Kisumu, December 31, 2012: And the magnificent Cloud of The LORD's Shekinah Glory Touched Down.

HIS CLOUD DESCENDED UPON THE MEETING

While the little lakeside city of Kisumu may have in the past earned herself a special place as the beacon of the much sought-after endtime revival, the events of December 31st, 2012 nonetheless surpassed her presumption. It was as though every wilful yearning by the church for a latter visitation, had now afforded the LORD a foothold into the hearts of men. In the eminence of His assessment, the LORD

must have well known that it would take nothing less than a milestone visitation of this enormity, to break the yoke upon the petrous hearts of this despondent generation. This historic heavenly event is what has finally cast upon the church a most enviable biblical visitation of our lifetime. Despite previously witnessing such humongous annual gatherings, the people of Kenya were indeed stunned by this unequalled

visitation. For the body of Christ, this peculiar biblical visitation in this modern day and age, has thrown a 'spanner in the works' onto the near hopeless spiritual landscape that today characterizes the church worldover. This is the condition that exacerbated the chill down the church's spine owing to the reality that the Fearsome GOD of the bible was now determined to encounter His House again! It portends an eminent change

of guard that looms large in case of non-compliance. Like it was in the days of the bible, this mighty visitation of the Revered Pillar of the Cloud of GOD from heaven, has once more re-adjusted the spiritual clock, and virtually redefined the gravity of this prophetic dispensation. All spiritual cues arising from this unparalleled discourse point at one and only thing, the Messiah must now come. A titanic visitation of this magnitude, in which

the Invisible GOD of Heaven deliberately decides to descend from HIS Throne in Heaven, right into a revival meeting, and stand in a Pillar of HIS Cloud, right before HIS Altar and in the broad daylight; CAN ONLY ALLUDE TO THE FACT THAT THE SPIRITUAL CLOCK IN HEAVEN HAS TOTALLY CHANGED WITH RESPECT TO THE COMING OF THE MESSIAH. However, for such an epic encounter of serious spiritual consequence to occur in broad daylight, and for the LORD to allow His special elect to visibly see Him in His Glory, and record HIM, can only convey one important message; that there is a shifting of events in Heaven towards the coming of the Messiah, and that the church is still as much of heaven's solicitude, and indeed the only Bride of Christ. Now, such an awakening engagement between heaven and the church cannot arrive at any other conclusion, except that; the coming of the LORD has truly now drawn near.

The Prophet of the LORD had pronounced live on Jesus is LORD radio, one month before the Kisumu Revival meeting that the Glory of The LORD would descend at the meeting in a Column from Heaven. And sure enough, the Pillar of the Glory descended from heaven to the Altar of the LORD in Kisumu. Photo taken from The Great Lakes Hotel, Kisumu.

ultimate December 31st, 2012 amazing visitation, did not come without a major prophecy pronouncement. That astounding prophecy of this historic SHEKINAH GLORY, has today become an exhaustless theme that is hidden in the depths of the heavenly riches, in both the wisdom and knowledge of GOD.

to note that this Towering Majesty was prophesied and indeed came to pass. Human pride, prosperity, and self-sufficiency, all stand rebuked in the Presence of this Stunning Pillar of the Cloud of the LORD'S SHEKINAH GLORY. By biblical standards, this marks the beginning of a stern prophetic dispensation

inside this visitation, the LORD may not stand a continued spell of spiritual hiccups, as has been the case in the current decayed church. The LORD Himself may now have to take over and shepherd His Own sheep towards the rapture.

THE PROPHECY THAT CALLED GOD DOWN FROM HEAVEN VERBATIM

It was in the night of November 21st, 2012 that The LORD GOD ALMIGHTY of Heaven Spoke to me in a mighty vision about a major event that was about to take place on the earth. Considering the gravity of that conversation that night, I was immediately compelled to treat it as a matter of extreme urgency. Upon waking up from that stern vision, I staggered for a moment wondering how I could even relay such an enormous event to the nations of the earth, and more specifically to the church of Christ. However,

The

THE NOVEMBER 21st, 2012 STUNNING PROPHECY

Nevertheless, it must be said here that the momentous buildup leading into that

Looking back at how that unusual prophecy was rolled out, today's church is left with no choice but to marvel at the spectacular companionship that the LORD unveiled to her on that December 31st. It is even much more humbling

that has began to roll out in the zero countdown to the coming of the Messiah. One can clearly see that this will be a dispensation of no nonsense in the church! In case the present-day church shall not heed the message embodied

the more I delayed to proclaim this prophecy, the greater it weighed on me. When the enormous pressure upon me from on-high came to bare, that is when I realized that I could not wait any longer but to speak it and get my relief.

I was then obliged to right away go live on air on the Jesus is LORD radio airwaves, and broadcast terrestrially on 105.3FM and 105.9FM in the East Africa region, and also globally via internet broadcast. While live on air, I vividly relayed to the listeners across the nations about this very shocking encounter that was about to come to pass upon the face of the earth. In the first part of that prophecy, I greatly elaborated that when the December 31st, 2012 meeting begins, and the LORD brings me into the Kisumu revival meeting, **HEAVEN WOULD OPEN**, and immediately that happens, the Stunning SHEKINAH GLORY of JEHOVAH GOD would descend from the inside of heaven into the revival meeting. I further said that it would be a historic event in which the Tremendous Cloud of GOD would visit mankind like it did in the Old Testament. As disturbing as these shocking pronouncements were, I did not relent in continuing to expound that this terrifying visitation would involve the Cloud of JEHOVAH'S SHEKINAH GLORY coming down right into the centre of the meeting with massive power, and in several magnificent waves. Furthermore, I relayed that the LORD THE GOD OF HEAVEN had confided in me that when the SHEKINAH OF HIS Presence arrives at the Kisumu meeting, HE would cover the meeting and HIS Servant with HIS Waves, and even raise the massive Pillar of HIS SHEKINAH and stand right before His Servant. Upon hearing that prophecy, many listeners across the earth were

as equally shocked as they were marvelled! Considering that this was going to happen for the first time since the days of the Old Testament, then many did not know how to react to it and neither did they know how to receive this message. Central in their thought, was the surprise at The LORD's sacrifice in substituting the HEAVENLY THRONE for an earthly revival meeting! All knew it too well that for the LORD to forgo His Heavenly Throne and come down to earth in this day and age, can only be for the express purpose of creating an awakening on the fact that the dispensational clock has changed. By its breadth and depth, it is indeed a grievous unfolding.

PROPHECY CONCERNING THE PILLAR OF GLORY VERBATIM

After dispensing the first prophecy, millions across the earth were caught up in the mundane task of trying to *fathom* how all these monumental predictions would unfold. Some wondered how such significant Old Testament events would play out during this 'calm' dispensation of the grace. However, one thing that appeared to have been well perceived among the majority, was the *gravity* of the kind of visitation I was proclaiming in the hearing of all nations. They essentially understood what I meant, in its fullest extent. All knew it well that I was practically calling upon GOD THE FATHER, THE GOD HEAD HIMSELF, to literally

come down in PERSON, from His Revered Throne in Heaven, and *visibly* visit a particular place called Kisumu. Moreover, in the finest details of the prophecy, people understood that not only was I calling on JEHOVAH YAHWEH to show up HIMSELF in the meeting, but also that HE may Stand right in front of His Servant in HIS Most Revered Pillar of Cloud! *Selah!* That fact rang out vividly clear in the minds of all that tuned in to this proclamation. What a most shocking prophecy this was. As though this first prophecy was not a shock big enough to grapple with, then came December 26, 2012, when THE LORD in His Unrelenting Stature, Spoke with me again about the impending Kisumu visitation. In that followup conversation, JEHOVAH GOD took it a step further. It was a vision in which THE LORD again showed me the Kisumu meeting and how it would unfold. After which, HE told me that upon my arrival at the Altar in that Kisumu meeting, HE would **OPEN HEAVEN AND BEAM UPON ME** the Most Resplendent Pillar of HIS SHEKINAH GLORY. And HE further Said that the Pillar of GLORY would **BEAM ON ME** for sometime while at the Altar of the LORD, moving with me from place to place. As soon as I woke up from that spectacular but very fearsome dream, I realized that the LORD GOD ALMIGHTY had again Spoken with the church in an extremely unusual way. That is what prompted me to again go live on JESUS IS LORD radio and broadcast terrestrially across the East African region and globally

via the world wide internet web. In that pronouncement of the LORD's Prophecy, I categorically said, "Now I see that when the LORD OF HOSTS brings me to the December 31st, 2012 Kisumu meeting, Heaven will open and The Brilliant Pillar of GOD's GLORIOUS SHEKINAH would BEAM ON ME from Heaven and envelope me at the Altar." As I continued on with this milestone prophecy of our time, I further said, "The LORD has promised that HE Will come again, except that this time around, HE will descend in a COLUMN, and that COLUMN of HIS Glory, would be very high and very tall, beginning from the Altar where HIS Servant would be standing, all the way into HEAVEN. Furthermore, I asserted that The Prophet of The LORD is all about dates; that He may say something today, and at a later date, that thing happens with stunning precision." Hence the saying, 'Prophecy is in the details'. It is abundantly obvious that at the heart of every fulfilment of Prophecy is actually the *nitty-gritties* in the details.

CONCERNING PREPARATION

Dwing to the *enormity* and *immensity* of the LORD's conversation that ensued in the block period between November 21st to December 26th, 2012, by all means, I felt a strong urge to share these details of profound spiritual significance with the National Council of Bishops. In that stern meeting with the Bishops, I laid it to bare that there were consequences of living

in the House of the LORD, in this *pivotal* dispensation. Chief among the issues I eloquently raised before the Bishops, was the *veneration* that ought to be *accredited* to this *critical hour* in the church. In that instruction, I further *unveiled* to them the greater significance that the LORD JEHOVAH now attaches to a consecrated service within the priesthood. This caution I presented with the knowledge that the visitation at hand was being pronounced within the backdrop of the current detestable *decay* within the body of Christ. Even as I continued on in that Bishops'

to them that contrary to whimsical utterances that had been doing the rounds within the body of Christ with regard to visitations, this time around it was JEHOVAH YAHWEH HIMSELF WHO was Planning to visit the church HIMSELF. And I warned the church leadership that on this occasion THE GOD FATHER WOULD not send anyone else, but would appear HIMSELF IN PERSON. All the fears regarding this impending visitation mostly centred around the fact that the INVISIBLE GOD IN HEAVEN would on this occasion permit HIMSELF to be visible. This is what drew

sombrely reminded the church leadership on the place at which Moses The Man of GOD attempted to draw closer, only to be warned;

"Do not come any closer," God said. "Take off your sandals, for the place where you are standing is holy ground." (Exodus 3:5).

I very well remember that in that sitting I said, "And The LORD Himself is now coming to visit the church, and He will not send anybody else. He is coming Himself" And I finished by saying, "And The LORD Himself will now shepherd His sheep". This narrative

had been reached in the hearts of all attendants that unless the church leadership take a lead role in preparing themselves plus the sheep for this visitation, a tragedy of calamitous proportion could strike the land. Additionally, I showcased the moments when Israel had the rare privileged of encountering this same SHEKINAH GLORY OF JEHOVAH. Key among the lessons I laid on the table, was the one in which Moses, The Man of GOD went up Mount Sinai where JEHOVAH was. In that particular encounter, I made it clear to the bishops that the Cloud that covered the mountain for

council meeting, one thing stood out. The need to underscore the righteousness as the bedrock of the visitation that was upcoming, indeed towered very high. In other words, way in advance of this most formidable visitation of the SHEKINAH GLORY, I assuredly put it

maximum caution. That a mortal people would this time around be able to see the INVISIBLE GOD OF HEAVEN in a visible form, in real space and time! Lo! this called for very serious *admonition* in the body of Christ. In a deliberate stance to underscore the gravity of what was at hand, I

with the bishops could not be summarized without clearly bringing out the need for a more stringent preparedness in advance of this most historic visitation since the inception of the New Testament. By the end of that session with the bishops, I could almost feel in the air that a consensus

six days, manifested as a huge consuming fire that totally consumed the mountain top. I did not fail to highlight to the church leadership that whenever the Presence of the LORD physically manifests, it is normally a dreadful and frightening experience to behold. Having armed the

bishops with this level of profound counsel, I told the bishops to go and prepare the entire church because I said, “when I listen to that prophecy the LORD had used me to deliver, I hear the LORD saying that this time around The LORD HE HIMSELF will Shepherd HIS sheep Alone.” And I said this to them as they went to prepare the sheep of Christ “Please tell them that The LORD says that this time around, He HIMSELF is coming to shepherd HIS sheep and HE won’t leave it to anyone else. ” Following this august gathering, the church leadership, one after the other *conceded* and *concurred* that this call to a massive National Repentance within churches was a matter of gravity that had to be addressed with extreme urgency. It is this meeting that was preceded by a massive church to church National Repentance as an important modality that had to be in place for the looming visitation. As a result, a huge wave of *repentance* consumed the churches across the land of Kenya coupled with a *paced-up* baptism revival. The purpose herein was to *consecrate* and *sanctify* the hearts of the believers in readiness for the mother of all visitations. On radio callers jammed the lines as they called to affirm that this time around they were preparing for their ultimate visitation.

And ultimate indeed it would be because in the LORD’s pronouncements all seemed to have been set for a historic encounter in which common people of common occupations were to meet their GOD in the *noonday*.

AND FINALLY THE GLORY BEFELL THE EARTH

And that when that most anticipated day finally arrived, people of all walks of life, boarded buses from all the known corners of the land of Kenya, including far away lands across the oceans. Even the preparations that were put together by government institution were so upscale that one needed not be a genius to understand that the church had never been this way before. A great sense of anticipation loomed in the air as the faithfuls arrived in along chains of buses that caused traffic snarl-ups thereby blocking major highways and in their millions. As they arrived, the faithfuls were so upbeat and the majority of them could be heard saying, “We are going to see The LORD JEHOVAH HIMSELF and we are ready.” It is a humongous kind of hunger for the LORD, and indeed a spiritual famine that could almost feel crystallize in the air.

Millions of people came to the Meeting of the LORD and shut down the city of Kisumu. And when the day began, as The LORD Spoke that the cripples would walk, the blind eyes would open, the paralytics would be healed, the tumours would dissolve, crippled babies brought lying on mats etc, when the LORD brought His Servant to the Meeting, then the cripples began to get up and started walking, and the day began with power. However, there was something that everyone was waiting for. The people could see the signs that JEHOVAH was surely in the Meeting, when the cripples began to

walk and the blind began to see. But the people wanted to see the Word fulfilled that said, “He was coming in a cloud”. The Cloud of the LORD’s descended, it came down like a tornado. And then the Cloud of JEHOVAH’s Glory could be seen approaching the Meeting, gaining contact with His Hand, JEHOVAH ELOHIM, JEHOVAH EL OLAM, JEHOVAH HOSEENU, JEHOVAH ELOHEKA, JEHOVAH MEKADDISHKEM. This was an event that happened only in the Old Testament. That one may appear and begin to say that “When I get to the Meeting, I am going to call JEHOVAH to come down from His Throne and that JEHOVAH will obey and come down”. The LORD also said that He would come in a column. This column was going to begin from the Meeting to Heaven. And sure enough, the column was recorded from Great Lakes Hotel in Kisumu.

I said that when all these things come to pass, it would be an encounter of a lifetime.

This has now become the visitation of our lifetime, an encounter that has undeniably *imprinted* an *indelible* mark on the hearts of this present-day church. A most *sacred* encounter of this nature definitely strikes the defining moment within GOD’s prophetic calendar for today’s church, as we steadily advance towards the coming of the LORD.

An exceptional occurrence of this magnitude, is what

once testified GOD’s glorious *light* upon the house of Jacob at her darkest hour in the wilderness. It became the monumental incidence that literally compelled Israel to follow JEHOVAH, hence raising her into a towering example of *trust* and *submission* unto the LORD. Therefore, any endeavour that attempts to explain the massive Cloud of Glory that visited Kisumu, without considering the narrative of Israel in the wilderness, would indeed be an effort in *futility*. Such a venture would not do much justice to this incredible visitation of our lifetime. Understanding the Glory that descended upon Kisumu therefore requires, that the church heavily borrows from the *legendary* narrative of Israel’s encounter with this same fearful glory in the wilderness.

THE MEETING

In the build up to the December 31st, 2012 New Year’s Eve Revival Meeting,

Subsequently, with all arrangements in place, as the guests began to arrive from far off lands, nothing already in place from all over the world, the preparations for that historic meeting couldn’t have hit it’s high. The mood was abuzz with overwhelming excitement and activity as fabulous soul-touching worship was going on. This is besides the fact that the river of humanity did not stop flooding into the Moi Stadium, Kisumu; age, tribe, economic status, notwithstanding. JEHOVAH allowed the church of Christ to have a meeting in Kisumu, and in that meeting

as we were crossing over into the new year 2013, something very big happened.

TODAY’S CHURCH

As it was with Israel, the same would be true of today’s church, regarding the purpose of this visitation in the Cloud of GOD’s magnificent glory. In the wilderness experience, the appearance of this particular Cloud is what compelled an otherwise *obstinate* Israel to follow JEHOVAH, and bear witness of His Omnipresence. Like in the ancient of days, The LORD JEHOVAH has now again descended upon the earth, while riding on the Cloud His Glory. A *titanic* spiritual event of this magnitude is what often has the potential to seriously ignite an unparalleled global awakening across nations. At face value, this generosity by JEHOVAH GOD is totally unmerited by mere mortals, and as a result literally asserts the *uncontestable* repeat of biblical scriptures. Nor should we forget to highlight here that the *resplendent* glory that descended upon Kisumu is what essentially brings the written word of GOD into *tangible* life in this *incredulous* dispensation. As was the case with Israel, this astonishing visitation of JEHOVAH in His Mighty Cloud, is what causes the kingdoms of this world to bow in awe at the *Everlasting* *Reign* of GOD that is to come. Prosperity, skyscrapers, daybreak, dawn, gemstones, golden palaces, cattle ranches and fruit-laden vineyards of this world, are all rubbished to fatality, and greeted to *gloom* and *desolation* at the mere

glance at this unsurpassed Cloud of GOD’s Presence. In that way, this Cloud is what is meant to keep mankind from rushing unbidden into the dangers of sin, and hence for all intent and purpose, meant to now compel this dark world to consent to the Omnipresence of JEHOVAH. It is an encounter that is bound to *oblige* today’s *apostate* church to walk down the path of *righteous obedience* as did Israel. Among the instructions that this Cloud of GOD’s Glory lends to humanity, the unfailing *steadfastness* with which the LORD JEHOVAH beholds the holy church of Christ, stands supreme. Offering unto GOD such an unblemished thanksgiving of loyalty and steadfast commitment is what will count at this last hour of *travail* in the church. When GOD brings us to a new encounter as witnessed in Kisumu, He often has a divine purpose to accomplish for our eternal good.

THE SHEKINAH GLORY

At the centre of the Temple in Jerusalem was the abiding Presence of GOD Almighty. Although JEHOVAH GOD is Omnipresent, HE often chooses to manifest HIS Presence in certain locations and at certain times, within a given dispensation. The physical manifestation of GOD is what is called SHEKINAH. The SHEKINAH GLORY is the visible manifestation of the physical Presence of GOD. It is the Majestic Presence and the manifestation of GOD in which He descends to *dwell* among men. Whenever the

invisible GOD becomes visible, and when the Omnipresence of GOD is localized, then that becomes the SHEKINAH GLORY. The SHEKINAH Glory is in most cases referred to as the Glory of JEHOVAH or the Glory of The LORD. The Hebrew theme from *Kavod* ADONAI is what specially referred to the Glory of JEHOVAH and describes what the SHEKINAH GLORY is. The Greek title *Doxa Kurion*, translates into the GLORY OF THE LORD. However, *Doxa* in Greek translates into brightness, brilliance, and splendour, and in most cases describes the appearance of the SHEKINAH GLORY. While we must contend with the fact that in this lifetime, it may be impossible to

exhaustively describe what the SHEKINAH GLORY represents, it is important to draw in other depictions. For instance, several other definitions have attempted to describe the SHEKINAH GLORY by giving it a sense of *dwelling* which essentially reveal what the SHEKINAH GLORY does. In the Old Testament, most of these visible manifestations of GOD took the form of *light*, *fire*, *cloud*, or a combination of the above. During the formative stages of the new Covenant, the SHEKINAH GLORY took a new form without necessarily losing the former Cloud, when the Incarnate Word became manifest.

The Word became Flesh and made His dwelling

AND THE LORD ALLOWED HIM TO SEE THE LORD'S GLORY

James has been mentally insane for 31 years. He would go and wait outside public toilets. And as soon as one had relived himself and left the public toilet, James would then enter and eat his feaces! He could not control himself and continued in this peculiar habit for many years. And when got wind that the Prophet of the LORD was coming to Kakamega, James resolved that this was his moment of visitation and deliverance. Nevertheless, even as he came to the Revival Meeting of the LORD in Kakamega, he secured a sitting place right outside the public toilets. When he then heard the Prophet of the LORD making the landmark healing declaration, and as he moved closer to take a glimpse of the Man of GOD The Prophet, He could not behold what he saw. The LORD allowed James to see His Reverent Shekinah Glory. He saw brilliant white lightening with many rainbows all over the Prophet of the LORD and he was instantly slain. Upon waking up, James was completely and totally delivered from eating feaces from that time until today. The Mighty SHEKINAH GLORY of the LORD had indeed Visited!

among us. We have seen His Glory, the Glory of the One and Only Son, Who came from the Father, Full of Grace and Truth. (John 1:14).

The SHEKINAH is in actual sense behind the sign and wonder of incarnation. The GLORY OF GOD now became *Tabernacled* within the human flesh. At Incarnation it beheld the SHEKINAH GLORY OF GOD. And the formidable Word became flesh, and dwelt among men and hence beheld the SHEKINAH GLORY of the Father. During Israel's exodus from Egypt to the Promised Land, the Tabernacle was this central place of worship. That tent in the wilderness, became the Tent of JEHOVAH with He Himself a Pilgrim in exodus among His people.

“Then have them make a sanctuary for me, and I will dwell among them. Make this tabernacle and all its furnishings exactly like the pattern I will show you (Exodus 25:8-9).

Communion between GOD and Man

SHEKINAH meant the bright Cloud of the Presence of GOD that settled on the Tabernacle and hence it was nothing less than the evident GLORY of GOD Himself. This appearance of the SHEKINAH is what is at the core of any attempt in understanding the meeting between GOD and man. In the initial communion of man with GOD, the LORD is said to have been walking in the cool of the day with man.

Then the man and his wife heard the sound of the LORD God as he was

walking in the garden in the cool of the day, and they hid from the LORD God among the trees of the garden (Genesis 3:8).

This is what indeed testifies to a *localized* Presence of the SHEKINAH which Adam and Eve could interact with. The SHEKINAH HIMSELF canvasses the notion of *dwelling* and *abiding*. This is exactly what unmistakably highlights that wherever the SHEKINAH is, there is a relationship with GOD in a more intimate way. Such an association will include the harvesting of the trappings which come from His special Presence. With amazement, this heavenly visitation of SHEKINAH in our present day is what practically denotes the ultimate restoration of the church that was earlier promised. To best underscore this, Enoch walked with GOD then he was no more because GOD took him away (Gen 5:24). This forms the basis of the promise that was once advanced to the church regarding her final restoration into *rapture*. Similarly, this is the ultimate desire of every Christian believer, thus it is an eternal blessing to enjoy the Presence of GOD.

And I heard a loud voice from the throne saying, “Look! God’s dwelling place is now among the people, and he will dwell with them. They will be his people, and God himself will be with them and be their God. 4 ‘He will wipe every tear from their eyes. There will be no more death[a] or mourning or crying or pain, for the old order of things has passed away.’ 5 He who was seated on the throne said, “I am

making everything new!” Then he said, “Write this down, for these words are trustworthy and true.”

(Rev 21:3-5).

Evening sacrifice among the holy elect daily pointed at the Lamb of GOD. Because the SHEKINAH GLORY symbolizes the ultimate *restoration*, thus the statement “He will wipe every tear from their eyes. There will be no more death . . .” This scripture rehearses the culmination of events when sin will have been totally defeated by the church and hence death *cheated*. And such a climax will only happen at the *rapture* of the church, when the *communion* between GOD and man shall have been fully restored to the original garden fellowship at Eden, before the *disgraceful* fall. Mankind in his glorious form will walk with GOD again. A flashback into Jerusalem reveals that the primary purpose throughout its history was to house the SHEKINAH GLORY among men. Within the Temple, GOD’s SHEKINAH indeed *Dwelt* among men between the two cherubim on the mercy seat of the Ark of the Covenant (1 Kings 8:10-11; Ex. 25:22; 1 Kings 7:29; 2 Kings 19:15; 1 Chr. 13:6; 2 Chr. 5:7; 2 Chr 6:41; Ps. 99:1 Isa. 37:16; Eze. 41:18;) Unless the SHEKINAH GLORY inhabit a Temple it is a just a dead architectural building (2 Chr. 7:1; Eze. 43:2-4; Eze. 42:1-2, Hag. 2:7-9; Matt 20:12).

ICHABOD:

Shekinah Departs

There are always grave eternal

consequences whenever the SHEKINAH departs from the Temple of the Lord owing to malpractice. It undoubtedly always defines the fall from the grace of revival, to the rot of decay and desolation. Because it invariably denotes GOD’s extreme *disapproval* and *disappointment* with those among whom He had previously *Dwelt*. Moreover, the departure of the SHEKINAH always has some very unbearable circumstances, because it designates the removal of GOD’s *protection* and *blessing* from His people.

The man who brought the news replied, “Israel fled before the Philistines, and the army has suffered heavy losses. Also your two sons, Hophni and Phinehas, are dead, and the ark of God has been captured.” When he mentioned the ark of God, Eli fell backward off his chair by the side of the gate. His neck was broken and he died, for he was an old man, and he was heavy. He had led Israel forty years. His daughter-in-law, the wife of Phinehas, was pregnant and near the time of delivery. When she heard the news that the ark of God had been captured and that her father-in-law and her husband were dead, she went into labor and gave birth, but was overcome by her labor pains. As she was dying, the women attending her said, “Don’t despair; you have given birth to a son.” But she did not respond or pay any attention. (1 Sam. 4:17-20).

When Israel began to deviate from the very command that had decreed their nationhood,

it represented a blatant violation of the holy covenant they had for a long time observed with the LORD. This was the mighty covenant whose goingsforth had been set from of old, from days of *eternity*, even unto *eternity*. And in all its gloriousness, when Israel decided to go into sexual immorality, false prophecy, falsehood, false teachings, and a general apostasy, this *treaty* with the LORD fell apart. The true picture of apostasy arises when Eli receives the horrible report from the battlefield, a report that describes the capture of the Ark of GOD upon whose Mercy Seat the Glory used to descend. When Eli heard that the Ark of GOD had been taken, he fainted and slumped backwards because he was too fat and old that he broke his neck and died. The Philistines had taken the Ark of GOD away and the LORD immediately struck him dead. And key among the features that are highlighted in that heavy *retribution* by GOD, is that Eli was *obese*. GOD acted in retribution by lifting his GLORY and sending Judgement upon the house of Eli. As it was then with Israel, today too, so it is today with the church whereby apostasy has diseased the ministry and worship of the Christians and has hence spread over to the pagans. The retaliatory justice that the LORD dispensed against Eli, has today become the *portrait* of the dangers of the wounds of apostasy in the House. And this serves as a serious warning to today’s church, especially the church in Kenya before whom the SHEKINAH GLORY of the LORD has descended. Eli and

his sons Hophni and Phinehas were *vulgar*, *crude* and they *manipulated* GOD’s people using the things of GOD for their *own gain* and pleasure. However, the gravity of the sin of apostasy is revealed when the LORD GOD ALMIGHTY Himself sends His prophet to pronounce to them that their sin was too great a blasphemy before the LORD that He vowed never ever to forgive it. This very scenario has again repeated itself because today we witness yet another whole generation of ministry that has had no sense of the *justice* and *holiness* of GOD and therefore cannot rise up to comprehend the responsibility surrounding His *mercy* and *grace*. Today, it has become inconvenient to preach the *holiness* of GOD, GOD’s wrath and judgment, and especially when the very pastors cannot enforce it in their own families. *Righteousness* has been amputated in the church because most believers have their own versions of *salvation* and *redemption*. Under the guise of the “blanket grace”, they change the message by a lie and allow the people their way in determining their own *salvation* and *destiny* through corrupt religious practices. During Eli’s watch, GOD was sick and tired of the hypocrisy of the priesthood and consequently divinely arranged for the Philistines to kill Hophni and Phinehas in the battlefield, and He allowed the Ark of GOD which symbolized GOD’s glory and power to be taken away. The Ark that had symbolized the Presence of GOD had now exited the worship of His people Israel. Today in church,

we can clearly see that the Ark of GOD is totally absent in the worship being dispensed by the Christians. It does not feature any more in their worship hence the uncensored lewd worship that has gone viral globally.

She named the boy Ichabod,[c] saying, “The Glory has departed from Israel”—because of the capture of the ark of God and the deaths of her father-in-law and her husband. 22 She said, “The Glory has departed from Israel, for the ark of God has been captured.” (1 Sam. 4:21-22)

The Ark of the Covenant was the symbol of GOD’s throne of the earth from which He Spoke.

When Moses entered the tent of meeting to speak with the Lord, he heard the voice speaking to him from between the two cherubim above the atonement cover on the ark of the covenant law. In this way the Lord spoke to him (Num. 7:89).

In Israel, the Ark of GOD was the central article of *power* for the annual ritual of atonement for the sins of the nation of Israel because it had the Mercy Seat upon which the Glory descended. The descending of the Glory was the sign of acceptance of their sacrifice by JEHOVAH. It always became a momentous occasion that every worshipper seriously looked forward to before they could leave the Temple grounds. It was hence totally unthinkable that the central article of *power* upon which GOD’s Presence and *forgiveness* Dwelt, could be *embezzled*. Today, we watch on a daily

basis whether in the church or on Christian TV, the ruthless embezzlement of this very altar upon which the GLORY of the LORD and *forgiveness* resides. How much greater then is the sin of the current church and how much more serious will her judgment be? However, in this new covenant of the grace, genuine and holy Christians need not be anxious over the Presence of GOD leaving them, since the current visitation of the SHEKINAH will inevitably rub on the righteous elect. The forefeature of *salvation* from the corrupt children of the gospel of prosperity and their immoral behaviour will take place at rapture, when their wicked deeds will be too heavy to prompt a lift off.

