BLACK HORSE
FROM HEAVEN:

The Vision Of AUG 19, 2008

GLOBAL ECONOMIC CRISIS

And On October 7, 2008 Markets Crashed

When Over 2 Million Gathered To Repent! Dr. Owuor Announced The Coming Of A **GLOBAL ECONOMIC CRISIS**. Nakuru, August 24, 2008. God Had Shown Him The Black Horse.

On the 19th day of August 2008, the LORD God Almighty spoke with me regarding some of the most and historic events that were about to befall the planet earth. In that day I saw the night visions of the LORD, and the vision I saw consisted of events that I can reveal and those that I may not at this point in time. In the first vision of the LORD, I saw heaven standing open and the black horse that

came forth from the inside of heaven turning around the sky, stretching his mane, and then ran across the entire earth. This horse greatly impacted the peoples of the world and their kings, very heavily. The horse that the Lord God Almighty in heaven presented was released by one of the four living creatures around his throne. He was a totally black Horse that uniquely spotted a long *flowing mane*. Even as the LORD presented the black horse from heaven prior to being released, the black horse displayed the extremely white *flowing mane* he possessed by stretching all of them out then allowing them to converge on his body again. It is after then that this black horse was released across the earth. This was immediately followed by a second vision of the LORD in which I saw the Son of Man coming for the church.

Revelation

It is absolutely clear that on every occasion when the Lord speaks, it is normally intended for the church of Christ. In this way, the message of the Lord would then affect the nations of the earth, given that the church is supposed to be the salt of the earth. Even much more important, is the fact that on every occasion whenever the Lord speaks, that conversation must always be found in the bible, the Word of the Living God. It is no exception that here too in the August 19, 2008 vision of the black horse, the revelation had to be embedded in the bible. The LORD clearly speaks about the black horse in the bible when he refers to the endtime events. The Lord God Almighty says of the black horse;

“When the Lamb opened the third seal, I heard the third living creature say, “Come!” I looked, and there before me was a black horse! Its rider was holding a pair of scales in his hand. “Then I heard what sounded like a voice among the four living creatures, saying, “A quart of wheat for a day’s wages, and three quarts of barley for a day’s wages, and do not damage the oil and the wine!” (Revelations 6:5).

By observing the black horse alone, one would not be able to gather much on his intended mission and the symbolism of the message he represents within this critical dispensational threshold as the wedding of the Lamb of God draws nigh. But upon having a glimpse of the Rider of this black horse, one quickly gathers the gravity of his release in these end days. The bible says that the Rider of this black horse holds a **PAIR OF SCALES** as the voice coming from within the four living creatures around God’s throne says; *“A quart of wheat for a day’s wages, and three quarts of barley for a day’s wages, and do not waste the Olive oil and the wine!”* This vision finally completed the revelation on

the global famine that I began to prophecy way back in August 2007, when I said; “that the upcoming global famine would not spare the lowly woman neither would it the educated woman.” It is incredible that that famine has already entered the earth and is taking a great toll on the human population. The **PAIR OF SCALES** that the Rider of this black horse displays on his hands signifies the **ACUTE GLOBAL ECONOMIC AND FINANCIAL CRISIS** that would consume the earth. It is incredible that upon proclaiming this prophecy on Saturday, August 23rd, 2008, at a mighty 2 Million plus repentance meeting in Nakuru Kenya, the global financial markets quickly gave into pressure and **CRASHED** on October 7, 2008. Amazingly, this **CRASH** has continued to deepen as to affect all the nations of the earth in an **ECONOMIC AVALANCHE** that historians have rated worse than the economic recession of 1930. In other words, it has broken its own records in our time. These are signs that the LORD Jesus intimated unto his disciples when he said that the sign that would signal his return for the church would most definitely be the **GREATEST DISTRESS** of this lifetime. The elements that would propel this distress of our lifetime would include earthquakes, floods, wars, and famines (Matthew 24: 4-10). But, to observe the scale of the economic distress that has consumed

the four ends of the earth beginning October 7, 2008 when the financial markets crashed, is as stunning as it is shocking to every inhabitant of the earth. Never have world leaders gotten so heavily distressed running helter skelter to try and stop the storm of a total global economic collapse. When Daniel, the Prophet of the Lord equally described the great historic distress that would befall this dispensation we live in today, he used the words, “...as has not happened since the beginning of nations until then...” But this would not materialize until the recent crash in the financial markets, a crash

