

NATIONAL REPENTANCE 2013

Kenya was faced by a great challenge following the previous general election in 2007/2008. This is the year that thousands lost their lives in the post-election violence and hundreds of thousands displaced ending up in IDP camps. These skirmishes left a raw wound in the fabric of the society along tribal lines and the LORD continuously warned the nation of Kenya that only through a Nineveh-like Repentance, would violence be averted. And

since the recent political campaigns running up to the 2013 general elections, evidently showed signs that violence may rock the country, once again. There were clear indications that blood would be shed after the general election if Kenyans did not repent. Some key presidential candidates were repeatedly warned against making empty rhetoric and toxic talk in public because their supporters would translate this to mean that the tribes in question were at war.

TOTALLY BLIND SINCE BIRTH

BLIND EYES OPEN

To the amazement of all that came to witness this Landmark day in Kenya, right before the 2013 General Election, The LORD did a very extraordinary miracle in the eyes of 6 million plus people. This meeting was attended by dignitaries and representatives from different nations including the leadership on the country, on the day of National Repentance 2013. On this august day, a young 10 year-old boy born totally blind, had been brought

by his grandmother to partake of this memorable day of National Repentance. He had never seen since he was born. But on this broad sunny day, The LORD GOD Almighty opened his eyes and he was able to see for the first time in his life. It brought so much joy and he visibly expressed the new adventure of seeing. He could reach out for the

bottle of soda that the Prophet of The LORD was advancing to him. Indeed, The LORD revealed His Servant The Prophet to all on this

CRIPPLES GOT UP AND WALKED

This woman was carried to the Meeting of the LORD at Uhuru Park on a mattress. She had been bedridden for 4 years. But after the Man of GOD The Prophet pronounced the healing of everyone, she kicked the beddings and got up and walked alone to the Altar of The LORD.

TUMOUR LITERALLY FALLS OFF!

This 22yr-old woman from Oyugis, caused everyone to weep as she narrated her shocking healing testimony. She had a horrendous tumour that was growing down her private parts. She had even contemplated suicide after her husband rejected her and remarried. But come this Mighty day of her visitation, immediately The Prophet of The LORD entered the grounds & declared, "Everyone receive your healing now!" she immediately felt like going to relieve herself and she went to the restroom. To her shock the humongous tumour dropped off! As she gave her testimony, she could not stop Thanking The LORD for remembering her. Surely The LORD Glorified Himself.

BRAIN TUMOUR INSTANTLY DISSOLVES

This precious boy Enan, was brought to the meeting of the LORD in a very critical condition. He had a very big tumour on his brain, that was pressing on the cranial nerve. He could not even recognize his father. The doctors had surrendered and concluded that the boy was definitely going to die, because the tumour was very extensive. He would have 6-hours continuous convulsions in a day. It affected his locomotion, and could not even lift his left hand because it had become paralyzed. However, as the Man of GOD The Prophet entered the grounds, He shared that The LORD has spoken to Him in a live vision, about a boy who was going to be healed and He could see the boy lifting up his left hand. And sure enough, as soon as The Prophet Of The LORD declared that "Now receive your healing..." Baby Enan indeed received his healing. He was immediately able to recognize his father and could now lift up his left hand. Glory be to GOD Almighty!

TUMOUR INSTANTLY DISSOLVES

This man from Narok, had many tumours in his kidneys. He had been to many hospitals and the doctors had scheduled surgery. However, when The Prophet Of The LORD stepped at Uhuru Park Grounds, the tumours instantly dissolved! He was very shocked when he examined himself, he realized that the tumours were no more. What a Mighty GOD JEHOVAH is!

Rebecca Namulembo from Kiminini had a massive tumour in her stomach. The tumour was the size of a baby's head, and with fluid inside the mass and the doctors had scheduled a major operation on 11th March 2013. When the Prophet of the LORD declared that all tumours dissolve, at once, she was touched and began to tremble all over and the tumour burst! On checking her stomach, the mass had disappeared. The LORD is Mighty!

MENTALLY ILL RESTORED

Dismus Kipsang became mentally disturbed 10 years ago. The Family brought him but had tied a handkerchief with his name on it in case he got lost. After the Prophet of the LORD entered the field, Dismus, for the first time he had the mind to go to the restroom. Before he would mess himself. Furthermore, when he returned from the restroom, he was able to recognize his mother and even the people that they had come with. Everyone was stunned

...and they brought him all the sick, those afflicted with various diseases and pains, those oppressed by demons, epileptics, and paralytics, and he healed them.

PARALYSIS HEALED

This old man had suffered a severe bout of Stroke and was hence incapacitated since 2011. He was brought on crutches to the Meeting of the LORD at Uhuru Park, and the LORD remembered him on this day. The LORD restored strength back on his legs and to the shock of his family and friends, after the Prophet Of The LORD declared healing for all, This man got up, abandoned his crutches and began to walk to the Altar of the LORD.

*Shocking Repeat of Biblical Miracle:
Instant removal from the Jaws of Death*

The gift of life acts like a *balm* during moments of *adversity* and challenges making the celebration of being alive an unspeakable treasure that only The Almighty *nourishes* and *sustains*. In ancient biblical history, a condition known as *Leprosy*, also known as *Hansen's Disease*, was seen as the worst form of *punishment* from The LORD GOD in heaven. This horrendous most chronic *malady* presents a condition that most have never considered, and most probably have never heard of or seen. Hence as a result, leprosy sufferers have faced many *indignities* due to the stigma attached to it. Since Biblical times, leprosy was characterized by disfiguring skin lesions, marked *deformity* of the hands and legs and overall sorry state of progressive *debilitation* beyond measure. This gruesome disease left behind a terrifying image in history and human memory of *mutilation*, *rejection* and *ostracism* from society because Leprosy vividly illustrates *sin* and its fruits. In this regard, Jewish strict isolation laws applied to leprosy sufferers and they could not. Thus

the LORD Jesus, realizing the *degradation* and *neglect* of these deserted and abandoned outcasts, He greatly sympathized and was moved with *heartfelt compassion* for them. In return, He performed outstanding miracles that cleansed Leprosy, beyond which His healing of the lepers loudly spoke of *timeless* spiritual truths.

Righteousness

.....

The driving force that thrusts the momentum upon that kingdom is righteousness, because only righteousness lasts forever. That is why it is said blessed are you that will invest in righteousness at this time.

.....

By taking a moment to consider that way back in biblical history, before the Messiah came, the Holy Spirit prophesied about His coming, and the LORD spoke through His Prophets who saw His coming, reveals a deep and very intricate awakening to the church of Christ. And when they saw The LORD’s coming, they also identified His distinct stripes. And key among them was that the path of His coming would be a righteous path, which is very consistent with the Redeemer of His stature, for He was coming to redeem fallen man.

Way back in biblical history, before the Messiah came, the Holy Spirit prophesied about His coming, and the LORD spoke through His prophets

who saw His coming. And when they saw The LORD’s coming, they also identified His distinct stripes. And key among them was that the path of His coming would be a righteous path, which is very consistent with the Redeemer of His stature, for He was coming to redeem fallen man. The question then remains, what had man fallen from? Man had fallen from righteousness. So it befits a redeemer of His stature that His stripes be righteous. In that key prophecy, what actually bespoke the LORD’s *righteousness*, was the anointing of His *righteousness*. One of the real baby steps of the prophecy that actually proclaimed his coming was “..and the Messiah shall be the seed of a woman.”(Genesis 3:15), when that prophecy was hatched out. Here we note that the promise said that it shall put enmity between the woman and the serpent, and the seed of the woman and the seed of the serpent. Scripture continues to articulate

that there will be the striking of the heel and the crushing of the head of the serpent. In Galatians 4:4 the LORD says very clearly that when the fullness of time came, the son of GOD the Messiah was born of a woman, born under the law. This means that the LORD wanted him to face the affliction of man, the pain of humanity even unto birth. Under the covering, the cloud of the LORD led him to feel the pain of slavery under the law that would give him the agony for man. That was the more the reason that the LORD was compelled to redeem fallen man because he now understood what they were going through. There was hence another prophecy that says, “And the Messiah would be a descendant of Abraham”, Abraham received the blessing of GOD (Matthew 1:1). There is deeper revelation, the reason for which Melchizedek, the King of *righteousness* paid him a visitation. And we see the Prophecy said in Genesis 12:3, and the fulfilment of that prophecy said, “I will bless those who bless you, and whoever curses you I will curse; and all peoples on earth will be blessed through you.”” What was the blessing of Abraham? Abraham, your descendants will be as numerous as the stars in the sky. GOD’s nomenclature is standard. The LORD Spoke about the oil that the wise virgins carried and they accesses the kingdom of GOD. The LORD then sends the rider of the black horse and his effect is evident in the global market right now.

In Revelation 6:6 the LORD adds, “When you see oil and wine, safeguard it”, the definition of that oil is The Holy Spirit. Looking at the blessing of Abraham, The LORD discloses that Abraham’s descendants will be as numerous as the stars and that all the nations on the face of the earth will be blessed through Abraham. And yet The LORD had pronounced that Abraham’s descendants would be as numerous as the stars. But in Daniel 12:1-4, The LORD speaks about the *rapture* of the church then He says,”... those who lead many to *righteousness*, like the stars for ever and ever.” So in the standard of the definition, the *nomenclature* is same. Which means, The LORD said, “I will bless you and your sons through you, the nations will access the kingdom of GOD. Therefore, that blessing of Abraham came through Isaac and that blessing is a *spiritual blessing*. The only blessing that came through Abraham and the only that can allow the fallen church, the false humanity,

the decomposed humanity, the fallen man, the apostate church, to access the kingdom of GOD. That landmark blessing must be the gateway between the earth and heaven. The bridge to that Blessing is the Messiah, and only through the Messiah, through the Cross can one access it. That is why the Prophecy had pronounced, “Through you all the nations will be blessed” and I see your descendants like the stars, meaning I see them in heaven shining like stars (Genesis 26:4) There is every reason to appreciate the LORD, and every reason to say Thank You.