SHEKINAH LEAVES SOLOMON’S TEMPLE

The Jerusalem Temple which had become the iconic house of The LORD in Israel, was left totally desolate when the SHEKINAH GLORY departed on at least two major historic occasions. And the result of such *desolation* was always and most consistently, a *vicious* destruction of the Temple. When the SHEKINAH departed from Solomon’s Temple, the eventual result was the cruel and painful demolition of the Temple by *vandalous* Nebuchadnezzar of Babylon.

The Glory of The LORD departed from over the threshold of the Temple and stopped above the Cherubim (Ezekiel 10:18).

Then the Cherubim with the wheels beside them spread their wings and

the Glory of the God of Israel was above them. The Glory of the LORD went up from within the city and stopped above the mountain east of it (Ezekiel 11:22-23).

When the SHEKINAH GLORY left the second Temple, it was in the days when our LORD Jesus walked Jerusalem, the eventual result was the shocking destruction and obliteration of the Temple.

Look, your house is left to you desolate (Matt. 23:38).

Jesus left the temple and was walking away when his disciples came up to him to call his attention to its buildings. “Do you see all these things?” he asked. “Truly I tell you, not one stone here will be left on another; every one will be thrown down.” (Matthew 24:1)

In the beginning during creation dark and forbidding were the conditins of the earth until on one gracious day, the LORD illuminated the earth with His SHEKINAH GLORY prior to the creation of the sun and the moon.

And God said, “Let there be light,” and there was light. God saw that the light was good, and he separated the light from the darkness. God called the light “day,” and the darkness he called “night.” And there was evening, and there was morning—the first day (Gen 1:3).

It is absolutely paramount to realize that before JEHOVAH the GOD of Heaven created the sun, He first unleashed His SHEKINAH GLORY upon the dark face of the earth in order to give it lumination. After which He then created the

sun and the moon in Genesis chapter 1 verse 16.

God made two great lights—the greater light to govern the day and the lesser light to govern the night. He also made the stars. God set them in the vault of the sky to give light on the earth, to govern the day and the night, and to separate light from darkness. And God saw that it was good. And there was evening, and there was morning—the fourth day (Gen 1:16-19).

When the LORD set out to craft the historic covenant with Abraham, He again did so through His SHEKINAH GLORY, except that his time THE GLORY appeared in the form of smoke and fire that blazed the sin.

When the sun had set and darkness had fallen, a smoking firepot with a blazing torch appeared and passed between the pieces (Genesis 15:17).

Likewise, when the moment dawn for Moses to receive the covenant that defined and mapped out Israel’s royal line, the LORD descended upon Mount Sinai with His SHEKINAH GLORY at the giving of that law (Ex. 19:18; Ex 23:16-18; Ex. 34:5-6).

When Moses went up on the mountain, the cloud covered it, and the glory of the LORD settled on Mount Sinai. For six days the cloud covered the mountain, and on the seventh day the LORD called to Moses from within the cloud. To the Israelites the glory of the LORD looked like a consuming fire on top of the mountain. Then Moses entered the cloud

as he went on up the mountain. And he stayed on the mountain forty days and forty nights. (Exodus 24:15-18).

Furthermore, even when only a few Israelites was longing to behold the unseen in the wilderness, the LORD still sent them the SHEKINAH OF HIS GLORY as a means of constant contact with them. The SHEKINAH GLORY in the wilderness served a very critical role of appraising Israel in her loneliest moment, to the fact that the LORD the GOD of Jacob their Father was indeed with them on this journey. It became a renourishing source of confort when the GLORY filled the Tabernable in the wilderness.

Then the cloud covered the tent of meeting, and the glory of the LORD filled the tabernacle (Exodus 40:34).

And of course we can never forget that during the inoguration and most celebrated dedication of Solomon, the Cloud of the SHEKINAH GLORY consumed the entire house of the LORD to the extetent that visiblity became a problem.

When the priests withdrew from the Holy Place, the cloud filled the temple of the LORD. And the priests could not perform their service because of the cloud, for the glory of the LORD filled his temple (1 Kings 8:10-11).

And The SHEKINAH GLORY eventually left Solomon’s Temple due to Israel’s sin. The LORD had already warned over the excessive indulgence into idol worship and how that form of defiled sacrifice

had gone viral among the worshippers in Israel. Since they had set up for themselves idols inside the Lord’s Temple, JEHOVAH Himself vowed to depart from His Own House (Ez 10:4; Ez 10:18-19; Ez 11:22-23).

And there before me was the glory of the God of Israel, as in the vision I had seen in the plain. Then he said to me, “Son of man, look toward the north.” So I looked, and in the entrance north of the gate of the altar I saw this idol of jealousy. And he said to me, “Son of man, do you see what they are doing—the utterly detestable things the Israelites are doing here, things that will drive me far from my sanctuary? But you will see things that are even more detestable.” (Eze. 8:4-6).

Following the departure of the SHEKINAH, the Temple of the LORD was left virtually unprotected hence making it vulnerable to a very serious assault by the enemy. This is what has happened in the present-day body of Christ. Following such an unceremonious departure of the SHEKINAH from the House, the Lord then promised the return of SHEKINAH GLORY to the House which was accurately fulfilled. This happened in the form of the incaranation of the Messiah when the LORD Jesus walked right into the desolate Temple.

I tell you that something greater than the temple is here. (Matt 12:6)

Jesus entered the temple courts and drove out all who were buying and selling there. He

overturned the tables of the money changers and the benches of those selling doves (Matt 21:12)

It bespeaks the significant role that the SHEKINAH GLORY was from time immemorial designed to accomplish i.e. to purge the sin off the House. By purging the sin off the House, The SHEKINAH GLORY essentially cleans out the desolation in the sanctuary, thereby replacing it with an unstoppable revival (John 1:14).

So he made a whip out of cords, and drove all from the temple courts, both sheep and cattle; he scattered the coins of the money changers and overturned their tables (John 2:15).

However, when the LORD Jesus left the Temple He departed with the SHEKINAH GLORY again, causing the Temple to remain unprotected again in a shocking scenario that led to the final assault todote. As a monument to that departure of the SHEKINAH today an islamic rock of the dome stands at the very sight that was once occupied by the glorious House of The LORD (Matthew 24:2; Luke 13:35; Luke 21:6).

“Jerusalem, Jerusalem, you who kill the prophets and stone those sent to you, how often I have longed to gather your children together, as a hen gathers her chicks under her wings, and you were not willing. Look, your house is left to you desolate. For I tell you, you will not see me again until you say, ‘Blessed is he who comes in the name of the Lord.’” (Matthew 23:37-39).

This really left the temple seriously unprotected. After completing his mission here on the earth, the LORD Jesus appeared to His disciples and led them to the Mount of Olives. This became the iconic moment that crowned the Mount of Olives as a spiritual monument that configured the departure and the future arrival of the SHEKINAH GLORY of the LORD. The Mount of Olives is clearly defined and positioned in biblical prophecy.

On that day his feet will stand on the Mount of Olives, east of Jerusalem, and the Mount of Olives will be split in two from east to west, forming a great valley, with half of the mountain moving north and half moving south (Zechariah 14:4).

In the chronology leading to the departure of the GLORY, the LORD led a handful of His disciples out, and away as far as possible from Jerusalem, to a place called Bethany, on the Mount of Olives. After blessing His disciples on this Mountain, the SHEKINAH GLORY of the LORD appeared in the form of a Cloud and lifted Him off the ground, as they sorrowfully sobbed over His departure. The Cloud of the SHEKINAH that lifted the LORD took Him as far away from the earth, until heaven opened and the same Cloud covered Him into heaven. Moreover, given that He was the living *personification* of the SHEKINAH GLORY of the LORD, then this departure indeed was the landmark lifting of GOD’S Glory from the earth. It marked a very sad moment especially that He finally left Jerusalem after He had been bitterly rejected

by the very people He had come to save (Luke 24 :50-51 Acts 1:1 Acts 9:1). Ever since then, a darker era in the long Ichabod dispensation, has consumed Israel todote. Saddest of it all is that now the islamic dome of the rock now occupies the same spot at which the SHEKINAH GLORY of teh Lord used to descend insie the Temple of the LORD. And to add melanchony onto the and already sad situation, the worshipping of Jehovah has been indeed replaced by idol worship at that very spot. If there was a better way to define Ichabod, the GLORY has departed, then this is it. It is from this very mountain which is east of Jerusalem, that the Prophet Ezekiel also saw the Glory of JEHOVAH finally taking its most depressing departure.

Now the glory of the God of Israel went up from above the cherubim, where it had been, and moved to the threshold of the temple. Then the LORD called to the man clothed in linen who had the writing kit at his side and said to him, “Go throughout the city of Jerusalem and put a mark on the foreheads of those who grieve and lament over all the detestable things that are done in it.” (Eze. 9:3-5).

Out of that unceremonious departure of the LORD, came an assuring prophesy on the latter glory. This happened when two heavenly envoys suddenly appeared in the midst of the grieving disciples, and pronounced unto them these words,

“Men of Galilee,” they said, “why do you stand here looking into the sky?

This same Jesus, who has been taken from you into heaven, will come back in the same way you have seen him go into heaven.” (Acts 1:10-11).

This same mountain on which He once bitterly shed his tears of sorrow over Jerusalem and humanity, the same slopes which witnessed His agony and bloody sweat, both at the garden and on the Cross; shall be one day the first also to witness his manifestation in glory and the splendour and power and authority that His blessed feet will behold upon the earth. Those feet which in the days of His flesh walked verily fatigued over this mountain, on the way to Bethany; shall in THAT DAY, behold the earth and mountain with triumph and majesty and earthquake.

Transfiguration

However, we can never fail to mention the humongous SHEKINAH GLORY that descended on the Mount of transfiguration at the most defining moment in the building of the Calvary sacrifice. At that visitation of the SHEKINAH, the two mighty envoys of GOD The Father descended from heaven together with the SHEKINAH GLORY that provided the ample environment for that most sacred conversation. At that discourse, the emissaries appeared to bring it to the LORD that He was indeed the Lamb of the sacrifice and that the entire heaven was awaiting His ascent to the Cross in order to deal a final blow to satan (Matt 17:2; Mark 9:2; Luke 9:29).

His Shekinah Glory of Descends, Beams & Remains on His Servant

Revival January 1, 2013

AUGUST 9, 2012 PROPHECY

The LORD Spoke to me about the meeting that was coming up in Kakamega. The LORD Spoke that it was going to be a very very Mighty historic meeting. THE LORD Showed me a lot of cripples getting up and wal, the Blind eyes opening, the deaf ears popping opening, the mute speak, paralytics walking, the lame walking, the spinal cord injuries healed, broken hips healed, broken knees healed, broken ankles healed, broken necks and broken skulls healed and the LORD fuses broken bones and at the same time, I saw bleeding diseases stop, tumours dissolving, cancers disappear from the blood and from the system, diabetes, leukemia, and the LORD take away death from the blood. In that revival meeting of Kakamega I also see instant drying up of very severe wounds, babies walking for the first time, babies born blind are healed and their eyes open, deaf ears pop open and the particular healing that the LORD highlighted to me about was the stretching of a shrivelled hand. I see the fingers stretching

and becoming normal. The LORD is going to create new fingers and bring a Miracle of Creation in that meeting of Kakamega, and create a hand. Blessed is the nation that is visited at this hour when the Messiah is preparing to come. The hour of Purification in the church. The LORD is bringing purification in this land with aa lot of love by bringin massive healing to assert HIS authority, Supremacy and Majesty over the church. HE is bringing joy unspeakable in the church. He is making salvation sweeter and nicer. He is exalting the church, elevating the church and renovating the image of the church right now. Blessed in the nation that the LORD visits in this final days, because we know that in every visitatin of the LORD, there is a purification of the church. There is the re-orientation of the church. The LORD is going to coming to visit the land is tremendous historic Glory. May those who have ears prepare in rightoesnes for the coming of the Messiah. May you be able to perceive that these things are happening that the church may prepare for the coming of the Messiah. Shalom.

There he was transfigured before them. His face shone like the sun, and his clothes became as white as the light. Just then there appeared before them Moses and Elijah, talking with Jesus (Matt 17:2-3).

Paul's visitation

Neither can we underrate that electric moment at which Saul of Tarsus was truck by the mighty SHEKINAH GLORY of the LORD in an episode that totally transformed him from the persecutor of the LORD, into Paul the great crusader of the gospel of Christ (Act 9:3; Acts 22:11; Acts 26:13; 1 Tim 6:16).

As he neared Damascus on his journey, suddenly a light from heaven flashed around him. He fell to the ground and heard a voice say to him, "Saul, Saul, why do you persecute me?" "Who are you, Lord?" Saul asked. "I am Jesus, whom you are persecuting," he replied. "Now get up and go into the city, and you will be told what you must do."

The men traveling with Saul stood there speechless; they heard the sound but did not see anyone. Saul got up from the ground, but when he opened his eyes he could see nothing. So they led him by the hand into Damascus. For three days he was blind, and did not eat or drink anything. In Damascus there was a disciple named Ananias. The Lord called to him in a vision, "Ananias!" "Yes, Lord," he answered. The Lord told him, "Go to the house of Judas on Straight Street and ask for a man from Tarsus named Saul, for he is praying. In a vision he has seen a man

named Ananias come and place his hands on him to restore his sight." "Lord," Ananias answered, "I have heard many reports about this man and all the harm he has done to your holy people in Jerusalem. And he has come here with authority from the chief priests to arrest all who call on your name." But the Lord said to Ananias, "Go! This man is my chosen instrument to proclaim my name to the Gentiles and their kings and to the people of Israel (Acts 9:3-15).

UPCOMING ROLE OF SHEKINAH IN RAPTURE:

However, in the book of Haggai 2; 6-10, Joel 2:28-34, The Lord promised to release the latter SHEKINAH GLORY with greater anointing, power, and authority in order to prepare the church of Christ for the coming of the Messiah.

INTRODUCTION

The most revered Shekinah Glory of The LORD GOD is the majestic presence and visible manifestation of GOD in which He descends to dwell among men. This rare most privileged spiritual occurrence only becomes evident when the invisible GOD of Heaven permits Himself to be visible to a beloved select, and hence causing His heavenly Presence to localize in real time. The term SHEKINAH Glory as commonly used, indeed describes the visible manifestation of GOD's Holy Presence and Glory, and usually in the form of a dreadful Cloud. SHEKINAH Glory is also commonly referred to as the Presence of GOD on earth or a symbol or manifestation of His Presence to humanity. The panoramic view of Israel when she walked the path of obedience to GOD's Word, is none other than the spectacular radiance of the SHEKINAH Glory that regularly visited the Temple in Jerusalem. And hence going by this context, the Cloud of GOD's SHEKINAH Glory then denotes the dwelling or settling of the divine Presence

of GOD, and especially in His Temple. Such a Temple is today represented by the church, a congregation of believers, and their *sacrosanct* hearts. In the days of old, whenever the SHEKINAH Cloud of GOD's Glory descended into the inner chambers of the Temple in Jerusalem, traces of GOD's hidden treasures were often revealed to Israel in the trappings of that visitation. Such treasures included the unveiling of GOD's unshakable love for Israel as a covenant people whose GOD is JEHOVAH. It is this state of being GOD's chosen people that bestowed upon Israel the covenant blessings of heaven and the undeniable acceptability before GOD's Throne. Considering now that the SHEKINAH visitation of the Cloud in the Jerusalem Temple was exclusively a registration of GOD's acceptance of their sacrifice, then one can clearly see that the SHEKINAH visitation of the LORD is indeed neatly tied to the *righteous* worship of His elect. In our time too, this tremendous visitation of GOD's SHEKINAH Glory must invariably be a pointer to the sacrifice of *worship*. Yet we should not lose courage to point out that when the mighty Cloud of GOD descended upon the Moi Stadium in Kisumu, it was at the height of a major *repentance* meeting at which the Man of GOD The Prophet had proclaimed the need to observe a holy living in preparation for the glorious visitation at *rapture*. The Shekinah visitation of this hour therefore, demands the attention of the hearts of men as the spiritual temple of

visitation. Consequently, The Shekinah Glory is referenced through out the Bible to refer to GOD's nearness to the elect, and often used to speak of the Presence of GOD ALMIGHTY Himself at a given place and time. When the LORD offered to Christ the kingdoms of this world, and the Glory thereof, He was indeed engaged in a proposition that Christ should yield us to the realm of JEHOVAH's kingship and dominion. It is for that reason that all the *glory* and *honour* of man was apportioned unto He that seats on the Throne in Heaven. For this reason, the Glory of the LORD then underpins the *adoration*, *praise* and *thanksgiving* offered in worship from the hearts of men towards the LORD our GOD. By executing this kind of *unwavering* allegiance, mankind was then able to acknowledge GOD's sovereignty over his life. In this circumstance, GOD is then able to emerge victor in the life of mankind, and hence unveil His true character to creation. The height of such revelation accrues when the *Omnipotent* Creator of all the universe then decides to descend the *formidable* Cloud of His Glory. *Unyielding* mankind is then inevitably *obliged* to concede their position and appreciate the majestic beauty, splendour and *resplendence* that GOD's Presence in this Cloud blazes into the life of the church. Such was the illumination that was shone upon the life of Israel when she roamed around the wilderness, as this same Cloud of GOD'S Glory lit her path by day and night. It is this very Cloud of GOD'S Glory that

later appeared again in the Jerusalem Temple as a sign of approval and acceptance upon every sacrifice of worship that Israel offered. The effect is that such a visitation consequently became responsible for the superior place that Israel shines before the nations of the earth, be it financially, militarily, academically, or otherwise. Consequently, in the church too, the LORD intends that such a monumental visitation of the December 31st, 2012 Cloud, be for purposes of giving the body of Christ an edge over all the heathen nations combined. GOD's glory then defines the splendour and bliss of heaven, perfect happiness and the height of achievement by the church. Like it was with the House of Jacob, so does this glory denote an identity of covenant with the LORD. Triumphant rejoice and unrelenting exultation that befall the elect in whose midst the glorious Cloud descends, is the key factor that allures the hearts of men with abundant hope that indeed their GOD liveth, and hence He is able to wrought for them into the kingdom of GOD. The December 31st Cloud of GOD's visitation at the Kisumu revival for that matter becomes the major pronouncement of exultation, praise, honour, that is accorded GOD Almighty as a general consent to His Glory for Who He is. It is the pomp, radiant beauty, bliss of heaven and the splendour of our King's Reign revealed to the mankind. By permitting the descent of this enormous Cloud, this became GOD's interjection into man's routines in order to express

pleasure unto *righteousness*. From time immemorial, the message canvassed within the Cloud of GOD's Glory, has always been ascribed to His renowned *fame* and *admiration*, both of which are geared towards eliciting *adoring praises* and worshipful *thanksgiving* among the elect.

IMPORTANCE OF SHEKINAH GLORY OF THE LORD

It is extremely tragic that the majority of christian believers have very little and low understanding of what the Shekinah Glory of JEHOVAH GOD is, let alone appreciating the prophetic significance of this *untouchable* manifestation of GOD. The Hebrew word SHEKINAH means *caused to dwell* implying that in Israel, it was the divine visitation of the *dwelling* of YAHWEH GOD on this earth. In order to behold the understanding of this inexpressible physical manifestations of our God, it is important to explore what the bible says about this valued visitation.

When Moses went up on the mountain, the cloud covered it, and the glory of the Lord settled on Mount Sinai. For six days the cloud covered the mountain, and on the seventh day the Lord called to Moses from within the cloud. To the Israelites the glory of the Lord looked like a consuming fire on top of the mountain. Then Moses entered the cloud as he went on up the mountain. And he stayed on the mountain forty

days and forty nights (Exodus 24:15-18).

In effect, the revival of the Cloud of the LORD's Shekinah Glory signifies the advent of a new and an important era in the life of mankind. For that reason, when the time came for JEHOVAH to Speak to His people, Israel, He had to summon Moses to ascend up the mountain at which place the thick Cloud of His Glory had descended. That portends two most important aspects of the SHEKINAH Glory; one being that it summons our *separation* from not only the ordinary but also the world. Secondly, it definitely alludes to the fact that inside the Cloud, is a divine revered, holy Presence of JEHOVAH Himself. With firm yet gentle authority, The LORD is using this SHEKINAH revival to call upon the church to observe *separateness* in order to access His Sanctified Holy Presence. For instance, when the Cloud came to baptize Israel in the wilderness, it essentially descended no where else other than the Tabernacle, of worship hence re-naming it the *dwelling place* of He who dwells in His SHEKINAH. Darkness had consumed the lifestyle of Israel and their hope had dwindled. However, in His rescue plan, the very atmosphere of His Shekinah was holy and awe-inspiring. This is how the Shekinah visitation rekindled the hope of Israel by diminishing the darkness that had threatened to maroon the whole nation. Thus, one of the prominent images associated with the SHEKINAH is that of *light*. No wonder, the bible highlights among other things

the stunning radiance with which the Shekinah visitation illuminates the dark world.

And I saw the glory of the God of Israel coming from the east. His voice was like the roar of rushing waters, and the land was radiant with his glory (Ezekiel 43:2).

The same can be said about the current Shekinah visitation in today's church considering that it is the dark hearts of men that this Cloud revival came to illuminate with the wonderful light of JEHOVAH. On his own, mankind must often *tread* the path of darkness and bear the burdens of the sorrows of this dark world. However, upon the visitation of JEHOVAH, The LORD always bestows His Glory on the life of man, and accepts the weaknesses of humanity in a process that involves the crafting of a redemption plan. Traditionally, such a place that must always rest on the LORD's Glory. For that reason, whenever the SHEKINAH Cloud of the LORD visits, humanity must always learn to remain steadfast onto its trappings. This is because the salvation of the fallen race is always worked out through the same Glory. In this way, JEHOVAH uses His SHEKINAH Glory as a conduit for transmitting His covenant and hence reaching out His hand to grasp the life of feeble man. The central theme of the SHEKINAH visitation hence becomes the illumination of God's light into the lives of a desperate generation. A case in time is when Israel was hopeless and the LORD summoned Moses to the mountain of His Cloud in order to not only renew

their hope, but also give a new direction to their pursuit for a homeland.

When Moses came down from Mount Sinai with the two tablets of the covenant law in his hands, he was not aware that his face was radiant because he had spoken with the Lord. 30 When Aaron and all the Israelites saw Moses, his face was radiant, and they were afraid to come near him. 31 But Moses called to them; so Aaron and all the leaders of the community came back to him, and he spoke to them. 32 Afterward all the Israelites came near him, and he gave them all the commands the Lord had given him on Mount Sinai. When Moses finished speaking to them, he put a veil over his face. 34 But whenever he entered the Lord's presence to speak with him, he removed the veil until he came out. And when he came out and told the Israelites what he had been commanded, 35 they saw that his face was radiant. Then Moses would put the veil back over his face until he went in to speak with the Lord (Exodus 34:29-35).

The SHEKINAH Glory of The LORD serves as an important intermediary between GOD Almighty and mankind, therefore offering an intimate relationship between the Creator and man. During such a sacred prophetic experience, the Shekinah offers a divine intermediary that sometimes takes on the human form, for the LORD to physically visit His people in real time and space. Thus when Moses asked to see the Glory of GOD, he

was shown the SHEKINAH. Equally, when the Prophets of old saw GOD in human likeness, it is the SHEKINAH that presented. The covenant that Moses took from the SHEKINAH Glory essentially redefined the subsequent relationship that Israel would have with the LORD from that day on. The *radiance* upon his face was to become the true *attestation* that the SHEKINAH revival had indeed taken place in the midst of the Israelites. And that the *covenant* that was now being put in place was unquestionably a glorious *treaty*. All these events greatly foretold of the coming Messiah, and that the approval of the Father would rest on Him, as the Glory of GOD would encircle Him. Coupled with the lighting of God's Shekinah on the Messiah, the voice from heaven would also be heard in recognition of the token which GOD had long promised to mankind. More importantly then, the Shekinah revival of the LORD became the door through which the redemption of mankind from the decay of sin and death, was executed. As for Moses, the need to affirm to the Israelites that this covenant was assuredly from the LORD, undoubtedly rested with the LORD JEHOVAH Himself. It is for that reason that the glory upon the face of Moses became the true affirmation that Israel had now experience a Shekinah visitation. The Messiah too at baptism, would ensure that the world recognize that He is indeed the Redeemer that had been long awaited, in order to fulfil the biblical scripture,

~~As the Glory permanently struck the face of Moses, The Shekinah visitation essentially reminisced the Holy Spirit of the LORD that would rest upon the face of the church, and with an outstretched hand point at Christ as Redeemer.~~ And likewise, the bible promised a latter glory that would visit the church in these last days, and that through the radiance of that latter Shekinah upon the church, many lost souls would eventually discover the awesome salvation of the Blood of Jesus.

PROPHECY

...of biblical proportion, nothing had ever crossed the mind of the church that this December 31st New Year's Eve revival meeting would be that moment at which GOD would interpose to deliver the church from a *tenacious* spiritual thirst.

It were as though this watershed moment became the long-enduring testing of the church's fidelity unto The LORD. Such a tenuous awaiting had earlier been foretold by the scriptures at

the fore sighting of the latter glory.

27 "But will God really dwell on earth? The heavens, even the highest heaven, cannot contain you. How much less this temple I have built! I Kings 8:27

And when he mentioned the ark of God, Eli fell off the seat backward by the side of the gate. His neck was broken and he died, for he was an old man and heavy. He had judged Israel forty years (1 Samuel 4:18).

The Cloud Above the Tabernacle

On the day the tabernacle, the tent of the covenant law, was set up, the cloud covered it. From evening till morning the cloud above the tabernacle looked like fire. That is how it continued to be; the cloud covered it, and at night it looked like fire. Whenever the cloud lifted from above the tent, the Israelites set out; wherever the cloud settled, the Israelites encamped. At the Lord's command the Israelites set out, and at his command they encamped. As long as the cloud stayed over the tabernacle, they remained in camp. 19 When the cloud remained over the tabernacle a long time, the Israelites obeyed the Lord's order and did not set out. 20 Sometimes the cloud was over the tabernacle only a few days; at the Lord's command they would encamp, and then at his command they would set out. 21 Sometimes the cloud stayed only

from evening till morning, and when it lifted in the morning, they set out. Whether by day or by night, whenever the cloud lifted, they set out. 22 Whether the cloud stayed over the tabernacle for two days or a month or a year, the Israelites would remain in camp and not set out; but when it lifted, they would set out. 23 At the Lord's command they encamped, and at the Lord's command they set out. They obeyed the Lord's order, in accordance with his command through Moses (Numbers 9:15-23).

MOMBASA CHURCH SERVICE MESSAGE

REVELATION Message to the church

After leaving Sukkoth they camped at Etham on the edge of the desert. By day the Lord went ahead of them in a pillar of cloud to guide them on their way and by night in a pillar of fire to give them light, so that they could travel by day or night. Neither the pillar of cloud by day nor the pillar of fire by night left its place in front of the people. (Exodus 13:20-22).

When it was finally time for the LORD to remove the Israelites from slavery, the time when their cry had reached GOD that He may decide that He would deliver these people, then that was when JEHOVAH raised for them a pillar. The LORD had

seen their cry and He had seen their pain, their slavery, their tribulation, their anxiety, their fear, their depression, their suffering in deep pain and when they cried to Him when they remembered the Name of their Father, Jacob. It was at that time when they remembered the GOD of Jacob who lives in heaven and He listens. So they know that they are justified to cry to Him. And when they cried, The GOD of Jacob heard and saw them crying and He saw how much they had suffered. And the GOD of Jacob said, "Enough is Enough" and it was at that time when He raised them a Cloud.

The LORD does not just bring the Cloud, until the time to set the people free. In the present day church, the people are made to shell out a significant amount of money for prayers to get healing, for deliverance, for marriage to be sustained, to keep the job, and to get babies in marriage. Some Pastors have even fallen into sexual sin with the sheep. And you even know that this is not of the LORD. Right now in the church, there is no time for all these things. In this place, The LORD is preparing a heavenly Bride, a holy church, that when all is said and done, then you may now enter. But when the LORD looked at Israel and He saw the pain of her travail. In other words, The LORD is saying that for Him to send The Cloud of His Glory, essentially He is saying, "Enough is enough". Meaning freedom has come, deliverance has come, Salvation has arrived, the kingdom has come.

In other words The LORD

is saying that when the Cloud comes, whether by day nor by night did the Cloud leave His people. The nation of Israel was in great anticipation. They were waiting for a messenger that would come to Israel, as was promised by the bible. And later, the LORD Speaks to my Predecessor in a mighty vision, that the One whom you see the Cloud will descend and remain, that is HE. When the LORD Spoke to my Predecessor, The LORD told him in John chapter 2 and verse 32 that;

Then John gave this testimony: "I saw the Spirit come down from heaven as a dove and remain on him. And I myself did not know him, but the one who sent me to baptize with water told me, 'The man on whom you see the Spirit come down and remain is the one who will baptize with the Holy Spirit.' (John 2:32).

This means that the Glory will descend and remain. That is why when they were on the journey from Succoth, then the Cloud was raise. And when the Glory was raised on that journey on the Promised Land, as long as the Glory descend it remained there. In the same way, as long as we have not entered, the Glory remains here to stay. The present church of Christ has been conned off a lot of money, you have been 'sowed a lot seed' but when the LORD sends me here, to start talking about the Glory, the LORD is essentially saying, "Enough is enough". When I come, I know that the LORD is destroying the false altars of

Baal. They must go down. You have been swindled enough times, but the LORD now is going to be shepherd. The bible says that when the Cloud came, He did not leave them, neither by day nor by night. And the Cloud always went ahead of them. The shepherd always walked in front and the sheep follow. In the same manner, the Cloud was always ahead, to show them which way to go, because they had never been this way before. Even the church, you have never been on this way before, and only the LORD now can shepherd you, and guide you and lead you on this road. This means that the LORD Himself will now shepherd the sheep.

At once the Lord said to Moses, Aaron and Miriam, "Come out to the tent of meeting, all three of you." So the three of them went out. Then the Lord came down in a pillar of cloud; he stood at the entrance to the tent and summoned Aaron and Miriam. When the two of them stepped forward, he said, "Listen to my words: "When there is a prophet among you. I, the Lord, reveal myself to them in visions, I speak to them in dreams (Number 12:4-6).