that has not been labelled the most historic of our time (Daniel 12:1-3). However, what matters most is the intended spiritual message to the present-day christian. The manner in which the global financial crisis has impacted today’s human life, leaves alot to be desired. This crisis began with the mortgage subprime episode that saw a colossal number of families loose their homes across the globe. One can only image the horrendous pain and anguish that accompanies the loss of a roof over ones family! Furthermore, as though this were not enough, this global economic recession took the most ugly turn when it mutated and converted

sincere awakening within the church of the need to purify herself from the **CORRUPT GOSPEL OF PROSPERITY** that so seems to have fully engaged the church over the greater part of her life. In the recent past, the church has believed that being blessed of the LORD involves the accumulation of earthly materials ranging from big homes, big cars, membership in famous golf clubs, accumulations of fat bank accounts, to acquisition of private aeroplanes. This, unfortunately, amounts to the exact grievous act of getting over-indulged in the excesses of this dark and sinful world. Isn’t this the very thing that the LORD greatly cautioned the church never to venture into as she awaits his coming (1 John 2:15-17)?

DO NOT LOVE THE WORLD

¹³Do not love the world or anything in the world. If anyone loves the world, the love of the Father is not in him. ¹⁴For everything in the world—the cravings of sinful man, the lust of his eyes and the boasting of what he has and does—comes not from the Father but from the world. ¹⁷The world and its desires pass away, but the man who does the will of God lives forever.

This became so bad that literally every gospel being preached in the majority of churches across the earth, and on christian global television, has today focused on how to give and how to sow a good seed in order to prosper. Unfortunately, the prosperity being referred to here has been centrally an **EARTHLY PROSPERITY**. This is despite the fact that God has always wanted the church to prosper spiritually so that one day she may enter into the wedding of the Lamb and inherit the eternal kingdom of God. That entry into the wedding banquet is the ultimate blessing of all blessings, a blessing that fulfils the scripture in the book of Genesis chapter 1 verse 26. This implies that the raptured church would never see pain and suffering again forever, since she will have overcome sin and the salary of sin which is death. By causing the **BLACK HORSE** and his Rider to run across the globe at this very critical threshold right before rapture, God must have intended

Bringing Down the Gospel of Prosperity

The LORD intended that such **FINANCIAL CRISIS** would create a

to now purify the church from this excessive worldliness that had encroached within the interiors of the house of worship. The current global economic, financial, and food crisis (famine), implies that it is no longer important as to how much money the church may have accumulated in the fat bank accounts since the poor and the rich would become normalized, equalized and the same, owing to the crashing collapse of such financial institutions. By the subprime mortgage crisis causing a widescale loss of homes, the Holy Spirit has just reasserted to the church that her home is not here on earth but in heaven (2 Corinthians 5)

OUR HEAVENLY DWELLING

¹Now we know that if the earthly tent we live in is destroyed, we have a building from God, an eternal house in heaven, not built by human hands. ²Meanwhile we groan, longing to be clothed with our heavenly dwelling, ³because when we are clothed, we will not be found naked. ⁴For while we are in this tent, we groan and are burdened, because we do not wish to be unclothed but to be clothed with our heavenly dwelling, so that what is mortal may be swallowed up by life. ⁵Now it is God who has made us for this very purpose and has given us the Spirit as a deposit, guaranteeing what is to come. ⁶Therefore we are always confident and know that as long as we are at home in the body we are away from the LORD. ⁷We live by faith, not by sight. ⁸We are confident, I say, and would prefer to be away from the body and at home with the LORD. ⁹So we make it our goal to please him, whether we are at home in the body or away from it. ¹⁰For we must all appear before the judgment seat of Christ, that each one may receive what is due him for the things done while in the body, whether good or bad.

In this way, the LORD is using the Holy Spirit to separate the church from the world for her own good that she may be able to make it into rapture. It had gotten so bad that the House of the LORD had now fully settled to the preaching of a very worldly gospel. This had brought with it the corruption of sexual sin, immorality, lust, lies and falsehood, witchcraft among others. Most notably though is the fact that all that this crashing weapon of the Holy Spirit seems to be highly targeted at, are the false prophets who are the true peddlers of the gospel of prosperity in this horrendous act that has clearly simulated ancient baalism. It is no wonder there was no deliverance in the house. And to the extent that the church finally returned to Egypt for her deliverance, it greatly underscores how far drifted she has been from the LORD, the Rock, her Creator and Saviour.

¹⁵ Jeshurun grew fat and kicked; filled with food, he became heavy and sleek. He abandoned

the God who made him and rejected the Rock his Saviour.