The Prophecy that well defined again, another level, of his the Messiah’s coming said, “And the Messiah shall be a descendant of Isaac, and the Messiah shall come from Jacob, from Israel. That is why Israel always sits at dead center of bible prophecy. The house of Jacob - That is why when I was going around I said, “LORD, don’t allow me to speak to Israel, I don’t want to see.” But when the fullness of time struck, The LORD turned me to Israel and said now you can speak to Israel. During the global financial protests, The apple of GOD’s eye moved out of their homes. They put sofas on the streets and would go to work and return back there after work. The placards read, “This is Egypt, this is Tahrir Square” Mark the signs of the times. So the Messiah would come from Jacob. Another Prophecy said, “And the Messiah shall come from Judah, from the tribe of Judah” I want to look at the Prophecy that defined the anointing of the stripes of *Righteousness* The sceptre will not depart from Judah, nor the ruler’s staff from between his feet, until he comes to whom it belongs and the obedience of the nations shall be his” (Genesis 49:10). Prophecy Spoke that the rod of leadership will not depart from Judah until the one that is coming, holds it. And then all the nations will bow down to him. And he says, The obedience of the nations, which means

.....

that the nations will bow before him. HE shall hold the sceptre. He says, Judah you will have it, I see you having it, until he that comes lays a hand on it and then all the nations will bow and worship him. Luke 3:33 the son of Amminadab, the son of Ram, the son of Hezron, the son of Perez, the son of Judah”, This was now the tertiary level of the fulfilment of that prophecy. Remember when Jeremiah spoke and said, “I see Rachel wailing at Ramah, refusing to be comforted, she said leave me don’t try to comfort me, let my face be wet, let me cry, let me weep because my sons are no more. “Rachel was at this time wailing for her children, the sons of Israel. Israel had not perceived the depth and the gravity of the Prophecy, because the first level of the fulfilment of that word was indeed when the tempest came from the LORD. The Babylonian conquest came and they demolished the Temple of GOD and

desolation consumed the land. For that reason, there was nobody to worship the LORD, and that is why it was desolate, the sons had gone away. They were all gathered at Ramah and they were chained. In those days, they used to have long big horizontal chains, and the prisoners were tied on it on a piece of wood. All were chained on that one chain and they walked chained. As a result, they were gathered as they were on that chain with the shackles of slavery at Ramah. This brings to mind when Nebuzaradan the commander of the Babylonian army was walking by checking on the slaves (Jeremiah 40:1).

The commander's assistant had to know who of the slaves was not able to make it in the long journey because they might die. He had to check on the strong ones and then send a messenger running with a report to the commander that he had 100 strong ones, or only 25 strong ones. There were others still young, though they would eventually grow up and be strong also. When the Commander, Nebuzaradan, was walking to check on them, he asked them, "Are you the people who refused to listen to the LORD?" And that is very consistent with when the LORD said, "And he raised Nebuchadnezzar HIS Servant" (Jeremiah 43:10). The LORD calls Nebuchadnezzar HIS Servant, the one who comes to destroy the Temple, the House of Worship. Be careful

with the LORD. Accordingly, there was desolation in the Land and nobody contested or antagonized Jeremiah's word because his was released. Jeremiah was instructed to go to the Governor who would take care of him and he was given a small place to stay. The second level of that prophecy is found in the new testament, when King Herod was killing the young boys, from a year old to two years old, trying to find the LORD Jesus to kill in the massacre. That was when the LORD Jesus was taken by Joseph, when in a dream the LORD commanded him to run to Egypt. When baby LORD Jesus was taken into Egypt that prophecy was fulfilled. Again the LORD says to fulfil His word that said, my sons are no more. The third level of this prophecy is fulfilled. That is church of Christ having fallen again. She has absconded duty. My sons are no more, no one is left to pitch my tent. Be careful with the words of the Prophet of the LORD. That is the third level because the LORD is looking for people that can pitch for Him His tent.

What does it mean to pitch for the LORD his tent? To pitch the LORD's tent means raising a holy tabernacle which is missing!

The current church has built small *tiendas*, small kiosks as revenue business enterprises for food and rent. They have turned church into small businesses. They say that if you do not find a job then open a small church.

But I am talking about pitching a tent for the LORD. That is a holy tabernacle of the Holy Spirit especially at this hour. The sons are no more again, they are not there. There is desolation in the church. There is desolation in the house. Rachel is wailing again and she is refusing to be comforted. "Don't comfort me, let my face be wet, let my tears go down, I want to wail until my face is totally wet. Because my sons are no more, no one is left to pitch my tent" The fourth level is coming. Right now we are worshipping in the holy church, the Holy Spirit church. But at rapture the church will be taken away and you are the vessel of the Holy Spirit. When you are taken away, the Holy Spirit is taken away. The abomination of the desolation in the house. Then Rachel will wail again. That is the fourth level to be fulfilled, not yet fulfilled. The Prophecy said that He would come from Jesse, He would come from David, He would be a shepherd. And a beautiful one says, with his stripes, the stripes of his benchmark, of righteousness. They said I have seen him with the shepherd's rod, he would be a Shepherd. One of the Prophecy said that the Messiah would be a Shepherd. Ezekiel 37:24 And David my Servant shall be King over them. And they all shall have one Shepherd. They shall also walk in My ordinances and heed My Statutes and do them. That is the prophecy that foretold His Shepherding. There is also another Prophecy that says that the Messiah

shall be a Prophet. HE wore many crowns. HE came in many offices, the Priestly office, the kingly office, the Prophet's office. He is very worthy of those offices. Matthew 2:6 "But you, Bethlehem, in the land of Judah, are by no means least among the rulers of Judah; for out of you will come a ruler who will shepherd my people Israel." The Prophets of The LORD also foresaw, foretold, and forewarned when they said that the Messiah would sit on the Throne of David his Father. Isaiah 9:7 "Of the greatness of his government and peace there will be no end. "He will reign on David's throne and over his kingdom, establishing and upholding it with justice and righteousness from that time on and forever. The zeal of the LORD Almighty will accomplish this.

This was the fulfilment of that Prophecy. We have seen the first time when he came, we see HIM coming back as crowned, we see when he comes back in Jerusalem. All these are multi-tier. The Messiah would be the Anointed One of GOD. In other words, the Messiah would be eternally Anointed. It will never drain off and it will always be there with us and for us. There will be the increase of that anointing. His stripes define HIS Anointing and Kingdom. His kingdom will be eternal. The Prophets had seen the stripes. The stripes that denote the eternity of HIS Kingdom, as the King of eternity.

Gird your sword on your side, you mighty one; clothe yourself with splendour and majesty. In your majesty ride forth victoriously in the cause of truth, humility and justice; let your right hand achieve awesome deeds. Let your sharp arrows pierce the hearts of the king's enemies; let the nations fall beneath your feet. Your throne, O GOD, will last for ever and ever; a sceptre of justice will be the sceptre of your kingdom. You love righteousness and hate wickedness; therefore GOD, your GOD, has set you above your companions by anointing you with the oil of joy (Psalm 45:3-7).

Why does he say that those of you that will enter the eternal kingdom of GOD will live forever and ever? What is the requirement, the prerequisite for you to be able to live eternally? It is righteousness. The holy bible

says "...and your kingdom will have no end.." Meaning eternal. The driving force that thrusts the momentum upon that kingdom is righteousness. Because only righteousness lasts forever. That is why it says blessed are you that will invest in righteousness at this time. Because until then, eternity is yours. Because when all the silver and the gold and the Diamonds have crushed in the financial market, you that invested in righteousness, the value of your stocks are just soaring. For you, the worth of your treasures, your stocks, reserves, will increase eternally because of righteousness. And that is the same yardstick that propels HIS kingdom to eternity. HIS anointing is eternal, the Prophecy said, and the Messiah shall be the bearer of an eternal anointing of GOD because the Messiah would be King of Righteousness. The treasure embedded in Righteousness cannot be defined by pen and paper, cannot be spoken in words. We will never fathom that in this lifetime. How is it that when you wear one element, one standard, one attribute of GOD called Righteousness then you now transform from a mere perishable, mere mortal to an eternal being of GOD. That means we may never understand the workings of Righteousness upon humanity. We cannot come out with the mechanism that will be able to derive that after point "B" righteousness converts from this to this. The LORD hates wickedness and loves righteousness. That means that when you uphold righteousness, it is just obvious that you should hate wickedness. In fact, the love of righteousness translates into hating wickedness and evil. So the LORD is saying righteousness is for the kingdom of GOD. But the salvation that you received at the Cross, was a salvation that was based on the foundation of righteousness. If you look at the Cross, it was an act of righteousness. Because there had to be judgment for the sin that had happened. So righteousness had to be done right. Therefore the Cross hence speaks of the foundation of righteousness. Now if the salvation that you received actually is defined within the boundaries of righteousness, then that means that your salvation is not for wickedness. The LORD is raising a standard here. He saying you would rather know that you are totally purchased for righteousness, so you cannot live for another. GOD is saying that I am a jealous GOD and I will not allow. That now you want to walk on righteousness and one leg on wickedness. Then He says

that you are lukewarm, you are confusing to me. You are neither hot nor cold, I will spew you, I will spit you. We are celebrating the righteousness of GOD, the replenishing of our understanding on the righteous requirements of GOD. Righteousness comes out of the Grace, we cannot purchase it. And if you receive it by grace, treasure it.

The Gospel of Light at this hour in the church

I am the light of the world. Whoever follows me will never walk in darkness, but will have the light of life.” (John 8:12)

From time immemorial, it is apparent the

that apparently, of late there has been some darkness that has entered into the sanctuary of the LORD. And that is why this gospel of Light at this hour in the church becomes a very important teaching in the church.