Everything was happening as usual and then a little tumult began. And then they began to bring problems, The LORD heard them, they were murmuring, groaning and mooring. And then The LORD commanded them all to step out of the tent. And when they all stepped out of the tent, the Cloud came. The LORD Said, "Enough is enough". And when the Cloud appeared, then JEHOVAH Said from the

Pillar of Cloud,"Listen to my words.." Which means that JEHOVAH brings the Pillar of Cloud and that He Speaks from the Pillar of His Cloud signifying that when He came down in His Cloud in Kisumu, He spoke to the church. When the Glory comes, everything else is put aside. The Glory becomes the most important focus. In this conversation, when the Pillar of the Cloud came down also to speak strong words indicating that when the Pillar of GOD's Glory comes down, He cannot stand sin.

So Moses went out and told the people what the Lord had said. He brought together seventy of their elders and had them stand around the tent. Then the Lord came down in the cloud and spoke with him, and he took some of the power of the Spirit that was on him and put it on the seventy elders. When the Spirit rested on them, they prophesied—but did not do so again (Number 11:24-25).

When The LORD wanted to Speak to the seventy elders, He asked Moses to gather them and the Pillar of the Cloud of The LORD came down. And the Pillar of Cloud anointed them with the Spirit of the LORD, and when they were touched, they began to prophesy. Incidentally, there were two other elders that were left in the camp and they also began to prophesy there and then they stopped and did not prophesy again. In that conversation, when the Cloud came down, He brought the Grace of GOD on them and they were now

able to receive the Spirit and begin to prophesy. For those of you that are studying the calendar of GOD, you may begin to wonder if this was another Pentecost and asking whether this could be the beginning of the dispensation of the Grace. When the Pillar of the Cloud of GOD comes down, He poured His Grace on the seventy elders. We are aware that we are living in the dispensation of Grace and the LORD poured His Grace here too. When the rest heard the elders prophesying under the Spirit, they had no doubt that they came from the LORD. In other words, The LORD is saying that when the Pillar of Cloud came down and brought the Grace on them, The LORD ratified the spiritual credentials of the elders. This was at a time there was a crisis of identity in the camp, a crisis of credentials and the people began to moot at the elders that they did not want the elders. And then The LORD came and established the credentials of the elders. And now, when I look at what the church has been going through is a crisis of identity, a crisis of credentials. And The Glory now has come to establish the credentials of the church.

Now when the non-christians see that the Glory has now come they begin to come back to the church. And they murmur that this message is too bitter because everytime when he opens his mouth, "Righteousness! Righteousness! Holiness! Holiness! Repentance! Repentance! Judgment! Judgment! They then say that as far as we are concerned, we are in the dispensation of the

grace. And yet all the time He is speaking about Judgment! Judgment! The Righteousness and the holiness that he is preaching, is too difficult to live like that. Only the LORD can live like that. But now when the Glory has come, they come also. The Glory establishes the credentials of the church, the credentials of the message and the credentials of the Servant. Actually right now one can go to practically anyone and preach the Gospel of the LORD Jesus of Nazareth and they tremble and receive the LORD, because only JEHOVAH visits in the Cloud of His Glory. Now everyone in the whole world want this message, they want this church and they want this visitation. The Glory comes in order to establish of the church. When The Glory of JEHOVAH comes in a Cloud, He actually comes with an overpowering presence. Power has come! Now He brings presence with power, the empowering power of The LORD. This power is bigger than political power, because politically power cannot redeem a man from the earth into the kingdom of GOD. Power that is greater than economic power. That is why you see the mightiest nations are now beginning to invite me to their countries and yet I am only a rural village preacher from Africa. But now when the Cloud has come down with power, establishing credentials, then everybody wants. This is because the empowering presence has come to you the church. Now you can go to anyone there in the streets and tell them that in our church, the Glory came

down. The Glory is here! The Glory is here! The Power is here!

Now Moses was tending the flock of Jethro his father-in-law, the priest of Midian, and he led the flock to the far side of the wilderness and came to Horeb, the mountain of GOD. There the angel of the LORD appeared to him in flames of fire from within a bush. Moses saw that though the bush was on fire it did not burn up. So Moses thought, "I will go over and see this strange sight—why the bush does not burn up."

When the Lord saw that he had gone over to look, God called to him from within the bush, "Moses! Moses!" And Moses said, "Here I am." "Do not come any closer," God said. "Take off your sandals, for the place where you are standing is holy ground." Then he said, "I am the God of your father, the God of Abraham, the God of Isaac and the God of Jacob." At this, Moses hid his face, because he was afraid to look at God. The Lord said, "I have indeed seen the misery of my people in Egypt. I have heard them crying out because of their slave drivers, and I am concerned about their suffering. So I have come down to rescue them from the hand of the Egyptians and to bring them up out of that land into a good and spacious land, a land flowing with milk and honey—the home of the Canaanites, Hittites, Amorites, Perizzites, Hivites and Jebusites. And now the cry of the Israelites has reached me, and I

have seen the way the Egyptians are oppressing them. So now, go. I am sending you to Pharaoh to bring my people the Israelites out of Egypt." (Exodus 3:1-10).

By day it was the Cloud, by night, it was the Pillar of fire. Then the LORD says, "I have come down here to now rescue my people'. Moses was tending the sheep, the flock of Jethro, his father in law, and then the LORD comes and says, ". . . I am sending you to tend my people. At that time Moses was taking care of the earthly wealth. In other words, he was the custodian on the earthly wealth, the wealth within the earthly realm. And when the Cloud came, there was change of focus, change of value and all of a sudden, " Moses! Moses! And Moses said, "Here I am." I am sending you to go to Pharaoh, and tell him to release my people that you may shepherd them into the wilderness to worship JEHOVAH. So when the Cloud comes, there is a system that the world had built and cemented it here and we were serving that system, living in that system, working in that system; but when the Cloud of the Glory comes and enters the house, then there is a change of value systems that hits you and you are instantly changed. Now you can see, tending the flock sheep and then changing and tending the flock of GOD. The church today are looking at the members of your church and counting how many they are, and when you see someone who looks wealthy, they are welcomed, given a good parking space and a front seat in the church; tending

the pockets of men! They are tending earthly wealth. But on December 31, 2012, When the Glory descended, everything changed in the house. Now the value has transformed. When I meet a certain pastor, he had low esteem though he loved the LORD. But after the Glory of GOD descended that pastor has changed. He is now rebuking sin. Those days when he saw a fat sheep, and he preached while tending them. But today, the Kingdom of GOD has suffered violence and the violent have come to take it by force. When the Glory comes, He essentially says, "Enough is enough!" The conmen have been at the churches here and looted you. They leave here with half-sack of money from a service.

GOD said. "Take off your sandals, for the place where you are standing is holy ground." So when the Cloud of the Glory comes down in a pillar, where He touches becomes holy ground. Behold, the house of the LORD has now become holy ground, take off your sandals. He brought forth a special announcement. Behold this house is now holy ground. That means that the sandal must be remove now. Removing sandals means that Humility, respect, Honour unto the LORD. The bible says that the LORD created the seventh day, and He called it Sabbath and the LORD decreed, Let it be holy" This essentially meant that this holiness that He is talking about, is not by any right, nor by nature but by His Divine Presence. Once you understand that, then you will Honour and respect that ground even higher. Now

you can see that The LORD did that out of His Grace. It was not that Kenya deserved anything.

A prophecy against Egypt:

See, the Lord rides on a swift cloud and is coming to Egypt. The idols of Egypt tremble before him, and the hearts of the Egyptians melt with fear Isaiah 19:1)

When the Glory came, It was the LORD Himself, riding on a swift Cloud. In retrospect, in the prophecy I said, " And The LORD Himself is now coming to visit the meeting."

Sing to God, sing in praise of his name, extol him who rides on the clouds; rejoice before him—his name is the Lord (Psalm 68:4)

The Lord wraps himself in light as with a garment; he stretches out the heavens like a tent and lays the beams of his upper chambers on their waters. He makes the clouds his chariot and rides on the wings of the wind. He makes winds his messengers, flames of fire his servants (Psalms 104:2-4).

That is the Glory that is visiting the church right now.

The Purpose

The man brought me back to the entrance to the temple, and I saw water coming out from under the threshold of the temple toward the east (for the temple faced east). The water was coming down

from under the south side of the temple, south of the altar. 2 He then brought me out through the north gate and led me around the outside to the outer gate facing east, and the water was trickling from the south side.

As the man went eastward with a measuring line in his hand, he measured off a thousand cubits and then led me through water that was ankle-deep. He measured off another thousand cubits and led me through water that was knee-deep. He measured off another thousand and led me through water that was up to the waist. He measured off another thousand, but now it was a river that I could not cross, because the water had risen and was deep enough to swim in—a river that no one could cross. He asked me, “Son of man, do you see this?” (Ezekiel 47:1-6). Here the LORD is talking about the last visitation, the latter anointing. That last visitation has one purpose. The biggest enemy in the house of JEHOVAH is you. This is because there is a constant battle between the body and the Spirit. The bible tells us the body is the Holy Temple of the LORD meaning the holy Tabernacle of the Holy Spirit. The presentation of the devil in you is the flesh, the sinful desires of the flesh. The devil also fights to inhabit the body. The perpetual conflict going on in you between the Spirit of the LORD and the enemy. And whosoever wins that battle is the one who takes you over. However, when the latter anointing comes, he will be able to finish the mortal flesh. He will bring it to fatality.

And that is what Jesus said, “Behold, I have overcome the world (John 16:33). Meaning I staged a battle and I won. He was talking about the life-giving Spirit of the LORD, that would come with that visitation of the Cloud. Coming from the upper chambers of JEHOVAH in heaven, He will bring the life-nurturing Spirit of the GOD, the healing Spirit of the LORD, He will bring the reviving Spirit that gives back life. Ezekiel was giving the underpinnings of the visitation of the LORD, The life-giving Spirit of the LORD, when He would come, He would over power the church.

They feast on the abundance of your house; you give them drink from your river of delights. For with you is the fountain of life; in your light we see light (Psalms 36:8-9).

The purpose of the visitation is that the church may now feast, the thirst is over, that she may feast on the abundance of the house. The bible says that they will feast on the fountain of the river because they are the beloved church and He has now opened a fountain for them. They can now go and drink for free. He is essentially saying that the reason that the church can now go and feast and drink, is because there must have been a serious thirst in the church. Some of you have been going church to church looking for a right church for you. Everytime you enter a church, they ask to have a little dance and praise in guitars and dancing dombolo and that breaks your heart

because they have cut worship. The only way that the church can feast in the abundance of the house is when there is the thirst.

“My people have committed two sins: They have forsaken me, the spring of living water, and have dug their own cisterns, broken cisterns that cannot hold water. Now why go to Egypt to drink water from the Nile? And why go to Assyria to drink water from the Euphrates? Your wickedness will punish you; your backsliding will rebuke you. Consider then and realize how evil and bitter it is for you when you forsake the Lord your God and have no awe of me,” declares the Lord, the Lord Almighty (Jeremiah 2:13).

Then I said, “Alas, Sovereign LORD! How completely you have deceived this people and Jerusalem by saying, ‘You will have peace,’ when the sword is at our throats!” At that time this people and Jerusalem will be told, “A scorching wind from the barren heights in the desert blows toward my people, but not to winnow or cleanse; a wind too strong for that comes from me. Now I pronounce my judgments against them.” Look! He advances like the clouds, his chariots come like a whirlwind, his horses are swifter than eagles. Woe to us! We are ruined! Jerusalem, wash the evil from your heart and be saved. How long will you harbour wicked thoughts? (Jeremiah 4:10-14)

“Come, all you who are thirsty, come to the waters; and you

who have no money, come, buy and eat! Come, buy wine and milk without money and without cost (Isaiah 55:1).

But your dead will live, LORD; their bodies will rise, let those who dwell in the dust wake up and shout for joy—your dew is like the dew of the morning; the earth will give birth to her dead. Go, my people, enter your rooms and shut the doors behind you; hide yourselves for a little while until his wrath has passed by. See, the LORD is coming out of his dwelling to punish the people of the earth for their sins. The earth will disclose the blood shed on it; the earth will conceal its slain no longer (Isaiah 26:19-21; Amos 8:11-12).

For instance, if you are very thirsty for some cold iced water, water with life and someone gives you warm water that has been stagnant. You feel terrible because you wanted to be quenched even by a cold soda. And that is what the LORD is saying to the church because the LORD opened for the church the fountain of cool water, the fountains of springs of living water, that when you drink your life will be refreshed. Then your life is being revived, rejuvenated. They have forsaken the LORD and turned away from the LORD and they have also forsaken the fountain of living water, and instead they have gotten for themselves, some cisterns with warm water which does not give any life. The LORD is saying that by drinking from that stagnant water in the church, the church is getting thirstier. But behold, Now

the Glory has visited, He will renew the church by breaking the rock and bringing back the fountain of cool drinking living water that bubbles up with life. Remember the Samaritan woman who came to fetch water at midday. Though we know that in the Hebrew culture, women go to fetch water in the morning when the water is cool. This is because when you dig a borehole, they normally dig until they reach the water table. When they reach the water table, they have to strike it. This is because there is living water flowing under that water table in the underground aquifer. This water gets there from the rain into surface of the earth and is percolated into the undergrounds aquifers. That water that is flowing, is flowing under pressure. There are rocks that are carbon-rich and their surfaces are charged. Some being positive and others negative. In the creation of those rocks, their formation is laid on top of each other. Meaning if water is going to go through them into the underground aquifers. That means that the water would have to go through until it gets to underground. In the process, these stones become a physical filter. If there are any particles in that water, These rock filter them out. By the time the water gets down, it is pure clean water. You just drink. It is flowing under pressure. The charged surfaces of the rocks, also act as chemical filters. The chemical filters will bind any chemicals that are in that water. If the chemical that is coming is positive charged and the rock is positive, the two

charges combine. In that way the chemical is bound. In that case also, they act as biological filters. That if the bacteria come onto the charged surface, these rocks filter them out. And hence the water in the underground aquifers, is fresh pure water that is flowing under pressure. That is why when you hit the water table, it normally the water gushes out and people drink it right away because you do not need to treat it. In the Hebrew culture, because that water flows under pressure, they call it living water because it has life. That is why when the Samaritan woman came to well at midday, the water is stagnant and water is not fresh anymore. That is why when the entire village has fetched water the water recedes and then at night the water fills slowly again. And because of the cool temperature underneath, then the water is normally cold and fresh in the morning hence why they go in the morning. Now she went in the middle of the day because she did not have a good testimony and the LORD speaking to her, indicated that he needed to pass through there, it was a must-need. She could not go when all the other women were coming to the well. So she came to fetch turbid water because she was desperate. Then The LORD Jesus purposed that He must pass here to meet this woman. And when He met the woman, it was as if He was asking her how much clean water are you getting. And He said, if only you had known He that speaks with you, you would have asked him to give you Living water and you would not have

thirsted ever and ever (John 4). The water of eternity. And the woman was puzzled because in that community, living waters can only be found in the underground water aquifers. And this man was asking her for a drink and He did not have something to lower down the well to fetch the water with to get to the living water. And yet He was saying that if you knew He that was taking to you, you would have asked him to give you Living water.

When the LORD brought this Glory of the Cloud, this is what the Glory of the Cloud does. In Isaiah 55, it is a call to return. Because they dug for themselves cisterns of dead water, stagnant water, water without life. And the LORD is saying return and come back and drink, the LORD has broken the rock here and the fountain of living water is now here. He is calling the church back and telling her that you can now come for free. Come back because the Glory has brought back the fountain of Living waters from the Throne of GOD. The river of life that flows behind the Throne of GOD in heaven in Rev 22 is flowing in the church because the Glory has fallen down here.

The Day of the Lord

“And afterward, I will pour out my Spirit on all people. Your sons and daughters will prophesy, your old men will dream dreams, your young men will see visions. Even on my servants, both men and women, I will pour out my Spirit in those days. I will show wonders in the heavens and

on the earth, blood and fire and billows of smoke. The sun will be turned to darkness and the moon to blood before the coming of the great and dreadful day of the LORD. And everyone who calls on the name of the LORD will be saved; for on Mount Zion and in Jerusalem there will be deliverance, as the LORD has said, even among the survivors whom the LORD calls. (Joel 2:28-32).

But your dead will live, LORD; their bodies will rise—let those who dwell in the dust wake up and shout for joy—

your dew is like the dew of the morning; the earth will give birth to her dead. Go, my people, enter your rooms and shut the doors behind you;

hide yourselves for a little while until his wrath has passed by. See, the LORD is coming out of his dwelling to punish the people of the earth for their sins. The earth will disclose the blood shed on it; the earth will conceal its slain no longer (Isaiah 26:19-21).

This Glory that this dew brings the river of GOD flowing into the church to quench the thirst of the church. And the only way they can shout for joy, is when that dew is long awaited. They take a saw and a hammer and a nail and make themselves a GOD that cannot speak hear or deliver. That is the level of desperation they get to. Corruption, deception, falsehood and the false apostles are finished after the Cloud of His Glory descended. Deception is finished in the House! Behold

the dispensation of the TRUTH. The lie of the devil cannot survive where there is truth. That is why the antichrist cannot come now unto the church has been taken away. Because when the church is experiencing such mighty visitation then you can be sure that the Word is here. That Word bring the Truth to the church and unto the nations. And where there is Truth, the falsehood cannot stand.

2 Thessalonians 2:3-7

You are the Holy tabernacle of the Holy Spirit. and that means that as long as the Holy church is still here, then you can be sure that the vessel, the Tabernacle of the Holy Spirit is still here and that means that the Holy Spirit is still here. And when the church is taken up into the rapture of the church, then the vessel of the Holy Spirit will be taken away. That means that the Holy Spirit will have no habitation again, will have been taken away. And the dispensation of the the Grace will have come to an end. And that is why when the church is taken away, that means that the Word will be taken away, which essentially means that the Truth will be taken away and then deception will thrive and the antichrist will come. however, in Revelation chapter 19 verses 6 to verse 9, He celebrates the wedding of the Lamb of GOD. But in Verse 11 onwards, He talks about the triumphant coming of the Messiah, and HE will slay he that has lied to people. by doing fake miracles, with the sword of HIS tongue (Revelation 19:6-9; Ezekiel 47).

That will be the final triumph of the Kingdom of the Holy Spirit. He says there there will come a river that will sweep everything in the direction of the current and the LORD will come to the sword and finally slay the antichrist. But for you the church, within this prophetic timeline, The LORD is talking to you about the book of I Corinthians 15:50-56.

Within the prophetic timeline, this is where you are now.

Prepare the way. The Messiah is coming. Turn away from sin and immorality

Go back to the House of the LORD, The House of Glory, the Holy Ground,

the house of Salvation. Time is Over.

When The LORD Wrote Across The Sky . . .

**PROPHECY OF DEEP REVELATION OF THE LORD
FROM HEAVEN GIVEN ON APRIL 6, 2013**

THE VISION

The LORD THE GOD OF HEAVEN JEHOVAH the Creator of Israel, JEHOVAH ELOHIM, JEHOVAH ADONAI, JEHOVAH ELYON, JEHOVAH HOSEENU, JEHOVAH SHALOM, JEHOVAH SABAOTH, JEHOVAH EL OLAM, JEHOVAH EL ROHI, JEHOVAH EL SHEDDAI Spoke to me about a very, very important event that is about to unveil unto the earth. And in this mighty conversation in this dream, as the LORD Spoke with me about what is about to befall the earth, HE showed me the entire sky above the earth, in this mighty mighty vision of the LORD, very mighty. I saw the dark blue sky all over the whole earth. The sky covered the whole earth. And all of a sudden, writings appeared across the ENTIRE earth, covering the whole earth. The whole sky covering the earth was written on by JEHOVAH EL ROHI. And the writings were in two forms. There were those typed in capital letters, and between them was the full text typed in small letters across the whole sky and all over the universe was typed on. This vision took place between 3:00pm-4:00pm on April 6, 2013.

The LORD JEHOVAH THE GOD OF HEAVEN HE showed me the sky twice, in two forms, then spoke with me about it. And then I fell asleep again and HE showed it to me again. In this mighty conversation, the LORD showed me the whole sky that covers the whole earth. And in this Deep Blue Sky, the LORD HE typed and wrote on the entire sky that covers the entire earth. And HE wrote in two texts, the first text is the bolder one in caption and then in between the caption HE wrote across the entire sky. When I looked at the writings, I was able to read the writings. The writing that the LORD wrote across the entire sky:

DEEP REVELATION FROM HEAVEN

And the LORD JEHOVAH made me know that very soon, any moment now, the sky will recede, and HE will open up heaven and that *Deep Revelation* from heaven will be *revealed* to the earth.

Daniel 11 and Daniel chapter 12 are very significant.

themselves make themselves white and be tried, smelted and refined, but the wicked shall do wickedly, and none of the wicked shall understand, but the teachers and those who are wise shall understand (Daniel 12:10).

May those who have ears listen to the words of the LORD. The Messiah is coming.

NATIONAL REPENTANCE 2013

Kenya was faced by a great challenge following the previous general election in 2007/2008. This is the year that thousands lost their lives in the post-election violence and hundreds of thousands displaced ending up in IDP camps. These skirmishes left a raw wound in the fabric of the society along tribal lines and the LORD continuously warned the nation of Kenya that only through a Nineveh-like Repentance, would violence be averted. And

since the recent political campaigns running up to the 2013 general elections, evidently showed signs that violence may rock the country, once again. There were clear indications that blood would be shed after the general election if Kenyans did not repent. Some key presidential candidates were repeatedly warned against making empty rhetoric and toxic talk in public because their supporters would translate this to mean that the tribes in question were at war.

TOTALLY BLIND SINCE BIRTH

BLIND EYES OPEN

To the amazement of all that came to witness this Landmark day in Kenya, right before the 2013 General Election, The LORD did a very extraordinary miracle in the eyes of 6 million plus people. This meeting was attended by dignitaries and representatives from different nations including the leadership on the country, on the day of National Repentance 2013. On this august day, a young 10 year-old boy born totally blind, had been brought

by his grandmother to partake of this memorable day of National Repentance. He had never seen since he was born. But on this broad sunny day, The LORD GOD Almighty opened his eyes and he was able to see for the first time in his life. It brought so much joy and he visibly expressed the new adventure of seeing. He could reach out for the

bottle of soda that the Prophet of The LORD was advancing to him. Indeed, The LORD revealed His Servant The Prophet to all on this

CRIPPLES GOT UP AND WALKED

This woman was carried to the Meeting of the LORD at Uhuru Park on a mattress. She had been bedridden for 4 years. But after the Man of GOD The Prophet pronounced the healing of everyone, she kicked the beddings and got up and walked alone to the Altar of The LORD.

TUMOUR LITERALLY FALLS OFF!

This 22yr-old woman from Oyugis, caused everyone to weep as she narrated her shocking healing testimony. She had a horrendous tumour that was growing down her private parts. She had even contemplated suicide after her husband rejected her and remarried. But come this Mighty day of her visitation, immediately The Prophet of The LORD entered the grounds & declared, "Everyone receive your healing now!" she immediately felt like going to relieve herself and she went to the restroom. To her shock the humongous tumour dropped off! As she gave her testimony, she could not stop Thanking The LORD for remembering her. Surely The LORD Glorified Himself.

BRAIN TUMOUR INSTANTLY DISSOLVES

This precious boy Enan, was brought to the meeting of the LORD in a very critical condition. He had a very big tumour on his brain, that was pressing on the cranial nerve. He could not even recognize his father. The doctors had surrendered and concluded that the boy was definitely going to die, because the tumour was very extensive. He would have 6-hours continuous convulsions in a day. It affected his locomotion, and could not even lift his left hand because it had become paralyzed. However, as the Man of GOD The Prophet entered the grounds, He shared that The LORD has spoken to Him in a live vision, about a boy who was going to be healed and He could see the boy lifting up his left hand. And sure enough, as soon as The Prophet Of The LORD declared that "Now receive your healing..." Baby Enan indeed received his healing. He was immediately able to recognize his father and could now lift up his left hand. Glory be to GOD Almighty!

TUMOUR INSTANTLY DISSOLVES

This man from Narok, had many tumours in his kidneys. He had been to many hospitals and the doctors had scheduled surgery. However, when The Prophet Of The LORD stepped at Uhuru Park Grounds, the tumours instantly dissolved! He was very shocked when he examined himself, he realized that the tumours were no more. What a Mighty GOD JEHOVAH is!

Rebecca Namulembo from Kiminini had a massive tumour in her stomach. The tumour was the size of a baby's head, and with fluid inside the mass and the doctors had scheduled a major operation on 11th March 2013. When the Prophet of the LORD declared that all tumours dissolve, at once, she was touched and began to tremble all over and the tumour burst! On checking her stomach, the mass had disappeared. The LORD is Mighty!

MENTALLY ILL RESTORED

Dismus Kipsang became mentally disturbed 10 years ago. The Family brought him but had tied a handkerchief with his name on it in case he got lost. After the Prophet of the LORD entered the field, Dismus, for the first time he had the mind to go to the restroom. Before he would mess himself. Furthermore, when he returned from the restroom, he was able to recognize his mother and even the people that they had come with. Everyone was stunned

...and they brought him all the sick, those afflicted with various diseases and pains, those oppressed by demons, epileptics, and paralytics, and he healed them.

PARALYSIS HEALED

This old man had suffered a severe bout of Stroke and was hence incapacitated since 2011. He was brought on crutches to the Meeting of the LORD at Uhuru Park, and the LORD remembered him on this day. The LORD restored strength back on his legs and to the shock of his family and friends, after the Prophet Of The LORD declared healing for all, This man got up, abandoned his crutches and began to walk to the Altar of the LORD.

Upcoming Israel-Iran Nuclear War

Major Prophetic Landmark Of This Age

As was in GOD’s Temple in Jerusalem when the morning and evening sacrifice, indeed daily pointed to the Lamb of GOD, yet even there was no preparation to receive Him; so it is today when every global unfolding has indeed pointed towards the return of the Messiah, and yet here too, no meaningful preparation has been put in place to behold His Day. The LORD Jesus, in His final submission regarding the events that would roll out in the days prior to His return, did mention among other

things, monumental wars and rumours of war. You will hear of wars and rumors of wars, but see to it that you are not alarmed. Such things must happen, but the end is still to come (Matt 24:6) The more the entire world gets engrossed and nestled-in over Iran’s contraversional nuclear program, the more the fear continues to grip the nations as to whether this crisis could indeed culminate into the worst conflict ever witnessed on the face of the earth.

Deals are being brokered, while on the contrary, the Voice of the LORD is sternly and continuously updating GOD’s elect on the unfoldings of the events surrounding the Middle East. Global top negotiators are spearheading diplomatic efforts to persuade errant Iran to rein in its nuclear program, albeit the fact that a series of increasingly harsh economic sanctions are being imposed by European nations and the United States. These events are as a result of the Prophecy of the four apocalyptic horsemen that have left their squelch in all the four corners of the earth that they have trodded. To encapsulate the triumphs of how much the Rider of the Pale Horse has scored, it is suffice to understand that the victories began ever since the LORD spoke with me that He was coming, in a tremendous vision of July 29,

The Pale Horse of the Apocalypse was spotted by all global media in Egypt

2009. The LORD has since then taken me across the different nations of the earth, including Norway, South Korea, Venezuela, India, Chile, Sweden, France, Australia, Kenya to mention; to speak about the coming of the Rider of the Pale Horse (posted on www.repentandpreparetheway.org). That prophecy was finally fulfilled in the beginning of February 2011. But ever since the release of the Rider of the Pale Horse, this valiant horseman has taken his rounds across the earth. In previous publications, I described indepth this horseman’s deathly facial appearance, and the Horse that he rides. Among the achievements that the Rider of the Pale Horse has attained in his mission on earth, is the nation of Syria. It is apparent that upon his release in Egypt, this Angel of Death has brought tremendous death. In addition, there is one thing that has become common in every land that He has run through, the carrying of dead bodies in coffins. The Rider of the Pale Horse has brought horrific death across the face of the earth and in considering the case in Syria, there has been development of a classic case of

what the Rider of the Pale Horse is capable of doing. The reports say that death is a daily occurrence now in the land

what is in the offing. Because the Rider of this Pale Horse is called Death, and if the horrific bloodshed he has brought across the Arab world, is just the beginning of birth pain, then how much more death is there going to be during the Tribulation? So the Rider of the Pale Horse has done massive damage on the face of the earth. It is crucial to note that the

Prophecy on Iran war

On September 27, 2005, while at Mbeya in Tanzania, the LORD showed me the tremendous dream of what was coming before the earth. And in that conversation, the LORD showed me a nuclear facility which is by the foot of a mountain. And at that foot of the mountain, then I saw two missiles fired. Again, two missiles were fired towards the nuclear facility. And I see the behind part of the missiles is copper color. And as the missiles were spinning slowly like this, and there is a propelling, a spinning of its tail, the tail is copper-like. What was astonished me most is when the missiles struck the nuclear facility of Iran at the

foot of the mountain. So I saw a HUGE historic flame that the earth has never seen before. And the flames were going from the east end go all the way to the west. And that fire has small fires inside, some fires that carrying small fires curly like, go all the way almost to Heaven. And immediately after that,

after seeing the tremendous explosion, that can only come from a nuclear explosion. The biggest explosion, the biggest frame that the earth has lived to see.

of Syria. And yes, indeed, if one is privilege to watch their daily news events, then it is very common to see burials, dead bodies being carried in coffins, on stretchers, across the streets of Syria. In other words, the LORD is saying “Look! He has brought Death, Death and Death.” It is very stunning that an entire army of nations, like Syria, can turn against civilians and gun them down including babies.

Other cases that culminated with His release include the massive bloodshed that rocked Tunisia, Egypt, Yemen, Bahrain, and has also wrecked havoc into Libya. We are all familiar with how Libyans crushed each other with weapons until most recently. Even the United Nations is at a loss to come out with any resolutions or any solutions. And this speaks of

Nantanz nuclear plant in Iran

Four Horsemen work in consent, therefore, their effects are actually more colossal.

