, even the non-christians today have developed serious reservations about the present-day salvation, let alone the *conduct* of pastors in the public space. If there was any moment at which the house of the LORD was in dire need of GOD'S *Leading*, then it really is now. Lessons are there to be learnt. And there is no way the lesson that Israel's unfaithfulness projects into our time, can be forgotten.

Public relations

It appears as though, instead of turning to GOD for HIS *Leading*, the church has instead designed for

herself a worldly *public relations* machine, in an attempt to repair the damage that sin has inflicted upon the image of christianity. And yet the truth of the matter is that all those efforts are all in vain, if the LORD does not intervene into the present-day desolate church. Scandals of immorality and sexual sin in the church, have equally taken their big bite upon the body of Christ, to the extent that there now appears to be more sin in the house of the LORD, than there is in the world. To make matters worse, such *scams* of sexual sin have not spared the pulpit. With all that in place, the shepherds have ramped up a serious crusade of *false apostles* and *false prophets* in the house of the LORD. This cycle is self-perpetrated by the various schools of theology that have relentlessly continued to churn out multitudes of man-made apostles and prophets who in their practice, have displayed no calling whatsoever from the LORD. In this way, *corruption* and *apostasy* have become the hallmark of today's worship. All these vices have taken away the *authority* with which the pulpit ought to have *ministered* in these last days. It is for this reason that GOD decided to come down HIMSELF in

the *Cloud* of HIS Glory on that December 31st, 2012. It is a landmark visitation that has now become a *clarion* call unto the priesthood to return to the LORD. The *Leading* of the LORD as at this hour, requires of the church that she goes into a serious and deep *repentance* that would *purge-off* the sin and wickedness that has menaced her. That is the only way in which the *credibility* and *integrity* of the church and its pulpit can be *restored* well enough for her to get back into her mission of harvesting the souls at this critical hour.

God's Leading Opens Heaven

Furthermore, GOD'S leading through the Cloud always brings forth a refreshing dispensation of *open heaven*. We can see that such a visitation of the Cloud, had previously brought forth a major outpour of the Holy Spirit upon the Israelites in the *wilderness*. When the LORD opened the heavens over the 70 elders, and hence over Israel, and the Spirit of the LORD was poured on them, they prophesied. This can only emulate the oracles that Joel the Prophet later came to write regarding the outpour of the Holy Spirit (Joel 2:28-32). It clearly tells us that the LORD is urging the church to wake up from slumber and embrace HIS Counsel now that HE has come down in the *Cloud*. In other words, GOD ALMIGHTY is doing with the church, as HE did with Israel. As for Israel, when GOD HIMSELF came down in the *Cloud*, HE essentially brought in the major announcement on the coming of the dispensation of *open heaven*, over Israel. Because the coming of the fearful *Cloud* of GOD greatly coincides with the long awaited dispensation of the *latter anointing*, then HIS intention to announce the moment of open heaven should be well understood. Only this dispensation of *open heaven*, can restore the image and *credentials* of the church, and her standing that has been heavily dented in the eyes of the nations.

God's Leadership Abates Wandering

The book of numbers in which the Cloud of GOD'S visitation appears in order to bring divine leadership, practically documents the life of Israel as she travelled from Mt. Sinai to the Promised Land. This segment that runs from Mt. Sinai to the *Promised Land*, was not only the most interesting, but also the most challenging in the entire journey. This was primarily owing to the fact that it principally defined the *final stretch* that the children of Israel had to cover before entering Canaan. However, it is important to also recollect that during Israel's journey, GOD'S leading became very crucial at this final phase, because it was the stage at which there was so much at stake. It is these final stages of entry that are normally at a very high risk of plunder by the enemy, hence causing the LORD to come down, and Personally take command. And right from the onset, it would be wise to appreciate the underlying message that GOD'S glory transmits to the church of Christ at this hour. Given that GOD'S *Cloud* of Glory has in like manner, also come to the church at this hour, then it can only imply that we have entered the *final stretch* towards the *rapture* of the church. It is important to note that for Israel, it was during this final stretch from Mt. Sinai to the Promised Land, that the *wilderness wandering* actually took place. It is this random *wandering* that caused JEHOVAH to be very concerned about the destiny of Israel, and hence bring down HIS Leadership in order to give them a sense of direction. And indeed when JEHOVAH HIMSELF descended in the *Cloud* at this most critical hour of need, HE shepherded Israel by HIMSELF all the way until their final entry into the *Promised Land*. On a point by point basis, one can clearly see that for the church too, the coming of JEHOVAH HIMSELF in the *Cloud*, must surely coincide with the most erratic *wandering* of the present-day church. And sure enough, a quick glance at the conduct of today's church, reveals a congregation that is *wandering* up and