Because this will then indeed shed light in what salvation ought to be today in this post-modern age. We are very much aware of the condition of the church of Christ at this hour that the church of Christ at this hour has mainly walked in darkness. That implies that darkness has found its way into the sanctuary of the LORD. What is this gospel that salvation ought to shine across the ends of the earth? When the LORD Jesus called the

church, called the servant hood, priesthood, the elect, He called them into the Truth that they may preach the truth and only the truth. Before we look at the light that is embedded in the glorious gospel of Christ, the light that ought to resurrect, resuscitate, rehabilitate, renovate, revive today's church, it is very critical to underscore that when the LORD Jesus called us into this wonderful salvation at Calvary, He essentially called us into the truth.

In other words, he hand us into our hands and into our hearts, the Gospel of the Truth. Why the truth? Because while the truth had originally prevailed in the garden of Eden, then came the deception of the enemy. In other words, when man walked in right standing with GOD at the garden of Eden man then walked by the Truth of GOD. But when the devil came, he knew the veracity of the truth that had been handed down to mankind, and he knew that the truth was eternal from time immemorial. And he knew that the truth is totally unchangeable. He very well knew that he had no power to take away the truth all the devil had to do at the garden of Eden, was indeed to simply try to distort the truth of GOD. And it is that distortion that births out deception. When the LORD called mankind into the miraculous salvation of Christ, HE essentially led Jesus to come back and restore the truth. And inside the truth therein lies the gospel of light. So we are all called as the body of Christ. We have been called to preach the gospel of the truth very much aware of the distortion schemes of the devil in the inauguration of the servant hood, the priesthood, shepherd hood and inauguration of the pastoral ministry. The calling is squarely founded on preaching of the Truth, that you shall preach the truth. The inauguration of worship hence becomes the manifestation of the gospel of truth in our lives. So if we are called into the preaching of the wonderful truth, how then does it happen that the truth today has been distorted in the lives of the Christians, servants, the priest and generally in the body of Christ. How then can there be such an aberration, such a great departure from the original truth even as restored at Calvary. Essentially the gospel of light denotes the gospel of the truth. The LORD knew that the events that accrued at the garden of Eden, the events that befell the sacred relationship, fellowship, communion between man and GOD, the fall of man owing to that distortion of the truth and the inception of the lie into the church, the hearts of man, then there was greater need to set mankind free because the lie that was spoken at the garden of Eden essentially found mankind. How did the deception and the schemes of distortion that blemished the truth at the garden of Eden, find humanity. The devil knew it too well that the LORD GOD Almighty respects, honours, obeys and faithfully fulfils His word. That when the Word said that the wages of sin is

death, then any event that would distort the sacred relation of the truth between GOD and man eventually unleashes death to the life of the church, death into the life of mankind, upon humanity. When the lie came in to try and distort the truth and mankind bought into it, then death entered humanity and that is the bondage that is holding of the church hostage that when mankind finally departed from the truth then befell on humanity, death held humanity hostage. And that its the reason that the LORD decided to send Jesus, the Messiah to the Cross to pay for your debt and set you free. How did Jesus pay for your death and set you free? When JEHOVAH ELOHIM, JEHOVAH EL OLAM, send Christ the Messiah to the Cross, Christ the Messiah came to correct the distortion, to restore the truth and that is why when the church was finally given birth to, she was essentially ordained to preached the gospel of the truth. Because only the truth would set the church free from sin. And that is why the bible says that, “..and the truth shall set you free..” (John 8:32) This freedom is a spiritual freedom to set you free from death, because the devil is known as the father of all lies, the father of deception. So without the truth all humanity becomes the children of deception because they subscribe to it. But when the truth came then humanity and the church now turned around their allegiance and subscribed to the truth and that is what sets the church free. The LORD is saying that the church was essentially called to execute the truth, disseminate the truth, distribute the truth, preach the truth because only the truth has the capacity to not only set the church free but also set the nations free. How then does this light relate to the truth? The light whose foundation is laid today is part and parcel of the gospel of the truth. When deception entered the hearts of men, and death befell humanity, darkness dawned upon humanity, darkness covered the world. That is why it is called today's dark world. Deception can only bring darkness. The gospel of the truth can only bring light. When the LORD sent Jesus of Nazareth, to die on the cross at Calvary, HE indeed intended that Jesus of Nazareth, by bringing the truth would set humanity the church free from the darkness of this world. This gospel of the truth is supposed to be the power unto the church at this hour because if the truth has that so much capacity to set the captives free, then, any distortion of it, any deviation

can only mean darkness, a fall can only mean captivity. That is why when you look at the church of Christ today she is virtually held captive. In fact she is in captivity and if only the servants of the LORD would realize this world over, the power embedded in the truth, there would not be all the schemes and the mechanisation that today are very vividly displayed on Christian television, the lies that are going on, the lack the truth that goes on in there. They would have strictly focused on the truth. If they only knew how the power of the Truth was inaugurated and handed down to the church, if they only knew where the power of the truth resides, and that the truth is in fact the vehicle, the truth being the container of the power that was promised to the church, they would have focused on it and nothing else. So there is a miss link right now between where the church ought to be and where she is because of that distortion. That if she had known that by preaching the truth therein lies the power of the gospel. She would have crystalized her life strictly in the truth. She would have embedded her practice unto the truth.

John 1:1 “In the beginning was the Word, and the Word was with GOD, and the Word was GOD. 2 He was with GOD in the beginning. 3 Through him all things were made; without him nothing was made that has been made. 4 In him was life, and that life was the light of all mankind. 5 The light shines in the darkness, and the darkness has not overcome it.” The LORD is essentially saying that in the beginning was the word but we now see that when Jesus went to Calvary and gave us the gospel that restored the truth, that restores the truth, it was a very profound heavenly event. Now we understand the underlying force and authority of that truth that He gave at calvary because we see that truth is what sets the church free from death. In other words, set the church free from darkness. Because when darkness fell, darkness be clouded the earth and covered the earth. There was not home, there was only going to hell until the LORD thought of a redemptive plan. This redemptive plan was defining to us the power of the gospel of the truth. Because by saying that “in the beginning was the word, and that word was with GOD and the word was GOD. And He was with GOD in the beginning. And through him every was created. And it says that without him nothing was made that had been made.

In him was light and that light was the light of men. The truth is what shed light upon the face of the earth. However, it is amazing for note that light actually brought life. That is the power of the gospel of the truth. If only the priesthood would have understood this, then they would have preached the truth and only the truth alone. He says that gospel of truth, which translated into light and brought light upon the face of humanity, is actually the gospel of light. And that is absolutely very consistent with the fact that only that truth that Jesus embedded on the cross at Calvary indeed set us free from death. So in fact that truth became the vehicle that brought light. Therefore, the church today is groping in darkness because they understand not the basics of the gospel that was handed down. The basic foundation that was given to the church at Calvary was not prosperity. It was not anything else that you see being propagated today on Christian television. The basic foundation of the gospel that Jesus handed down to the church at Calvary was the Truth. That when you preach the Truth. The truth shall set men free. That was the true definition of evangelism. Now you can right away see the point of departure when the misunderstanding accrued. Otherwise, they should have got their way back to the truth. And now we see that Truth no only brought light, but it also became the life unto men. So now we understand that if you are going to say that the difference between the church, the elect of GOD and the other religions plus the world is because the church has light. A light eternal. Now we understand that difference is based on one thing, that the church walks in the truth. So if there is anything that is going to cause the church to do what she is doing today, to preach an aberration of the truth, a distortion of the truth, then it has normalized, nullified the edge that the church had over the world. Therefore the church and the world became one. They become one when the truth is distorted because the only edge that the church enjoys against the world, is that the church walks in the truth or the church ought to walk in the truth because the truth is the light and the light brought life and life eternal. In fact this life erased death. So we can now see that it was deeper than just saying I have given you the truth. Therein was embedded the light that if the church would walk in the truth, that she would always shine the light.

But which light is the church supposed to shine? By walking in the truth. The bible says, “In the beginning was the Word and the Word was with GOD, and the Word was GOD. As he created creation everything was created by the word.” In other words, created for the word, created for GOD’s purpose. Scripture continues to say that and the word became flesh” Because the word became the life of man. The gospel of the truth which is the gospel of light that the church ought to be disseminating across the face of the earth, is indeed the gospel of life. And if that word became life unto man, That word is GOD and became flesh, talking about Christ Jesus. In other words, if you were given as a church, at Calvary, the gospel of the truth, then essentially, you were given the gospel of light, the gospel of the light of Christ. That is because the word says that light derives its existence from the word which was there from the beginning and the word became GOD. And the word became life and light. That means that the church was originally intended to preach only Christ Jesus. For we know that he is the Spirit of Truth. So we were supposed to preach only Christ Jesus. The church was supposed to ensure that she preaches only Christ Jesus and nothing else. Therein is embedded the power unto the gospel, a life unto the gospel, the light unto the church, the power unto the church, the blessings unto the gospel, the blessings unto humanity and unto the church. The Word became life and light so which means that the gospel of truth that the church was supposed to be preaching today, was essentially supposed to be the gospel of Christ. Preaching Christ, nothing else. But how do you preach Christ? You can only preach Christ because He is glorious. The only way to preach Christ is by preaching the light of Christ because this world is dark. Therefore, by preaching Christ, we essentially are supposed to anchor ourselves on the light that Christ brought. The light of Christ, that the dark world may see the wonderful light. So the gospel of the truth that the church ought to be wearing, worshipping and walking today, is essentially Christ, the light of Christ. However, the word with GOD, the word became GOD, the word was with GOD in the beginning and the word became life and light. That means that when the church was handed down to, the gospel of the truth essential he is saying that I gave you the word,

essentially the gospel of the truth is the word the gospel of GOD. Let us prepare for the kingdom of GOD is coming. So the gospel of the truth that the church should have been preaching today, should have been the word, the gospel of word. Not to manipulate the word and preach the gospel of prosperity and the gospel of other things. Because we see that it is the word that embodied the light, the light and the gospel of truth. It now begs the question, “Where did the rains start beating us from?” One needs not be a rocket scientist or a brain surgeon or a genius to be able to understand that the rains started beating us from the moment when this present-day church began to depart from the truth. This is because she did not know that that truth was essentially the light of Christ lest she would not have departed from it. She did not well understand that that truth was actually the life that Christ gave to the church. It was the life eternal. Otherwise she would not have departed from it or she would have come back. She did not understand that that truth, the gospel of truth that she was given was actually even the gateway to the kingdom of GOD. It was the gospel of GOD Himself. Because He says that the word became GOD and the word was with GOD. Therefore, by departing from the gospel of light, the church essentially departed from the LORD. That is absolutely true today. If you look at the condition of the church today and if you look at the sin in the church and all the aspects of decay in the church, those are the elements of the distortion of the truth. We need to look at the elements that distort the truth that we may avoid them and that the church may repent from them. And hence she may now have the truth squarely and in fact life. I Corinthians 15:48
48Now those who are made of the dust are like him who was first made of the dust (earthly-minded); and as is [the Man] from heaven, so also [are those] who are of heaven (heavenly-minded). 49And just as we have borne the image [of the man] of dust, so shall we and so [g]let us also bear the image [of the Man] of heaven. Here, He is talking about when this wonderful gospel of the truth was finally inaugurated. It was there that a major shift from the earthly minded, from the men of the dust, from the humanity of the dust to become now heavenly minded, themen of heaven. This talks about following after he that came from heaven.