In summary, I will describe the tremendous vision of April 2nd, 2004, in order to get our bearing into the war that is going to take place between Iran and Israel. In that April 2nd vision of the LORD, the LORD lifted me up and I found myself standing right before the Throne of JEHOVAH in Heaven. And as I was standing right before the Throne of JEHOVAH in Heaven, I saw the glory that covered the Throne like a mountain. And then I saw The Lamb of GOD that was slain for the sins of men. And then another part of the conversation was when the LORD presented John the Baptist on my right-hand side, and John the Baptist began speaking with me about the Coming of Messiah. The Lamb of GOD that was slain for the sins of men. After that, there was a small separation between where I was standing before the Throne of GOD. And the glory of the LORD came from the Throne and covered them and reached up. All I remember vividly is that when John the Baptist was speaking with me in that conversation, his garment was totally glorified, and when I looked at my garment it had been transfigured too. At that particular time, the Spirit of the LORD lifted me up from there, and took me to Israel. And once in Israel, the LORD showed me that there was going to be two time-change in the leadership in Israel, and the second change that take place, will be a right-wing, a hard-line government. He also showed me that, that change of government was going to be Benjamin Netanyahu. And ever since then, I went around prophesying that Benjamin Netanyahu one, which had already taken place, and there would be Benjamin Netanyahu two. After the second change in the leadership in Israel, then the LORD lifted me up again. This time round, I found myself standing right before the Throne of GOD Almighty again. At that juncture, the Moon appeared right above the Throne of GOD. And when the Moon appeared, the Moon became totally covered with blood. And so the Moon overcast its shadow on the earth, and I saw the whole earth was bloody in appearance. And then suddenly, I saw the most powerful and most Mighty Glorious Lamb of GOD coming from the Glory of the Throne. When the Lamb of GOD was released to come from the Throne of GOD, He came all the way

towards me. And as He came, everything in a big perimeter became transfigured and turned absolutely Glorious and then immediately I woke up. And from that time till now, I began prophesying the Coming of the Messiah, and that there would be a two time-change of leadership in Israel. And then after the two time-change in leadership in Israel, then the Messiah would come for the Church. It is amazing, because immediately I spoke that prophecy, we now see it very clearly that Ariel Sharon who was at that time the Prime Minister, fell very sick and went into coma until this day. And that then gave way to the first change of leadership. Ariel Sharon was replaced by Ehud Olmert. When Ehud Olmert took over power, within a short time he was pronounced “not well”, and they mentioned prostate cancer. It was then that what followed were different scandals including corruption and the court sessions. And then after that, there is the second change of leadership in Israel. And when the second change took place, indeed, Benjamin Netanyahu won the election. And he became the Prime Minister of Israel, Benjamin Netanyahu. And his Minister for Foreign Affairs became Avigdor Liberman, who was considered actually to come from an extremely right-wing political affiliation. So it is incredible the same shock that I saw in that vision, when the nation of the earth was very surprised as to how they would engage the Israeli leadership for the Peace Talks when the leadership was very conservative. What is most stunning is that after the second change in leadership in Israel, then the Lamb of GOD comes for the Church. That second change has taken place even right now as we speak, it has taken place.

**Mbeya, Tanzania, 2005
Prophecy of War coming to Iran**

It is imperative to clearly understand this tremendous war which is coming to Iran that you may know that indeed time is over. On September 27, 2005, while at Mbeya in Tanzania, the LORD showed me a tremendous dream of what was coming to befall the earth. And in that conversation, the LORD showed me a nuclear facility which is by the foot of a mountain. Then I saw two missiles fired towards the nuclear facility at the foot of the mountain. And I see the behind part of the missiles which is

The humongous flames go as far East, to as far as West is, and as far as the earth is, to as far as Heaven is. That speaks that the nuclear war might engulf the entire Middle East.

copper colored. And as the missiles were spinning slowly, there is a propelling of the copper-like tail. What astonished me most was that when the missiles struck the nuclear facility at the foot of the mountain, I then saw the most historic mammoth flame the earth had ever seen before. And the giant flames were going from the east end, all the way to the west. And that enormous fire has small fires inside, some of which carried small curly-like fires, going all the way almost to Heaven. And immediately after that, I saw the tremendous explosion that the earth has lived to see, that can only come from a nuclear explosion. After that vision, then I immediately began to go across the world, announcing that a historic war was coming to the earth. Stunningly, this is one prophecy that the Holy Spirit has pronounced extensively across the entire earth. That speaks very clearly about the centrality of Israel in this endtime. This particular prophecy on the war coming to Iran, is one that I have given amply extensively, meaning that it comes only second to the Prophecy on the Coming of the Messiah. This gives rise to a very very critical event towards the Coming of the Messiah in relation to this war. As I began going all over the globe pronouncing this coming of the horrific war, there is a very significant aspect on the description of the explosion that takes place in that war. Something tells me that these two missiles that the LORD showed me in that tremendous vision, are actually nuclear missiles. Consequently, because Israel cannot take a chance with Iran, Israel actually fires two nuclear missiles that totally devastate the nuclear program in Iran. In this regard, there are two extremely important wars that are very vital for this End time. One of these end time wars, is the Israel-Iran war that I am prophesying now and which I will position for you that

you may understand how close we are to the Coming of the Messiah. Secondly, I am also going to discuss The War of Armageddon, in Hebrew, *Har Meggido*. Har Meggido is a valley and a hill.

These two wars are very very central in biblical prophecy, and The LORD has privileged me to unveil these conflicts because I am involved in prophesying the Israel-Iran war. These biblical prophecies have answered in depth the questions that have arisen as to

whether the Israel-Iran war is pre rapture or post-rapture. Initially, I began going all over the globe giving this prophecy of the coming of the horrific war even before it appeared in the radar of news networks. Then suddenly, bitter confrontation began flashing in several news reportages about discontent between Iran and Israel on the nuclear plan program. What is particularly most sensitive is when one watches their news all over the globe, this war is finally becoming a reality, and any moment now, that war will take place. It is incredible to see the manifestation, the realization, and the fulfillment of the words of my tongue in the global media.

Significance of this war to the Church

What is the significance of this war to the Church? First, it is extremely important to position where exactly that war is, and how important that war is to the Church. Secondly, it is very essential to note how telling this war is to you the Christian now and what the proximity of the LORD's coming is. Remember, that the humongous flames go as far East, to as far as West is, and as far as the earth is, to as far as Heaven is. That speaks that the nuclear war might engulf the entire Middle East.

And then now I will narrow with you down on the biblical principles and biblical significance of this war. Now you can see very clearly the words of this prophecy beginning to take shape in the most serious form that the nations of the earth have ever seen. There is intelligent information that Israel might strike Iran either in May or June and we are aware how this war is very significant in the Bible. It is noteworthy to understand not only the two wars and how they relate to the Coming of Christ, but also the role of Iran in biblical prophecy. The Book of Revelation 19 pulls out some very key features that relate to this particular war.

Then I heard what sounded like a great multitude, like the roar of rushing waters and like loud peals of thunder, shouting: “Hallelujah! For our LORD GOD Almighty reigns. Let us rejoice and be glad and give him glory! For the wedding of the Lamb has come, and his bride has made herself ready. Fine linen, bright and clean, was given her to wear.” (Fine linen stands for the righteous acts of GOD’s holy people.) Then the angel said to me, “Write this: Blessed are those who are invited to the wedding supper of the Lamb!” And he added, “These are the true words of GOD.” (Revelation 19: 6-9).

First of all, you see that from verse 6 to verse 10, essentially celebrates the Wedding of the Lamb of GOD, the Rapture of the church, the gathering of the Saints in the glory of the LORD, the entry of the elect of GOD in the Church into the Kingdom of GOD, and the deliverance of the righteous Church into the Kingdom of GOD. It is well celebrated, well highlighted and well established in the Word and also well established in Heaven and on the earth. However, from verse 11 onwards, I will illustrate the sensitivity of this Israel-Iran war that I have been prophesying across the entire globe and extensively.

I saw heaven standing open and there before me was a white horse, whose

rider is called Faithful and True. With justice he judges and wages war. His eyes are like blazing fire, and on his head are many crowns. He has a name written on him that no one knows but he himself. He is dressed in a robe dipped in blood, and his name is the Word of GOD. The armies of heaven were following him, riding on white horses and dressed in fine linen, white and clean. Coming out of his mouth is a sharp sword with which to strike down the nations.” (Revelation 19: 11-15)

You see there is one war already being mentioned here. The LORD kept the best wine, the choicest of wine up to this late. Normally, people always present the best wine first and when people have drunk enough of the best wine and it is exhausted, then the poorer wine is presented to them. The LORD kept until now, and He says that there is a war here again.

“The armies of heaven were following him, riding on white horses and dressed in fine linen, white and clean. Out of his mouth comes a sharp sword with which to strike down the nations. “He will rule them with an iron scepter.” He treads the winepress of the fury of the wrath of GOD Almighty. On his robe and on his thigh he has this name written: King of kings and LORD of LORDs. And I saw an angel standing in the sun, who cried in a loud voice to all the birds flying in midair, “Come, gather together for the great supper of GOD, So that you may eat the flesh of kings, generals, and mighty men, of horses and their riders, and the flesh of all people, free and slave, small and great.” Then I saw the beast and the kings of the earth

and their armies gathered together to make war against the rider on the white horse and his army.” But the beast was captured, and with him the false prophet’ “The two of them were thrown alive into the fiery lake of burning sulfur. The rest of them were killed with the sword that came out of the mouth of the rider on the horse, and all the birds gorged themselves on their flesh.’ (Revelation 19:14-21)

In other words, the birds became engorged. This is the secret of GOD and these are the secrets of Heaven that the LORD is releasing in these last days. I want to explain to you whatThe LORD is talking about in Revelation 19. Verse 6 all the way to verse 10 speaks about the gathering of the Saints, and the Rapture that will take place. That resurrection will be for the Holy Dead and and the translation of the Holy living Christians who will be given glorious bodies. Right now the holy dead are only rotten bones, but they will be given glorious bodies and glorious garments upon that mighty resurrection. And then they will be pulled up, just like I have prophesized extensively across the entire earth on how the Rapture will take place. The LORD showed me in a tremendous vision that it is the Glory of the Messiah that will open the tombs and pull them out. And this Glory is actually mixed with the dust, until they go into the pure Glory of GOD where there is no dust, and I see the Messiah receive them. And yet, the Holy living Christians will be translated and they will catch up with them in the sky, and Heaven will open, and the two groups will enter, and the cloud will close them in, when they enter Heaven. What a glorious way to snatch the church! It celebrates the Messiah coming to rapture the church, the gathering of the elect. Revelation 19:6-10 marks the rapture, but when you get to verse 11, it talks about the Messiah coming to do battle and among those coming with HIM, are those with fine linen, bright and clean, meaning some of the raptured saints. Between Revelation 19:10 and Revelation 19:11, the rapture has taken place. The church has been taken. Nevertheless, what is even most amazing is that he is talking about the beast and the false prophet in verse 19-21, when they are finally caught and thrown into the lake of fire. That can only happen after the beast has finished his work, at the

exact end of the tribulation. In Revelation 20, you will see the saints that have been killed and devoured for the testimony that they stood with, the testimony of Christ. Before the Messiah comes, these saints cry out to the Faithful and True, Sovereign GOD, Holy and Righteous, for when He will avenge their blood (Rev 6:10). I have described indepth, the first Seal, the second Seal, third Seal, and the fourth Seal on the Scroll of GOD. Those first four Seals out of the seven, denote the release of the four apocalyptic horsemen. When the fifth seal on the Scroll of GOD is broken, we now see many souls under the altar that have been murdered for the testimony of Jesus. That means it will be a difficult time to preach and the church cannot exist then. If the church existed, she has to testify Jesus Christ, and publicly declare her salvation, which in actual fact is testimony unto the LORD. Therefore, when the fifth seal is broken, the souls mourn for revenge because they are murdered and beheaded. Moreover, they have to wait a little while, until their fellow brethren complete the number that has been murdered, having been beheaded. And when you read on towards the end, it says that when the Messiah comes, they are resurrected and they reign with HIM for a thousand years. Which means on the same day when the Messiah is coming back for the second coming of The LORD, is the exact day they resurrect and are given glorious white garments. That is the only way they can reign with the Messiah for a thousand years, otherwise they will have reigned with the Messiah for 999 years and so many days. And so when you look at Revelation 19, what the Holy Spirit is expositioning from verse 11 to verse 21, is that these are the events on the day of the LORD when the Messiah comes to Jerusalem. So this war that The LORD is talking about striking down the nations with his sword, and the Generals and the beast that are gathered with the generals, gathering against the Messiah, happens when the Messiah is coming from heaven to Jerusalem. This war here is not the Israel-Iran war that is about to take place. When the beast is bound with his false prophet and plunged into the lake of fire, that is not the Israel-Iran war that we are talking about right now. So what then is this Israel-Iran war?

Chart-The Prophetic Timeline of GOD The Israel-Iran war that is going to take place,

will be so severe that Iran will hit back. And it is going to be a flare-up and it will be led by Russia. As you can see today in the news, Russia warns Israel and United States from attacking Iran. It then becomes apparent the central role of Russia in this war. Even the nuclear plants in Iran have been built by Russia. When this war takes place, it will be extremely ruthless because it will cause Israel to sign a peace-treaty for 7 years, a false-peace-treaty with the Arab states and Russia, the enemies of GOD. And that means that when this war occurs, it comes at a time when the rapture is here. This will be the tribulation, when the rapture will have happened. Revelation 19:6-10 is the celebration of the wedding of the Lamb of GOD but after that, in Revelation 19:11-21, everything goes absolutely crazy because then a whole situation ensues. This war that he Messiah comes to fight in Revelation 19:11-21, this is not the current Israel-iran Nuclear war. Because in this one here, we see that the LORD Himself fights and when the LORD fights for his people, the nation of Israel, the City of Jerusalem, for the kingdom of GOD, the beast is captured and the false prophet. The false prophet who had performing miraculous signs. That means that he had already been doing those signs but right now, the book of 2 Thessalonians 2:7-10, says, For the secret power of lawlessness is already at work; but the one who now holds it back will continue to do so till he is taken out of the way. And then the lawless one will be revealed, whom the LORD Jesus will overthrow with the breath of his mouth and destroy by the splendor of his coming. 9 The coming of the lawless one will be in accordance with how Satan works. He will use all sorts of displays of power through signs and wonders that serve the lie, 10 and all the ways that wickedness deceives those who are perishing. They perish because they refused to love the truth and so be saved.

This is very powerful here because, the title says, The Man of Lawlessness. This is the antichrist. And it says, that he will not be revealed until the power that holds him back, is taken out and away. What power holds the anti-Christ today? Today at this time, it

says the Spirit of antichrist and the works of antiChrist are already in display and it says that the person of the antiChrist, will not be revealed until he that holds him back is taken away from the earth. What does that mean? It means, The Holy Spirit. Who right now holds the anti-Christ from manifesting, restrains him. The Holy Spirit, when he will be taken away, then the man of the anti Christ will be revealed. But the bible says in the book of 1 Corinthians 6:12-20 that you are the holy tabernacle of the Holy Spirit and it says that you are the holy temple of the Holy Ghost. Whom is he talking about here? He is talking about the Holy Ghost filled church. He is talking about the five wise virgins that have a jar of oil. In Matthew 25:1-13, says that you are the Holy vessel of the Holy Spirit and that tells you that the only time the Holy Spirit will be taken from the earth is when the church that is the holy vessel the tabernacle of the Holy Spirit is taken away. But when is that? That is when the church is raptured. The church that is raptured is the church that is a vessel, that is worthy enough to contain the Holy Spirit. Even in 2 Thessalonians 2:8 and then the lawless one will be revealed whom the LORD Jesus, will overthrow with the breath of his mouth, and destroy by the splendour of his coming. The coming of the lawless one will be in accordance with works of satan the devil and all kinds of counterfeit miracles, signs and wonders. The LORD is saying here that the beast will not be revealed until the church, the vessel of the Holy Spirit will have been raptured. And that is why in Revelation 19: 6-10, the celebration of the wedding feast of the Lamb, the marriage supper of the Lamb, and then verse 11-21 describes the events post-tribulation. So in this chart, the prophetic timeline of GOD that has been displayed today now, where we are today, nothing has happened yet, the Israel-Iran war has not taken place yet, the rapture has not taken place yet, The tribulation has not occurred yet. Where we are, I draw a vertical line, and on the right hand side of the vertical line, I wrote tribulation and that encompasses, the three and a half years of tribulation and the three and a half years of the great tribulation. And I have also marked that the Israel-Iran war, which is Russia plus her allies, they attack Israel. This attack, the two missiles I see striking Iran, they must be nuclear missiles and when the LORD showed me this, I very well understood the gravity

of that. That if they are nuclear missiles that strike the nuclear facility in Iran, then the retribution first of all, this means that that war will spread across many nations, but the hit back will come on Israel also. And it seems that many nations will form alliance and then out of that war, Israel will be compelled to seek for peace, to accept a peace deal, a peace treaty, and that peace treaty the bible says will be 7 years. But it will be false peace treaty because the confederacy the alliance of all the civil authority, of all powers, all governments that will still be against the LORD, will be still against the LORD. In fact, their resolve to be against the LORD and GOD's people will be further strengthened by the works of the false prophets whom you see by counterfeit miracles, signs and wonders, he will now convince them. Revelation 19:20

The beast was captured, and with it the false prophet who had performed the signs on its behalf. With these signs he had deluded those who had received the mark of the beast and worshipped its image. So the kings and the confederacy, the alliance that you see described in verse 19. Then I saw the beast and the kings of the earth and their armies gathered together to wage war against the rider on the horse and his army. These are the kings who believe through delusion, the false miracles, the false signs and wonders of the false prophets. This war in Revelation 19:11-21 happens post-tribulation. But the LORD GOD Almighty, HE has spoken with me and showed me the church being taken and sent me to prepare the church in righteousness and holiness, to stop corruption, to stop immorality, to stop evil, that she may enter. I have also seen the rapture of the dead and that can only tell you that the rapture of the church will take place. That the elect of GOD will not see tribulation. Why? Because they are not meant to be devoured. The LORD will not allow the beast to devour his elect church because they go into the wedding feast of the Lamb. Otherwise the wedding feast of the Lamb would be empty. The church has to be seated on that table, The Bride of Christ. And you see the tremendous celebration that throbs the expanse of heaven, when the church is seated in finest linen, bright and clean, 'Lino Finissimo, puro y limpio', pure, meaning there is no higher lever.

What is the Gog Magog war that Ezekiel 38-39? How is it related to the war that is coming in a few months between Israel and Iran?

If that war took place today, then when will the rapture take place? Is this war pre-rapture or post-rapture? The LORD had shown me the Israeli aircrafts leaving to strike Iran in that mighty dream. And I called for an urgent meeting that Sunday morning. And I said that no body knows the day or the hour. So let no person say look I am still waiting for the prophecy of the Israel-Iran war because it will happen first before the rapture. That would have been a tragedy. When I saw it written in the web that the Man of GOD says that Israel-iran war is post-rapture, however outrageous it may have been, I was happy with that. Because that means at least people are preparing for the coming of the LORD. The worst would have been if they had written that Israel-Iran war is pre-rapture. Nobody knows the day or the hour of the coming of the Messiah. HE will come like a thief. However, what the LORD has displayed here very clearly, is that this war is related to the coming of the Messiah. It may be that when this war takes place, sharp like this, then it takes three four months or one year, and Israel signs a 7-year peace deal after 3 years, one year, three days, who knows, So nobody can say that when that war takes place, the rapture happens the same day. Today here, the LORD stole me into a trance, and I saw a lot of Israeli aircrafts on the runway, at high speed taking off, and I heard the Voice saying, "Look this war has broken out." And there is a follow-up vision most recently, when the LORD again showed me aircrafts and by Voice HE said, "Look the war has broken out". So this war is related to the coming of the Messiah. While nobody may know the day or the hour, the rapture could happen right before the war, such that when the war takes place then they announce one peace deal right away there and then. Or the rapture could happen after this war. But the most important message that today's news screams out to the church is that time is over.

Tension is building between Iran and Israel. Speculation is swirling in Washington whether Israel may pre-emptively bomb Iran. This war that is coming to take place between Israel and Iran, nobody can know whether it is pre-rapture or post rapture, but one thing that we are sure about, is that when the tribulation and the great tribulation takes

place at the end of that 7 years, of false peace treaty Christ will return to do the final war of Ammagedon. That is what Revelation 19:11-21 celebrates. Immediately the LORD defeats the enemies of GOD, then HE will establish a thousand years of peace and righteousness. During the 1000 years, the devil is bound, totally bound in the abys. And then after the 1000 years, the devil is again released. But if you look again still in the Revelation 19:6-10 He is talking about the rapture of the church. Verse 11-21 talks about the war of ammagedon. But now if you look at verse 20, it talks about the millenium of peace and righteousness. And after that, it talks about the judgment of the dead, the white throne judgment. Revelation 21 talks about the New Jerusalem, that tells us very clearly that after the 1000 years of reigning with Christ, as the devil will be released again, The LORD will move with the church into the New Jerusalem and she will take up her place.

Why is Iran perpetrating such Rhetoric against Israel?

Iran has been a very important part of biblical Prophecy. And Iran in the bible is known as Persia. They are called Persians. And at one time, Iran was a very great empire of the world until Iran was conquered by Alexander the Great. The King such as King Cyrus the great, Dairus, Ahazuerus common known as Arta-Xersus, such prominent kings that are found in the bible, once ruled the great empire of Iran. But surprizingly and ironically, the book of Esther in the bible, talks about how a Jewish girl became the queen of Persia and how GOD used her to save HIS people the Jews from a plot to wipe them out. The book of Esther also explains how a special festival called Purim was established, to mark and remember and celebrate that deliverance. Purim is a Hebrew word derived from a Persian word Pur meaning Lot. It recounts and recalls how Herman cast lots to determine the best day to carry out his plot to wipe out the Jews. It can be well said today, that the current leaders of Iran, are still operating in the spirit of Herman because of such articles that say "Iran ready to wipe out Israel off the map of the earth" when at that time Herman's plan was also to wipe Israel from the face of the map, wipe the Jews from the face of the map. So Persia has always been very very important in bible prophecy. And Daniel in his visions, saw the visions of the

lamb and the goat and in that vision, Daniel saw himself in a city called Susa in Persian. And that was the capital city of Persia. So Iran has been very significant. One time the LORD showed me a vision about Elam. There are a lot of Jews living in Iran at this point and time. Even Ezekiel saw the visions of the LORD and in Ezekiel 38, He described the events of these last days and he described the nations that would confederate, that will combine together for the purposes of destroying Israel and that list contains Iran. And it talks about that time as being the time when Israel will be isolated. Iran has been part of the bible. And now we see very clearly, there there is going to be a role again.

However, who is involved in this Gog-Magog war of Exekiel 38 and 39? It is very clear now that in the listing Russia is leading that alliance and then all other states that Russia sponsors are part of it like Iran, Syria, Turkey and many others. They form an alliance with Russia and then they storm in the Gog-Magog war. And it is such a terrible war that is fought in the valley of Megiddo. The beauty about that war, that when all the nations that gang up and team up against Israel, Then the LORD comes from heaven, and HE comes with the raptured saints and the heavenly hosts, and HE will strike all the nations down, and that war will end in one day. That war takes place in the Tribulation. It is the end of that war that gives birth to the millenium, the 1000 years of peace and righteousness. Now you know that when you watch your news, and you hear that there is going to be war, that Israel and Iran are going to fight. Now you know it for yourselves that that war has a lot to do with the coming of the Messiah. That war has so much to do with the rapture of the church. This is not to be taken lightly. This touches on the very eternity of people, I have been surprised that among the prophecies that I have given across the earth, this prophecy of the nuclear war coming to Iran, is one that I have brought extensively across the entire face of the earth and severally. It is said that endtime bible prophecy that touches on the church and the coming of the Messiah, gravitates around the State of Israel. Israel is sitting at the centre of Biblical Prophecy.

A BAD DAY FOR THE IRANIAN NUCLEAR CRISIS
February 14, 2013 at 1:27 pm

The Western-led effort to slow or halt Iran's nuclear development suffered two significant setbacks Thursday. Taken together with other events from the past two weeks, it's hard to see much cause for optimism at the moment. First, the Washington Post's Joby Warrick reported that Iran attempted to buy 100,000 ring-shaped magnets, which U.N. sanctions prohibit the country from acquiring because they are specialized for use with centrifuges that enrich uranium. The Iranian purchase attempt was "a sign that the country may be planning a major expansion of its nuclear program that could shorten the path to an atomic weapons capability." Second, United Nations nuclear inspectors left Tehran empty-handed, having failed to secure access to suspected nuclear sites, a date for further negotiations or, as Reuters put it, "even a small signal of hope for wider big power diplomacy aimed at averting a war."

These are big setbacks for the Western-led effort to find a peaceful, diplomatic solution – and they are made even more ominous by the timing. Representatives from Iran and world powers (known as the "P5 coalition") are set to meet for negotiations in Kazakhstan on Feb. 26 – less than two weeks from now. The Obama administration has signaled that it still seeks a negotiated solution to the crisis. Just two days ago, President Obama insisted in his state of the union speech, "the leaders of Iran must recognize that now is the time for a diplomatic solution." He added, in a clear reference to his long-standing threat to use military force as a last resort, "we will do what is necessary to prevent them from getting a nuclear weapon." Vice President Biden also recently raised the possibility of direct negotiations with Iran. Just days later, Iranian Supreme Leader Ayatollah Ali Khamenei made a speech in which he appeared to slam the door on talks. "Some naive people like the idea of negotiating with

America, however, negotiations will not solve the problem," he said. International economic sanctions, including from the United Nations, have devastated

the Iranian economy but don't appear to have done much in bringing Tehran to the negotiating table. And they may not have done much to increase popular Iranian pressure to roll back the nuclear program. According to a recent Gallup survey, 47 percent of Iranians blame

the United States for sanctions, but only 10 percent blame their own leaders. The poll also found that most Iranians still support a peaceful nuclear program. Still, there is a real possibility that Iran's recent steps are meant only to give the country a better negotiating position. Iran, Warrick points out in his story, "is seeking to gain diplomatic leverage ahead of negotiations on proposed limits to its nuclear program." But it's also very much possible, as he notes Western states fear, that "Iran is planning a major expansion in its nuclear capacity that would allow it to make atomic weapons quickly if it chooses to do so." In Western capitals, impatience with Iran certainly seems to have been building for more than two years now. Today is not a good day in the effort to break through the stalemate and find a peaceful, negotiated solution. That doesn't mean it still can't happen, though, and the Obama administration's pursuit of a deal is likely to continue.

U.S. Senate committee passes resolution to back Israel in conflict with Iran
Resolution 65 goes beyond affirming U.S. commitment to preventing a nuclear Iran to ensure it will 'authorize the use of military force, diplomatic, military, and economic support to Israel in its defense of its territory, people, and existence.'

Report: Pentagon requesting \$395.9 million to
buy Israel more Iron Dome batteries
By Haaretz | Apr.17,2013 | 1:53 PM
| 45

While Israel was marking 65 years of
independence on Tuesday, the U.S. Senate
Foreign Relations Committee voted to
endorse Resolution 65, affirming that the U.S.
will fully back Israel should it be drawn into a
conflict with Iran.

The resolution, introduced by Senators
Robert Menendez (D-NJ) and Lindsey Graham
(R-SC) and which has 79 co-sponsors, is
expected to pass in the Senate.

According to the text of the resolution on
the U.S. Congress' website, the goal of the
resolution is that: "If the Government of
Israel is compelled to take military action
in legitimate self defense against Iran's
nuclear weapons program, the United States
Government should stand with Israel and
provide, in accordance with United States
law and the constitutional responsibility of
Congress to authorize the use of military
force, diplomatic, military, and economic
support to the Government of Israel in
its defense of its territory, people, and
existence."

The text of the resolution includes several
clauses relating to the U.S. government's

positions on Iran: "The Department of State
has designated the Islamic Republic of Iran as
a state sponsor of terrorism since 1984 and
has characterized the Islamic Republic of Iran
as the 'most active state sponsor of terrorism'
in the world.

"The Government of the Islamic Republic
of Iran has provided weapons,training, and
funding to the regime of Bashar al Assad that
has been used to suppress and murder its
own people."

IRAN NUCLEAR

The Iranian nuclear program is a contentious
and closely monitored issue in international
politics. The Tehran government has rapidly
advanced its nuclear program over the past
decade, which it claims is for peaceful civilian
purposes. But the international community,
led by Western nations, believe the program
is designed to create nuclear weapons.

Iran has stressed in the past that it is
a signatory state to the Nuclear Non-
Proliferation Treaty and that it has the right
to enrich uranium for civil uses. In an effort
to use diplomatic means to deal with the Iran
nuclear issue, the United States and its allies
have offered incentive-based packages to
persuade the Iranian regime to abandon its
nuclear program. But continual defiance and
the revelation of secret enrichment facilities in
Iran have hampered these efforts.

In reaction to Iran's insubordination, the
U.S., Israel and the European Union have
launched a series of increasingly stringent
sanctions against the Iran nuclear program
and those controlling it, to which the Tehran
government has responded with defiance, and
vows to punish those behind the measures.

The 1979 Islamic Revolution in Iran brought
to power a theocratic Islamic Republic
governed by Shi'ite Muslim clerics. In the
1990s, Iran's nuclear program was fully
revived and in 2002, following revelations of
clandestine research into fuel enrichment,
the Iran nuclear program became a concern
the international community could no longer
avoid.

The West fears Iran's nuclear program will be

used to produce weapons of mass destruction
and refers to the nation's use of rhetoric
against the U.S. and Israel in particular to
support the claim. After the withdrawal of
American support for Iran's nuclear program
in the aftermath of the 1979 revolution, the
Iranian government began receiving assistance
from Pakistan's nuclear scientist, AQ Khan.
Following the death of Ayatollah Khomeini,
the Iranian nuclear program was given a high
degree of importance by the country's new
Supreme Leader, Ayatollah Khamenei. Unlike
his predecessor, Khamenei holds a more
favorable view of nuclear energy and military
technology, both of which can be achieved by
advancing the Iran nuclear program.