TOTALLY BLIND EYES OPEN

down the spiritual landscape. With some pastors already colluding with banks to defraud the sheep off their savings in order to secure specific favours, one can only wonder how far this wandering has drifted the church. Coupled with her humiliating sexual sin, false prophets and false apostles, this *wandering* by today's church must have struck dangerous proportions owing to the fact that she may as well be on her way back to Egypt without realizing. As if this were not heavy enough to bear, then comes the issue of time. One cannot help but ask the question, is the current church aware that we are within the dying moments of our final entry into our 'Promised Land' of heavenly *rapture*? For Israel, the appearance of GOD'S *Cloud*, marked their *final stretch* towards entry. And hence it goes without saying that this December 31st 2012, visitation of GOD in HIS *Cloud*, must have come out of a great concern from the LORD over the reckless *wandering* that today's church has gone into.

final stretch from Mt. Sinai to Canaan raise, it is the massive *rebellion* that Israel staged that towers quite high. The kind of *rebellion* that Israel brought up against the LORD, was so phenomenal, that it as a matter of fact, still stands out as a major landmark of what consequences *insubordination* can attract. And that is why GOD'S leading became most crucial at that hour, and more so because it is the hour at which the children of Israel *complained* most.

'Now the people complained about their hardships in the hearing of the Lord, and when he heard them his anger was aroused. Then fire from the Lord burned among them and consumed some of the outskirts of the camp.² When the people cried out to Moses, he prayed to the Lord and the fire died down.³ So that place was called Taberah, because fire from the Lord had burned among them (Numbers 11:1-3).

They *complained* very bitterly about the journey in a manner that was likely to depict a sense of their longing to go back to Egypt. Considering that this had essentially been a slave community, whose time in Egypt was quite unpleasant, then one wonders what level of *delusion* could have entered the

camp, for them to have desired Egypt! It would appear as though in the pursuit for a homeland of freedom, Israel began to slowly loose the focus on Canaan, and majorly concentrate on the trials of the moment. They appeared to have finally resigned to the appreciation of some *elusive* comfort that they used to enjoy within the Egyptian misery. GOD ALMIGHTY did not take this lightly. Furthermore, in that *final stretch*, Israel went on to raise some serious *complaint* about the food that was provided to them by the LORD. GOD ALMIGHTY had provided them with the daily ration of *manna* that was sufficient for their normal livelihood. However, they soon began to murmur about GOD'S provision.

⁴ The rabble with them began to crave other food, and again the Israelites started wailing and said, "If only we had meat to eat! ⁵ We remember the fish we ate in Egypt at no cost—also the cucumbers, melons, leeks, onions and garlic. ⁶ But now we have lost our appetite; we never see anything but this manna!" (Numbers 11:4-6).

Where can I get meat for all these people? They keep wailing to me, 'Give us meat to eat!' (Numbers 11:13)

God's Leading Wards Off Rebellion

Without mincing words, it is possible to outrightly say that among the features that the

The *manna* bread that JEHOVAH issued from heaven to Israel, on a daily basis, was a matter of fact, a sweet bread *without yeast*, whose release indeed symbolized the Sweet Bread of Life that the LORD would later release from heaven into the church at Calvary. Hence, when Israel bitterly *complained* and *rejected* the *manna* that GOD had released from heaven on a daily basis, it too became the actual symbolism of the *Bread of Life* that the present-day church would bitterly complain and ultimately reject. A quick survey of the church across the globe reveals a sad scenario in which the very church that Christ Jesus delivered from the Cross, has now rejected HIM in the strongest terms. The *post-modernism* of this age is what has created a new taste among the christians to the extent that they now long for a *modernized* gospel. This has thoroughly *corrupted* salvation to the extent that the church that hosts the largest congregations are also the ones that have comfortably incorporated worldly living into their practice. All this is happening within the backdrop of the

common understanding that the gospel Jesus handed down at Calvary was indeed a *non-compromised* and an *unadulterated* message of *purity* in Salvation. It is these old Calvary gospel of the Cross and the Blood that holds the key to today's endtime revival. Nevertheless, the modern christian has rejected it and opted for a sweeter, caramelised and yeasted gospel, that is pleasing and itching to the flesh. Therefore, if Israel in their *wilderness experience* rejected the *manna* from heaven, then how much more rejection of Christ the Bread of Life, has today's church displayed. Today, the youth churches have been converted into discotheques, and the gospel of *purity* has become the platform for anointing openly gay pastors. How much more rejection then should today's church launch against Christ, for them to be considered *rebellious*? These indeed are the perilous days that were long well sang, and yet only the True Bread of Life *without yeast* has the power to deliverance. Moreover, we also see the children of Israel bitterly complain against Moses The Man of GOD. This is because Moses The Man of