¹⁶ They made him jealous with their foreign gods and angered him with their detestable idols (Deuteronomy 32: 15-16).

By looking at today’s church of Christ, it would be difficult to spot out any difference between her and *Jeshurun*. The church too has actually fattened herself with the excessive self-indulgence in this sinful world. There is no way such a church would have entered into the most holy wedding of the Lamb of God. It is for this reason that the LORD has today loved the church so much that he could cause his presence in heaven to release the **BLACK HORSE** that has now unleashed distress as has not been seen since the creation of nations (Daniel 12:1). Ironically, as painful as this interlude of distress maybe, it is actually a mighty blessing unto the church because it highlights one of the greatest spiritual landmarks that the church ought to have been looking forward to. Immediately following the distress outlined by our LORD Jesus in Matthew chapter 24 verse 8, right away appears the tribulation in verse 9. That implies that a major spiritual event takes place to warrant the transition from the beginning of birthpains into the deep birthpains presented in Matthew chapter 24 verse 9. As a pointer to this spiritual event that may have caused such a transition, in the book of Daniel chapter 12 verses 2 and three, the LORD describes the rapture of the asleep in the dust of the earth (holy dead christians), right after the phemonon distress of verse 1. That implies that Matthew chapter 24 verse 8 and Matthew chapter 24 verse 9 is hidden the precious and most glorious wedding of the Lamb of God (rapture). This is the reason why in that mighty vision of August 19, 2008, immediately following the release of the **BLACK HORSE**, then it was the time for the Messiah to come for the church. And now that the **BLACK HORSE** has been released and his impact being felt across the four corners of the earth, then it can only be said of the fact that the coming of the Messiah in the rapture has now drawn even much more nigh. Prepare the Way, time is fast running out (Isaiah 40:3).

The Perishables . . .

By releasing the **BLACK HORSE** from heaven, the LORD God Almighty is essentially sending the church from her sustained comfort which has mainly revolved around the things of the world. Jehovah is now redirecting the church by asserting to her that the security that she had build in big cars, big homes and fat bank accounts are empty, useless, and highly perishable. The LORD has crashed into complete fatality the human securities that the church had built, and in so doing,

he is redirecting the hearts of the nations back to Jesus. This is because even after losing all their earthly belongings in the current ongoing economic and food crisis, only Jesus now remains their constant source of help. And at this point, it does not matter whether one has a big car, big home or a fat bank account etc (earthly prosperity) that the church has been preaching or having not; only Jesus can bring peace in their hearts. It is only Jesus that they have now remained with to turn to. Only Jesus can bring the solution. This is what the Holy Spirit is saying to the church right now considering that

Ripening For The Antichrist

The on-going humiliating crash of the first and third-world financial markets and the horrendous onset of the humongous global economic crisis, have literally pushed human life to the brinks. The agony though is worsened by the fact that one may even own colossal amounts of money in the bank and yet not be able to access them. Such a scenario can only help to degenerate human life and unleash wanton social upheaval across the globe. This mainly will

US President George Bush had to hold an emergency crisis meeting with the G7 Finance Ministers on the Global Crash in the Financial Markets.

it is this earthly prosperity that has stolen the heart of the church away from the LORD Jesus. The scripture in 1 Corinthians 15:50-56 could never have been so real than it does today. Flesh and Blood will not inherit the kingdom of God. The perishable will not inherit the imperishable, nor will the mortal inherit the immortality. When the imperishable has been converted to the imperishable and the mortal into immortality then the victory of death has been crashed. Then sin will have been crashed because the wages of sin is death. It is only then, that the church will have been converted into the image of God because the perishable will have then been converted into the imperishable and the mortal into the immortality. That means that the Holy Spirit is converting the church from the perishable into the imperishable and the mortal into immortality at this critical threshold right before the rapture. This, the Lord is doing by crashing the perishables that the church had clung on such as the fat bank accounts, big homes, big cars. It is then that the church will have attained the image and likeness of God prophesied in Genesis chapter 1 verse 26. The immortal church is spiritually holy and caught up in the rapture.