During the administration of President
George W. Bush, the Iran nuclear program
became a priority and efforts were made to
curtail Tehran's efforts to enrich uranium
through several United Nations Security
Council resolutions. In December 2006,
the UN Security Council passed Resolution
1737, which urged all UN member states "to
prevent the supply, sale or transfer" of any
goods to Iran that could be used to further its
nuclear program. The following year, the UN
Security Council passed another resolution
blacklisting financial institutions used by Iran's
Revolutionary Guards, the government body
suspected of controlling the Iran nuclear
program.

Although the UN resolutions have tried to
bring an end to Iran's nuclear program, they
have largely been seen as unsuccessful, and
Iran continues to defy international demands.
Iran's escalation of threats against its Middle
Eastern neighbor Israel, and its support for
Palestinian and Lebanese terror groups have
led the Israeli government on a campaign to
expose Iran's military plans for its nuclear
ambitions.

The International Atomic Energy Agency, the
UN body that seeks to promote the peaceful
use of nuclear energy, has reported that Iran
is using its centrifuges to enrich uranium,
which could be upgraded and enriched
to a level for military use. Revelations in
September 2009 of a secret second uranium
enrichment facility near the holy city of Qom
intensified the mistrust over Iran's nuclear
ambitions and paved the way for more
sanctions.

The divine proclamation
that birthed the church
into being, requires that
believers live their christian
lifestyle in accordance of GOD's
exactng law, as a *distinct* and
separate people. That marvellous
blue-print demands that christians
maintain a clear identity of
consecration and *separateness*, as a
people totally detached from the
decay of this world, both in their
belief and manifest *lifestyle*.

But you are a chosen
people, a royal priest hood,
a holy nation, GOD's
special possession, that you
may declare the praises of
him who called you out of
darkness into his wonderful
light (1 Peter 2:9).

This lofty calling that defined
the water-shed moment for
the church, is also the same
proclamation that had earlier
defined an austere adherence to
separateness and *covenant* upon
the people of Israel. Consequently,
Israel was required to comply
with this firm observance of a *holy*
segregation in *covenant* with the
LORD. It is for this very reason
that the holy bible plainly instructs
both Israel and the church;

"Be holy because I am Holy
(1 Peter 1:16; Leviticus 19:2).

This became GOD's significant
injunction that was meant to

sieve out all the contaminating
influences of these dark world
upon the church that she may
realize her salvation as a people
consecrated unto the LORD. That
landmark pronouncement at
creation quickly defined in place
the need for GOD's people to
procure for themselves *spiritual*
purity as an existential necessity.
Spiritual purity then indeed
became the bedrock of GOD's
salvation for mankind. Be it as
it may, GOD also goes ahead
to lay down several parameters
of caution regarding spiritual
impurity. *Spiritual purity* can then
be defined as a state of lack of
impurity. Spiritual impurity on the
other hand, is denoted as the
complete embodiment of an evil
coalition of all forces of *corruption*
and *defilement* that propel this
dark world. In this case, the
classical scripture that brings to
context this virtue of spiritual
purity, is Romans 12:2. In that
scripture the LORD adduces this
novel biblical safe guards when He
says:-

Do not conform to the
pattern of this world, but be
transformed by the renewing
of your mind. Then you will
be able to test and approve
what GOD's will is—his
good, pleasing and perfect
will (Romans 12:2).

And because *righteousness* lasts

forever while *wickedness* on the
other hand is perpetually under
the betrayal of its mortal nature,
the two present opposite poles.
Since the duo of *righteousness*
and *wickedness* share absolutely
nothing in common, the LORD
then put in place a deliberate effort
to distinguish the christian lifestyle
from the spiralling *corruption* and
defilement that presents in such
vices as immorality, deception,
shame and death. Like Israel in her
most compromised state, today's
church is equally confronted
with a perpetual danger of
disinheriting her *distinct* and *holy*
identity by adopting the practices
of the wicked communities in
her surrounding. Because of
the eminent vulnerability to
sin, the LORD in His infinite
wisdom has always placed upon
the church a restriction that
prohibits excessive *indulgence*
with the world. In her darkest
hour, such restraint had literally
barred Israel from *intermarriages*
and *treaties* of any form, with
the defiled communities that
defined her neighbourhood.
The rare account of Lot's
life in Sodom, and Abraham's
alarming experience in Egypt,
indeed applaud the unorthodox
faithfulness with which they
beheld onto *spiritual purity*,
despite the harsh assault from a
predaciously evil surrounding. On

the contrary, the *melancholy* that
encompasses the narrative of Lot's
wife in Sodom, and the lustful king
in Egypt, are just but a few most
sordid lessons that sound serious
warning bells to the church on the
dangers of succumbing to spiritual
adulteration. Today's church
must therefore deliberately set
out on a crusade to safeguard
herself from any form of *spiritual*
impurity, as a matter of life and
death. However, it is suffice to
point out that *spiritual purity* can
only be achieved and sustained
in the church through the *onliest*
act of full *obedience* and *alertness*
to the WORD. This implies that
the Holy Spirit continuously
desires a church that strives to
achieve a soul that is purged-off
sin, and eternally anchored to
perfect worship. In that way, it
goes without saying that the type
of purity which JEHOVAH GOD
seeks in the church, is indeed none
other than the uncontaminated
divine *purity* of the soul. This
acclaimed state of *spiritual purity*
is the highest and most honoured
order that the LORD ponders
over when He assesses the hearts
of the believers in the church.
The attainment of this lofty order
of purity in the church, is what
was initially meant to unleash
a *plethora* of righteous virtues
from the soul of the believer into
the whole known wide world. If

evangelism was meant to attain an ultimate achievement in the soul of mankind, then this was it. Nevertheless, such a highly exalted state of purity of the soul, can never be achieved through half-baked therapies which simply seek out to *massage* on the surface of a fallen church, instead of getting to the core of the problem and squarely dealing with it. Today's apostate church has perfected the art of fronting these temporary measures such as wellness conferences, prosperity gatherings, retreats, sowing seeds, etc, as a means of overcoming her spiritual maladies. This she has done perfectly well as she attempts to navigate her christian life through this unforgiving world. If only she could know that the deep wounds of spiritual impurity can never be wished away, nor healed by such superficial solutions, but rather their healing is only achievable through the time-tested mechanism of genuine REPENTANCE. While it may be abundantly true that many a time a veil of evil hovers over the believer's soul, it however is also true that a genuine REPENTANCE in the church can help lift such a beclouding mask, leading to the liberation of the soul. It is a process that endeavours to anchor the soul to her heavenly worship of *holiness*. The enemy often lays claim on the believer's soul through such veils as *passion, immorality, anger, attachment, greed, ego, malice, deception, addiction*, name it. It is such bundles of evil traits that have often weaved the souls of men, thereby entangling today's body of believers with this cunning world. On the other hand, the LORD Jesus on the Cross indeed delivered the church by untangling such unwarranted claims and facilitating the recovery of the believer's lost identity, back to a place of perfect *purity*. The Messiah literally lifted the veil off the eyes of the beclouded souls of man. Having said that, the day the current church will finally

assiduously adhere to the path of *Repentance* and *Righteousness*, she indeed will on that day overcome all the evil sways of the adversary, and commence a spiritual journey of *purity* towards the most glorious Kingdom of GOD. That will assuredly be the day when the unclean souls of today's believers will progressively begin to sparkle their own light as a sign of their true form of *bliss*, which is the most exalted state in heaven. In GOD's eyes therefore, *spiritual purity* constitutes the sanctification of the heart and the consecration of the believer's inner soul. When the church is rejected by this dark world, and constantly continues to engage in the pursuit of a more perfect *companionship* with GOD, in her thought and action, then she can be referred to as *separated* unto The LORD. This greatly underscores a most *dignified* and coveted order within the hierarchy of *preparedness* for *rapture*. On that *day of reckoning*, as the LORD appears in His *magnificent* glory at *rapture*, it will be absolutely *mandatory* for every believer to have attained a stature of spiritual *maturity*. Without blemish, wrinkle or spot, such a bride of Christ accomplishes a perfect *oneness* with GOD Almighty. The lasting lesson arising from this, is that whenever christians fail to obey GOD's command, they inevitably descend into the pits of the *abyss*, unless speedily rescued by the power of REPENTANCE. This chronic lack of awareness concerning *purity* has tragically swayed the present-day church towards the wicked enticements of this world. Such a wafting away from the truth is very deadly, and mirrors the *sullying* influence that the Canaanites employed to *blemish* the children of Israel.

Purity & the Cross

The salvation that the LORD Jesus graciously unveiled on the cross was essentially meant to instil upon the church a steadfastness

to *obedience* and *alertness* in order to fulfil GOD's new law of that heavenly grace.

Therefore, since we have these promises, dear friends, let us purify ourselves from everything that contaminates body and spirit, perfecting holiness out of reverence for GOD (2 Corinthians 7:1).

Spiritual purity is not only mentioned in every revered gospel of the Cross, but also declared in all scriptures of the Old Testament. All the Seers that were privileged to foresee the glorious coming of the Cross, have in their *pious* proclamation attached an immense worth on *purity* in the sacred mission of Christ the Messiah. In trying to rank the increase in the glory of the Cross, these Prophets of old have earnestly submitted that, when that dispensation arrives, there would be an uncontested increase in the glory of the Christ at His coming. In their visions therefore, they have extensively testified about the increase of the Messiah's kingdom, and how it would translate into an increase in the *purity* of the church. In describing the vast dominion of that Kingdom's King, these Seers did not hesitate to stress that the Messiah's reign would fundamentally rest on the unshakable cornerstone of *spiritual purity*. In their observation then, the Prophet's of the bible submitted that *spiritual purity* would be the one single factor governing spiritual growth in the hearts of the believers. In their watch, these holy Prophets deduced that movement up the heavenly order would be well-nigh impossible, if the people of that upcoming dispensation would in any way fail to embrace *spiritual purity*. This was because the Seers already saw that the upcoming dispensation would be a spiritual dispensation and that the coming Kingdom of the Messiah would be founded on justice and

Righteousness.

The *moot* question then becomes, what is *spiritual purity*? Majority of the christians today consider *spiritual purity* as being of limited value, and at best a mere lofty aspiration whose achievement is totally out of the reach and unfathomable.

The *purity* of the soul is hence either totally ignored, or just not paid the attention it well so deserves. The tragic consequence of this has hence translated into an enumerable number of christians who in the execution of their lifestyle, are today not even aware of the essence of this novel virtue called *purity*. *Purity* of the soul indeed, includes what a christian feeds on, how *hygenized* their salvation is, and their practice of worship. While it is true that the integrity of the soul is squarely contingent upon what spiritual absolute food one is subjected to, it must be added here that the relentless regimen of holy worship and lifestyle one lives, are the *cornerstones* of the sustenance of *purity*. Only through the soul does man worship. Depending on the kind of regimen one puts in place, such actions can either protect or injure the soul. With due respect to the kind of spiritual food one is subjected to, the optimal for *spiritual purity* is *Righteousness*. We are reminded here of the Hebrew boys, Daniel, Shadrack and Abednego in their well-choreographed protest before Nebuchadnezzar's throne, against the enticing and seductive excesses of worldly diet. At that time, the Hebrew boys opted for a vegetarian diet that in their final analysis, proved healthier to their soul and mind (Daniel 1). It is this unrelenting bombardment of the soul by an incessant flow of holy worship, that essentially sorts out spiritually deadly intoxicants from the soul. The soul itself

is often entangled by a bundle of evil schemes that render it both feeble and prone to sin. By making deliberate effort towards relentless holy worship then, one is able to rummage through these bundles and produce forth a holy soul that is imbibed by *spiritual purity*. *Righteousness* then has a definite tranquillizing effect on the heart and mind of the Christian owing to its counteracting effect on all vices. Hence when the church opts for righteous deeds, she essentially sanctifies herself and can definitely attain a reasonable level of spiritual purity of the soul. Such an achievement that had initially sounded virtually unachievable now gets accessible.

SHALIN, 7YRS, HEALED FROM LEPROSY

*Shocking Repeat of Biblical Miracle:
Instant removal from the Jaws of Death*

The gift of life acts like a *balm* during moments of *adversity* and challenges making the celebration of being alive an unspeakable treasure that only The Almighty *nourishes* and *sustains*. In ancient biblical history, a condition known as *Leprosy*, also known as *Hansen's Disease*, was seen as the worst form of *punishment* from The LORD GOD in heaven. This horrendous most chronic *malady* presents a condition that most have never considered, and most probably have never heard of or seen. Hence as a result, leprosy sufferers have faced many *indignities* due to the stigma attached to it. Since Biblical times, leprosy was characterized by disfiguring skin lesions, marked *deformity* of the hands and legs and overall sorry state of progressive *debilitation* beyond measure. This gruesome disease left behind a terrifying image in history and human memory of *mutilation*, *rejection* and *ostracism* from society because Leprosy vividly illustrates *sin* and its fruits. In this regard, Jewish strict isolation laws applied to leprosy sufferers and they could not. Thus

the LORD Jesus, realizing the *degradation* and *neglect* of these deserted and abandoned outcasts, He greatly sympathized and was moved with *heartfelt compassion* for them. In return, He performed outstanding miracles that cleansed Leprosy, beyond which His healing of the lepers loudly spoke of *timeless* spiritual truths.

And because was a detestable infection that can greatly disfigure and destroy the human

TWO WEEKS AFTER HER HEALING ...

GARMENT FOR THIS HOUR

WHAT THE CHURCH NEEDS TO KNOW

.....
It would have been an almost infinite humiliation for the Son of GOD to take on human nature and die on the cross, if it were not for the sacred garment of His glory that was handed down to us from that Calvary Cross.
.....

On that day, as the LORD gradually ascended within the depths of the clouds, and right before the eyes of His terrified disciples, the light of His glory slowly but steadily faded away as the clouds covered Him, and the shadows of night once more consumed the hills of the earth. Anxiety, fear, and hopelessness immediately began to define the appearance of the now lonely disciples, as they set out to retrace their path back home, that night. Their hearts became heavy and their moods pensive as they revisited the places at which they had sat down with the LORD, as He disciplined and cared for them. Left like virtual orphans they

felt empty and vain began to consume the deep of their hearts. However, nostalgia still dictated that they revisit these memorable locations at which the LORD had sat and spoken His teachings! The only difference now being that when they arrived at each and every one of those sites, and fearfully stared at the SEAT upon which the LORD had sat, their tears really flowed for He was no more, and His SEAT was now empty! He had left, and this time around, raptured right into heaven. But in all that despair, the brightest picture that was ever beheld by humanity remains in the memory of the splendour of His glorious garment that He splashed at

the graveyard upon His resurrection. Ever since then, the milestone declaration that the LORD made on the Cross, and the note He struck upon agony, will resound to the ends of the earth, and swell to the close of time. Having departed with such great grief, as the disciples vouched to make known the things they had seen and heard, chief among them was the glorious garment the LORD had splashed by the empty tomb at Calvary. This to them became the symbol and mark of eternal victory upon which they needed to summon humanity's attention. It is a victory that continues to beckon the fact that humanity is still as much the object of heaven's solicitude today, as when common man of common occupation met Christ Jesus at the noonday and talked with him as the heavenly messenger in the vineyards of the fields and the waters of Galilee. This is what has highly exalted the glorious garment of resurrection into an exhaustless theme, and especially today when the return of the Messiah has now drawn extremely proximate. It has indeed come very close. With tender regard for the fears of their human weakness, at that grave site, the LORD had given them time to become accustomed to the divine radiance of His glorious eternal garment. For their cause alone, He ushered that garment of triumph into the life story of the church. It indeed became the masterpiece of the church's hymn!

The Vision

It would have been an almost infinite humiliation for the Son of GOD to take on human nature and die on the Cross, if it were not for the sacred garment of His glory that was handed down to us from the Cross at Calvary. We still marvel at the Saviour's sacrifice in exchanging the glory at the throne, for the manger and the Cross, in order to craft for us the glorious garment of eternity. It was upon this novel premise that the LORD Almighty spoke with me regarding the centrality of the garment in the church at this hour. The first of such major conversation took place on April 2, 2004 when the LORD Almighty visited with me in a very mighty landmark vision of the church.

In that glorious vision, after the second change of leadership was insalled in Israel, then I saw the most powerful & glorious Lamb of GOD come for the

In that visitation, it was between 2pm to 4pm on that otherwise what seemed to be a normal day, when the LORD made me very tired until I succumbed. In the deep sleep that ensued, I saw the visions of the LORD.

In that vision, all of a sudden, the Spirit of the LORD lifted me up and I found myself standing right before the Mighty Throne of JEHOVAH. It was at that place that I saw the humongous unparalleled Glory cover the Throne of GOD. The Glory I saw in that vision, was a mountain-like splendour of Power that totally covered the Throne of GOD, and spread its magnificent radiance all around. It was at that time in this vision, that I was indeed awakened to the opportunity cost that the LORD paid with such a heavenly heredity when He relinquished it and came down in order to share in our sorrows and temptations, that He may give us eternity at this sacred place.

JOHN THE BAPTIST

Totally consumed and mesmerized at the LORD's display of marvellous heavenly authority, that is when all of a sudden, John The Baptist appeared in that vision. As he approached me, he walked left, and came back right at which place he then stood on my right-hand side. However, in all manner of his presentation, I quickly perceived that he had come as an Emissary of the Throne, whose intention was to engage me in a very sacred dialogue from the LORD. It was then that the Envoy of HE Who Sits on the Throne, began to download the message of the King. First and

foremost, he engaged me on the matter of the Cross. It is a dialogue that slowly but gradually evolved into the deepest of revelation ever availed, regarding the sacrifice that the King had laid on the Altar of the Calvary Cross. As John The Baptist spoke his message from the Throne, he made it abundantly clear that he had been sent to me by He Who Sits on the Mighty Throne. It was then that I was able to fully comprehend the gravity of the discourse that was just about to unfold. Without wasting any time, this Messenger of GOD immediately made known to me that his primary objective was to alert me on the critical message regarding a most important event that was about to occur. This he said, would be an occurrence of eternal consequences, considering that it would be an event which would transform the heavens and the earth irretrievably, forever. As this conversation continued on, that is when this Envoy of GOD Almighty revealed to me that He Who Sits on the Throne indeed wanted me to go unto the ends of the earth and proclaim the message on the coming of the Messiah. John The Baptist further on said, "The Lamb of GOD Who died on the Cross for the sins of man, was about to come and take away the church." He further added, "Go tell the four corners of the earth to prepare the way for the coming of the Messiah." It was then that the LORD showed me a vision inside this vision, when Christ was offered on the Cross to redeem humanity. In that vision, he permitted him to meet life's peril in common with every human soul. It still remains an undertaking that we can never well comprehend in this lifetime. What particularly struck me in

that mighty visitation, is that in the face of the splendorous glory of The LORD, earthly riches, human glory, and honor cannot stand! Indeed, that perishable trio can never save a soul from death. This is the message that vividly resonated from the powerful glory that manifested at the Throne of JEHOVAH.

THE 2-TIME CHANGE OF LEADERSHIP

Caught up in the busy milieu of this tremendous visitation of the LORD, I was then *awestruck* by the escalation of events that followed in this astounding vision. The Voice of the LORD then said to me, “Come and see what is about to happen to the earth.” After which, the Spirit of the LORD then lifted me up and took me to the Promised Land. Together with He that stood at my right-hand side, we came unseen to Jerusalem, to the appointed exposition of the Sacred Oracles of GOD, and ministration of endtime biblical events that would unfold. It was then that I saw the first change of leadership take place in Jerusalem. After which, the Spirit of the LORD whisked me back to the Throne of GOD in heaven for further instruction. Again, He that was assigned to speak with me lifted me up and said, “Come see what is about to happen to Jerusalem.” I then found myself standing in the clouds from where I was able to clearly see a lot of aircraft carrying people to Jerusalem. However, the people I saw travelling to Israel in aeroplanes, were all christians. Earlier on, the LORD had given Isaiah the Prophet this same revelation of christians travelling to Israel, except that by that time the aircraft had not been invented. And this is what caused Isaiah the Prophet to ask;

“Who are these that fly along like clouds, like doves to their nests? (Isaiah 60:8)

And this prophecy was beautifully fulfilled come the year 2008, when Israel celebrated her 60th anniversary, and many christians from all over the world thronged Jerusalem in a most historic manner. That was yet another landmark that pushed the clock of the earth much closer to the coming of the Messiah as testified by John The Baptist right before The Throne of GOD. Then again, The Man Of The Spirit brought me back to stand before the Throne of He that

Lives forever.

GLORIOUS RAIMENT

Men know it not that the tidings on the Messiah’s return fill the entire heaven with jubilation, rejoicing, and tremendous glory. Standing right before the Throne of GOD, as it was in the days of old, I witnessed the *raiment* of John The Baptist gradually but steadfastly transfigure into total glory. It was then that my *garment* also became super glorious before the Throne of the LORD as total silence consumed the expanse. Already John The Baptist had ministered to me before the Throne of the LORD regarding the nearness of Christ’s coming. By the expression of his face, I saw the need that he bestowed before me for the tidings and the wonderful significance of his glorious coming to be spread abroad. Then The Man Of The Spirit Said unto me, “Come and see what is about to happen to Jerusalem.” At that time The Spirit of the LORD lifted me up and I saw the second change of leadership take place in Jerusalem. However, this time around, it was a very right-wing government that ascended to the Throne by forming a coalition leadership. With my *garment* still super glorious, I also witnessed that despite these significant changes that had beheld, Jerusalem was still not yet preparing to welcome her Redeemer. The Man Of The Spirit had just made it abundantly clear to me that this coming of the Messiah had drawn very close. In this historic vision, immediately after the second change in leadership had taken place in Jerusalem, I watched above the hills in Bethlehem and across the entire world, as the nations were thrown in a state of panic. Different thrones from the Middle East to the entire Europe, all the way across North, Central and South America, Africa and Australia into Asia; THROWN INTO A PANIC AS THEY WONDERED ON HOW THEY WOULD ENGAGE RIGHT-WING ISRAELI GOVERNMENT ON THE ISSUE OF PEACE AND PALESTINE.

It was then that The Man Of The Spirit lifted me up again and took me right before the Throne of GOD again. When I arrived in front of the Throne Of The LORD, quickly noticed that John The Baptist was still standing right there, at which place he had just spoken with me. Nonetheless, immediately John The Baptist saw me standing there, he stretched his right hand towards the Throne of GOD ALMIGHTY said in a loud voice,

“Behold, see the Lamb of GOD coming for the church.” At that instant, when I looked in the direction of the Mighty Throne of JEHOVAH, I then saw the shock of my life. I saw the Most Powerful, Most Glorious, and Mighty Lamb of GOD come from the Glory of the Throne and begin to make HIS way towards me. What was most astounding about Him, is that as he made His way about me everything in the vicinity of the Throne became Super Glorious and much more Glorious. As the Most Glorious Lamb of GOD continued to advance towards me, I saw that the little darkish ridge that had demarcated between us and the Throne, disappear. That is when John The Baptist began to walk towards me and disappeared as he approached me. At that point, I woke up in a very tremendous shock at what had just happened. I quickly began to realize that a momentous visitation now beheld upon the face of the earth. And the date was still April the 2nd, the year 2004. All these happened when I had gone to preach on the western hemisphere.

Pale Horse & the Garment

Following that April 2, 2004 major visitation of John The Baptist, my view of the world was completely transformed, leaving me to wonder about the mortality of the human race in the absence of the Redeemer. Hushed up in the *hustle and bustle* of today’s life, I saw that humanity seems to simply rehearse their daily routine, as they perform their usual chores, to be seen by men. And yet in their strife for worldly honor and earthly glory, I saw it that they were not prepared for the glorious coming of the Messiah. It was within the backdrop of such a hectic life’s mundane of man, that one day as I lay down on the floor of the airport in Johannesburg, the LORD Spoke with me another time about the *garment* for this hour. It was on July 29, 2009, while on my way to Venezuela, that I saw a vision in which JEHOVAH the Ruler of Israel; whose goings forth have been from of old, from days of eternity, to eternity. In that vision while asleep on the floor of the airport in

Johannesburg, the Voice of the LORD said, “Look and see who is coming”. The moment I looked left in that vision, then I saw the most powerful Pale Horse coming his rider. It was such a stunning event to behold in that apocalyptic vision. The Pale Horse I saw coming exuded a lot of *impunity* and *ferocity* of *power*. As he came with his rider, thick darkness followed him very closeby. After that, I saw him running all over the earth and bringing death to the nations. This is the prophecy which I gave, and led to the massive and bloody uprising across the Arab world today.

Raiment of worship

However, the second part of that July 29, 2009 vision was even much more fascinating when the LORD showed me the glorious church of Christ after she had just been *raptured* into heaven. She constituted the glorious royal *bride* of Christ that sits at the Wedding Feast of the Lamb of GOD. In that vision, the church I saw had splendorous glorious *raiment* that flowed all the way to their feet and a little longer, forming the *‘train’*. From where The Man Of The Spirit had positioned me, I could see the glorious *raptured* church worshipping right in front of the Throne of HE that lives forever and ever. The LORD in that vision made me

know that HE that Sits on The Throne, was indeed seated on The Throne together with The Lamb. Moreover, what particularly that caught my attention was the glamour of the radiance that exuded from the glorious *raiment* of the saints as they worshipped JEHOVAH. Whenever the royal bride worshipped in unison, the splendour of the glory on their *garments* radiated towards me like thousands of flashes of cameras. It is these flashes of glory that greatly underscored the benchmark of heaven as attested unto the church of Christ. This was yet another occasion at which The LORD arrayed the *garment* for the church at this hour.

When heaven receded & beheld the Garment

In yet another follow-up vision of the LORD, with regard to the *garment* of the church, The LORD GOD Almighty again deemed it fit to dialogue with me regarding that very important yardstick of entry. It was in the afternoon when I fell asleep on that April 4, 2011 that The LORD once more confided in me regarding the hour and matter of the coming of the Messiah. In that mighty vision, I saw heaven recede in both directions and behold, the magnificent splendour of His glory. The glory I saw bestow the entrance of heaven upon receding, was in *clusters* of

authority that adorned that gateway to eternity. However, on closer examination and scrutiny, I quickly realized that what JEHOVAH had arrayed before me was indeed a tremendous heavenly garb that essentially denotes the requirements of heaven in our time. As I continued paying particular attention to this mighty piece of *raiment* that adorned the gateway that had just opened into the sky from heaven, then I realized that this essentially marked the finest *linen* ever *fathomable* both in this lifetime, and from eternity unto eternity. Still engrossed in the splendour of its display, I quickly perceived from The LORD that this piece of *raiment* that had garbed the entrance to heaven, was as a matter of fact, an attestation to the *rapture* of the church. That cloth ministered unto the nations and gave testimony that Christ died on the Cross and purchased the sons of man for The LORD our GOD in heaven. And that all was now finished on the Cross by the gifting of all that believe with the tenderest of hearts, that Jesus indeed has become both LORD and Saviour of the human race. To them that subscribe to this *grace* is given a splendorous *garment* whose radiance indeed is able to strike the standards of The LORD as relates to the Wedding Feast of The Lamb of GOD. After this, I woke up and acknowledged that verily verily HE that Sits on The Throne had Spoken to humanity on matters relating to the close of time.

UNVEILING THE REVELATION

Going by these three classical and most astounding visions of The LORD on the glorious *garment*, one cannot fail to pick out the remarkable message that they unmistakably resound, to the ends of the church. In the manner of their presentation, there emerges an obvious sequence of a carefully crafted conversation whose intent is to point humanity towards the *undue* standard of GOD ALMIGHTY. That benchmark became the gravity of the glorious *garment*. In a nutshell, it is without a doubt that the Heart of GOD the FATHER yearns over the souls of HIS sons. It is as though He looks at the faces of the believers and trembles at the mere thought of them facing life’s peril. These three visions indeed underscore a significant wake

up call upon today’s church, and especially to the issue of a close observance to the *wise-preparedness*. Primarily, the first vision of the *garment* in which the *raiment* of John The Baptist is totally glorified, represents the definition of a time frame along GOD’s Prophetic calendar. Its surfacing at a time right before the installation of the second change of leadership in Jerusalem, fundamentally denotes the time at which every christian believer must be *well-cladded* with a glorious *raiment* of The LORD. In a world where satan claims dominion, The LORD permitted the church to operate, a helpless babe, in the midst of such animosity and cruelty. One can certainly perceive GOD’s concern over the church at this hour of darkness as we wind

down our lives on the earth. Whereas the world may see it not, the believers however, are now able to clearly comprehend, that GOD’s affront to a bitter conflict with satan and fearful risk of eternal damnation upon humanity, was to present the glorious *raiment* that The Messiah has paraded out at this hour, in order to show the church the sure path to eternal life. It is a *ministration* to the triumphant glory that was unleashed upon the church on the occasion when that *Golgotha Tomb* was rendered empty. For heaven to be heavily involved in this kind of discussion, It can only imply that the dispensation of the glorious *garment* now assuredly beckons the church. The clock of time is fast ticking away thereby allowing the landmark events of this hour to be gradually unveiled in the

eyes of mortal men. With due regard to the individual merit and uniqueness of each one of these three separate visions, one however, would not fail to draw the bottom-line of the *garment* that The LORD has set out to exalt at this hour. It is a spiritual *clothing* that by all means ministers to the life of man such novelty as *glorious, dazzling, sparkling, faultless and radiant*. By this sacred *garment*, The LORD is in other words saying that the life of the believer ought now to luminate a glorious manifestation that can dazzle its way and sparkle the radiance of the light of Christ.

“And to present her to himself as a radiant church, without stain or wrinkle or any other blemish, but holy and blameless.” (Ephesians 25:27)

Considering the added value that these visions of the *garment* export into today’s worship in the body of Christ, it is imperative that we roll-out an extensive expedition to unveil every single aspect of how The LORD views His *garment*. In that way, it becomes extremely critical to explore the genesis of all *garments* that The LORD has ever advanced upon mankind. In any case, Aaron’s *garment* that characterized the Levitical household becomes an interesting masterpiece from which to launch this revelation. As did the Sacrifice of Blood in the Tabernacle of Moses foreshadow the spiritual worship that would manifest in the church, so did Aaron’s garment foretell the impartation of worship that the *garment* of The LORD would bestow upon the church. It therefore becomes paramount to examine the consequence that the *garment* bestowed upon the Levitical priesthood and congregation, in order to

well perceive the gravity of the now higher calibre garment today’s church ought to spot. With all its weaknesses, the Levitical garment scored some very critical underpinnings that can act as a wake-up call to today’s church. This is because the *garment* that today’s church ought to be wearing, is of higher anointing than that of the Aaronic watch.