GOD was the Prophet of the LORD, and hence his position on *sin* and *wickedness* must have been very clear and firm. In such a condition, when the Prophet of the LORD does not *cede* ground, his pronouncements against sin often become *ominous*. He must have *rebuked* their sin and *rejected* their *wickedness*. In the present-day church of Christ, we have literally witnessed the repeat to biblical scripture. This is because the act of *rebellion* and *complaint* that the present day church has waged against the Voice of GOD, is not in any way different from that *abominable* act Israel committed against Moses The Man of GOD. Because of the *rejection* of the message of the LORD, the present-day church of Christ has crafted for herself a cartel of false prophets and false apostles, who tell her what she loves to hear. *Peace, peace wherein there is no peace.*

¹⁴ They dress the wound of my people as though it were not serious. 'Peace, peace,' they say, when there is no peace. (Jeremiah 6:13-14).

NAKURU REVIVAL 2013: How totally Deaf Ears since birth popped Opened and became too sensitive, that she could not stand the noise.

And a careful scrutiny as to why the current body of Christ does not embrace the Voice of the LORD, reveals that it is the message of *righteousness* and *holiness* that is detestable to the modern Christian. The church has chosen to survive on the gospel of prosperity and in so doing fulfilled the following scripture:-

¹ But mark this: There will be terrible times in the last days. ² People will be lovers of themselves, lovers of money, boastful, proud, abusive, disobedient to their parents, ungrateful, unholy, ³ without love, unforgiving, slanderous, without self-control, brutal, not lovers of the good, ⁴ treacherous, rash, conceited, lovers of pleasure rather than lovers of God— ⁵ having a form of godliness but denying its power. Have nothing to do with such people.

(2 Timothy 3:1-4).

The children of Israel did not stop there, since they also proceeded on to *complain* about the giants in the new land, (Numbers 13:33) and further *complained* about their leaders (Numbers 16:3), in that wilderness experience. As if that was not enough, they also went ahead to *complain* about GOD'S judgment (Numbers 14:41) and about the desert (Numbers 20: 21). Moreover,

they even *complained* about food and water (Numbers 21:3). Put together, these episodes of *rebellion* document the darkest hour of great unbelief of the Israelites during their journey, thereby demanding GOD'S *leading* for direction. In the same breath, we cannot lose insight of the fact that the current tirade of *rebellion* as unleashed by the church of Christ, indeed also chronicles the great unbelief of the Christians of this day and age. This too demands GOD'S *leading* if the present-day church is to ever enter her heavenly *Promised Land*. Since today's church has *wafted* quite far away and astray from the *path* that the LORD charted for her, then one wonders how she will ever get her way back onto her *path* of the 'Red Sea'. And given that she is not on the *path* of the 'Red Sea', how then will the LORD be able to *drown* her 'Egyptians' who are in hot pursuit, into her 'Red Sea'. This can only imply that a failure to heed GOD'S *leading* into the present-day church, can only spell doom. Moreover, in going that much astray, the Egyptians will definitely catch up with her and kill her, while taking others captive back to Egypt. The overriding message therefore that trumpets out of that December 31st, 2012 *Cloud of GOD*, is none other than REPENT FOR THE KINGDOM OF GOD IS AT HAND.