50But I tell you this, brethren, flesh and blood cannot [become partakers of eternal salvation and] inherit or share in the kingdom of GOD; nor does the perishable (that which is decaying) inherit or share in the imperishable (the immortal). That is why we now understand that if the truth that was handed down to the church essentially denotes the light, the gospel of light, to remove darkness from the church and that light is actually the word. The word which gives life and became the light unto men. “Flesh and blood cannot inherit or share in the kingdom of GOD meaning that that kingdom is the truth whose doors opens us into. The gospel of the truth is the light of Christ and it is the life of Christ given to the church by the blood at Calvary, which essentially is the life of GOD. The eternal life. So you can be restored back to the image and likeness of GOD, the eternal image. But now we also see that, that same gospel of truth, is actually the gospel of GOD. That is the gospel of believing in GOD, the gospel of faith in GOD, the gospel of the kingdom of GOD. Since we have found out that that gospel of Truth is actually eternity to mankind, is actually the gospel of life and life eternal, then it is very important to understand what the elements that distort this truth are. The elements of decay because the truth brought life which means that anything that distorts this gospel brings decay meaning death. Here we encounter these elements when it says, “...nor does the perishable (that which is decaying) inherit or share in the imperishable (the immortal)” When the LORD gave the church the gospel of truth that was the absolute power that he gave the church because it became the gospel of immortality meaning erasing death. That is the gospel of imperishability, the gospel that took away decay. So how then did the church find herself in this very compromising place where she is now displaying a countenance of decay and death. The only place that the rain could have started beating us from was the point at which the church, the clergy, the priesthood departed from the truth. In this message, the LORD is essentially talking about the restoration of the gospel of the truth in the church thereby undersatanding the veracity and the gravity that the truth underscores in the church. Therefore, if the pastors were to understand this, then all of them would have

to change direction and all of them would turn and return back to the truth from which they departed.

51Take notice! I tell you a mystery (a secret truth, an event decreed by the hidden purpose or counsel of GOD). We shall not all fall asleep [in death], but we shall all be changed (transformed)

When he talks about the rapture, he embeds it with the truth, the secret truth. Could that be the reason why the church is now lost? Because he now talks about the secret truth which means that you need to walk tight with the LORD, with the Holy Spirit to be able to be unveiled to that secret truth. This explains that the truth then becomes somehow hidden and not apparent, meaning it is hidden to the church and to the eyes of men. By saying “Take notice!” implies watch out!” We see that this truth is hidden. Could that be the reason that the church is fallen. because they would have otherwise come back. Now it is obvious to see those who are walking in the truth in Isaiah 35:8-9, which says that “..and there shall be a highway right beore the Messiah comes” That is the highway that the Spirit of John the Baptist proclaims.

“And there shall be a highway and it shll be called the way of holiness The highway of holiness”

And a highway will be there;
it will be called the Way of Holiness;
it will be for those who walk on that Way.
The unclean will not journey on it;
wicked fools will not go about on it.
9 No lion will be there,
nor any ravenous beast;
they will not be found there.
But only the redeemed will walk there, (Isaiah 35:8-9)

The ferocius beasts that you see devouring the church today will not touch those walking on the highway of holiness. These are the ferocious beasts of deception, the ferocious beast of HIV/AIDS, etc. In other words, you can use this as a barometric test, to test whther the church is surely walking in the highway of holiness. Whether the church is surely walking in the way of the truth. Because he says that there shall not be any ferocious beast. The devourer will not will

not be there. Which means it was charted out and mapped out by the LORD as a sanctuary, as a refuge for his people as they walked towards the kingdom, the highway that goes to the kingdom of GOD. Therefore, this gospel of truth is lacking in the church. That is why the bible says, it is a secret truth.

51Take notice! I tell you a mystery (a secret truth, an event decreed by the hidden purpose or counsel of GOD). We shall not all fall asleep [in death], but we shall all be changed (transformed). 52In a moment, in the twinkling of an eye, at the [sound of the] last trumpet call. For a trumpet will sound, and the dead [in Christ] will be raised imperishable (free and immune from decay), and we shall be changed (transformed). 53For this perishable [part of us] must put on the imperishable [nature], and this mortal [part of us, this nature that is capable of dying] must put on immortality (freedom from death). 54And when this perishable puts on the imperishable and this that was capable of dying puts on freedom from death, then shall be fulfilled the Scripture that says, Death is swallowed up (utterly vanquished [h]forever) in and unto victory.

It is important to identify the elements that bring decay which means the things that distort the truth and bring death. It is important that once you identify them, delianate them. Remove them from the truth then you can restore the church. Then they can know what constitutes decay, distortion, lies. Then keep away from it and now begin to walk in the highway of the truth, highway of holiness. Now one can see where the elect of GOD who preach the gospel of the truth, who live the gospel of the truth. Where they are walking, they are the same people who are walking through the narrow gate that Matthew celebrates. ““Enter through the narrow gate. For wide is the gate and broad is the road that leads to destruction, and many enter through it.” The bible says that you have to find it first meaning that it is a secret truth. You have to find it first before you walk in that way. The truth transforms the perishable by removing decay aspect and makes the perishable, imperishable. It brings us life eternal. The GOD we serve is the GOD of light. HE loves light, he shines HIS light upon men. One time Israel was colonized by Antiochus,

that was a King of Greece, Greece that worships the GOD of the sun, the moon, the stars, And when they colonized, they also took the Temple of the LORD. And they removed the artefacts from the Temple, and they replaced with their Greek GODs. That dispensation, is denoted in the bible as the dispensation of darkness that befell the Temple of The LORD. Later on, we see that Maccabee and the rest invade and take over the Temple and the Greek GODs were thrown out. And the first thing that happened was the miracle that the LORD brought right before their eyes and in that miracle, as they were cleaning out the idols Greek GODs from the Temple. In that miracle they found out that there was pure consecrated oil that remained from the previous Temple of the LORD that was not destroyed by the enemy. The key highlight about that victory against the Greek GODs was the rekindling of the Lamp of GOD in the sanctuary of the LORD. And therefore we can now see that our GOD is a GOD of light and celebrates Light. The light that was lit in the temple chased away the darkness that had befallen the Temple. And so it is right now in the church that when Christ brought the gospel of the truth indeed brought the gospel of light which now has translated into the gospel of life, and life eternal. The light of Christ that is in the gospel of Christ is indeed the life of Christ given to the church, eternal life. That is the resurrected life that He gave us at Calvary. The question now becomes; why would the church at this hour be groping in darkness within the sanctuary? Why has darkness colonized the inner chambers of the Temple of the LORD, which translates to the inner chambers of your hearts? Based on that wonderful synonymn, when darkeness entered into the sanctuary of The LORD as the pagan Greek GOD antiochus IV invaded and colonized Israel and the Lamp of the LORD was extinguished. It was not lit on that day and for all the years and instead they brought their pagan Greek worship in Israel. That is the only way darkness entered the sanctuary of the LORD. And now we see that a similar situation has befallen the church today, where darkness now marks the countenance of the interior of the sanctuary of the LORD. From the altar, the most holy place all the way down. And that can only tell us that the Lamp of GOD that the gospel lights in our lives in the church,

the gospel of truth lights the lamp of GOD in our hearts. That is the lamp you see the ten virgins spotting and especially the five wise virgins. When the LORD brings the gospel of the truth, it brought the light of Christ to the church. Because darkness had entered when man fell. But now we see that darkness has entered a second time. This time into the interior chambers of the sanctuary of the LORD. And that can only mean that the gospel of truth which is the light has ceased to be preached in the church. The answer is very simple, if darkness has again colonized the inner chambers of the sanctuary of this GOD of light, this GOD of glory, JEHOVAH, that can only mean that the lamps have not been lit in this day and age. And so by bringing light, the gravity, the significance, the varicity of the gospel of the truth to the at this hour that she may veer back to the truth. The LORD is essentially saying that “I am rekindling the lamp in the house. I have done a miracle now. Some oil that was not adulterated, not contaminated is now available. There is the new oil now and this oil is the Holy Spirit at this hour. He is the Spirit of the truth. And that is why when the LORD describes his coming to take the church in the Wedding Feast of the Lamb, and He describes the ten virgins, five wise virgins each with a jar of oil and five foolish, then you begin to understand the driving force. The force that keeps the lamps of the five wise virgins burning, But we have seen in Hebrews 10:26-31 is that indeed the Holy Spirit is the Spirit of the Truth.

26 If we deliberately keep on sinning after we have received the knowledge of the truth, no sacrifice for sins is left, 27 but only a fearful expectation of judgment and of raging fire that will consume the enemies of GOD. 28 Anyone who rejected the law of Moses died without mercy on the testimony of two or three witnesses. 29 How much more severely do you think someone deserves to be punished who has trampled the Son of GOD underfoot, who has treated as an unholy thing the blood of the covenant that sanctified them, and who has insulted the Spirit of grace? 30 For we know him who said, “It is mine to avenge; I will repay,”[a] and again, “The LORD will judge his people.” 31 It is a dreadful thing to fall into the hands of the living GOD.