THE FIRST GARMENT

If perfection were to be attained in worship, then the first practice that presented in the Levitical Priesthood would have been deemed suffice. Inside the Tabernacle of Moses was presented the holy of holies at which the Ark of The Covenant lay. WHEN the sacred articles of worship had been well-arranged, the high priest would then reverently present himself before the Ark of GOD, in an act of extreme devotion unto JEHOVAH The GOD of Israel. It is a process that demanded a strict adherence to GOD’s protocol of the blood. And without claim of rights or glory, atonement for sin would be achieved, only through the *merciful* attention of The LORD. However, in order that the worship practice in the Tabernacle may measure up to GOD’s requirements, the high priest was as a matter of law and doctrinal benediction required to submit himself into the most holy place by subscribing to the priestly *garment* and the blood. The priestly *garment* that the high priest wore, denoted him as the holder of the office of the priest. While on the other hand, the blood of an animal that was annually offered on that *Yom Kipur*, designated the life that was laid down on behalf of the lives of the Israelites that had sinned intentionally. Nowonder,

at one time when one of the kings of Israel ordered for the killing of all the priests, his henchmen indeed pursued and slaughtered only the men of the cloth! This undeniably goes a long way to underscore that the *garment* is indeed the symbol of priesthood. Though smaller in its anointing compared to the garment that the church wears today, the Levitical *raiment* however, presents an obvious challenge to the practice of salvation today. Thanks to the fact that right from the word go, the inception of the Levitical *garment* was a well-choreographed undertaking in heaven so as to qualify as an event whose magnitude directly *corroborated* with the atonement for sins. Heaven then was compelled to marshal up all available resources in order to install unto Israel this particular Levitical priesthood. If there would be a place at which GOD is in the detail, then it was in the instruction that Moses received regarding the design and the making of the *garment* for the Tabernacle - the work of a skilled craftsman... (Exodus 39:1-31).

SEVERANCE

Adorning the priest with the *sacred garment* was an act that bestowed upon him a tremendous responsibility of personal *separation* before The LORD and in society. There is a direct borrowing on what The LORD intended that the Levitical *garment* impart upon the congregation at the Tabernacle, and into what The LORD intends that today’s *garment* of the church impart on the believer. Dressed in the priestly *garment*, the priests at the Tabernacle were obliged to express themselves with an air of authority that was designed to impress The LORD and the People in order to command the

difference from mere haughtiness. In order to best appreciate the veracity of the church’s *garment* today, it is prudent to retrace Israel’s footprints right from when The LORD removed them from Egyptian slavery into the Tabernacle of the *garment*. We see that as Israel was departing from Egypt, a great sense of euphoria and liberation overtook the house of Jacob, when they moved out in their respective divisions. Nonetheless, what became most interesting about their parting ways with Egypt, was the fact that it did not take long for them to soon start missing their mediocre Egyptian foods, and lifestyle. This longing for Egypt eventually developed into a point of traction and contradiction between the house of Jacob and the GOD of Jacob. Left unchecked, it was this kind of conflict with The LORD that over-stretched the wilderness worship into an agonizing bitter experience. It lasted a good 40 years of back

and forth. And indeed, this has eventually graduated into a monument from which the church today can borrow on the dangers of the consequence of *inertia* to spiritual change and conformity to spiritual slavery. The Israelites had been enslaved for far too long to reform. It is the presentation of such a scenario that compelled The LORD to institute strict *austerity* in worship (stroiker). The Hand of GOD hence became heavy on Israel in order that she may totally *separate* from her Egyptian lifestyle of sin. *Separation* then becomes the most basic of prerequisite that anyone must undertake before presenting in worship. Israel had to undergo the same cadre of *separation* in order to present before JEHOVAH in that wilderness worship. In other words, The LORD was loudly saying, that in their worldly form, there is no way humanity can achieve His worship benchmark. The calling and installation of the Levitical priesthood indeed consigns the highlight of this severance from the world, in order to present before The LORD of Hosts.

TIME TO APPEAR

Within the dynamic lifestyle that the house of Jacob adopted in the wilderness, the Israelites eventually developed a form of daily routine in their camps of their dwelling. Chief among their schedule was to hear the words of Moses, The Man Of GOD, and to fellowship at the social gatherings that they observed. It was this particular kind of casual lifestyle in the camp, that Aaron had strictly acclimatized to, even as they went about their wilderness journey. And in all that casual camp-life, nothing ever crossed Aaron’s mind that one day it would be required of him to step

up to the plate and present himself before JEHOVAH, not as a regular worshipper, but as priest. It was a movement of *respect* and almost of *fear* that would now have to compel the crowd and the rich men too, in their robes of power, to stand before this *inaugural* priesthood of wilderness! Aaron was now being called upon to transcede from a casual adherent to the *echelons* of power and leadership on matters surrounding not only worship unto The LORD, but also personnel management towards the camp life. In what became a shocking episode to the house of Jacob, it came to pass that one day JEHOVAH their GOD suddenly Spoke to Moses regarding the implementation of the Aaronic calling. Key in that divine discourse with Moses, was the manner in which The LORD Of Hosts stressed and underlined the *garment of presentation*. This assignment of a sacred *garment* to the house of Jacob, in itself scored a major turning-point in the life of Israel, let alone Aaron. With the right *holy garment* now in place, Israel would now have no choice but to worship The LORD their GOD in absolute holiness. Nothing was now lacking to achieve the standard worship as drawn by heaven. So, it can be eloquently put that there isn’t a particular single *article* that ever so radically changed the life of Israel, than did the *sacred garment*. The priesthood of Aaron had now taken such a deep hold on the nation of Israel, as to demand the attention of all. It is these specific events preceding the calling of Aaron, that particularly speak so mightily into the life of today’s *ill-dressed* church. What emerges most prominently is that the first most significant step JEHOVAH intended to execute in the way HE should be worshipped, is *separation*. Israel had to be *separated* from

Egypt into the wilderness in order to access this kind of worship. In Aaron’s calling too, *separation* from a casual lifestyle in the camp, became the true yardstick of his worship unto The LORD. And for a man that had been accustomed to living a casual life in the camp, this indeed highlighted a departure from Aaron’s ways of old. When Aaron was going about his casual life in the camp for all those years, nothing seemed to matter until the day when The LORD finally decided that he must *appear* before HIS Altar for worship. And with all due respect to Aaron’s personal lifestyle, it however one day came to bare that the time for him to *stand* before The LORD had arrived. In the Hebrew context, *standing* before The LORD, has a lot more than just meets the eye. It essentially implies *ministering* to The LORD by the act of worship. And with the dignified dispensation of the *sacred garment* now in reign, The LORD made it abundantly clear that things would not be the same again for Aaron as a person.

GLORY & BEAUTY

The first words that Moses spoke concerning Aaron’s calling, were so significant that they particularly resonate a spiritual gravity so deep into today’s church, regarding the *garment* of her *salvation*. The Heart and Mind of GOD as revealed through HIS instruction on the *garment*, essentially appeals to the *confession* of sin and a greater *denunciation* of wickedness. This is the kind of *repentance* that truly matter when one has to *appear* before The LORD.

HAVE AARON your brother *brought* to you *from* among the Israelites, along with his sons Nadab and Abihu, Eleazar and Ithamar, so they may serve ME as priests. Make sacred *garments* for your brother Aaron, to give him *dignity* and *honour*. Tell all the skilled men to whom I have given

wisdom in such matters that they are to make *garments* for Aaron, for his consecration, so he may serve me as a priest. These are the *garments* they are to make; a breastpiece, an ephod, a robe, a woven tunic, a turban and a sash. They are to make these *sacred garments* for your brother Aaron and his sons, so they may serve me as priests. Have them use gold, and blue, purple and scarlet yarn, and fine linen

By commanding that Aaron be brought to Moses from the among the Israelites, The LORD was implying that in any of HIS callings, a total *separation* from the multitude is paramount. This is what particularly defines the edge between the holder of the office of priests and the rest of the society. It is well-percievable that in the manner of The LORD’s calling over his life, Aaron was required to first acquire a *garment*. That *garment* had to be a sacred raiment which denotes the appointed official dress that is set apart for special holy services. In that way, by the order of his ranking, such a *garment* was primarily intended by The LORD to bestow upon that person *dignity* and *honor*. It portends to the fact that when anyone was still out there and living a civilian lifestyle, they did not in any way present any *dignity* and *honor* before The LORD. This is the coronation of the priestly office with inequitable level of value and worthness. It must be underlined here that by one responding to priestly calling, the *dignity* and *honor* they exuberate was indeed before The LORD and society. Furthermore, in discussing this

pioneering *impartation* that the Levitical *garment* granted the holder of the priestly office, other versions of the bible go an extra mile in presenting that divine impact as the coronation of *glory* and *beauty* upon the holder. Inferior as it was in relation to the Messianic *garment* of todays church, the Levitical *garment* evidently imparted some very noteworthy qualities upon whoever wore it. When well examined, these qualities were certainly consistent with the anointing of The LORD upon the holder of the priestly office. That first *garment* conferred upon the pulpit a stature that *presented* the priesthood without blemish. In the hope of arriving at this purity, JEHOVAH ensured that in HIS design of the Levitical *garment*, it would achieve the following:- i) a complete *separation* of the priest from the multitude in order to achieve an honorable distance both spiritual and otherwise, from the rest of the civilian population; ii) that such a *garment* would purpose to attain the required level of consecration of that person as would befit the priestly pulpit; iii) moreover, such a priestly *garment* was also entrusted with bestowing the zeal for service upon the priest. In order to develop the perfect *garment* that achieves all the above sacred qualities, The LORD JEHOVAH went further ahead to ensure that HE placed special gifts and skills upon certain individuals in order to faithfully execute HIS

A Flashback to Levitical Priesthood!

THE ANOINTING ON THE FIRST GARMENT
A Great Wake-up Call To Today’s Church

The LORD has today dispatched to the church an eminent deputation from HIS spiritual Envoy, The Holy Spirit; to confer upon her the long overdue *reformation* in the house. When The LORD instructed Moses The Man Of GOD to consult with the people upon whose lives HE had placed special Skills for the perfect knitting of the *priestly garment*, that became the most sensitive portion in the undertaking to establish worship in the house of Jacob. These became men of *integrity* whose lives had to be closely *monitored* and *directed* by The LORD in order to bring out the *imagery* of the *perfection* of what worship should achieve. And in order for them to live up-to the challenge of perfectly adhering to The LORD’s strictest *specifications* on the development of the *garment* of worship, this select few had to steadfastly hold onto the *wisdom* of GOD. The weaving of the *garment* had to be flawless in order to attain excellence in worship, *without a blemish*. At this *sensitive* time of the careful *crafting* of the *garment*, it was already well-known among the Israelites, that the dark dispensation of no worship, covering the season of their slavery, was nearly ended, and hence making them very eager to share in the national glory that would soon behold. The stronghold of slavery that had marooned their lives for quite a long time, was now waning away and hence the need to subscribe to The New Authority. We know it too well that in order to faithfully translate The

LORD’s coded blueprint on the knitting of the worship *garment*, these skilled men had to be persons with an aptitude to translate the spiritual message that was concealed within The LORD’s script as regards the *garment* of worship. They had to be of right standing with The LORD, a stature that called for an unassailable *obedience* unto HE that Sits On The Throne. This highest standard could only have been achieved among these Skilled ones through their devotion of the fear of The LORD (Job 28:28).

THE SKILFUL ONE

JEHOVAH’s ranking of events involved a careful set up of division of labour in which only specific persons were entrusted with particular tasks. Depending on the task that one were assigned, they earned a particular high honor in that society. In this regard, it is perceivable that among those that were assigned tasks in the house of Jacob, a particular *sense of aura* went with those to whom the sensitive role of knitting the worship *garment* was bestowed. It became a high calling especially considering that The LORD was in the process of establishing a covenant worship relationship with Jacob.

And Moses said to the Israelites, See, the LORD called by name Bezalel son of Uri, the son of Hur, of the tribe of Judah; And He has filled him

with the Spirit of GOD, with ability and wisdom, with intelligence and understanding, and with knowledge and all craftsmanship, To devise artistic designs, to work in gold, silver, and bronze, In cutting of stones for setting, and in carving of wood, for work in every skilled craft. And GOD has put in Bezalel’s heart that he may teach, both he and Aholiab son of Ahisamach, of the tribe of Dan. He has filled them with wisdom of heart and ability to do all manner of craftsmanship, of the engraver, of the skillful workman, of the embroiderer in blue, purple, and scarlet [stuff] and in fine linen, and of the weaver, even of those who do or design any skilled work (Exodus 35:30-35)

And just to underscore the gravity with which The LORD took the task of finely weaving the worship *garment*, nobody else was ever permitted to indulge in that activity, except only those to whom The Holy Spirit had infilled with *ability* and *wisdom*, with *intelligence* and *understanding*, and with *knowledge* and *craftsmanship*. They were meant to devise artistic designs, to work in gold, silver and bronze and in the cutting of stones for setting and curving of wood for work in everyday Skill. The LORD ensured that these men were filled with *wisdom* of heart and the *ability* to manouver all manner of craftsmanship of the

HISTORIC KAKAMEGA REVIVAL MEETING - SEPT 1-2, 2012

After saying this, he spit on the ground, made some mud with the saliva, and put it on the man's eyes. "Go," he told him, "wash in the Pool of Siloam" (this word means "Sent"). So the man went and washed, and came home seeing (John 9:6-7).

THE LORD SPAT ON THE GROUND: This lady was totally Blind for two years following a severe health condition. She was not able to go anywhere unsupported. She was held by the hand and brought to the Meeting of The LORD in Kakamega by her daughter. But as soon as the Prophet Of The LORD walked into the stadium and declared "Everybody receive you healing now", then all of a sudden, she felt soil and sand in her eyes and she felt excruciating pain. As soon as the pain subsided, this precious lady saw a lady in a white dress pass by and she then realized that she could now see. The LORD repeat the Bible in the healing of this Lady's eyes when he spat on the ground, made some mud with His saliva, and put it on her eyes and He washed her eyes and she her sight was instantly restored. Weeks before this Historic Meeting at Kakamega, The Prophet of The LORD called live on Jesus is LORD Radio and made pronouncements that a lady with straight hair would be be Mightily healed and her Blind Eyes would be opened. And indeed when she came, her straightened hair confirmed that she is about whom, the LORD had Spoken, and the LORD brought alive His Holy Words. For this to be happening in these last days, surely is a sign that the Messiah is coming! GLORY TO GOD MOST HIGH!

And she was now able to follow the MAN OF GOD THE PROPHET wherever he went...

BABY'S BLIND EYES OPEN

This precious baby was born very normal. However, upon reaching one month old, things turned soar, and the baby lost sight became totally blind. But come that bright sunny Saturday when The Prophet of The LORD walked into the stadium, and immediately declared, "Everybody receive your healing now..." The LORD opened this baby's eyes and he was able to see the mother for the very first time. And the crowd roared with Amazement, Shock and Bewilderment over what The LORD Almighty had just done for them.

He lost his eyesight 8 years ago, and was given some spectacles that did not help at all, and hence he remained blind for these years. When the Prophet Of The LORD walked in to Bukhungu Stadium in Kakamega on Septmber 1, 2012, He gave Words of Wisdom that: "... I see a young man that the LORD is opening his blind eyes and he says 'Now I can see water'" And very amazingly, these mighty words of The Prophet came to life when the young man indeed came

up to give his testimony at the Altar of The LORD. The LORD Awesomely opened his eyes, and he was now able to see very clearly, and Charles followed the Servant Of The LORD wherever he went. And When The Man Of GOD The Propet handed him a bottle of water, Charles was asked, "What is this?" and he confidently replied, "A bottle..." After giving his Glorious testimony, The Man of GOD The Prophet asked Charles

to go, find a seat and sit there, and Charles walked to where the chairs were, he found an empty seat and he sat on it. And the crowd was so overjoyed that there was a massive explosion of Celebration, Julilation and Felicitation! Halleluhia!

AUGUST 9, 2012 PROPHECY

In the night of August 9th, 2012, the LORD GOD ALMIGHTY Spoke to me about the meeting that was coming up in Kakamega. The LORD Said that this meeting was going to be very very mighty and historic. HE Showed me a lot of cripples getting up and walking, the Blind eyes opening, the deaf ears popping opening, the mute speak, paralytics walking, the lame walking, the spinal cord injuries healed, broken hips healed, broken knees healed, broken ankles healed, broken necks and broken skulls healed and the LORD fuses broken bones and at the same time, I saw bleeding diseases stop, tumours dissolving, cancers disappear from the blood and from the system, diabetes, leukaemia, and the LORD take away death from the blood. In that revival meeting of Kakamega I also saw instant drying up of very severe wounds, babies walking for the first time, babies born blind healed and their eyes open and deaf ears pop open. There was one particular healing that the LORD highlighted to me. This stunning healing was the stretching of a shrivelled hand. I saw the fingers stretching and becoming normal. The LORD was going to create new fingers and bring a Miracle of Creation in that meeting of Kakamega, and create a hand. I immediately called Jesus is Lord radio live which covers the entire globe and I gave the finest details of these healings that THE LORD was coming to Bless the land with. And after I had given every detail about what the Lord had spoken

In the prophecy given by the Man of GOD two months prior to the Revival Meeting in Kakamega, the Prophet Of The LORD had seen in a dream, the LORD stretching the hand of someone with shrivelled han. And sure enough, come December 1, 2012, this young girl was stuned when she felt someone pulling her short shrivelled hand and made the two hands equal. The Power of The Blood of JESUS!

tobe about, I finished by saying that "Blessed is the nation that is visited at this hour when the Messiah is preparing to come. The hour of Purification in the church. The LORD is bringing purification in this land with a lot of love by bringing massive healing to assert HIS authority, Supremacy and Majesty over the church. HE is bringing joy unspeakable in the church. He is making salvation sweeter and nicer. He is exalting the church, elevating the church and renovating the image of the church right now. Blessed in the nation that the LORD visits in this final days, because we know that in every visitation of the LORD, there is a purification of the church. There is the re-orientation of the church. The LORD is going to coming to visit the land is tremendous historic Glory. May those who have ears prepare in righteousness for the coming of the Messiah. May you be able to perceive that these things are happening that the church may prepare for the coming of the Messiah. Shalom.

THE VISITATION

Come the much anticipated day on that Friday December 30th, 2012, buses, minivans and cars waved their way into the city of Kisumu. Many came with the assurance that problems, trauma, and life threatening conditions that they were carrying with them, into this meeting would be *bartered* for sound health, peace and provision. This meeting was to them the ground-zero that re-energized and rejuvenated them, to their next level in life. They were well aware that even though they had tried to graciously manage their challenging circumstances at hand, only the LORD could afford them victory. Even though they endured dramatic emotional response to the agony they underwent; there were disciplines that they had developed which matured them in their christian life that helped them deal with these present ailments and disorders that they were experiencing some for as long as they could remember. Nevertheless they built the framework of their faith in Christ recognizing with confidence that all their ailments had finally come to an end as long as they got to this Revival Meeting, because the LORD had appointed to meet them following the prophecy given. The ardent devotees much appreciated the fact that they were already victorious through their numerous adversity now that the Mighty Prophet of The LORD had laid His feet on that land as they held through the resilience struggles. Nevertheless, the saints never let these temporary sorrows conquer them as they rested on the fact that the grace of the LORD towards life and humanity shown by

engraver and of the Skilful Workman of the embroiderer and fine linen. To only these few among the Israelites did The LORD confide HIS secret *wisdom* for *garment*-making, that none-else may ever replicate any form of garment making that is not divinely directed. Only these Skilful few such as Bezalel, son of Uri could be able to read the spiritual encoding underpinning the *garment*-making process and its specifications (Ex. 39:1-25).

By this the Holy Spirit points out that the way into the true Holy of Holies is not yet thrown open as long as the former, the outer portion of the tabernacle, remains a recognized institution and is still standing. Seeing that that first outer portion of the tabernacle was a parable, a visible symbol or type or picture of the present age. In it gifts and sacrifices are offered, and yet are incapable of perfecting the conscience or of cleansing and renewing the inner man of the worshiper. For the ceremonies deal only with clean and unclean meats and drinks and different washings, mere external rules and regulations for the body imposed to tide the worshipers over until the time of setting things straight, of reformation, of the complete new order when Christ, the Messiah, shall establish the reality of what these things foreshadow—a better covenant (Hebrews 9:8-10).

When heaven bore this testimony to The Holy Spirit, men perceived it not because their eyes had never been turned in faith to HIM that is Invisible. Hence they beheld not the Glory of GOD that was to come. And yet as The LORD ministered to them regarding

the *knitting* of this Levitical *garment* of worship, much was availed on the coming of The Holy Spirit and HIS workings in the church. In the assembly of the Tabernacle then, they hence knew it not that The LORD was as a matter of fact foretelling on the coming of The Blessed One, The Holy Spirit; and the Authority HE would wield in the *restoration* of worship. Never did The LORD ever entrust anyone else on the making of the *garment*, except these few Skilful Israelites to whom *wisdom of heart* and ability had been given. It must be mentioned here that *wisdom of heart* is a totally different phenomenon from the wisdom of mind. The beauty of it all is that during His time, Moses The Man Of GOD, faithfully consulted accordingly with the Skillful men, and the Israelites hence faithfully obeyed the instructions of The LORD, thereby laying down those specifications onto the *raiment* of the Tabernacle.

TABERNACLE WORSHIP AND THE CHURCH

The church today can do with a lot of learning from the manner in which the Levitical *garment* was prepared

in order to install a high worship in the Tabernacle. Reference should be primarily focused on The LORD's Command that was handed down to Moses so as to achieve that glorious worship, and how he faithfully prepared the *garment* of worship. In order to make significant spiritual gains in worship, today's believers should therefore pay specific attention to that original practice of *garment knitting*, with particular emphasis to The LORD's *specifications*. For instance, it is plausible to note that the twisted ephod made of gold, blue, purple and scarlet yarn, the sash, the fashioned breastplate mounted with four rows of precious stones containing ruby, topaz, beryl, turquoise, sapphire and emerald; ALL BROUGHT IN a special spiritual crescendo of fragrance in the worship at the Tabernacle. The garment finishings such as the embroideries and engravings too, made their special contributions to the worship unto JEHOVAH.

Considering that such a *garment* preparation task was quite challenging, including having the skilful art of cutting fine precious stones and carving of wood for work in every skilled craft, THEN the following qualities must have been extremely important; vivid *ability*, *wisdom*, *intelligence*, *understanding*, *knowledge*,

and all form of craftsmanship in order to artistically devise the design, and work with gold, silver, bronze and fine linen. However, it is the SWEEPING GLANCE of all these super excellent qualities, that is particularly most revealing to today's church. Considering the rank of the *artisans*hip, that The LORD was referring to, then ones mind can only be *kindled* to The Supernatural Being of The Holy Spirit. This is because it is actually not humanly tenable to achieve the spectrum of the required super-qualities for sewing forth the kind of perfect worship *garment* that The LORD specifically prescribed. HE described a glorious *raiment* that is without blemish. Incredibly so, it is now clear that embedded within the instruction on making the first worship *garment*, was the novel Calling of The Holy Spirit. By carefully instructing on how to make the *garment*, The LORD was essentially alluding to The Person Of The Holy Spirit, Whose coming would deliver the church into a higher dispensation of worship; a season in which the worship in the most Holy place in the Tabernacle, would be literally elevated into a spiritual worship in the Holy of Holies of heaven. Endowed with such enormous qualities of excellence for crafting the spiritual *garment* for the church, The Holy Spirit ushered in to the body of Christ a super deputation of authoritative and powerful worship. Moses on His part, had carefully *listened* to the oracles of The LORD regarding the *garment*, and instituted a major *consultation* with the Skilled men on how to go about it. The final product of that *obedience* was a beautiful crescendo whose fragrance of high worship pervaded the Holy of Holies in the Tabernacle, causing the glory from heaven to descend. Going by this, it can be clearly seen that the coming of Christ The Messiah was

THE GLORY OF THE LORD DESCENDED VRY MIGHTILY AND SLAYED VERY MANY PEOPLE / Kisumu Mega Revival January 2012

long foretold within the Tabernacle worship. The worship by the high priest in the Most Holy Place, with blood in his hands, became a paramount demonstration of just what Jesus The Messiah was about to do with HIS own blood into the Holy Chambers Of JEHOVAH in heaven. It is a foreshadowing that implied a more superior worship in which now The Messiah Himself would have to anchor the inner man of the worshipper into the Holy of Holies of GOD'S Throneroom in heaven. The souls of the christian believers would now have to be highly secured from wafting away adrift. With all these now well said, the question then becomes, HAS TODAY'S CHURCH OF CHRIST SURELY LEARNT ANY LESSON AT ALL FROM THE FIRST TABERNACLE WORSHIP? It must be remembered that for a high glorious worship to have been attained in the Tabernacle, it was absolutely imperative that they *listen* to the instructives of The LORD, and consult the *Skillful* Israelites.

While it may be undeniably true that today's church has been weighed down by the full

course of her own episode of the "Egyptian slavery", it however does not justify her callous conduct at worship. As a result of this, The LORD has today decided to dispatch special instruction of revelation regarding the requirements on the worship *garment* for this hour. Unfortunately though, a careful evaluation of the church's worship demeanor reveals a tragic state in which today's body of Christ has not only failed to adhere to GOD'S spiritual protocol, but also totally ignored its requirements thereof. It is state that if not well corrected, defines doom to the believer since only a strict devotion to GOD's instruction led the Tabernacle worshippers to attain their glorious *garment* for worship. Certainly, the church today has not *listened* to the oracles of GOD's instructions regarding the specifics on the spiritual *garment* for worship. Likewise, neither has the present-day church consulted carefully and wisely with THE SKILFUL MAN, THE HOLY SPIRIT, who has today been deputized to help her craft and design the beautiful *garment* for high worship at this hour.

THE PRIESTHOOD OF CHRIST GARMENT OF MELCHIZEDEK

When the Prophets of old saw a glimpse of HIS dispensation, they marvelled at the glory it beheld! The coming of the Superior Priesthood of Christ The Messiah was long foretold, including the tremendous exploits it would yield into the eternal Kingdom of GOD, over and above the Levitical calling that was riddled with weaknesses. However, like the priesthood that unveiled in the Tabernacle of Moses, Christ's Priesthood had also to be directly appointed by the GOD of Israel Whose Reign lives on forever and ever. This is what made the Messiah's Priesthood more Superior.

Besides, one does not appropriate for himself the honor of being high priest, but he is called by GOD and receives it of Him, just as Aaron did. So too Christ the Messiah did not exalt Himself to be made a high priest, but was appointed and exalted by Him Who said to Him, You are My Son; today I have begotten You; As He says also in another place, You are a Priest appointed forever after the order with a rank of Melchizedek (Hebrews 5:4-6)

When the fullness of time had therefore come, The LORD Of HOSTS decided to establish the Priesthood of Christ Jesus as a more superior office, than was in the Levitical setting. JEHOVAH deemed it fit to follow some of the protocols that were observed in the Tabernacle of Moses, in order to unveil unto mankind the foreshadowing that it presented. As The Messiah was called, HE too had to be separated from the multitude following HIS appointment, and in order to do GOD's work of *sacrificing* before the Throne of The Creator. Nevertheless, the superiority and supremacy of Christ's Priesthood soon emerge when The LORD in heaven decreed that HE is Priest forever in the order of Melchizedek. Unlike the weaker Levitical

Priesthood, in which the high priest had to sacrifice to atone for his own sins, and that of his household first before sacrificing for the sins of the people, The LORD was now saying that the Priesthood of The Messiah would be so superior since The LORD was without sin.

Daniel's Manuscript

But that which was greater than all miracles in Christ's priesthood was HIS firm reliance upon the sinless stature of HIS Calling. It is a Superiority that could not be controverted in any way or form, as HE set out to install the new order of priesthood. Nowonder, Daniel The Prophet who had foreseen the dispensation of The Messiah's Coming, commanded in his manuscripts that HIS Holy and Righteous stature be awarded *pure gold*. The Magi having read those written signs, indeed presented purified gold, myrrh and frankincense at the Feet of The LORD in that most symbolic act ever seen. Purified gold represents the sanctified holy and sinless Deity and Divinity of the Messiah. It is this sinless entry into the earthly scene, and the sinless exit at resurrection that particularly exalted Christ's Priesthood way much higher above the Levitical priesthood. By gateway of baptism, Sonship with GOD became pronounced upon all that received

and believed in Christ The Messiah. And because Christ came to exercise divine power to bear trial as we must do, HE left believers as sons of GOD, as a lasting example of what faith and submission could achieve. It is this sonship that brought about the right to a heavenly inheritance among the believers. In so doing, the church too became called into a priesthood in the order of Christ Jesus.

It is a priesthood that bestowed upon the church the worship *garment* of eternity, especially that Christ The Messiah HIMSELF was now Priest of GOD Most High,

design for the *garment*.

eternally. By entering into the office of the High Priest in the order of Melchizedek, Christ The Messiah then had to wear the superior *garment* of Melchizedek. This is the exact *garment* that The LORD adorned at the graveyard after resurrection, and hence clothed the church with it as HE left on HIS way into the Kingdom of HIS Father. And if the church today indeed wears the eternal *garment* of The Messiah, then by all means it sheds a new *light* into the cadre of Priesthood that the body of Christ ought to present at this hour.

For every high priest chosen from among men is appointed to act on behalf of men in things relating to GOD, to offer both gifts and sacrifices for sins. He is able to exercise gentleness and forbearance toward the ignorant and erring, since he himself also is liable to moral weakness and physical infirmity. And because of this he is obliged to offer sacrifice for his own sins, as well as for those of the people. Besides, one does not appropriate for himself the honor of being high priest, but he is called by GOD and receives it of Him, just as Aaron did. So too Christ, the Messiah, did not exalt Himself to be made a high priest, but was appointed and exalted by Him Who said to Him, You are My Son; today I have begotten

You; As He says also in another place, You are a Priest appointed forever after the order with the rank of Melchizedek (Hebrews 5:1-6).