Korah's Rebellion In Today's Church

Among the Israelites in the wilderness, Korah was well *known* as one of the *wealthiest* leaders of the Levites, and as a matter of fact, a relative (cousin) to Moses and Aaron. As time went by, and the LORD began to lay down the leadership structures among the Israelites, Korah all of a sudden began to *nurture* some very

bitter feelings towards Moses. This was particularly because he felt that despite his *influence* among the Israelites, he had been greatly *sidelined* and *overlooked* in the distribution of key leadership positions. In his own *selfish* way, Korah then felt that he had been despised and humiliated. Korah had been seriously eyeing the *honourable* and highly *coveted* office of the

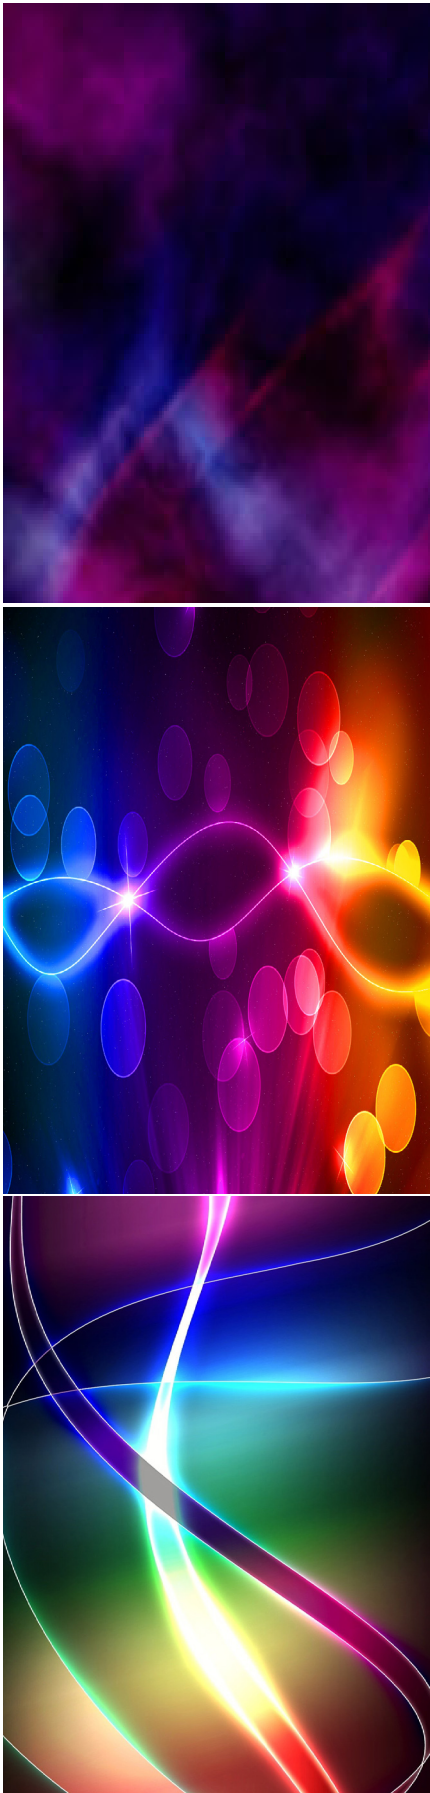

NAKURU REVIVAL 2013: CRIPPLES WALKED

high Priest in the house of Jacob. When it finally dawned on him that he would not be appointed to any serious office, Korah became exceedingly jealous and terribly aggrieved towards Moses, and the entire leadership the LORD had put in place. When the reality finally dawned on Korah, that in spite of his wealth, affluence, and influence, Moses had skipped him; Korah took upon himself to engage in a *smear* campaign against Moses the Voice of GOD. He launched a *dirty* campaign against Moses among the Israelites in the camp. In his campaign trail, Korah went to the people of the tribe of Reuben, and spent a considerable time *justifying* to them why Moses was wrong and should not be given audience. This is what caused Korah to sway the opinion of other leaders, and draw them into his evil conspiracy against Moses. Those that easily converted into Korah's sway included people like Dathan and Abiram. This *clique* formed itself into *ringleaders* and *troublemakers* of *hostility*, *estrangement*, *disaffection*, *unfriendliness*, *isolation*, *division*, and *bitter rebellion*. It became a group that rallied itself around

Korah and against Moses. They went on to fully engage into a clever campaign that was *lubricated* by Korah's *wealth*, *affluence*, *knowledge*, *clout* and *influence*. The devil then *threw the spanner in the works* when Korah and his disciples acquired a unique courage to go out in the *public space* to openly campaign against the leadership of Moses the Voice of GOD. They portrayed themselves in a crafty way as civil rights leaders, who were out to fight for and finally champion individual rights, and to prove to the children of Israel that Moses whom they had trusted, was actually *repressive*. Their ultimate objective was actually to prove to the Israelites, that Moses was not chosen by GOD, and hence an *imposter*. In other words, Korah and his associates laid out the case that was intended to paint Moses as a SELF-PROCLAIMED PROPHET. They claimed that the rule of Moses was actually driven by *self-imposition* and *self-exaltation*. Korah and his other ringleaders further went on to *allege* that there was no difference between Moses and the Israelites, especially that the entire congregation was holy.