The Mighty 2 Million plus Repentance Meeting at which Dr. Owuor announced the appearance of the BLACK HORSE.

come from the failure of families to put bread on the table, maintain a roof over their heads, service health care, and failure of governments to stand on their promises to the citizenry. Coupled with the already on-going energy crisis that directly hinges on the price of crude oil, the cost of production for the farmers seems to have already escalated

through the roof. That can only mean that the amount of acreage under crop production will shrink and hence the quantities of harvest in the national granaries. A scenario of this nature appears to be quickly ripening the earth for the onset of the dominion of the antichrist, as many nations will now seek one authority to take charge of things. In the book of 2 Thessalonians chapter 2 verses 6 through 8, the Lord says;

“ and now you know what is holding him back so that he may be revealed at the proper time. For the secret power of lawlessness is already at work; but the one who now holds it

the Black horse traverses the earth, there will quickly arise a need for world leaders to agree with one who will seemingly weld authority to take charge of things in the energy sector, and have enough resources to bail out collapsed financial institutions. That person is the antichrist. The Black Horse that the Lord released on August 19, 2008, has hence essentially ripened the earth for the antichrist to rise up and take control. But, It is so fearful to even imagine that as the earth ripens up for the antichrist to arise, the rapture will have taken place by the time he is enthroned. It is the message of Prepare the Way in

back will continue to do so till he is taken out of the way. And then the lawless one will be revealed, whom the Lord Jesus will overthrow with the breath of his mouth and destroy by the splendour of his coming.”

Because of the collapse in the major global economies, a collapse that is beginning to take shape now as

your hearts, for the coming of Christ Jesus, the Messiah, in the wedding of the Lamb, that you may not see the tribulation. That is the message that the Lord God Almighty is passing to the church through the vision of the Black Horse that has now crashed all the financial markets.

VISION OF THE WHITE HORSE

When the LORD God presented in a vision, the two wedding rings in the sky, it essentially marked the highlight on the preparation for the wedding of the Lamb of God. The message that the LORD God Almighty conveyed to the church in that mighty vision, is now absolutely clear to the entire church of Christ world over. It is utterly obvious that the LORD God Almighty, the Father of our LORD Jesus, is impressing upon the church on the fact that the preparations for the wedding of the Lamb have been finalized in heaven. This imperatively lays the burden on the church to equally accomplish her apportioned component in this preparation for the most important wedding that heaven and earth will ever live to see, since the onset of creation. However, examining the countenance of the church today reveals that she is not yet ready for the wedding of the Lamb, while God Almighty seems to be set for the rapture. The only way then, in which the church can pick up the rhythm of preparation for the wedding of the Lamb with that in heaven, is by preparing the glorious wedding gown that befits that highly celebrated day. The biblical narrative on the quality requirements of the wedding gown that the church ought to be wearing at this moment are clearly; FINE LINEN, BRIGHT AND CLEAN (Revelation 19:6-9). Having been purchased at a very heavy price at Calvary, one would imagine that the process of keeping that gown as FINE LINEN, BRIGHT AND

CLEAN would have been the easiest thing for the church to do. Whereas to the contrary, maintaining the true quality value of this hard-worn wedding gown has turned out to be the most daunting of tasks that as a matter of fact threatens the church with the real possibility of missing rapture. FINE LINEN stands for the holiness of the church, without which she cannot make it into the kingdom of God (Hebrews 12:14). It is this disparity between the holiness that the church ought to be wearing now, and her current manifestation, that has led God Almighty in heaven to now call for an all out purification in the house. The current message that requires the church to purify out the dross of sin from her christian walk, comes through much more clearly in the manner with which God Almighty presented the two wedding rings in the sky. It is common knowledge that a wedding of the stature befitting the Messiah is definitely, by all standards, a royal wedding whose magnitude cannot be fathomed in this dispensation. And for God Almighty to prepare and exhibit the two wedding rings for the wedding of the Lamb, it for sure goes without saying that the gold content and nature he has used to develop the two wedding rings must be of the highest purity ever conceivable by mankind. Going by the earthly prototype, gold here can only be purified to the highest level through the action of extreme heat from a sustained intensity of fire. How much more then does this firing happen in the spiritual realm when

the Holy Father in heaven prepares the wedding rings for his one and only most beloved son? That is the message that the Lord is relaying to the church today regarding the purification of the Holy Spirit, that she ought to pass through in order to partake of rapture (1 Corinthians 15:50-56).