Operating in the *garment* of Melchizedek requires that the church exude forth the same level of supremacy as does The Messiah, especially in the face of this dark world. NEVERTHELESS, today it is an open secret that the Body of Christ operates at

a much lower level than even that of the weak Levitical congregation, let alone the first church. The question then becomes, WHERE DID THE RAINS START BEATING US FROM? To best understand the magnitude of this apostasy in the present-day church, it is most beneficial to once more refer back to the quality of anointing that the weaker Levitical congregation presented, *vis a vis* the current spiritual conduct of the church.

Anointing in the levitical Priesthood

POWER OF THE TABERNACLE GARMENT

Looking at the old Tabernacle of Moses, humanity saw a face where divine compassion was blended with the conscious power of GOD. Every glance of the eye and every feature of its countenance was indeed marked with humility that was expressive of an unspeakable love of GOD upon Israel. The Tabernacle of Moses came from a slave community, in poverty and humiliation that it might teach the church an example of what their Redeemer would look like. Had it appeared with the kingly pomp that the world craves for today, how then could it have taught the church humility? How then could it have presented such cutting truths to today's church as in the sermons of Moses? Considering the current state of apostasy in the church of Christ today, it becomes absolutely very critical for the body of Christ to return to the basics and

begin to retrace the footprints of the righteous path that was originally charted by GOD. When The LORD adorned the Levitical priesthood with the precious garment of worship, HE at the same time defined the colours of the cloth that would be used as Temple Curtains, and especially in the Most Holy Place. In so doing, JEHOVAH The GOD of Israel did not simply cloth the priesthood alone, but also dressed up the congregation of worshippers. This is the only way in which The Almighty ensured that both the clergy and the congregation were worshipping from the same page of The LORD's hymn book. However, a careful consideration of the impact of that first worship garment, reveals that it was indeed very heavily loaded with the first anointing of The LORD. It is that precious

He was brought unconscious from hospital by a good samaritan who carried him on this blue mat. The LORD had Spoken to The PROPHET OF THE LORD two months before the Meeting, about someone bringing a blue mat to the Altar. Shockingly the mat is written "BLUE". This young man still connected to a hospital catheter, did not know how he came to this meeting. As the meeting was ending, he heard the PROPHET OF THE LORD saying, "...the blind eyes are opening, the deaf ears are opening, the cripples are walking..." and he felt someone shake him very vigorously, and suddenly felt very strong, and he got up and was stunned at the humongous multitude like he had never seen before. Looking at the old Tabernacle of Moses, humanity saw a face where divine compassion was blended with the conscious power of GOD. Every glance of the eye and every feature of its countenance was indeed marked with humility that was expressive of an unspeakable love of GOD upon Israel. The Tabernacle of Moses came from a slave community, in poverty and humiliation that it might teach the church an example of what their Redeemer would look like. Had it appeared with the kingly pomp that the world craves for today, how then could it have taught the church *humility*? How then could it have presented such cutting truths to today's church as in the sermons of Moses? Considering the current state of apostasy in the church of Christ today, it becomes absolutely very critical for the body of Christ to return to the basics and begin to retrace the footprints of the *righteous path* that was originally charted by GOD. This is the only way in which The Almighty ensured that both the clergy and the congregation were worshipping from the same page of The LORD'S hymn book. However, a careful consideration of the impact of that first worship *garment*,

reveals that it was indeed very heavily loaded with the first anointing of The LORD. It is that precious first anointing that indeed defined the spiritual conduct of the priesthood, of the day. Now, going by the state of desolation that we see in today's church of Christ, there is definitely a lot that the present-day body of Christ can learn from in view of the behaviour of the first priesthood in the Tabernacle. Upon the calling of the first priesthood (Aaron) The LORD was categorically very specific on what that anointing would achieve. HE began by clearly spelling out to Moses that a *sacred garment* should be prepared for the priesthood to wear. And that it would be upon the wearing of that holy *garment*, that they would achieve that anointing in order to operate in the priestly office of The LORD. Sure enough, we see it clearly that when Aaron was finally adorned with the sacred garment, it essentially bestowed upon him certain qualities that may be of extreme importance to the church especially at this hour. Since we know that the Levitical priesthood indeed wore a weaker *garment* than does the church today, then this entire discourse reviewing some of the major gains that the first priesthood achieved against the current apostasy in the body of Christ, becomes nothing less than a serious indictment to the house of The LORD today.

And you shall make for Aaron your brother sacred

garments appointed official dress set apart for special holy services for honor and for beauty (Exodus 28:2).

Set Apart

To the body of Christ, however, it initially seemed unimaginable that the first calling of priesthood designated by Moses would be finally associated with such a lofty anticipation and benefit at this hour in the church. But, going by the awesomeness of what the Tabernacle *garment* achieved, we have no choice but to look back and see where exactly things went wrong for the church. What emerged most vividly clear is that the *garment* of priesthood in the Tabernacle bestowed upon the holder, the appointment of GOD over his life

first anointing that indeed defined the spiritual conduct of the priesthood, of the day. HE began by clearly spelling out to Moses that a sacred garment should be prepared for the priesthood to wear. And that it would be upon the wearing of that holy garment, that they would achieve that anointing in order to operate in the priestly office of The LORD. Sure enough, we see it clearly that when Aaron was finally adorned with the sacred garment, it essentially bestowed upon him certain qualities that may be of extreme importance to the church especially at this hour. Since we know that the Levitical priesthood indeed wore a weaker garment than does the church today, then this entire discourse reviewing some of the major gains that the first priesthood achieved against the current apostasy in the body of Christ, becomes nothing less than a serious indictment to the house of The LORD today.

And you shall make for Aaron your brother sacred garments appointed official dress set apart

for special holy services for honor and for beauty (Exodus 28:2).

Set Apart

To the body of Christ, however, it initially seemed unimaginable that the first calling of priesthood designated by Moses would be finally associated with such a lofty anticipation and benefit at this hour in the church. But, going by the awesomeness of what the Tabernacle garment achieved, we have no choice but to look back and see where exactly things went wrong for the church. What emerged most vividly clear is that the garment of priesthood in the Tabernacle bestowed upon the holder, the appointment of GOD over his life and an official capacity. And when The LORD Says, "An official dress set apart for special holy services..." then we can clearly see that HE vividly intended that, upon wearing that sacred garment, a unique anointing would befall the bearer of the priestly office and automatically cause him to be separated from civilian life. We must absolutely be reminded here that the phrase 'set apart' as employed by The LORD, essentially denoted consecrated and separated as holy unto The LORD. So, if the power of the

anointing of the weaker first garment of the Tabernacle was so much that it indeed succeeded in setting apart the holder of the priestly office from the rest of the civilian population, then how much more powerful should the anointing of the Messiah after whom today's church walks! How much more powerfully then should the garment of Melchizedek that the church adorns today, have separated the pastors of today from the rest of the world? It is this kind of flashback that would trigger a wake-call to the church in order that she may recognize the highest calibre that her calling presents, and hence rise up to that stature. The humility and self-sacrificing love, that are today often so little valued among men, are the ones that are exalted as alone being of worth, when the anoint on

the garment fell on the beholder. How come then there is such a sharp contrast between the *power* of the first *anointing* and what goes on in the church today? In this day and age, we see that the contrary situation has developed not only at the pulpit but most importantly across the entire body of Christ. The holders of the priestly office of this day, surely lack humility and are absolutely self-loving to the extent even at the expense of the gospel. The value addition that *separation* brings into worship cannot be over emphasized since it is one single aspect that crowns the calling to be a christian with impartiality on the matters of christian living. It injects in a sense of independence from the world because in any case, there is nothing on which to please the world. The LORD is calling the church at this hour to remember the sacrificial sacrifice of Christ's work that they too may be worshippers who offer themselves as a suffering sacrifice to the conquering

King. The King of Glory conquers us from the world in HIS amazing redemption upon humanity. When The LORD Jesus was baptized in the Jordan, a new *light* was shed upon the Messiah's work owing to HIS being *set apart* into the wilderness for forty days and nights. After that wilderness encounter, almost impatiently, the people wanted to hear the Saviour declare to them that HE was the Messiah. Even as heaven bore testimony of HIM upon baptism, The LORD still mingled with the disciples of John The Baptist, and hence giving no outward evidence of HIS special mission, and taking no measure to bring Himself to notice. This is despite the massive treasure of *anointing* that HE carried for the redemption of man. Such was the *narrow road* and *humble stature* that the Levitical priesthood took within the Tabernacle of Moses. And by this, The LORD is asking the church to follow this *narrow road* in order to emulate that treasured *humility*.

Priestly Dignity & Honor

With intense interest, The LORD watched the *sacrifices* offered by Adam and his sons after the fall and HE saw the desperation of mankind thereby having pitying them. The LORD later discerned that there was need for the *restoration* of *sacrifice* as a symbol of communion between the earth and heaven. Owing to that, HE then decided to restore *sacrifice* in a step-wise gradual process that would eventually bring worship into revealing as HIS love offered to HIS people for *restoration*. And because of the central

role that worship would play in restoring the relation between fallen man and GOD, HE equally decided that the priests who would preside over worship, hold high position in society. That is the premise by which The LORD decreed that the anointing of the priestly *garment* bestow upon the holder *HONOR*. In other words, The LORD was implying that in view of the gravity of what worship stands for before HIS Throne, the *garment* of the Tabernacle would place on the priest a strong *moral* character of strength, and adherence to ethical principles, great *respect* and *admiration*, personal *dignity* that would lead to obvious *recognition* and *glory*. The intended *net-effect* was that out of the towering stature of the priesthood, men would be led to *fear* The LORD as one who delights in their worship. When The LORD told Moses to prepare the *sacred garment* for Aaron, HIS intention was that when Aaron would be fully dressed in the worship *garment*, Aaron would have to command respect and glory and become a source of pride unto The LORD because of the heavenly gift and award bestowed upon his life. By that, JEHOVAH intended that the

priesthood be a symbol of *high achievement*, with a good *name* and *reputation*. Without a doubt then, the calling of the Levites became a special privilege that was highly cherished, and admired for they served a worthy cause in society. That also became the reason for which the Levitical priesthood carried the day as a code of integrity in the Israeli society. Society looked upon them as both the rod of correction and guide for the nation. The glory and peace of heaven and the joy of communion with GOD, ascended the priestly calling to a certain high degree of *DIGNITY* with which they were regarded by the people they served. The more The LORD continued to communicate with humanity through these men of the cloth, the more they were honored and received official recognition publicly as a symbol of their elevated status. This title hence attracted a lot of public praise to which people paid respect as being prestigious since their lives were based on admirable credible reputation of *righteousness*. Israel indeed gave tribute to the office of the priest.

From the time of Adam and the fall of man, self-indulgence had hyped-up the power of the appetites and passions for worldliness, until they had almost gone into unlimited control. Thus men had become debased and diseased, and of themselves it was virtually impossible to overcome these vices. It is therefore in man's behalf that The LORD established the office of the Levitical priesthood in order to conquer the gap that had developed between HIMSELF and ailing man. It is for that reason that when the office of the

priesthood was installed, it was essentially shut in by The Father's Glory within the Most Holy Place and absorbed in communion with GOD. The LORD uplifted the priest beyond human comprehension. Valiantly raised in such manner, HE hence decreed that the official priestly *garment* would wield such powerful anointing as to bring *DIGNITY* unto the holder and The LORD HIMSELF. To walk in *dignity* essentially implies being the holder a proper sense of self-respect, seriousness, and respectful sense of formality in a person's behaviour and bearing. It also refers to the condition of one commanding *esteem* and *honor*. Up the line, dignity also refers to one holding a high rank and position of honor. The one to whom these qualities are assigned, is often defined as a *dignitary*, which essentially means that they command *decorum*. We can now clearly see that when The LORD hence established the office of the Levitical priesthood in Exodus 28:1-5, HE must have surely intended that the shepherd be decorated with the level of *correctness* that is socially expected of him. This was specifically

calculated by The LORD to ensure that the priestly office went into operation to exhibit the following *FINEST QUALITIES* that define dignity; distinction, stateliness, seamlessness, majesty, good manners, good behaviour, modesty, responsibility, respectability, demureness, etiquette, peculiarity, merit, excellence, honor, fineness, superiority and quality. When human strength had failed, and their will-power greatly weakened, and faith ceased to *repose* in GOD, then the priesthood now stepped-in, and stood strong and *valiantly* for *righteousness*, in order that the original *flawlessness* that was hatched out in the garden of Eden may be regained. All these seriously point to the fact that JEHOVAH had planned it so well that the *sacred garment* of the anointing bestow upon the priest excellence in worship and gift, to atone for sins of the people, as the hallmark of their calling. What an incredible spiritual design that The LORD laid down to ascertain that the shepherd's office be the most outstanding in society!

The Priestly Glory

And thou shalt make holy garments for Aaron thy brother for GLORY and for beauty (Exodus 28:2; KING JAMES)

Based on the *marred visage* that sin had imposed on the face of mankind, GOD Almighty looked upon man with so much pity and mercy to the extent that HE decided to set up a priestly office that would be covered by his *GLORY*. The glorious operations in the Most Holy Place demanded that the priest be a partaker of

GOD'S glory. And that is the reason The LORD Commanded Moses to prepare a *sacred garment* that would give the priest *GLORY* and *beauty*. If this is the case then, just going by the conventional definition of *GLORY*, we can already get a sweeping glare for what The LORD intended the appearance of the priests to look like when dressed in the *sacred garment*. For one to wield *GLORY*, they **MUST** exhibit tremendous magnificence, splendour, wonder, grandeur, brilliance, brightness, intensity, vividness, luminosity, radiance, lustre, contentment, pleasure, gladness, cheerful, joy, bliss, delight, exhilaration, excitement, elation, high spirit, animated and happiness. How artfully The LORD designed the calling of the shepherd! One can almost read into the Heart of The LORD, of how much HE loves the sheep of HIS flock that the shepherd may be of such stunning stature before man, and before HIS Throne. Thus far high was the keeper of the pulpit intended to be, to the extent that he would exude all values that go with *GLORY*, including *fame*, *admiration*, and *honor* that is accorded to anyone who does something very important. The priestly practice was hence intended to confer praise and honor to the holder and hence The LORD. And because the sacred *priestly garment* had sufficient anointing to bestow *GLORY* upon the shepherd, then we

can only imagine that the life of the shepherd must have been full of praise and thanksgiving as his act of worship to JEHOVAH. *Majesty and splendour, wonder and joy* that idealize the beauty and bliss of heaven were supposed to be the countenance of the life of the Levitical priesthood. It basically emphasizes that the shepherd's lifestyle was designed in such a way that it should, by default underscore the quality of being great, grand and very impressive. It was also meant, as a matter of fact, that the custodian of the pulpit be somebody of great richness that indicates an undepletable kind of wealth that surpasses all human wealth. GOD Almighty abundantly provided for them faithfully. And in this first priesthood was placed such excellent qualities to the extent that whosoever was called into service, by default exuded *brilliance* and a dazzling *brightness* that especially *beamed* out his exceptional *ability, skill* and *success*. It was this level of imposing splendour in the life of the

Levites that crown them with *joy, energy, good health and discernment*. Therefore by design, the Tabernacle *garment* was intended to allow the priest to enjoy the *favour* that he had with The LORD. This is why that first priesthood operated in *happiness* and *excitement*, which was combined with a heightened sense of well-being. If beauty is defined by a combination of qualities that makes something pleasing and impressive to look at and listen to, then *elegance, perfection, exquisiteness, and magnificence*, must have been the hallmark of the Levitical priesthood.

WAKE-UP CALL TO THE CHURCH

Behold, The Hour for Repentance in the Church

Dressed in their *sacred worship garment*, the Levitical priesthood fulfilled every requirement of worship with a strigent sense of compliance to the ordinance of The LORD, concerning priestly *conduct* and *sacrifice*. Utmost *reverence* for The LORD was a key feature in their worship practice and strictly observed at the pulpit and outside. The fear of the LORD reigned big to the extent that bells were tied at the *hem* of their *garments* whenever they accessed the Ark Of The Covenant. This was designed as a safety measure in case the high priest had not well prepared to appear before the LORD, and the wrath struck. Their fear of The LORD remained virtually untainted based on the glory of The LORD that descended in honor of their lawful worship.

Then the cloud [the Shekinah, GOD's visible presence] covered the Tent of Meeting, and the glory of the LORD filled the tabernacle! (Exodus 40:34).

However, the irony is that, in all its *nobility* and inherent weaknesses, the Levitical anointing appears to present a very serious challenge to the worship practice in today's church. It is as a matter of fact, an extremely loud wake-up call being *echoed* to the present-day body of Christ. All this is courtesy of the defiled sacrifice that is today being *fronted* before The LORD by the church. It is a fall that has mutated into an *affront* to the established worship code of The LORD and the sacrificial Blood that was shed at Calvary. If there was a time at which the Precious Blood of Jesus and the remedying grace was ever subjected to such an enormous unpresidented challenge of abuse, then it is now. *Desecration* has become the order of worship today, as priests and sheep alike blatantly *flout* the sacred law of The LORD. They *insolently* disobey The Creator and publicly *wallow* in sin. No one from either side of the aisle seems to bother about the sacred requirements of the LORD regarding *purity* of worship. As it is at the pulpit so it is in the congregation. Hence the decayed image of the congregaton is a form of the inward of the pulpit. *Decifering* the exact elements of spiritual decay that has today devastated the church this much, will continue to play a more central role in getting the church back to reformation. However, only a *repentance* reformation weilds the capacity to restore the church back to her rightful bearing towards heaven. This is what will serve the means by which it will be possible to identify exactly at which place the *rains* started beating us, and when exactly the church *parted* ways from The LORD.

THE FIRST GLORIOUS CHURCH

A Case For Reformation

Right from the onset though, it must be said that despite being the *custodian* of the most glorious *garment* of all ages, today's church of Christ has not only fallen much lower in *ranking* than the first church of the apostles, but also lower than the weaker Levitical *anointing* that *throbbed* in the Tabernacle of Moses. It must be remembered that the Aaronic anointing was *encased* inside the Ark of The Covenant of GOD, where it was heavily flavoured with the awesome *favour* of YAHWEH. This is what led to its heavy budding and the *blossoming* of Aaron's Rod as a testament to GOD's approval over his priestly practice. The first

BLIND EYES OPEN FOR THE FIRST TIME SINCE BIRTH / Kisumu Mega Revival January 2012

inaugural church of Christ equally came into the spiritual landscape with a new and much more elevated angle of this *blossoming*. Had the first church of the Apostles submitted to the *infuriating* intimidation of the dark world, there is no way she would have scored such a beautiful testimony unto The LORD. They were significant gains of such spiritual magnitude, that they today seriously *haunt* the present-day church. That most coveted first church that The LORD left behind, must have fully observed every instruction of the New Covenant of Grace, to the extent that she exercised such divine power for the benefit of the gospel. She indeed stood *undaunted* before the nations and faced the world with infinite *power* of the glorious *garment* of salvation, that she had just received from on high. That primitive first church at which the Apostles served, then exuded such an act of creative worship *power*, to the extent that it later evidenced to the *divinity* that The LORD had just released from the Calvary resurrection. By refusing to concede to the irritating demands of the enemy, the first church to which the *garment* of glory was handed down, indeed worked for the good of the Glory of GOD by ensuring that their ministry unto the nations was kept virtually unblemished. That is what glittered their gospel totally *glorious, sparkling, dazzling, radiant, stainless, wrinkleless, spotless* and visibly positioned for all to see. As a result of their unblemished resolve, GOD Almighty chose to reach out for the hand of faith in their hearts, to direct it and lay fast hold upon the Divinity of Christ in them, that they may attain perfection of character. That stature of perfectness in character was well celebrated. JEHOVAH saw their unassailable faith and literally took hold of the outstretched hands from their hearts, and turned it around, and used those hands to touch the inner person of Christ that been raised in their souls! Strengthened with the memory of the price on the Cross, that beautiful first church rested her work on the fear of the LORD and would not *parley* with the temptations of this world. They preached a sound doctrine of

repentance through the Cross and deliverance through the Power of the Blood. In this way, *righteousness* became their defender. The begging question then becomes, how about today's endtime church whose anointing we so understand should have by far out-matched the inaugural first church??

Then Peter said, Silver and gold have I none; but such as I have give I thee: In the name of Jesus Christ of Nazareth rise up and walk. And he took him by the right hand, and lifted him up: and immediately his feet and ankle bones received strength. (ACTS 3:6; KJV)

It is this kind of dignified scripture that testifies time and again, on the invaluable anointing that the first primitive church wielded in order to fully separate from the devil's niggling enticements. This enabled her to observe the consecrated life of Christ won at Calvary. We can elaborately see that it was indeed The Holy Spirit's purpose to cause that first church to separate out from the excesses of this dark and evil world. That most treasured decent church had come to live among men and do *exploits* for the *harvesting* of souls, and yet also solely depend on the word to declare her divine connection with heaven. Her right to the heavenly sonship indeed towers very high todate. If there were to be a place at which to exhibit

PREPARING THE CHURCH / Pastors' Conference in Maraquay, Venezuela, 2012: The Man of GOD told the church in Venezuela to prepare the glorious garment of Righteousness / TIME IS OVER!

the enormity of the Power in the Anointed *garment* of the first glorious church, then that place would be found in this *gracious* scripture of ACTS. This beautiful scripture denotes an open protest that the ministers of the first church staged against the excesses of this world. This spiritual phenomenon is what unalls today's conventional school that asserts for the acquisitions of financial wealth in the church. Worse more for the gospel. It attests to the fact that they clamoured for financial gains and yet DID NOT do tremendous exploits for the Kingdom to come. On the contrary, one wonders whether such a *distinguished* testimony can be said of today's church! By this virtuous policy of *separation* from contamination, the first church of Christ without a doubt, gained the victory over the sinful world. Upon her firm reliance on severence, the Apostles gained unqualified favour from The LORD, and the subsequent wonderful works of miracles on the LORD'S own behalf. The question then becomes, wouldn't today's church do with this well deserved *reputation*. An endtime church like that of today, would be able to sustain her claim of salvation by the testimony of the *wonder* workings of miracles of Christ in her midst. That is the only way she would be able to shrug-off the nugging claims currently levied upon her by the Satan.

Today's Preaching of Prosperity

Right now, it is absolutely obvious that the church today has greatly deviated from preaching the One and Only true precious gospel of the Blood and the Cross, which was hard won from the historic *Calvary travail*. Pain, anguish, depression, torture, abuse and extreme rejection were the hallmarks of that purchase at Calvary. Unfortunately though, the current detour by the house of The LORD implicitly declares that the church has today ceased to feed on *manna* from heaven and hence proceeded to live by the perishable bread of this earth. She has not heeded every word that proceedeth out of the mouth of the LORD.

And he humbled thee, and suffered thee to hunger, and fed thee with manna, which thou knewest not, neither did thy fathers know; that he might make thee know that man doth not live by bread only, but by every word that proceedeth out of the mouth of the LORD doth man live. (DEUT 8:2-3; KJV).

And yet this perversion of the new law has become a very risky undertaking, because the present-day church has entered into a jingerly dispensation at which she ought to be preparing herself for the glorious return of The Messiah. Regrettably, it is at this sensitive hour that today's believer is experiencing her greatest weakness at

Change IN THE Gospel

which she is being *assailed* by the fiercest of the enemy's temptations from all quarters. The object of this massive wave of assault is that she may desert Christ her Redeemer! Nevertheless, what today's body of Christ has not well perceived, is the fact that disputation is the name of the game for as long we are

still here on this planet earth. She should have resisted the temptation put forward by the adversary, not to rush for the easy 'earthly gains'. This is because any compromise with the enemy's seductive schemes will always lead to eternal damnation, as *righteousness* ceases to be the believer's shield. Even for Christ The Messiah HIMSELF, right from the time of HIS incarnation in that humble Bethlehem, disputation became the order of the day in HIS mightiest mission. This became inevitable because the enemy well perceived that ONE had finally come with a DIVINE COMMISSIONING to dispute and resist his dominion in the strongest terms ever. As the angels testified to the authority of the new born King, a major disputation had already arisen in the spiritual realm because The Messiah would have to dismantle and nullify the devil's reign of terror. That dominion of cruelty and abuse had been fully unleashed

And The Man Of GOD Told The Church To Return To Righteousness And Moral Purity For The Coming Of The Messiah.

on the earth and its inhabitants right from that fateful day of controversy at the Garden of Eden. Owing to this, the church as a major player in that spiritual landscape, should have known it too well that the conflict against the entities of darkness, prevail on unto the end when Christ would establish the reign of GOD on earth. Surely, this late in the day it would be catastrophic for the body of Chirst to give up and throw in the towel by compromising into the life-less gospel of *prosperity*. It is a gospel that was crafted and launched by the *confederate* forces of darkness working within the church, to primarily masquerade as light, and then rob away from the unsuspecting believers, the treasure of *righteousness*. The adversary must have worked so hard at this, because he knew it too well that a church without *righteousness*, has no eternity at all with THE LORD. Shockingly, this controversy which keeps repeating itself within the domain of every human heart, is essentially the same one that is intended to cause the body of Christ to voluntarily relinquish her eternity with GOD for cheap temporary earthly trappings. Having bought into this decay of preaching *prosperity*, the present-day pulpit should be well prepared for a major battle of her lifetime if she is to ever attempt to retrace her steps back to the *righteousness* of the LORD. This is because never does one leave the ranks of evil for the service of GOD, without encountering a major *assault* of the enemy. It is ironical though, that the enticements that Christ The Messiah resisted and totally overcame, are those same ones that have now repackaged

and dogged, the church and she finds very difficult to withstand. The preaching of this extremely *hazardous* gospel of *prosperity* has hence today spread like a cancer, eating up the entire body of Christ, and ravaging it beyond retrieval. In this condition, every countenance of her presentation appears to recall Christ to return to the Cross! This cheap and massive sell-out became the single biggest blunder that the body of Christ ever committed. Such a heinous gospel of *adultery* is what often landed Israel into some very serious trouble with The LORD, as HE could not stomach that form of *abusiveness* on Israel's part, and hence put them to the sword. And when one thought that this could have been an *overreaction*, then one would be shocked to discover that this was the vilest form of promiscuous *idolatry* that literally involved the raising of a *golden calf*, and blatantly worshipping it in broad daylight. Today's church of Christ has repeatedly committed this despicable *vice* for many centuries now, until it has become obvious

even to non-believers that a grand fall of historic proportion, has taken place in the house of The LORD. It is a suicidal move that has robbed the church off her *purity* and *righteousness* before The LORD. Things are even made much worse today by the *deceptive* and chronically addictive *trappings* that the devil presents as a *bait* through this pathological *gospel of prosperity*. Such fake 'benefits' have proven worthless, since they fail to break the power of darkness over the lives of believers. It is clearly evident that today's body of believers has not well understood that the enemy seeks to attack our weakest point of character and hence shake our confidence in GOD Almighty. The love of money is one very sensitive weak point in the heart of the church, that the adversary has exploited to the maximum. And the enemy has indeed tempted today's church to the limit, thereby causing christians to distrust GOD and question HIS *protection* and *providence* over their lives. The emergence of the corrupt gospel of prosperity therefore,

came about as a survival instinct for a faithless community of christians within the church. Because they had no faith that GOD could faithfully provide for them, they devised ways of

PORT HARCOURT, NIGERIA 2012 / The Priesthood was warned to repent of all sin and return the church to holiness for the wedding Supper of The Lamb of GOD

trickery and conmanship by saying, "Sow a seed and get your miracle." Yet still, it should have been obvious to the present-day church that there is no other way the adversary would have come, except to often present an array of *enticements* before her weaknesses and infirmities. It is absolutely tragic that the enemy has today broken the church's hold on GOD in order to get a leeway that has assured him of believers as his constant prey. Consequently then, believers are now under the forces of *despondency* and extreme *niggling* by the devil, causing both the pulpit and the sheep to lose faith in Christ, and break the sacred plan of salvation. Whenever the church drifts away from this original salvation plan, she will always most definitely run into severe head-winds relating to her *eternity*. Such a church easily encompasses *trials*, *perplexities* of cruel and evil circumstances, and often gets seriously afflicted by the wounds of sin. This is often due to the excessive distress that ensues as the church comes to terms with the fact that, a *perishable* gospel does not lead to deliverance.

Moving Forward

In her own strength, it is impossible for today's church to deny the clamours of her fallen nature. The LORD Jesus knew that the enemy would come to every believer and take advantage of their hereditary *weakness* by *false insinuations* in order to ensnare all those who trust not in the gospel. This is exactly how the false prophets have emerged into the church,

and employed the gospel of prosperity and the clamour for worldly comforts in order to abuse the innocent sheep. This has caused the body of Christ to be intimidated and greatly discouraged by the constant assault of the serpent now appearing and masquerading as 'prophet's'. The LORD Jesus has already shown us by what means did HE overcome the conflict with satan, by the Word of GOD and only by the word could HE resist and overcome temptation. When *assailed* by temptation, the church should have looked not to circumstances of the weakness of self, but instead to the power of the Blood and the Cross. That is how the Holy Spirit helps her overcome the brutality of the devil's relentless skirmishes!

"I have told you these things, so that in me, you may have perfect peace

and confidence. In the world you have tribulation and trials and distress and frustration; But be of good cheer, take courage; be confident, certain, undaunted! For I have overcome the world. I have deprived it of power to harm you and have conquered it for you " (John 16:33 - AMPLIFIED)

The U.S. Geological Survey reported that Saturday's first quake at 4:53 p.m. (1223 GMT) had a magnitude of 6.4 and struck 37 miles (60 kilometers) northeast of the city of Tabriz at a depth of 9.9 kilometers (6.2 miles). Its epicenter was a region between the towns of Ahar and Haris, about 200 miles (500 kilometers) northwest of the capital Tehran, according to Khalil Saei, local Crisis Committee chief, the TV report said. The second quake with a magnitude of 6.3 struck 11 minutes later, the U.S.G.S. reported. Its epicenter was 29 miles (48 kilometers) northeast of Tabriz at a depth of 6.1 miles (9.8 kilometers). Philippine Minister Missing In Crash Small Plane Goes Down In Sea

MANILA, Aug 18, (Agencies) Philippine Interior Secretary Jesse Robredo is among three people missing after a small plane crashed at sea off a central island on Saturday, officials said.

The Cessna crashed near the shore of Masbate Island while trying to make an emergency landing after suffering an unspecified engine problem, regional Governor Dolina told reporters.

"Secretary Robredo was in a light aircraft en route to Naga City when he encountered engine trouble so they sought permission to make an emergency landing. The plane did not make it there and crashed," Dolina said.