And they gathered together against Moses and Aaron, and said to them, [Enough of you!] You take too much upon yourselves, seeing that all the congregation is holy, every one of them, and the Lord is among them. Why then do you lift yourselves up above the assembly of the Lord? (Numbers 16:3).

Very much aware of the public allegations Korah had levied upon him, Moses the Man of GOD called for an emergency meeting with Korah's associates. He prayed and then summoned Korah and his team to prepare to meet GOD. With the highest level of *eloquence* and *clarity*, Moses told Korah and his team that on the next day, JEHOVAH GOD would make it plainly clear to all the Israelites, who exactly is called of GOD. And furthermore, Moses went on to say that in that impending encounter, JEHOVAH would also openly affirm to the entire congregation who exactly befitted the priestly office for which Korah was *contesting*. Then Moses went on to ask all the stakeholders to prepare an offering of incense with which to appear before

the LORD OF HOSTS. Moses went ahead to warn Korah and his followers, about their evil egos for personal *gain, power, honour and glory* before the Israelites. But this last ditch effort by Moses bore no fruits, as Korah and his team refused to listen and went on with their evil scheme and contest against the Voice of GOD.

¹² And Moses sent to call Dathan and Abiram, the sons of Eliab, and they said, We will not come up.¹³ Is it a small thing that you have brought us up out of a land flowing with milk and honey to kill us in the wilderness, but you must also make yourself a prince over us?¹⁴ Moreover, you have not brought us into a land that flows with milk and honey or given us an inheritance of fields and vineyards. Will you bore out the eyes of these men? We will not come up! (Numbers 16:12-14).

God's Wrath On Rebellion

A Lesson to the Church

Come the next day, as all the aggrieved parties presented themselves with incense before the LORD at the Tabernacle, Korah and his associates also appeared. Strange enough, and just to underscore the gravity of this *contestation* that was levied against Moses, Korah called upon the entire community that had *subscribed* to his smear campaign, to come and witness the *showdown*. That is when Moses the Voice of GOD ordered all the children of Israel to *separate* from Korah and his team. This *separation* was also to involve the Israelites *separating* themselves from anything that belonged to Korah and his team, that the obedient children of Israel may never inherit the *curse*. Moses knew it too well that a major curse was about to befall those who dare compete with JEHOVAH Prophet and attempt to equalize themselves with him. Korah and his team and all their families, including women, children and all their possessions, plus the wealth that had exalted him, were at that critical hour, *separated* from the rest

of Israel. And then Moses uttered the following words:-

²⁸ And Moses said, By this you shall know that the Lord has sent me to do all these works, for I do not act of my own accord:

²⁹ If these men die the common death of all men or if [only] what happens to everyone happens to them, then the Lord has not sent me.³⁰ But if the Lord causes a new thing [to happen], and the earth opens its mouth and swallows them up, with all that belongs to them, and they go down alive into Sheol (the place of the dead), then you shall understand that these men have provoked (spurned, despised) the Lord!³¹ As soon as he stopped speaking, the ground under the offenders split apart. And the earth opened its mouth and swallowed them and their households and [Korah and] all [his] men and all their possessions.³³ They and all that belonged to them went down alive into Sheol (the place of the dead); and the earth closed upon them, and they perished from among the assembly.³⁴ And all Israel who were round about them fled at their cry, for they said, Lest the earth swallow us up also.³⁵ And fire came forth from the Lord and devoured the 250 men who offered the incense. (Numbers 16:28-35).

Korah and his associates were indeed buried alive with their wives, children, wealth and possessions, including plates and cups, in the most terrible death that made everybody among the Israelites terrified and flee for their lives. Immediately following that episode, fire also came down from heaven and *devoured* the rest.