The White Glorious Horse In The Sky

The white glorious horse that the Lord presented above the two wedding rings in the sky reveals the tire link between the wedding of the Lamb of God and the Second Coming of Christ Jesus. At the wedding of the Lamb of God, Jesus of Nazareth comes like a thief and snatches away the purified and radiant church that has walked in holiness all her days (Revelations 16:15). While during the Second Coming of Christ Jesus he comes in the clouds in the clear view of all people, except that this time with the raptured church (Revelation 19:11-21). The most important take-home message in presenting the White Horse with the wedding rings in the sky, is none other than that, the judgment of the Lord begins right at rapture when he is able to separate the global population into two; the raptured and the left. But above all this, is the most valuable instruction to the church on the timing of this irretrievable event. That everytime the wedding rings have been made ready, signifies that the wedding

preparations have been finalized and the wedding is ready; is a fact that cannot escape the attention of today's church. It tells of how acute the time is for today's christian to prepare for the coming of the Messiah. Also, therein is the invaluable message on the fact that the wedding gown that the church prepares here and today for rapture, has a direct bearing onto her eternity. This is because it is the same LINEN FINE AND CLEAN that

the church wears right before rapture in Revelation 19:8 that she is seen wearing on the way to Jerusalem in Revelation 19:14. This must serve as a wake-up call to the present-day christian on the need to adorn herself with the holiness of the Lord. It is this yardstick of holiness that seems not to change across dispensations, be it pre or post rapture. The Lord God Almighty in heaven is currently telling the church that the Second Coming of Christ is near given that the rapture may happen at anytime from now.

MIGHTY HEALING OF ALL DISEASES

It first began with over 2 Million People repenting ...

Then came the Massive Power Of God Almighty when the Holy Spirit slaid hundreds.

THEN CAME THE SHOCKING REPEAT OF 1 KINGS 18 AGAIN

When the Man of God walked into the field, he immediately said that, in that broad sunny summer day, the Lord God was going to release the Holy Spirit Rain from heaven into the Meeting. . .

What became even most stunning to the Millions who gathered at the Nakuru Girls' High School grounds, the Holy Spirit Rain indeed came down from heaven and poured in what consituted, a bizzare of shock . . .

And sure enough, the rain that came down only with-in the area of the Nakuru Girls High School grounds brought a massive healing of all forms of diseases, sicknesses, oppression, and maladies. Surely, once more, the Lord God Almighty lavished this country again with his unrelenting disposition of love.

The Prophet of the Lord had said that the Lord God would bring that Outpour in order to heal all kinds of diseases and sicknesses. The mere fact that a man may walk into a sunny field and say it is going to rain here and rain surely comes down, is a matter that many are still trying to come to terms with, as to what this may exactly mean towards the change of spiritual season in the church.

Left is Charles Oduor who was instantly healed from complete deafness and dumb-ness.