So by rekindling the lamp in the house, the LORD is essentially restoring the gospel of the truth. However, the LORD had already promises in Amos 8:11-12 “The days are coming,” declares the Sovereign LORD, “when I will send a famine through the land—not a famine of food or a thirst for water, but a famine of hearing the words of the LORD. 12 People will stagger from sea to sea and wander from north to east, searching for the word of the LORD, but they will not find it.

That is the famine for the truth. This is because the LORD knew that there would be a scarcity of the truth in the compromised evil final days and these are the days that we are in. That is why there is no better time at which the LORD could send me to teach this. That the church may return to the message of the truth, the truth that the LORD gave us at Calvary. Which has become the gospel of light and the gospel of life eternal. Because only the truth can indeed bring eternal life in the church. At rapture, the decaying and decomposing element will not be partaker of the eternal kingdom of GOD, the corruptible, the mortal, the perishable. And in 1 Corinthians 15:50-56 says that when the perishable has been converted into the imperishable, and the mortal into immortality, and the corruptible into incorruptible, then the saying that is written comes true, that death has been swallowed up in victory and that quickly makes you understand that only the truth has the capacity to swallow up darkness to nullify and cancel death. Why would the church again veer off from this truth which has so much power to do away with death? In other words bringing eternal life, the very product the church is supposed to be exhibiting to the world. And that is why this message is a timely appeal to the church, that please let us return to the gospel of the truth because only the gospel of the truth has the capacity and authority to rid the church of decay to cause a transformation from corruptible to incorruptibility, perishable to imperishable, mortal to immortal. That means that the only treasure that the LORD ever left the church with is the gospel of the truth. This then makes you wonder how someone is able to preach a deceptive gospel and still think it is the truth. It must indeed be

embedded on this narrow road, on this secret truth regarding the coming of the LORD. That is why HE says “I decree to you a mystery.” The secret truth, hidden by the wisdom and the counsel of GOD, the hidden purposes. So the church, now needs to get her way back to the truth, only the truth will set the church free and only the truth has power to nullify the decay in the church. Another miracle that we see happened in Israel, is the miracle of Hannukah, when the little oil went on for seven days. And that is the same miracle that took place at the finding of the oil. And this tells us that our GOD is so passionate about the church that continues to tend HIS lamp. And the only way to tend the lamp of GOD now is to emit the light of GOD, we have know is by preaching the truth, living the truth, exuding the truth, sparkling the truth, radiating the truth, glowing the truth, disseminating the truth. When Jesus spoke again to the people, he said, “I am the light of the world. Whoever follows me will never walk in darkness, but will have the light of life.” John 8:12

Now we see very clearly that the gospel of light that Jesus gave us indeed has life embedded in it. The LORD repeated that it is that gospel of the truth, the gospel of light that bring life. He meant that the world is in darkness and hence in death. Darkness and death are one and similarly light and life are one. By saying that “I am the light of the world” signifying the life of Christ which is manifested in the church as the light of Christ. There is no way the church can claim to be born again when they do not emit the light of Christ because the life of Christ in the church is manifested as the light of Christ in the church. Meaning the Light of Christ in the life of the body of Christ, in the lives of the born again christians, the elect. The LORD also cautions saying, “Whoever follows me will never walk in darkness, but will have the light of life.” This essentially stated that without a doubt, if you are in the life of Christ emitting the light of Christ then you cannot walk in darkness for two reasons. One, the light you have becomes the lamp unto your feet, so you cannot walk in darkness and tumble and fall. Two, wherever you are there will be always light and there can never be darkness. When you see the church in sexual sin, then that church is for sure walking in darkness. When you see a church in deception and lies, for

sure that church is walking in darkness. There is no way she can present her case and claim to be walking in the light. When all these things relating to sin, sexual sin, lies are all agents of decay and death, that the truth sets free from. How can the church continue to walk in them? The Holy Spirit is the driving force, the enabling power that can keep the lamps of the church burning, the lamps in your hearts burning. Only the Holy Spirit can help the church to walk in the light of Christ. Without the light of Christ, the church is lost. 1 As he went along, he saw a man blind from birth. 2 His disciples asked him, “Rabbi, who sinned, this man or his parents, that he was born blind?” 3 “Neither this man nor his parents sinned,” said Jesus, “but this happened so that the works of GOD might be displayed in him. 4 As long as it is day, we must do the works of him who sent me. Night is coming, when no one can work. 5 While I am in the world, I am the light of the world.” John 9:

3 “Enter through the narrow gate. For wide is the gate and broad is the road that leads to destruction, and many enter through it. 14 But small is the gate and narrow the road that leads to life, and only a few find it. (Matthew 7:13-14). It now becomes vividly clear that this life of Christ that the LORD brought to the church the light that the church presents to the world as the light of Christ, that is the testament of Christ to the church who is walking in the narrow road.

13 “You are the salt of the earth. But if the salt loses its saltiness, how can it be made salty again? It is no longer good for anything, except to be thrown out and trampled underfoot. 14 “You are the light of the world. A town built on a hill cannot be hidden. Neither do people light a lamp and put it under a bowl. Instead they put it on its stand, and it gives light to everyone in the house. In the same way, let your light shine before others, that they may see your good deeds and glorify your Father in heaven. (Matthew 5:13-16).

Here the LORD is factoring in two things in this message of the light. One in that “I am the light of the world” let us do the world of HE who sent me before darkness befalls. The LORD is calling the church into the

service of being the light. This means that the LORD was so generous that HE agreed that we may share in the light of GOD that HE had, the eternal life. However, we see the sanctions that the LORD included that if you are the light of the world, then your light must shine before men. And when your light shines unto men, meaning if you are walking in the gospel of the truth, then men will see the good deeds. Hence the light of GOD that is embedded in the gospel of light presents itself as the good deeds. Good to the LORD implies Holy. Only what is holy and righteous can be called good to the LORD. Therefore if the church is going to walk the gospel of the truth, which has now become the gospel of the word, the gospel of light, the gospel of life, then the world must see forth good, Holy deeds from her. And when they see the good and Holy deeds from her, then they will be drawn to your Father in heaven and hence worshipping the LORD. And you will be evangelizing to the world. So there is no way the church can be going out for evangelism when she is not exuding good deeds and walking in light. One can only walk in light if you have received the gospel of light and after receiving the gospel of light and have the testimony of walking in that same light and not in darkness. That is the most important part of evangelism that the LORD left to the church. The LORD is saying, live your lives holy and that holiness has the capacity to draw people to Christ. Everyone is running up and down in hot pursuit of the truth and if they find he who has found truth, they will always conglomerate around this person that you may preach to them about this gospel. This is an instructive and preserve of the Holy Spirit. The church needs to veer back to the truth that was handed down at Calvary and then she will exude the light that is embedded in the light of the gospel, the light of the word, and the light of Christ. Deception beclouds the light of Christ and overshadows it. Sexual immorality beclouds the light of Christ and overshadows it

The Highway of Holiness

Prepare his way

When the LORD JEHOVAH created the church, HE developed the objective, the purpose, the mission, the vision, for which he created the church. And when the LORD JEHOVAH had established that this is going to be the final product of the church, the final mission of the church, the final vision of the church, the destination of the church, then He asks, “How then does the church reach there?” From the beginning, when the LORD created the church, He was precious enough to design and develop a blueprint for the church. A spiritual design for the church and that design was built in such a way that when the church created by JEHOVAH would come and adhere to the specification of this design and blueprint then the church would achieve the final objection. Out of the LORD Mercies and grace, HE designed an architectural plan such that whosoever wants to reach that objective, whoever would dare to stick to the specifications embedded onto this blueprint would achieve the final destination. It is like an architect who wants to build a house, he first knows the type of building that is required, and based on the final product required for example a 200 storeyed building, then normally the architect now designs the architectural plan that the building engineers follow to the letter then they achieve the 200 storeyed building with so many wide metal beams, so many nails, bags of cement what percentage of cement and water and sand for them to achieve the final building. They will find out is the foundation strong, are there earthquakes in this area and so forth. The LORD JEHOVAH in the same way, builds the church, HE developed for the church a roadmap that when the church

would follow, she would arrive at the final destination of JEHOVAH, of the church. When you look at the final product of what the LORD wants to achieve, then you will know the importance of the specification were given.

Spiritual roadmap
And a highway will be there;
it will be called the Way of Holiness;
it will be for those who walk on that Way.
The unclean will not journey on it;
wicked fools will not go about on it.
No lion will be there,
nor any ravenous beast;
they will not be found there.
But only the redeemed will walk there, (Isaiah 35:8-9)

In other words, when that time arrives, a HIGHWAY shall be there. The LORD is saying that in the physical realm, when you want to go to Nakuru, you have to take the Nakuru highway. You can only reach Nakuru on that highway. If you are going to Thika super highway, you can only end up in Thika. So the LORD is saying that how come that when you want to go to Thika or Nakuru you take the Nakuru highway and yet now you want to reach the destination of the church, you do not know which way to take. When HE created the church by HIS grace, HE even designed for us the roadmap that if the church will dare follow that roadmap, and stick to certain specifications, landmarks on that road that she may no get lost, then the church will get to that final destination.

If you are directing somebody to Nakuru, on the way you will ask where they have reached maybe they will have gone past Naivasha. When you want to reach the destination

of the church, you do not know which way to take. In the same way, when the LORD created the church by HIS Grace, HE even designed for us the roadmap, that if the church will dare follow that roadmap, and stick to that specifications, landmarks that she may not get lost, then the church will get to the final destination. When you are directing someone to Nakuru, and they say that they have reached Naivasha or Kikopey, you will be glad that they are on the right road. Naivasha is a main landmark that marks where one has reached. Now we will look at where the church went astray. In other words, where the church left the super-highway of the LORD so she has another destination and hence understand the fall in the church. How about in the LORD’s super-highway, what are the markers?
“And a highway shall be there. And the name of that highway shall be the Way of Holiness”
In other words, it is only for those heading to holiness. Those heading to Nakuru, get on the Nakuru super-highway. And it shall be called, the HIGHWAY OF HOLINESS meaning destination is HOLINESS. What are the landmarks that the LORD put for you the church?