Aaron's budded rod

After Korah and his henchmen had been swallowed up by the earth, a state of terror consumed the Israelites in the entire camp. Nevertheless, what is particularly most puzzling, is that yet another group of Israelites launched another serious,

NAKURU REVIVAL 2013: TOTALLY BLIND EYES OPEN

rigorous and scathing campaign attacks against Moses. They started going around the camp saying that Moses had recklessly caused the death of so many leading men among the Israelites. Then the LORD heard them, and sent a deadly PLAGUE that killed many thousands of more of those Korah-type REBELS. And this left a lasting footprint of GOD'S unrelenting nature when it comes to anyone trying to *compete*, or *equalize* themselves, or *antagonize* HIS Prophet. It further shows that whenever the LORD sends HIS Prophet, that mission would have to be accomplished, NO MATTER THE COST. The events that followed from here, clearly show that the LORD is never done with you until HE has finally closed the file. In this way, the LORD further on came out to *publicly* to *approve* of Aaron's priesthood. This was to further approve of Moses' leadership as, he had appointed Aaron. In that respect, Moses the Voice of GOD then commanded each tribe to bring one *rod* inscribed with its name, and the Levitical *rod* to be fully inscribed with Aaron's name. Moses then carried all the *rods* into the Tabernacle as everybody fearfully watched on. All the Israelites were now shocked and terrified at the Prophet of the LORD. Moses asserted unto them that whosoever will have his *rod* *budded*, and *blossomed* the next day, would be GOD'S chosen priest over Israel. The following morning, all the priests,