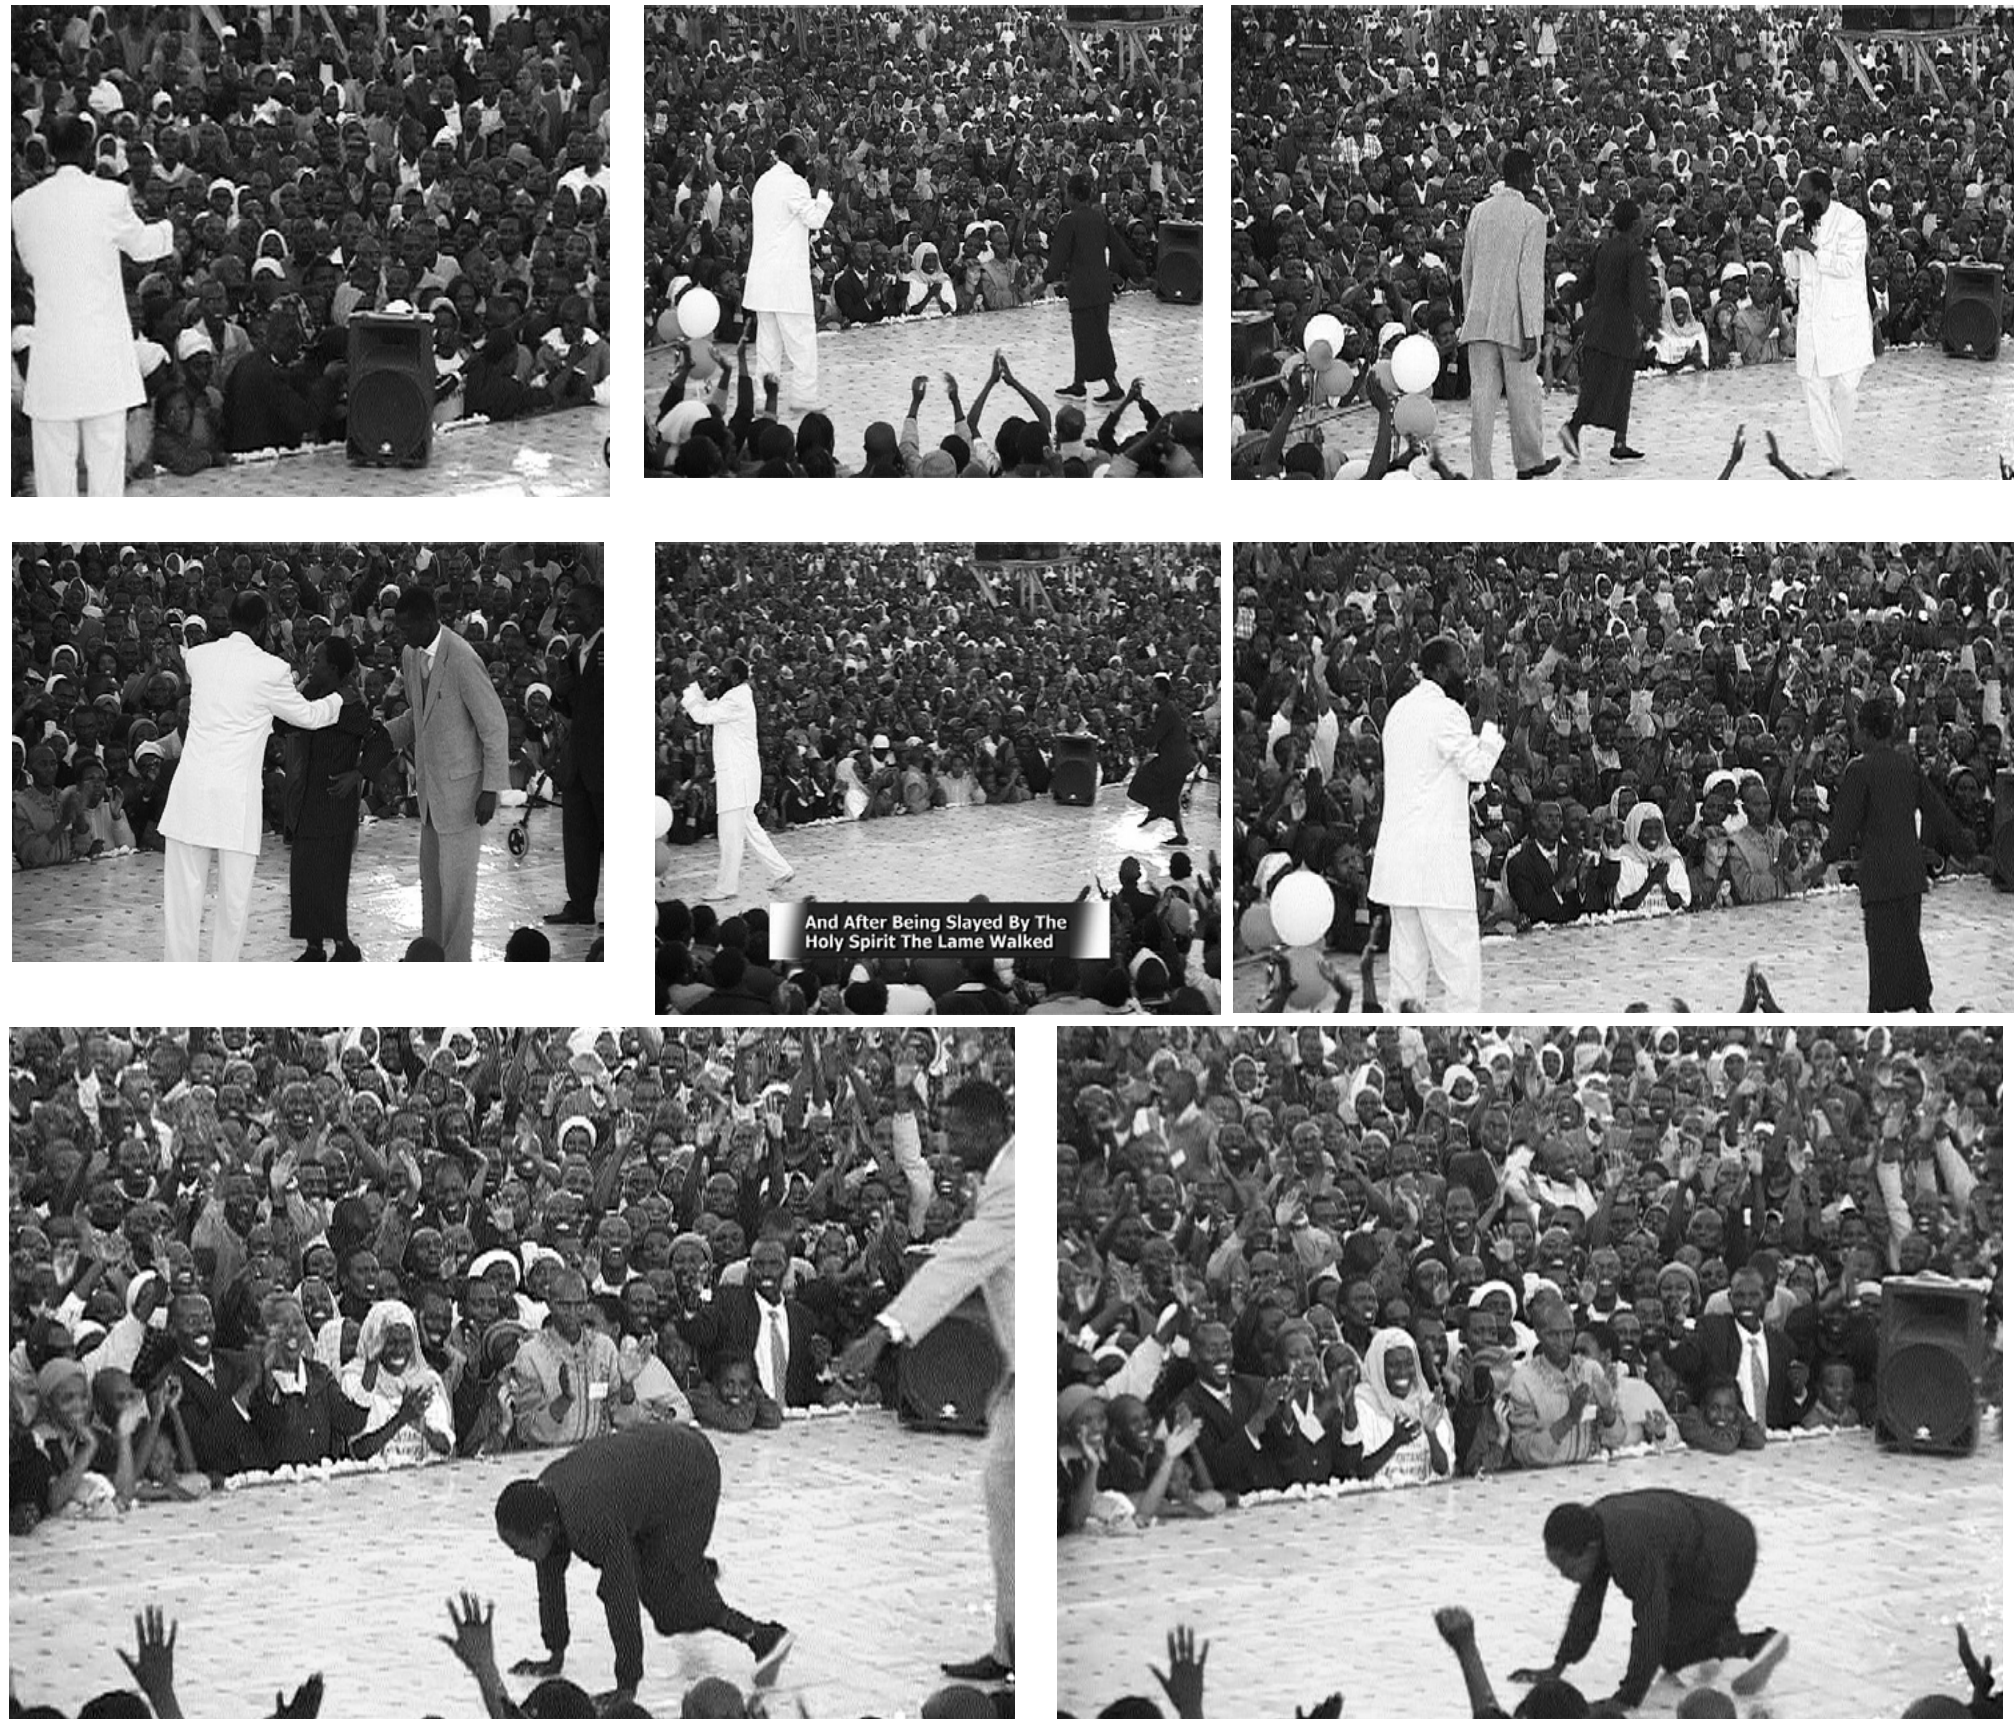

After being rained on by the Holy Spirit Outpour, Jane Nahumicha was instantly healed from a Chronic long-running Deadly Uterine Cancer and Severe Bleeding.