The unclean will not journey on it;
wicked fools will not go about on it.

One of the markers that when the church begins to walk in that Highway of Holiness, that will confirm that she is on the right track, is that when you see the people walking with you, there will not be prostitutes, liars, witches, abortions, pornography; one of the major landmark on this highway is that the clean will walk with you. Adhere to this, such that when you are on this journey and you see the specifications and the landmarks, you rest assured that you are still on the right

highway. And now you can right away begin to see why the other church is not waling in the highway of Holiness. Those in the highway of Holiness, will be those who have been cleansed. The second marker is that when you get into the highway of Holiness, only those walking in a certain lifestyle, the lifestyle of cleanliness, the lifestyle of holiness. The lifestyle will be uniform. Wicked fools will not go about on it. This highway will only be for the wise and hence wicked fools will not be found there. Only the wise church will be found there.

20 Where then does wisdom come from?

Where does understanding dwell?

21 It is hidden from the eyes of every living thing,

concealed even from the birds in the sky.

22 Destruction[a] and Death say,
“Only a rumor of it has reached our ears.”

23 GOD understands the way to it
and he alone knows where it dwells,

24 for he views the ends of the earth
and sees everything under the heavens.

25 When he established the force of the wind
and measured out the waters,

26 when he made a decree for the rain
and a path for the thunderstorm,

27 then he looked at wisdom and appraised it;
he confirmed it and tested it.

28 And he said to the human race,
“The fear of the LORD—that is wisdom,
and to shun evil is understanding.” (Job 28:20-28)

One of the markers is that the church walking in this highway of Holiness will bear wisdom. Only the church with which wisdom has been bestowed, will be found on this way. This is the fourth marker that JEHOVAH has put as a landmark to help you, since only the Holy Spirit, bestows wisdom unto the church. The fourth marker will be the fact that this church will be the anointed church, The Holy Ghost filled church. Out of “the wise” that will walk here, they will have the Fear of the LORD. Based on this few markers, you can already begin to probe yourself and re-examine yourself, and your ministry, and after which you might compelled to repent and cry to the LORD to return you to the Highway.

No lion will be there,
nor any ravenous beast;
they will not be found there.
One of the main features will be that no

devourer, no ferocious beast, no enemy will enjoy your flesh on that Highway. When I created the church it was not meant to be devoured by the enemy. The LORD designed this super-highway for the church to follow that by HIS Grace and Mercy, HE sealed it that for that church that will dare come and walk in this highway, the devil will not access her. That is the power and authority unto the church. The only way the devil can be eating the sheep in the church is if that church is for sure no walking the Highway of the LORD. A lady brought a prayer request that she had been praying and fasting for many years that her husband may one day come to church. And then one Sunday morning, she was shocked to find her husband preparing to go to church with the family, until she wept. And one day she asked, “Is it a bad thing to take ones husband to the church?” And I answered her, “By no mans, definitely it is a very good thing because a husband is the Spiritual head on this home” She asked because when she took her husband to the church, she celebrated, but when her husband continued going to church with her, and one she asked her husband, “How did you like the church?” And he answered, “I did not know that church is this good.” And she was overjoyed, and wept before the LORD because she had fasted for many years. But what broke her heart was that she finally got to know that the husband had got into an affair with a girl who became pregnant and eventually got a baby. Now the man has two families! At times he goes to spend at her place and other times he sleeps at home. That is happening until today. The most ill-dressed women are found in church. The most immoral women are found in the church. The most immoral men are found in the church and worse that are found in the pulpit and the worship. The LORD is saying that he developed this roadmap, this blueprint, this highway that when you walk as a church and you look at the marker set forth by JEHOVAH and you find that the beast is busy devouring the congregation and then he says you have every reason to question and ask are we really on the hightway of the LORD. In other words the only way the church the body of Christ can be the place men go to find good women and women go to find good men and worst of all where men go to find men, and women go to find women, is when that church has detoured, and gone astray, and is no longer walking the Highway of the LORD.

But only the redeemed will walk there, (Isaiah 35:8-9)

Another marker that JEHOVAH says that you must find on this Highway. The church that will be walking with you on this Highway, must have been redeemed. In other words, only those who will have been delivered, cleansed by the Blood will walk there. One of the markers is THE BLOOD. When HE mentions the blood it shall be the Highway of the Cross that when you walk there and listen to the preachings at this Highway you will hear, The Cross of JESUS, At the Cross at Calvary, The old Rugged Cross, there will always be the resonance of the Cross and the Blood of Jesus. In other words, HE is saying that it shall also be called the Highway of the Blood. The highway of the Lamb. These landmarks go a long way in navigating the church that she may never ever get lost until she arrives the final destination.

Final Destination
of the church

What is the final destination that when we look at this specifications we may highly appreciate them for what they are directing the church to achieve.

11 So Christ himself gave the apostles, the prophets, the evangelists, the pastors and teachers, 12 to equip his people for works of service, so that the body of Christ may be built up 13 until we all reach unity in the faith and in the knowledge of the Son of GOD and become mature, attaining to the whole measure of the fullness of Christ. 14 Then we will no longer be infants, tossed back and forth by the waves, and blown here and there by every wind of teaching and by the cunning and craftiness of people in their deceitful scheming. 15 Instead, speaking the truth in love, we will grow to become in every respect the mature body of him who is the head, that is, Christ. 16 From him the whole body, joined and held together by every supporting ligament, grows and builds itself up in love, as each part does its work (Ephesians 4:11).

With all this specifications, this blueprint that the church had to adhere and observe on this Highway but what do they help to build so that we may be able to appreciate them more and never to depart from them? The LORD designed the Highway of Holiness for the church, in such a way that when that church

that chooses this way, will walk the Highway of the LORD, the fivefold ministry will be birthed out. There will be the realization of the five fold ministry of JEHOVAH, the apostles, the prophets, the evangelists, the Pastors and the teachers. In other words, if you look at the church where you are today and you find that there are “apostles” there, false prophets, false evangelists doing crusades and gathering money there, false pastors there and false teachers of falsehood there, then you should ask, “Are we really in the highway of Holiness. Because he says that the church that will walk this highway of holiness, that church will be shielded from the devil, the father of all lies and so she will realize the five fold ministries of JEHOVAH. It will be a genuine five-fold ministry of the LORD. The LORD is explaining the product of walking in the Highway of Holiness, and unveiling the object for which HE designed this roadmap, where it should reach, what it should achieve, the fruit it should bear. If the body of Christ will dare walk this Highway of JEHOVAH, first of all the genuine fivefold ministry will be birthed out. That means that on this Highway, the portals of heaven are open and heaven is directly communicating with that church. And when this portals are open, that can only mean that there will be an outpour of the Holy Spirit which means that there will be a Holy Ghost Revival. And that will manifest in the birthing out of the fivefold ministry. And when the five-fold ministry will have been realized, it will bring into fruition and prepare the congregation of the LORD, for the works of the ministry. It will also equip them to go out and do massive exploits for the LORD. This means that when the church enters this Highway of the LORD, she will be prepared for service. The LORD is saying that if the church will enter this Highway of Holiness, the five-fold ministry that will be birthed out will have the intention of perfecting of the saints. In other words, it will make the perfection of excellent in the congregation and their salvation. How do you make salvation excellent in the church? If you want to know that the church has been walking the Highway of Holiness, the salvation therein, is that she will be excellent in Righteousness. This is because only Righteousness can make salvation perfect. That is the objective of the Highway that finally the salvation in the church may be built up with excellence. If you look at your church and look at it as a pastor

from year 1 to year 3, you should ask yourself if you really are in the Highway and if so, what gains you have made in the excellence of salvation, in other words, in righteousness. Ask yourself if righteousness has increased in this church or has it decreased? Then you can make up your mind and either continue with that highway of holiness if righteousness is increasing or return to the highway of Holiness if you find that righteousness has diminished. The intention was excelling and the full equipping of saints, those that line the highway of the LORD is to achieve GOD’s consecrated people, the elect of GOD. If you look at how the Priest in Israel would go into the Holy of Holies, wearing his sacred priestly garments, there were some main features on that garment. One of the features was the turban and inside the fold at the front there was a golden writing saying ‘Holy unto the LORD’ meaning consecrated unto the LORD, separated unto the LORD. The LORD is saying that if the church is surely walking the Highway of Holiness then the 1 Corinthians 6:14-18 church must realized and manifest.

1 Corinthians 6:14-18

A church that is separated, a church that mixes not light and darkness, a church where idol worship cannot be mixed with the worshipping of Christ. The LORD’s intention of raising the church on this way was the perfecting his consecrated people. When a church chooses to walk the Highway of the Lamb, the Highway of the LORD, The Highway of JEHOVAH, Highway of the CROSS, the Highway of the Blood, The Highway of Holiness, the Highway of Righteousness that this church there will be discipling here. This is where the young talents and gifts are being raised. Only the redeemed of the LORD will walk here, only the delivered, the consecrated by the Blood of the Lamb. In that church you will see the five-fold ministry, consistent separation of the saints from the world and in the process you will see the building up of the body of Christ. The church that walks the Highway of Holiness is a developed church. This means to be civilized, enlightened of the Word and not ignorant. She is aware of the command in the Word, the decrees of GOD in the Word, the sayings of the Word. When JEHOVAH

created the church the purpose was that the church walks this Highway, she maybe built up into oneness, united and mature, the unity of the faith. The understanding of the requirements of the time is the same. When Paul left Thessalonica, He came to Caesaria in Phillipi and found a meeting of the LORD. And in that church was a prophet of the LORD and he remembered the dream the LORD had given him. He took belt and tied his hands and feet and asked him if he is going to Jerusalem Paul said yes. Then the Prophet revealed that he was going to be jailed there. Here you see that there was unity, spiritual ones and physical manifestation of the oneness in faith in that church. If the church walked in the blueprint, the way that the LORD developed for her, and dare walk the highway of the LORD, then there would be a manifestation of the five fold ministry. And if that ministry is birthed out then the excellence in salvation, and righteousness, growth of Holiness in the lives of the sheep and in the lives of the Pastors and in the lives of the body of Christ. The LORD is saying that when the church achieves excellence in the way, they worship JEHOVAH then essentially the sheep will have been discipled by perfecting Righteousness. The LORD says that “I am the light of the world and whoever follows me cannot walk in darkness” When the church perfects righteousness in that way then their righteous light will shine unto the world as the light of Christ and in so doing they will have evangelized Christ JESUS. In other words He is saying that if you evangelize Christ in this Highway of Holiness then essentially you are evangelizing the light of Christ, the righteousness of Christ the holiness of Christ and then the body of Christ will grow to full stature, maturity, exact height and perfection of the knowledge of the perfectness of the Excellence, of the Person of Christ, of the Messiah. Then when that happens, then the church will have already become the Bride of Christ and entered the rapture.