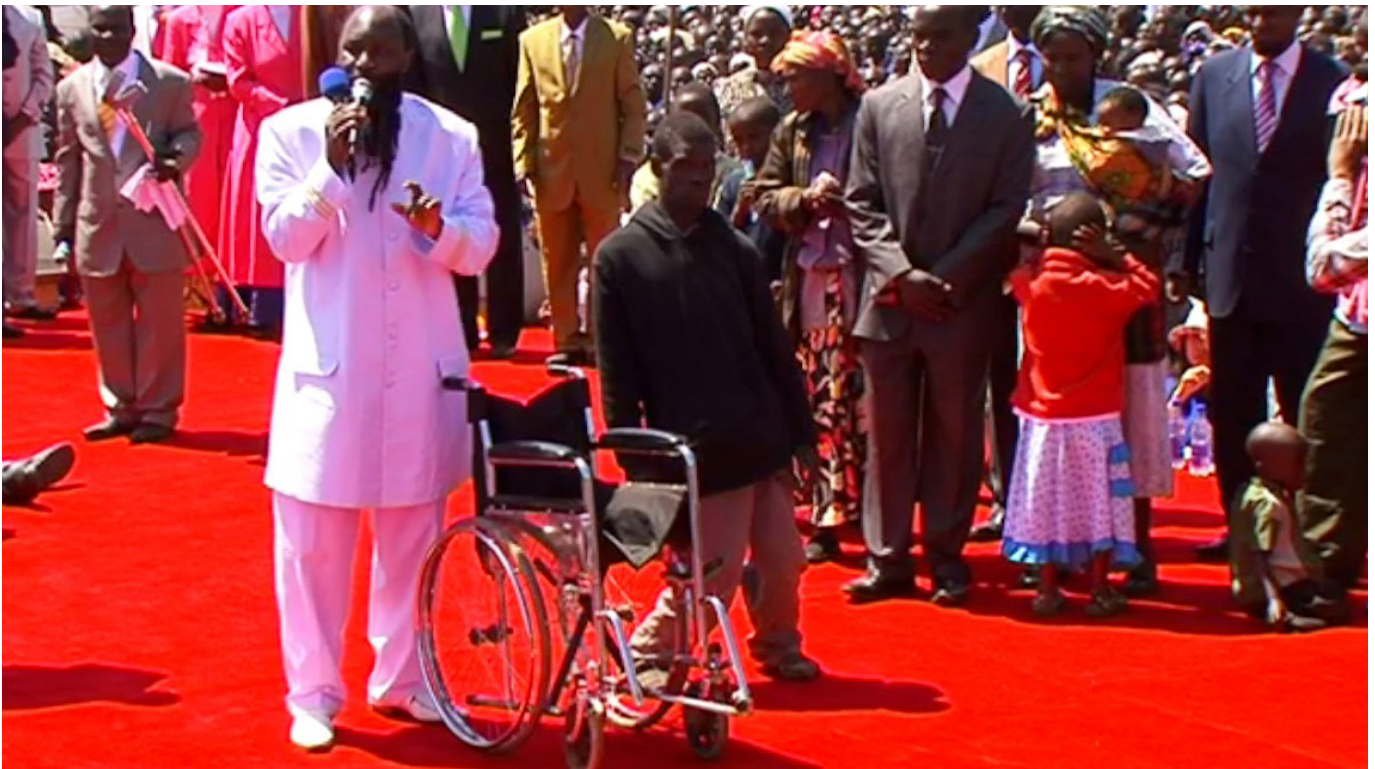

in great fear and trembling, entered the Tabernacle of GOD. And it was then that they all saw Aaron's *rod* that had not only *budded*, but also *blossomed*, and even gave fruit, thereby displaying ripe almonds. Moses then carried all the *rods* out of the Tabernacle into the public place, and displayed them right in front of the entire congregation of the children of Israel. When the entire congregation saw that only Aaron's *rod* had *budded* and *blossomed*, the entire house of Jacob from that day on, todate, fully *submitted* under the Levitical priesthood of Aaron, without a single question whatsoever. And from that day on, the House of Israel feared the Prophet of the LORD. Moses was consequently fully established as the *incontrovertible*, *unmistakable*, *undeniable*, and *indisputable* Prophet of the MOST HIGH GOD. And it became fully established in the House of Jacob that never ever should anybody, ever repeat the sin of Korah and his associates, in the House of Jacob. NOBODY, and I repeat NOBODY, from that day on, could ever dare contest the words of the Prophet of the LORD again. And neither would it be possible from that day on, for anyone to attempt in any way, form or shape, to equalize themselves with the Prophet of the LORD. This thing was indeed well established and engraved in the hearts of the Israelites, as much as it became engrained in their brains.

Korah's sin of the present-day church

Right from the very day when the earth opened its mouth and swallowed Korah, with all his associates, and all his wealth, together with the cups and plates with which they drank and ate, a lasting lesson regarding insubordination, was indeed imprinted in the hearts of men. From the foregoing, we can now see that whenever the LORD sends HIS Voice, to remove a people from the slavery of *idol worship* and *sin*, and lead them into the holy worship of JEHOVAH, that mission must always be accomplished, NO MATTER THE COST. Today too, we see that the church of

Christ has committed that very grievous sin of Korah with impunity, and especially in the way they have turned a deaf ear to the instruction of the LORD. This sin of Korah has been committed continuously by the so-called modern christians. We see that Korah was wealthy and affluent, hence highly corrupted by the riches he had acquired from Egypt. And in his engagement with Moses, Korah became drunk with the wealth from Egypt, to the extent that he began to call Egypt, 'THE LAND OF MILK AND HONEY', that Moses had removed them from. And we further see that this wealth is what really spurred

up his evil *rebellion* against Moses the Voice of GOD. However, today we find that Korah's sin in the time of Moses acts as a serious *indictment* to the behaviour of the present-day church. We can clearly see that today too, there are certain people that have come in to the church of Christ, without the calling of the LORD, and began to accumulate wealth from 'Egypt' (world) inside the church. This *wealth of corruption* has caused the current clique of false pastors, false apostles, false prophets, false teachers, to contest the Voice of JEHOVAH in the strongest terms within the House of the LORD. In fact, such a priesthood matches that which one sees today all across the globe including on christian television. They have loved the wealth of the world to such an extent that they have accumulated unto themselves that wealth by all means available, under the sun. The problem has gotten so bad that the familiar stereotype which is today often associated with the image of the pastor, is that of one who acquires things fraudulently through corrupt means. That

NAKURU REVIVAL 2013: THIS CRIPPLE GOT UP FROM THE WHEELCHAIR & WALKED

is what has caused today's priesthood to, for lack of a better word, outgrow the LORD. They have pursued corrupt wealth and gain by sinful means and with complete impunity. And there is no way such a priesthood, as the present-day shepherds, who are capable of contesting GOD HIMSELF, and with complete impunity, can even listen to HIS MESSENGER. It is this present-day false priesthood that has, not only, contested the *Leadership* of JEHOVAH in the church, but also incorporated worldly practices, into christian salvation. This is how the present-day worldliness has gotten its way into the congregation of the LORD, and gone virtually *unrebuked*. When the LORD sends a Messenger of *righteousness* and *holiness*, to decree HIS holy requirements upon the christian salvation, there will always be a stiff resistance from the so-called established main stream church. The pastors that run such modern day heedless churches, are the ones that constitute the false priesthood (false pastors, false apostles, false prophets, false evangelists and false teachers), that has OPENLY CONTESTED THE VOICE OF THE LORD that attempts to bring *correction, reformation and restoration* into the House . This sin of Korah the present-day priesthood has done by claiming, "HASN'T THE LORD SPOKEN TO US TOO?" Surely, the present-day church has even gone further than what Korah committed, in launching a viscous *smear* campaign against the very VOICE OF THE LORD. Such a *Korah-type* contest against the VOICE OF THE LORD has often been played out in churches, and even much more grievously perpetrated in the public space, like on global christian television. Just as did Korah crusade, so has today's heedless church gone on to even ask the populace not to pay attention to the prophecies that the LORD has sent HIS Messenger to proclaim. This is mainly courtesy of their greater affinity for sweeter prophecy that appeal to the flesh. The current modern-day christians do not seem to have in their vocabulary such a thing as rebuke of sin, repentance, restoration and the wrath of GOD against wickedness. And most despicably, we see that just as did Korah and his clique