EVEN THE LAME ALSO WALKED AS THEY ABANDONED THEIR CRUTCHES AT THE ALTAR OF THE LORD

And The Entire Crowd At Huruma Grounds went Absolutely Wild

AND A HUGE REVIVAL BROKE OUT!!

And in Learning to walk, she even fell several times before stabilizing

And Rose Adhiambo finally walked, jumped and even danced for the Lord as the crowd cheered on and sang Praises unto God Almighty in heaven.

WHEN HIV/AIDS WAS HEALED, EVEN THEIR PHYSICIANS RECEIVED THE LORD JESUS OUT OF SHOCK . . .

After the Lord had healed them from the losing battle with HIV/AIDS, their physicians tested their patients blood again and again and remained utterly shocked that those who had been their patients on ARVs, were now COMPLETELY HIV NEGATIVE FOR BOTH TYPE-1 AND TYPE-2 VIRUSES.

Dr. NANCY Omronji, (A Professor at Egerton University and her physician, Dr. Joseph Singo.

At first it may have sounded very strange when Dr. Owuor ordered all those who had been healed from HIV/AIDS in the meetings, to return to their physicians, clinics and hospitals for a blood re-examination. Only later did everyone understand what the Lord God Almighty had intended when he commanded his Prophet to return those who were healed to their doctors. Now it is clear that God Almighty had wanted to capture the attention of the nations and that of the physicians by over-ruling and obliterating the perpetual falsehood that had established itself in the church. Many pastors and evangelists have in the past claimed to bring healing upon the people, but have been very shy to have Medical Science prove that Jesus had healed the people. This had essentially established falsehood and false prophets in the church for most of her life. Hence, when the Lord commanded Dr. Owuor to return those who had been healed for re-examination, surely, the God of Heaven ascertained without a doubt that when he heals, even Medical Science will prove that that patient indeed has been healed by God. In so doing, the Spirit of the Lord, has mightily used Dr. Owuor to re-establish the authority of the Blood of Jesus in the church to the point that even the physicians now come with their healed ex-patients and receive Jesus at the Prophet of God's meetings. What has become even more shocking is the fact that even the cameramen and journalists from different media houses, at the end of it all, lay down their tools and ask the Prophet of the Lord to lead them to this God who does such mighty works in the eyes of all. It is called REVIVAL!

THE HEALING OF BEATRICE CHEI FROM A SEVERE HEART CONDITION ATTRACTED EVEN THE ATTENTION OF ALL MEDIA

Beatrice was totally dependant on very heavy and toxic heart medication that maintained the beating of her heart. But when she set out to go buy one of the expensive prescriptions in Eldoret, she instead opted to enter the Huruma grounds where a Mighty Repentance and Healing Meeting was being led by the Prophet of the Lord, Dr. Owuor. Little did she know that this would be her one of a kind encounter with the healing Power of the Holy Spirit that would set her free and totally heal her. Upon her healing at Eldoret, her Consultant Cardiologists were stunned and stopped her medications instantly in deep shock. Beatrice had suffered a very severe form of stenosis in which the heart valve was too tight and needed an open heart surgery to be repaired. The Lord healed her and set her free from all that as she testified right before the television cameras of all the media houses combined. For the church this has marked the biggest SPIRITUAL REBOUND as revival animates.

Dr. Catherine Wangui Gakuo, one of the top Physicians in the Nation of Kenya gave the Most extensive description of the heart condition Chei had suffered. Dr. Gakuo even described the kind of heart operation that would be required to save Beatrice Chei's life. Dr. Gakuo as a Specialist in Medicine stunned the gathering and the media that there is no way that Beatrice would have abandoned the medication that sustained her heart and run around the way she did at this meeting, without an open heart surgery to repair the valve. Dr. Gakuo further shocked everyone and the media when she finally confirmed that with Beatrice now able to perform tasks that she couldn't before, the Doctor said, "THIS HAS TO BE THE LORD HIMSELF THAT HAS HEALED CHEI."

Performing tasks she could not ...
By His stripes, she is healed