If for example, you go to the US and want to turn into a highway, there is what they call a turnpike. And for you to enter a highway, you have to go in an office where you pay the toll. And they give you an electronic gadget and it sticks in the inside of your windscreen. Once you have paid and you want to enter into the interstate Super-Highway, there is a sign that reads “For turnpike turn right” and when you

branch the toll station have a metal barrier. And as you enter the electronic system detects the gadget in your windscreen and clears you and open as you pass. It is only opened for those who have paid. And if you have not paid, the barriers will not open. In the same way, the LORD created Adam and Eve, they walked in the cool of the day meaning they walked in obedience to the LORD. But when Adam disobeyed The LORD then the judgement of The LORD befell and then the LORD brought plan B, the Messiah. The Messiah came to redeem, meaning to take back. The church that walks the highway of Holiness is a church people have died to self and she belongs to the LORD. (Romans 6). That highway is the narrow road.

“Enter through the narrow gate. For wide is the gate and broad is the road that leads to destruction, and many enter through it. 14 But small is the gate and narrow the road that leads to life, and only a few find it (Matthew 7:13-15).

This road is distressed, under pressure, reduced and you must find it first. When you enter the narrow road, then you will enter eternal life because you have been purchased and delivered and your man has been crucified at the Cross.

Faith

BELIEVING GOD

Faith is the pillar of salvation and the cornerstone of the every Christian's lifestyle. Every Christian and priesthood is in the business of faith and all or nothing of salvation. In this spiritual exploration of faith, we will look at how significant faith is and not only preserve it but grow in it and protect it.

And he [Abram] believed in (trusted in, relied on, remained steadfast to) the LORD, and He counted it to him as righteousness (right standing with GOD). Genesis 15:6 (Amp)

The basis definition of Faith is believing GOD. Faith introduces very important aspects that touch directly on christian lifestyle as it ought to be. When we say that the definition of Faith is Believing GOD then what comes out very clearly is Trust, confidence in HIM. Faith actually is the definition of the covenant. Faith is what brings out honour unto the LORD as trustworthy. As we begin to delve this journey of exploring the definition of Faith, we see very clearly in that scripture that we are dealing with JEHOVAH the GOD of Israel, and also we are dealing with somebody that the LORD decreed in HIS infinite wisdom and counsel and authority, declared that person the Father of Faith. In that declaration and blessing that the LORD advanced towards Abraham as the father of all human faith, one is able to pick out the texture in that fabric because HE says "And he [Abram] believed in" meaning that with regard to the church and GOD Almighty,

if the church believes the LORD, then the church will have essentially exalted the LORD. In other words the church has said, "The LORD I believe HIM" in whatever HE says or does, I do not need any evidence before I can believe in HIM. Having faith is a very important aspect of glorifying, exalting, Blessings the LORD and honouring the LORD. Faith speaks of Trustworthiness of the LORD. When you have faith as a church, you are instead underscoring the Faithfulness of the LORD. Therefore having faith means Trusting in the LORD and relying on the LORD meaning you are depending on the LORD. In GOD's elucidation of Faith, HE already says that if we have Faith, we depend on HIM alone. Faith calls for total unwavering dependence and reliance on the LORD only. Then one can clearly see the enemies of faith, depending on others or other systems. In handling faith, it is suffice to mention that the reason that there is apostasy in the church is because the church has put her faith in others. It then draws a begging question that have the body of Christ today really relied on the LORD and on the LORD alone? When we believe GOD then we believe HIS Word and when we believe HIS word, then that means that we exalt HIM. In the scripture, we learnt that Abraham remained steadfast to, the LORD. Therefore essentially when one defines christian faith, the LORD now brings in the aspect of remaining steadfast to. We see that when the LORD came to

deliver the church, HE came as a King, a special gift package from the Mighty Throne of GOD. And when the LORD Jesus unveiled to us the gift HE was, it became the big sacrifice on the Cross, the death and resurrection of Christ Jesus. So having faith, believing GOD entails remaining steadfast to the LORD implying holding onto the salvation that you received, preserve that which you received at Calvary. That was the birthing out of christian faith. John 3:16 for GOD so loved the world, that whoever believes in Him should not perish but have eternal life. Therefore in unveiling faith, there is a very big unfolding on what it entails and what the instruction on faith is. It also involves *remaining*, where you were first put, what you were given and that is the salvation that birthed out our the faith. That was the ushering in of the dispensation of faith. You can now see the underpinnings that anchor this, 'remain steadfast to' when discussing faith. To remain steadfast to the LORD means the Cross at Calvary, to acknowledge the gift HE gave us and to acknowledge the channel that HE gave us to lead us to HIM. However, in the process of defining faith as being the remaining steadfast to, then you can almost hear the undertones that there is a danger of drifting away from faith, Remain meaning that you can drift away hence the warning watch out that you do not drift away from that position. The LORD already declared that based on his

act of faith towards the LORD, he became the father of all human faith. However, on exploring on that relationship, we see that because Abraham had faith and because Abraham believed GOD, the LORD counted to him as Righteousness. Indeed, having faith in the LORD implies being righteous unto the LORD. Now we see where our righteousness rests thereby stating that walking in righteousness that is so much coveted implies having faith in the LORD. So in other words, if there is going to be apostasy, that takes away the righteousness of the saints and of the body of Christ, then that means that the church has lost faith. Now you begin to understand the gravity of not standing in righteousness. Faith is indeed the precursor of this manifest righteousness that the LORD is talking about. For you to manifest righteousness, you must be faithful, walking in faith and you must believe GOD. For you not to be in righteousness means that you do not have faith, you do not believe GOD. Now you can begin to understand where the fall came from in the church. When a pastor is going out to preach the gospel, he cannot engage in malpractice and say 'sow a seed here first and get your miracle' and start selling the Blood of Jesus. Those who want to get babies, so a see of this amount, that cannot happen. The reason that the pastors cannot do that is because the faith we ought to profess and be believing GOD and HIS word which says do not worry I will provide, then we manifest righteousness. And when one go out and try to fend for themselves through corrupt means that in the first place that, that person has no faith and that is where apostasy comes in. That is the failure of faith in the church. The priesthood is in the business of faith and hence cannot lack faith because there is no way the priesthood can be a deliverer except that they have been delivered. So if the priesthood is going to teach faith in the congregation then the priesthood have to first of all be Faithful. One cannot start teaching 'sow a seed' which is corruption and then say I have school fees, food

and rent to pay. Then that speaks to your faithlessness to GOD yet the LORD says that

26 Look at the birds of the air; they neither sow nor reap nor gather into barns, and yet your heavenly Father keeps feeding them. Are you not worth much more than they? 27 And who of you by worrying and being anxious can add one unit of measure (cubit) to his stature or to the [a]span of his life? 28 And why should you be anxious about clothes? Consider the lilies of the field and [b] learn thoroughly how they grow; they neither toil nor spin. 29 Yet I tell you, even Solomon in all his [c]magnificence (excellence, dignity, and grace) was not arrayed like one of these. [I Kings 10:4-7.] 30 But if GOD so clothes the grass of the field, which today is alive and green and tomorrow is tossed into the furnace, will He not much more surely clothe you, O you of little faith? 31 Therefore do not worry and be anxious, saying, What are we going to have to eat or, What are we going to have to drink or, What are we going to have to wear? 32 For the Gentiles (heathen) wish for and crave and diligently seek all these things, and your heavenly Father knows well that you need them all. 33 But seek ([d]aim at and strive after) first of all His kingdom and His righteousness ([e]His way of doing and being right), and then all these things [f] taken together will be given you besides. 34 So do not worry or be anxious about tomorrow, for tomorrow will have worries and anxieties of its own. Sufficient for each day is its own trouble. Matthew 6:26-34

The church cannot engage in any acts of unrighteous practice of lawlessness, the so called sow a seed and get your miracle because if she does then she is manifesting her fall and her faithlessness. This means that she does not trust GOD, she does not believe GOD, she does not rely on GOD and did not remain steadfast to the LORD. Now we begin to understand that the essence of Righteousness in the church is actually

faith. In fact, faith becomes the precursor to a holy walk. If you have faith then you can walk in righteousness. Putting it together, then it becomes very clear that the definition of faith is actually the fear of the LORD. Therefore the fear of the LORD is actually what defines Faith which is actually the pillar and the cornerstone upon which to rest the christian lifestyle. In other words we learn that without faith then we have no business in salvation because the case that has been advanced to us is that faith is the foundation of righteousness where salvation rests. Without faith we cannot count ourselves to be in salvation. The LORD will not count us as having been saved or born again.

For what does the Scripture say? Abraham believed in (trusted in) GOD, and it was credited to his account as righteousness (right living and right standing with GOD) Romans 4:3. We see that even the justification that the LORD Jesus brought to the church, to humanity at Calvary, was through the avenue of faith without which we cannot access the trappings of the Cross at Calvary.