have no *reverence* at all towards Moses, so have today's pastors and preachers shown no *fear* of the LORD at all, whatsoever. The wealth of the earth that they have acquired, is what has bloated their ego, and entrenched their *pride* and *arrogance*, to the extent that they can afford to openly contest the MESSENGER OF THE LORD. The line of argument that Korah used has today been advanced by the present-day pastors in an attempt to justify themselves, however sinful the congregation may be. And this they have done by saying, "WHY SHOULD WE REPENT, HASN'T THE LORD CALLED US TOO?" And even as they witness the mighty *miracles, signs* and *wonders* that accrue in the meetings of the Messenger of the LORD, they too have gone ahead to try and equalize themselves with the Prophet of Righteousness by claiming, "WE TOO, HAVE THE GLORY OF THE LORD IN OUR CHURCHES!" "Having released HIS Flaming Sword from Heaven at the Grand Mega Nakuru Revival Meeting on August 2013, and caught on camera, one can almost tell what is about to happened to the *defiant* and *rebellious Korahs* of this present-day church. How Fearful!

We now see very clearly that when the *Cloud* of GOD came down among the Israelites in the wilderness, it was GOD HIMSELF who had come down to personally deal with those *rebellious* ones who had raised their voices against HIS Prophet. And in this case too, we see that when the *Cloud* of GOD ALMIGHTY descended from heaven into that Mega Kisumu Revival meeting, it is GOD HIMSELF who has once more come down to the earth, to deal with the rebellious voice that does not submit to repentance. JEHOVAH has essentially come down to clean up the congregation, so that only the OBEDIENT HOLY ELECT may enter into the PROMISED LAND OF RAPTURE. And we further see that during the time of Israel in the wilderness, JEHOVAH HIMSELF came down in the *Cloud*, to thoroughly clean up the congregation of the Israelites, during the stretch from Mt. Sinai to the Red Sea. Unmistakably, this HEAVY CLEAN-UP occurred right before the Israelites

entered into the PROMISED LAND. He did not come down to CLEAN UP the Egyptians, and neither did HE descend to clean up the other communities, that had lived far off this theatre of action. So we now see that on this occasion too, JEHOVAH has come down HIMSELF to clean up the present-day modern church of Christ, and NOT the world. That at the end of this *purification* process, only the *righteous* and *holy* christians, may enter into the glorious Kingdom of GOD. The *Cloud* of GOD has essentially now appeared in the church, to *purge it off* the *dross* of Korah's *rebellion*, that has of late created a competing voice in the house. This CLEAN UP is what constitutes the *shutting of the door* against the foolish virgins, as the wise virgins enter into the wedding banquet of the Lamb (Matthew 25:1-13). We can well remember that

such a CLEAN UP had earlier occurred during the time of Noah, when the LORD wiped out all the Korah's *rebellion* of that day, and admitted only Noah with his family, into HIS Ark (Gen 7:16) That is the *shutting of the door* that the LORD Jesus pronounced in Matthew 25:10 when HE Spoke of the day of the wedding of the Lamb. And this *shutting of the door* that the LORD pronounced in Matthew 25:10 by all standards mirrors the shutting of the door in Genesis 7:16, thereby affirming that; *as it was during the time of Noah, so will it be at coming of the Messiah* (Matthew 24:37).

"But while they were on their way to buy the oil, the bridegroom arrived. The virgins who were ready went in with him to the wedding banquet. And the door was shut (Matthew 25:1).

The animals going in were male and female of every living thing, as God had commanded Noah. Then the LORD shut him in. (Genesis 7:16).

In conclusion, we can therefore say, that the *Cloud* of GOD that visited the December 31st, 2012 Kisumu revival meeting, indeed came to open up the earth, and swallow the Korahs of this present-day church, together with their associates, and *shut the door* on them. It is as though the LORD is saying to the Korahs of this present-day church that, Egyptian (earthly) wealth have you loved, and so back to Egypt (the earth) shall you return.