For if Abraham was justified ([a] established as just by acquittal from guilt) by good works [that he did, then] he has grounds for boasting. But not before GOD! Romans 4:2

Here the LORD is introducing another aspect that faith is what gave us justification. In other words what made the LORD justify us because HE sent us he Redeemer but we would have to have faith and believe HIM. This means believing the channel of redemption that the LORD opened for us through Christ Jesus and access it so we are justified. Here you can see that the LORD is introducing the Grace of GOD by adding in that 'not by works'. The LORD is underscoring the important of faith because faith is the only thing that exonerates us from having to pay the full penalty. So that now without physical

payment we can now just believe GOD and access acquittal, access redemption, access justification and access the Grace of GOD that was unleashed at Calvary. It is clear now that the failure to understand the basics and foundation of salvation is what has resulted to corruption in the church. And now only through faith can we be able to dialogue whether we can access Christ. One must first have faith because the trappings of faith is actually the Grace of GOD. Because when you have faith then the Grace of GOD is bestowed upon you, the acquittal, the justification. That we may now not be judged for the very sins that we committed. All that is through this very important avenue of faith. That when we are founded on faith then now we can access the gift of the Grace of GOD. Now faith becomes the currency that causes us to do the transaction to remove us from the death of what we ought to have paid. But now you have faith you now have the spiritual currency you can access the righteousness of the LORD which faith is defining. And through that faith has hence defined the fear of GOD. Furthermore, we learn that faith indeed is the Grace of GOD that when you believe GOD then you justified for the Grace. In all this put in a nutshell, you right away the conflict with which JEHOVAH has with the church and with humanity. When contradiction came about, it was as a result of the church losing faith in GOD, which the LORD treasures because when you have faith and believe HIM then automatically you believe HIS Word and in the process you honour GOD. In other words saying Look HE is Believable, Trustable, Reliable and Dependable. Faith towers very high before the Throne of GOD. Now to a labourer, his wages are not counted as a favor or a gift, but as an obligation (something owed to him) (Romans 4:4) Humanly speaking, Abraham the Father of Faith, did nothing at all to earn him the high stature, the favour of the LORD except that he had Faith in the LORD.

Abraham did nothing to earn him the blessing that the church was grafted into, the blessings that the Messiah comes through his lineage, the Redeemer of mankind. That blessings emanated from the fact that Abraham exuded faith towards the LORD which means he believed GOD. One can now understand the significance of the foundation of faith within the body of Christ and in the lifestyle of the christian today and the lacking of faith being the cause of apostasy in the church today. And if the church understands this then she will get her bearing back to restoration and she will trace her path back to where she went astray.

5But to one who, not working [by the Law], trusts (believes fully) in Him Who justifies the unGODly, his faith is credited to him as righteousness (the standing acceptable to GOD) (Romans 4:5).

The LORD underscores the most critical fruitions that come out of faith. It is still the righteousness of the LORD. The standing acceptable to GOD which means that GOD may now accept us when we have faith. Therefore, no one can say that they have faith but they are not walking in righteousness. Your faith can increase, that is acceptable meaning that the Holy Spirit is helping you to perfection your righteousness. However the diminishing of righteousness can only mean that faith has been lost.

6Thus David [b]congratulates the man and pronounces a blessing on him to whom GOD credits righteousness apart from the works he does: 7Blessed and happy and [c]to be envied are those whose iniquities are forgiven and whose sins are covered up and completely buried. (Romans 4:6-7) To understand the genesis of forgiveness boils down to faith. It is clear that in fact, faith is what defines our forgiveness of sins.

For GOD so greatly loved and dearly prized the world that He [even] gave up

His only begotten ([a]unique) Son, so that whoever believes in (trusts in, clings to, relies on) Him shall not perish (come to destruction, be lost) but have eternal (everlasting) life (John 3:16).

This is a scripture that anchors humanity and the church to GOD. This is mighty scripture of sacrifice that opens the portals, the channels of communication between fallen man and the Holy Kingdom of GOD, is actually an embodiment of the description of faith and how important it is. That is why the scripture says ‘that whoever believes in HIM’ shall not perish but have eternal everlasting life. If this is the central scripture in the bible, then surely the entire bible is indeed embedded on faith, to the extent that if you do not have faith, then the bible will have very little effect on you and you cannot access the trappings that accrue from the bible. That entire scripture actually underscores how important faith is, to GOD the Father for HIM to be able to release HIS one and Only Begotten Son to go and die on the Cross.

In your daily life, it is important to pray and ask the LORD ‘Can you please increase my faith today. Can you protect my faith.’ This is because faith is the mother of all righteousness. In other words, once you will believe GOD, then you will believe HIS word, which says only the righteous will enter the Kingdom of GOD. You will believe that and hence walk according to that Word. Faith is what births out the fear of the LORD and that means that if the LORD will bless your faith then you will walk in righteousness and you will always adhere to the fear of the LORD.

For we hold that a man is justified and made upright by faith independent of and distinctly apart from good deeds (works of the Law). [The observance of the Law has nothing to do with justification.] Romans 3:28

When Adam was brought unto this earth created by GOD, he was told to believe GOD. In other words, to take HIM for HIS word, and so when the LORD told

him that there is a tree at the centre of the garden and told him not to eat of its fruit. Adam adhered to that which means he believed GOD, he had faith. But when Adam fell upon the advent of Eve, the devil came to him and said, ‘if you will eat that, you will get wisdom, the knowledge of good and bad’ And both Adam and Eve believed. When they set out to disobey, based of the deception of the adversary, to test good verses evil. For Adam to question, “Did he really say so?” The moment Adam stepped out and doubted, then came the fall. The consequence of failing to have faith bring eternal death. If Adam and Even had just believed GOD, taken GOD for HIS word, death would have not occurred. If they had held steadfast without losing that which he told them because they had faith in HIM, they would not have brought death. Therefore, the consequence of a diminished faith is death nothing else. When Adam walked faithfully, took the LORD for HIS Word, he walked in uprightness and walked with GOD in the cool of the day. But when Adam lost faith in the words of GOD and he stopped believing GOD and hence believed the adversary, his faith dwindled then came the fall. And now when The LORD sends Christ Jesus the Messiah to redeem fallen man, HE tells us in this scripture that Faith is the antidote of what was lost in the garden of Eden and that faith is the answer to the fall. Even as mankind fell and death came about, just having faith, fallen now becomes upright before the LORD. Faith is actually what the LORD Jesus came to restore. By Faith, what was lost at the garden of Eden was faith, and what was gained at Calvary is Faith. This means that, that faith that was lost at the garden of Eden was faith and when the Redeemer came, he brought restoration of the faith that was lost into the life of mankind. And as John 3:16 clearly states, that if you would just believe in the LORD, and have faith, you would not perish but now have eternal life. That is the antidote for the death that came into the scene. Therefore if the body of Christ

in her entirety, can just embrace this basic and return to faithfulness to the LORD then everything else will be restored. The only way the church can retrace her bearing back to the LORD now, is to return to that position of childlike Faithfulness with GOD, to where she relies upon, depends on, trust, and believes the LORD. Now it is understandable that when The LORD said that the Garment of the Bride of Christ is spotless, without spot, without stain, without wrinkle, HE actually alluded the faith of that church. That her faith would never have a speck of a doubt and that is why she can faith to tell the mountain ‘be ye removed from here and it is thrown and cast in the ocean’. And if she has faith and without a doubt believes that, that mountain will be removed and cast in the ocean. That is why the LORD said that the final church, the church that enters the Kingdom of GOD, is the church that will be in the unity of the faith. Faith is a such a treasure in the kingdom of GOD and cannot be overlooked in the church. And a church that is faithful to GOD is indeed a church that is righteous to GOD and is walking in the righteousness of the LORD. In human terms, when somebody says that his wife is faithful to him, that means that he trusts his wife, and if he trusts his wife that means that he really loves his wife, and she really loves him, and that means that there is a very deep covenant between the two. Similarly, Faith in the body of Christ, actually denotes a very strong covenant that is there between Christ and the church, such that a faithful church, is a church that is strongly bonded to the LORD. Because when somebody is faithful to another there is a relationship. There is honour to that relationship, there is the praising, exalting of that relationship above all the others that would have interfered with it and that is why it is sustainable. When The LORD talks about faith in the body of Christ a begging question is thrown to her. “Have you truly prized, and exalted before the eyes of men and the world that mighty

covenant that I invoked at the Cross at Calvary?” So, in a nutshell, the genesis of the apostasy in today’s church, that the waywardness , the lawlessness that is heavily manifested in the church today can only symbolize a church that has lost faith in the LORD. That means for the pastors to be corrupting to get money for themselves means that they have lost faith that The LORD can provide. If you see ministries where miracles are being faked, that means that they have lost faith that The LORD can heal. Faith is everything in the church and in today’s post-modern fallen church is to able to retrace her path back to what she received in the beginning, what she was supposed to hold steadfast to, then she has to ask the LORD to restore the faith that she lost. Without faith the church has no business, because we are in the business of making people have faith in Christ. Without faith the church has no future with GOD in heaven. That is how significant faith is in the christian lifestyle. Faith is indeed the foundation of all christian walk because even the righteousness we need to wear is a by-product of faith. You cannot walk in righteousness unless you have faith, meaning you are faithful to The LORD. Faithful means that you trust the LORD so much that you treasure and cannot break the covenant with The LORD. What the church needs to restore today is Faith because Jesus came to Calvary at the Cross to restore that which was lost at the garden of Eden. And because Adam walked in the cool of the day with GOD, he must have been righteous before the fall because The LORD is righteous but they fell. And if there is something that they lost that cause The LORD to cast them out of GOD’s presence then it was Righteousness faith. Because only faithfulness can yield righteousness. When in John 3:16, the LORD Jesus came at Calvary to restore that which was lost at the Garden of Eden, we see that what He restored was faith, hence, whoever believes in Him, whoever relies in Him, that whoever depends on Him, whoever clings on Him, holds steadfast

to Him, shall not perish, be destroyed or lost but inherit eternal everlasting life. So when Jesus brought back righteousness, He clothed it in faith. Faith is the carrier of the righteousness of JEHOVAH.