Four people were on the private plane.

Robredo was with his wife and two children when the plane crashed.

On August 18, 2012 in Manila, Philippines -A private plane carrying Interior and Local Government Secretary Jesse Robredo and his aide crashed off Masbate Island. The light plane, a Piper Seneca, from Cebu-based Aviator Air, was on its way to Naga City in Camarines Sur when it made an emergency landing due to mechanical trouble. The private plane crashed into the waters one kilometer off Masbate. The pilots tried to make an emergency landing at the Masbate City airport but it missed the runway and crashed into the sea. It is confirmed that Robredo and the two pilots were inside the plane when it crashed. One of the pilots was identified as Jessup Bahinting of Cebu-based Aviator Air.

EARTHQUAKE PROPHECY FULFILLED

The Prophet of The LORD Proclaimed that an earthquake was going to come to Venezuela. After describing the place that the LORD had showed him during the Pastors' Conference, everyone shouted aloud that the exact place that the Man of GOD was describing was Valencia. To everyone's shock, less than 24 hours later, surely, The LORD shook Valencia in stunning 3.7 magnitude earthquake and this was reported in all the local media. The Messiah is Coming!

Sismo de magnitud 3.7 se registró hoy en Valencia

La Fundación Venezolana de Investigaciones Sismológicas (Funvisis), informó a la población que ayer dominó a las siete y media de la noche se registró un sismo de magnitud 3.7 en Valencia. El movimiento telúrico se localizó a 12 Km al este de esa ciudad, con una profundidad de 5.0 metros, sin daños a personas o bienes reportados hasta esta hora. El presidente de Funvisis, ingeniero Víctor Salas Feo, llamó a la población a mantener la calma ante hechos de esta naturaleza que "son normales en Venezuela, ya que este es un país sísmico". Funvisis exhortó a la población venezolana a promover la cultura sísmica con el objetivo de reducir la vulnerabilidad, ya que los temblores son eventos

que se producen sin previo aviso, por lo que hay que estar preparados para enfrentarlos. Cabe destacar que Este lunes 26 de marzo, se conmemoran 200 años del sismo ocurrido en Caracas en 1812, el cual se sintió en varias ciudades de Venezuela y causó destrozos en casas, iglesias y diversas infraestructuras; así como la muerte de miles de personas.

Righteousness

.....

The driving force that thrusts the momentum upon that kingdom is righteousness, because only righteousness lasts forever. That is why it is said blessed are you that will invest in righteousness at this time.

.....

By taking a moment to consider that way back in biblical history, before the Messiah came, the Holy Spirit prophesied about His coming, and the LORD spoke through His Prophets who saw His coming, reveals a deep and very intricate awakening to the church of Christ. And when they saw The LORD’s coming, they also identified His distinct stripes. And key among them was that the path of His coming would be a righteous path, which is very consistent with the Redeemer of His stature, for He was coming to redeem fallen man.

Way back in biblical history, before the Messiah came, the Holy Spirit prophesied about His coming, and the LORD spoke through His prophets

who saw His coming. And when they saw The LORD’s coming, they also identified His distinct stripes. And key among them was that the path of His coming would be a righteous path, which is very consistent with the Redeemer of His stature, for He was coming to redeem fallen man. The question then remains, what had man fallen from? Man had fallen from righteousness. So it befits a redeemer of His stature that His stripes be righteous. In that key prophecy, what actually bespoke the LORD’s *righteousness*, was the anointing of His *righteousness*. One of the real baby steps of the prophecy that actually proclaimed his coming was “..and the Messiah shall be the seed of a woman.”(Genesis 3:15), when that prophecy was hatched out. Here we note that the promise said that it shall put enmity between the woman and the serpent, and the seed of the woman and the seed of the serpent. Scripture continues to articulate

that there will be the striking of the heel and the crushing of the head of the serpent. In Galatians 4:4 the LORD says very clearly that when the fullness of time came, the son of GOD the Messiah was born of a woman, born under the law. This means that the LORD wanted him to face the affliction of man, the pain of humanity even unto birth. Under the covering, the cloud of the LORD led him to feel the pain of slavery under the law that would give him the agony for man. That was the more the reason that the LORD was compelled to redeem fallen man because he now understood what they were going through. There was hence another prophecy that says, “And the Messiah would be a descendant of Abraham”, Abraham received the blessing of GOD (Matthew 1:1). There is deeper revelation, the reason for which Melchizedek, the King of *righteousness* paid him a visitation. And we see the Prophecy said in Genesis 12:3, and the fulfilment of that prophecy said, “I will bless those who bless you, and whoever curses you I will curse; and all peoples on earth will be blessed through you.”” What was the blessing of Abraham? Abraham, your descendants will be as numerous as the stars in the sky. GOD’s nomenclature is standard. The LORD Spoke about the oil that the wise virgins carried and they accesses the kingdom of GOD. The LORD then sends the rider of the black horse and his effect is evident in the global market right now.

In Revelation 6:6 the LORD adds, “When you see oil and wine, safeguard it”, the definition of that oil is The Holy Spirit. Looking at the blessing of Abraham, The LORD discloses that Abraham’s descendants will be as numerous as the stars and that all the nations on the face of the earth will be blessed through Abraham. And yet The LORD had pronounced that Abraham’s descendants would be as numerous as the stars. But in Daniel 12:1-4, The LORD speaks about the *rapture* of the church then He says,”... those who lead many to *righteousness*, like the stars for ever and ever.” So in the standard of the definition, the *nomenclature* is same. Which means, The LORD said, “I will bless you and your sons through you, the nations will access the kingdom of GOD. Therefore, that blessing of Abraham came through Isaac and that blessing is a *spiritual blessing*. The only blessing that came through Abraham and the only that can allow the fallen church, the false humanity,

the decomposed humanity, the fallen man, the apostate church, to access the kingdom of GOD. That landmark blessing must be the gateway between the earth and heaven. The bridge to that Blessing is the Messiah, and only through the Messiah, through the Cross can one access it. That is why the Prophecy had pronounced, “Through you all the nations will be blessed” and I see your descendants like the stars, meaning I see them in heaven shining like stars (Genesis 26:4) There is every reason to appreciate the LORD, and every reason to say Thank You.

The Prophecy that well defined again, another level, of his the Messiah’s coming said, “And the Messiah shall be a descendant of Isaac, and the Messiah shall come from Jacob, from Israel. That is why Israel always sits at dead center of bible prophecy. The house of Jacob - That is why when I was going around I said, “LORD, don’t allow me to speak to Israel, I don’t want to see.” But when the fullness of time struck, The LORD turned me to Israel and said now you can speak to Israel. During the global financial protests, The apple of GOD’s eye moved out of their homes. They put sofas on the streets and would go to work and return back there after work. The placards read, “This is Egypt, this is Tahrir Square” Mark the signs of the times. So the Messiah would come from Jacob. Another Prophecy said, “And the Messiah shall come from Judah, from the tribe of Judah” I want to look at the Prophecy that defined the anointing of the stripes of *Righteousness* The sceptre will not depart from Judah, nor the ruler’s staff from between his feet, until he comes to whom it belongs and the obedience of the nations shall be his” (Genesis 49:10). Prophecy Spoke that the rod of leadership will not depart from Judah until the one that is coming, holds it. And then all the nations will bow down to him. And he says, The obedience of the nations, which means

PORT HARCOURT, NIGERIA CONFERENCE / MARCH 2012: The Prophet of The LORD warned the church to separate from the world, turn away from sin and quickly prepare for the rapture of the church.

.....

that the nations will bow before him. HE shall hold the sceptre. He says, Judah you will have it, I see you having it, until he that comes lays a hand on it and then all the nations will bow and worship him. Luke 3:33 the son of Amminadab, the son of Ram, the son of Hezron, the son of Perez, the son of Judah”, This was now the tertiary level of the fulfilment of that prophecy. Remember when Jeremiah spoke and said, “I see Rachel wailing at Ramah, refusing to be comforted, she said leave me don’t try to comfort me, let my face be wet, let me cry, let me weep because my sons are no more. “Rachel was at this time wailing for her children, the sons of Israel. Israel had not perceived the depth and the gravity of the Prophecy, because the first level of the fulfilment of that word was indeed when the tempest came from the LORD. The Babylonian conquest came and they demolished the Temple of GOD and

desolation consumed the land. For that reason, there was nobody to worship the LORD, and that is why it was desolate, the sons had gone away. They were all gathered at Ramah and they were chained. In those days, they used to have long big horizontal chains, and the prisoners were tied on it on a piece of wood. All were chained on that one chain and they walked chained. As a result, they were gathered as they were on that chain with the shackles of slavery at Ramah. This brings to mind when Nebuzaradan the commander of the Babylonian army was walking by checking on the slaves (Jeremiah 40:1).

The commander's assistant had to know who of the slaves was not able to make it in the long journey because they might die. He had to check on the strong ones and then send a messenger running with a report to the commander that he had 100 strong ones, or only 25 strong ones. There were others still young, though they would eventually grow up and be strong also. When the Commander, Nebuzaradan, was walking to check on them, he asked them, "Are you the people who refused to listen to the LORD?" And that is very consistent with when the LORD said, "And he raised Nebuchadnezzar HIS Servant" (Jeremiah 43:10). The LORD calls Nebuchadnezzar HIS Servant, the one who comes to destroy the Temple, the House of Worship. Be careful

with the LORD. Accordingly, there was desolation in the Land and nobody contested or antagonized Jeremiah's word because his was released. Jeremiah was instructed to go to the Governor who would take care of him and he was given a small place to stay. The second level of that prophecy is found in the new testament, when King Herod was killing the young boys, from a year old to two years old, trying to find the LORD Jesus to kill in the massacre. That was when the LORD Jesus was taken by Joseph, when in a dream the LORD commanded him to run to Egypt. When baby LORD Jesus was taken into Egypt that prophecy was fulfilled. Again the LORD says to fulfil His word that said, my sons are no more. The third level of this prophecy is fulfilled. That is church of Christ having fallen again. She has absconded duty. My sons are no more, no one is left to pitch my tent. Be careful with the words of the Prophet of the LORD. That is the third level because the LORD is looking for people that can pitch for Him His tent.

What does it mean to pitch for the LORD his tent? To pitch the LORD's tent means raising a holy tabernacle which is missing!

The current church has built small *tiendas*, small kiosks as revenue business enterprises for food and rent. They have turned church into small businesses. They say that if you do not find a job then open a small church.

But I am talking about pitching a tent for the LORD. That is a holy tabernacle of the Holy Spirit especially at this hour. The sons are no more again, they are not there. There is desolation in the church. There is desolation in the house. Rachel is wailing again and she is refusing to be comforted. "Don't comfort me, let my face be wet, let my tears go down, I want to wail until my face is totally wet. Because my sons are no more, no one is left to pitch my tent" The fourth level is coming. Right now we are worshipping in the holy church, the Holy Spirit church. But at rapture the church will be taken away and you are the vessel of the Holy Spirit. When you are taken away, the Holy Spirit is taken away. The abomination of the desolation in the house. Then Rachel will wail again. That is the fourth level to be fulfilled, not yet fulfilled. The Prophecy said that He would come from Jesse, He would come from David, He would be a shepherd. And a beautiful one says, with his stripes, the stripes of his benchmark, of righteousness. They said I have seen him with the shepherd's rod, he would be a Shepherd. One of the Prophecy said that the Messiah would be a Shepherd. Ezekiel 37:24 And David my Servant shall be King over them. And they all shall have one Shepherd. They shall also walk in My ordinances and heed My Statutes and do them. That is the prophecy that foretold His Shepherding. There is also another Prophecy that says that the Messiah

shall be a Prophet. HE wore many crowns. HE came in many offices, the Priestly office, the kingly office, the Prophet's office. He is very worthy of those offices. Matthew 2:6 "But you, Bethlehem, in the land of Judah, are by no means least among the rulers of Judah; for out of you will come a ruler who will shepherd my people Israel." The Prophets of The LORD also foresaw, foretold, and forewarned when they said that the Messiah would sit on the Throne of David his Father. Isaiah 9:7 "Of the greatness of his government and peace there will be no end. "He will reign on David's throne and over his kingdom, establishing and upholding it with justice and righteousness from that time on and forever. The zeal of the LORD Almighty will accomplish this.

This was the fulfilment of that Prophecy. We have seen the first time when he came, we see HIM coming back as crowned, we see when he comes back in Jerusalem. All these are multi-tier. The Messiah would be the Anointed One of GOD. In other words, the Messiah would be eternally Anointed. It will never drain off and it will always be there with us and for us. There will be the increase of that anointing. His stripes define HIS Anointing and Kingdom. His kingdom will be eternal. The Prophets had seen the stripes. The stripes that denote the eternity of HIS Kingdom, as the King of eternity.

Gird your sword on your side, you mighty one; clothe yourself with splendour and majesty. In your majesty ride forth victoriously in the cause of truth, humility and justice; let your right hand achieve awesome deeds. Let your sharp arrows pierce the hearts of the king's enemies; let the nations fall beneath your feet. Your throne, O GOD, will last for ever and ever; a sceptre of justice will be the sceptre of your kingdom. You love righteousness and hate wickedness; therefore GOD, your GOD, has set you above your companions by anointing you with the oil of joy (Psalm 45:3-7).

Why does he say that those of you that will enter the eternal kingdom of GOD will live forever and ever? What is the requirement, the prerequisite for you to be able to live eternally? It is righteousness. The holy bible

says "...and your kingdom will have no end.." Meaning eternal. The driving force that thrusts the momentum upon that kingdom is righteousness. Because only righteousness lasts forever. That is why it says blessed are you that will invest in righteousness at this time. Because until then, eternity is yours. Because when all the silver and the gold and the Diamonds have crushed in the financial market, you that invested in righteousness, the value of your stocks are just soaring. For you, the worth of your treasures, your stocks, reserves, will increase eternally because of righteousness. And that is the same yardstick that propels HIS kingdom to eternity. HIS anointing is eternal, the Prophecy said, and the Messiah shall be the bearer of an eternal anointing of GOD because the Messiah would be King of Righteousness. The treasure embedded in Righteousness cannot be defined by pen and paper, cannot be spoken in words. We will never fathom that in this lifetime. How is it that when you wear one element, one standard, one attribute of GOD called Righteousness then you now transform from a mere perishable, mere mortal to an eternal being of GOD. That means we may never understand the workings of Righteousness upon humanity. We cannot come out with the mechanism that will be able to derive that after point "B" righteousness converts from this to this. The LORD hates wickedness and loves righteousness. That means that when you uphold righteousness, it is just obvious that you should hate wickedness. In fact, the love of righteousness translates into hating wickedness and evil. So the LORD is saying righteousness is for the kingdom of GOD. But the salvation that you received at the Cross, was a salvation that was based on the foundation of righteousness. If you look at the Cross, it was an act of righteousness. Because there had to be judgment for the sin that had happened. So righteousness had to be done right. Therefore the Cross hence speaks of the foundation of righteousness. Now if the salvation that you received actually is defined within the boundaries of righteousness, then that means that your salvation is not for wickedness. The LORD is raising a standard here. He saying you would rather know that you are totally purchased for righteousness, so you cannot live for another. GOD is saying that I am a jealous GOD and I will not allow. That now you want to walk on righteousness and one leg on wickedness. Then He says

that you are lukewarm, you are confusing to me. You are neither hot nor cold, I will spew you, I will spit you. We are celebrating the righteousness of GOD, the replenishing of our understanding on the righteous requirements of GOD. Righteousness comes out of the Grace, we cannot purchase it. And if you receive it by grace, treasure it.

The Gospel of Light at this hour in the church

I am the light of the world. Whoever follows me will never walk in darkness, but will have the light of life.” (John 8:12)

From time immemorial, it is apparent the

that apparently, of late there has been some darkness that has entered into the sanctuary of the LORD. And that is why this gospel of Light at this hour in the church becomes a very important teaching in the church.

Because this will then indeed shed light in what salvation ought to be today in this post-modern age. We are very much aware of the condition of the church of Christ at this hour that the church of Christ at this hour has mainly walked in darkness. That implies that darkness has found its way into the sanctuary of the LORD. What is this gospel that salvation ought to shine across the ends of the earth? When the LORD Jesus called the

church, called the servant hood, priesthood, the elect, He called them into the Truth that they may preach the truth and only the truth. Before we look at the light that is embedded in the glorious gospel of Christ, the light that ought to resurrect, resuscitate, rehabilitate, renovate, revive today's church, it is very critical to underscore that when the LORD Jesus called us into this wonderful salvation at Calvary, He essentially called us into the truth.

In other words, he hand us into our hands and into our hearts, the Gospel of the Truth. Why the truth? Because while the truth had originally prevailed in the garden of Eden, then came the deception of the enemy. In other words, when man walked in right standing with GOD at the garden of Eden man then walked by the Truth of GOD. But when the devil came, he knew the veracity of the truth that had been handed down to mankind, and he knew that the truth was eternal from time immemorial. And he knew that the truth is totally unchangeable. He very well knew that he had no power to take away the truth all the devil had to do at the garden of Eden, was indeed to simply try to distort the truth of GOD. And it is that distortion that births out deception. When the LORD called mankind into the miraculous salvation of Christ, HE essentially led Jesus to come back and restore the truth. And inside the truth therein lies the gospel of light. So we are all called as the body of Christ. We have been called to preach the gospel of the truth very much aware of the distortion schemes of the devil in the inauguration of the servant hood, the priesthood, shepherd hood and inauguration of the pastoral ministry. The calling is squarely founded on preaching of the Truth, that you shall preach the truth. The inauguration of worship hence becomes the manifestation of the gospel of truth in our lives. So if we are called into the preaching of the wonderful truth, how then does it happen that the truth today has been distorted in the lives of the Christians, servants, the priest and generally in the body of Christ. How then can there be such an aberration, such a great departure from the original truth even as restored at Calvary. Essentially the gospel of light denotes the gospel of the truth. The LORD knew that the events that accrued at the garden of Eden, the events that befell the sacred relationship, fellowship, communion between man and GOD, the fall of man owing to that distortion of the truth and the inception of the lie into the church, the hearts of man, then there was greater need to set mankind free because the lie that was spoken at the garden of Eden essentially found mankind. How did the deception and the schemes of distortion that blemished the truth at the garden of Eden, find humanity. The devil knew it too well that the LORD GOD Almighty respects, honours, obeys and faithfully fulfils His word. That when the Word said that the wages of sin is

death, then any event that would distort the sacred relation of the truth between GOD and man eventually unleashes death to the life of the church, death into the life of mankind, upon humanity. When the lie came in to try and distort the truth and mankind bought into it, then death entered humanity and that is the bondage that is holding of the church hostage that when mankind finally departed from the truth then befell on humanity, death held humanity hostage. And that its the reason that the LORD decided to send Jesus, the Messiah to the Cross to pay for your debt and set you free. How did Jesus pay for your death and set you free? When JEHOVAH ELOHIM, JEHOVAH EL OLAM, send Christ the Messiah to the Cross, Christ the Messiah came to correct the distortion, to restore the truth and that is why when the church was finally given birth to, she was essentially ordained to preached the gospel of the truth. Because only the truth would set the church free from sin. And that is why the bible says that, “..and the truth shall set you free..” (John 8:32) This freedom is a spiritual freedom to set you free from death, because the devil is known as the father of all lies, the father of deception. So without the truth all humanity becomes the children of deception because they subscribe to it. But when the truth came then humanity and the church now turned around their allegiance and subscribed to the truth and that is what sets the church free. The LORD is saying that the church was essentially called to execute the truth, disseminate the truth, distribute the truth, preach the truth because only the truth has the capacity to not only set the church free but also set the nations free. How then does this light relate to the truth? The light whose foundation is laid today is part and parcel of the gospel of the truth. When deception entered the hearts of men, and death befell humanity, darkness dawned upon humanity, darkness covered the world. That is why it is called today's dark world. Deception can only bring darkness. The gospel of the truth can only bring light. When the LORD sent Jesus of Nazareth, to die on the cross at Calvary, HE indeed intended that Jesus of Nazareth, by bringing the truth would set humanity the church free from the darkness of this world. This gospel of the truth is supposed to be the power unto the church at this hour because if the truth has that so much capacity to set the captives free, then, any distortion of it, any deviation

can only mean darkness, a fall can only mean captivity. That is why when you look at the church of Christ today she is virtually held captive. In fact she is in captivity and if only the servants of the LORD would realize this world over, the power embedded in the truth, there would not be all the schemes and the mechanisation that today are very vividly displayed on Christian television, the lies that are going on, the lack the truth that goes on in there. They would have strictly focused on the truth. If they only knew how the power of the Truth was inaugurated and handed down to the church, if they only knew where the power of the truth resides, and that the truth is in fact the vehicle, the truth being the container of the power that was promised to the church, they would have focused on it and nothing else. So there is a miss link right now between where the church ought to be and where she is because of that distortion. That if she had known that by preaching the truth therein lies the power of the gospel. She would have crystalized her life strictly in the truth. She would have embedded her practice unto the truth.

John 1:1 “In the beginning was the Word, and the Word was with GOD, and the Word was GOD. 2 He was with GOD in the beginning. 3 Through him all things were made; without him nothing was made that has been made. 4 In him was life, and that life was the light of all mankind. 5 The light shines in the darkness, and the darkness has not overcome it.” The LORD is essentially saying that in the beginning was the word but we now see that when Jesus went to Calvary and gave us the gospel that restored the truth, that restores the truth, it was a very profound heavenly event. Now we understand the underlying force and authority of that truth that He gave at calvary because we see that truth is what sets the church free from death. In other words, set the church free from darkness. Because when darkness fell, darkness be clouded the earth and covered the earth. There was not home, there was only going to hell until the LORD thought of a redemptive plan. This redemptive plan was defining to us the power of the gospel of the truth. Because by saying that “in the beginning was the word, and that word was with GOD and the word was GOD. And He was with GOD in the beginning. And through him every was created. And it says that without him nothing was made that had been made.

In him was light and that light was the light of men. The truth is what shed light upon the face of the earth. However, it is amazing for note that light actually brought life. That is the power of the gospel of the truth. If only the priesthood would have understood this, then they would have preached the truth and only the truth alone. He says that gospel of truth, which translated into light and brought light upon the face of humanity, is actually the gospel of light. And that is absolutely very consistent with the fact that only that truth that Jesus embedded on the cross at Calvary indeed set us free from death. So in fact that truth became the vehicle that brought light. Therefore, the church today is groping in darkness because they understand not the basics of the gospel that was handed down. The basic foundation that was given to the church at Calvary was not prosperity. It was not anything else that you see being propagated today on Christian television. The basic foundation of the gospel that Jesus handed down to the church at Calvary was the Truth. That when you preach the Truth. The truth shall set men free. That was the true definition of evangelism. Now you can right away see the point of departure when the misunderstanding accrued. Otherwise, they should have got their way back to the truth. And now we see that Truth no only brought light, but it also became the life unto men. So now we understand that if you are going to say that the difference between the church, the elect of GOD and the other religions plus the world is because the church has light. A light eternal. Now we understand that difference is based on one thing, that the church walks in the truth. So if there is anything that is going to cause the church to do what she is doing today, to preach an aberration of the truth, a distortion of the truth, then it has normalized, nullified the edge that the church had over the world. Therefore the church and the world became one. They become one when the truth is distorted because the only edge that the church enjoys against the world, is that the church walks in the truth or the church ought to walk in the truth because the truth is the light and the light brought life and life eternal. In fact this life erased death. So we can now see that it was deeper than just saying I have given you the truth. Therein was embedded the light that if the church would walk in the truth, that she would always shine the light.

But which light is the church supposed to shine? By walking in the truth. The bible says, “In the beginning was the Word and the Word was with GOD, and the Word was GOD. As he created creation everything was created by the word.” In other words, created for the word, created for GOD’s purpose. Scripture continues to say that and the word became flesh” Because the word became the life of man. The gospel of the truth which is the gospel of light that the church ought to be disseminating across the face of the earth, is indeed the gospel of life. And if that word became life unto man, That word is GOD and became flesh, talking about Christ Jesus. In other words, if you were given as a church, at Calvary, the gospel of the truth, then essentially, you were given the gospel of light, the gospel of the light of Christ. That is because the word says that light derives its existence from the word which was there from the beginning and the word became GOD. And the word became life and light. That means that the church was originally intended to preach only Christ Jesus. For we know that he is the Spirit of Truth. So we were supposed to preach only Christ Jesus. The church was supposed to ensure that she preaches only Christ Jesus and nothing else. Therein is embedded the power unto the gospel, a life unto the gospel, the light unto the church, the power unto the church, the blessings unto the gospel, the blessings unto humanity and unto the church. The Word became life and light so which means that the gospel of truth that the church was supposed to be preaching today, was essentially supposed to be the gospel of Christ. Preaching Christ, nothing else. But how do you preach Christ? You can only preach Christ because He is glorious. The only way to preach Christ is by preaching the light of Christ because this world is dark. Therefore, by preaching Christ, we essentially are supposed to anchor ourselves on the light that Christ brought. The light of Christ, that the dark world may see the wonderful light. So the gospel of the truth that the church ought to be wearing, worshipping and walking today, is essentially Christ, the light of Christ. However, the word with GOD, the word became GOD, the word was with GOD in the beginning and the word became life and light. That means that when the church was handed down to, the gospel of the truth essential he is saying that I gave you the word,

essentially the gospel of the truth is the word the gospel of GOD. Let us prepare for the kingdom of GOD is coming. So the gospel of the truth that the church should have been preaching today, should have been the word, the gospel of word. Not to manipulate the word and preach the gospel of prosperity and the gospel of other things. Because we see that it is the word that embodied the light, the light and the gospel of truth. It now begs the question, “Where did the rains start beating us from?” One needs not be a rocket scientist or a brain surgeon or a genius to be able to understand that the rains started beating us from the moment when this present-day church began to depart from the truth. This is because she did not know that that truth was essentially the light of Christ lest she would not have departed from it. She did not well understand that that truth was actually the life that Christ gave to the church. It was the life eternal. Otherwise she would not have departed from it or she would have come back. She did not understand that that truth, the gospel of truth that she was given was actually even the gateway to the kingdom of GOD. It was the gospel of GOD Himself. Because He says that the word became GOD and the word was with GOD. Therefore, by departing from the gospel of light, the church essentially departed from the LORD. That is absolutely true today. If you look at the condition of the church today and if you look at the sin in the church and all the aspects of decay in the church, those are the elements of the distortion of the truth. We need to look at the elements that distort the truth that we may avoid them and that the church may repent from them. And hence she may now have the truth squarely and in fact life. I Corinthians 15:48
48Now those who are made of the dust are like him who was first made of the dust (earthly-minded); and as is [the Man] from heaven, so also [are those] who are of heaven (heavenly-minded). 49And just as we have borne the image [of the man] of dust, so shall we and so [g]let us also bear the image [of the Man] of heaven. Here, He is talking about when this wonderful gospel of the truth was finally inaugurated. It was there that a major shift from the earthly minded, from the men of the dust, from the humanity of the dust to become now heavenly minded, themen of heaven. This talks about following after he that came from heaven.

50But I tell you this, brethren, flesh and blood cannot [become partakers of eternal salvation and] inherit or share in the kingdom of GOD; nor does the perishable (that which is decaying) inherit or share in the imperishable (the immortal). That is why we now understand that if the truth that was handed down to the church essentially denotes the light, the gospel of light, to remove darkness from the church and that light is actually the word. The word which gives life and became the light unto men. “Flesh and blood cannot inherit or share in the kingdom of GOD meaning that that kingdom is the truth whose doors opens us into. The gospel of the truth is the light of Christ and it is the life of Christ given to the church by the blood at Calvary, which essentially is the life of GOD. The eternal life. So you can be restored back to the image and likeness of GOD, the eternal image. But now we also see that, that same gospel of truth, is actually the gospel of GOD. That is the gospel of believing in GOD, the gospel of faith in GOD, the gospel of the kingdom of GOD. Since we have found out that that gospel of Truth is actually eternity to mankind, is actually the gospel of life and life eternal, then it is very important to understand what the elements that distort this truth are. The elements of decay because the truth brought life which means that anything that distorts this gospel brings decay meaning death. Here we encounter these elements when it says, “...nor does the perishable (that which is decaying) inherit or share in the imperishable (the immortal)” When the LORD gave the church the gospel of truth that was the absolute power that he gave the church because it became the gospel of immortality meaning erasing death. That is the gospel of imperishability, the gospel that took away decay. So how then did the church find herself in this very compromising place where she is now displaying a countenance of decay and death. The only place that the rain could have started beating us from was the point at which the church, the clergy, the priesthood departed from the truth. In this message, the LORD is essentially talking about the restoration of the gospel of the truth in the church thereby undersatanding the veracity and the gravity that the truth underscores in the church. Therefore, if the pastors were to understand this, then all of them would have

to change direction and all of them would turn and return back to the truth from which they departed.

51Take notice! I tell you a mystery (a secret truth, an event decreed by the hidden purpose or counsel of GOD). We shall not all fall asleep [in death], but we shall all be changed (transformed)

When he talks about the rapture, he embeds it with the truth, the secret truth. Could that be the reason why the church is now lost? Because he now talks about the secret truth which means that you need to walk tight with the LORD, with the Holy Spirit to be able to be unveiled to that secret truth. This explains that the truth then becomes somehow hidden and not apparent, meaning it is hidden to the church and to the eyes of men. By saying “Take notice!” implies watch out!” We see that this truth is hidden. Could that be the reason that the church is fallen. because they would have otherwise come back. Now it is obvious to see those who are walking in the truth in Isaiah 35:8-9, which says that “..and there shall be a highway right beore the Messiah comes” That is the highway that the Spirit of John the Baptist proclaims.

“And there shall be a highway and it shll be called the way of holiness The highway of holiness”

And a highway will be there;
it will be called the Way of Holiness;
it will be for those who walk on that Way.
The unclean will not journey on it;
wicked fools will not go about on it.
9 No lion will be there,
nor any ravenous beast;
they will not be found there.
But only the redeemed will walk there, (Isaiah 35:8-9)

The ferocius beasts that you see devouring the church today will not touch those walking on the highway of holiness. These are the ferocious beasts of deception, the ferocious beast of HIV/AIDS, etc. In other words, you can use this as a barometric test, to test whther the church is surely walking in the highway of holiness. Whether the church is surely walking in the way of the truth. Because he says that there shall not be any ferocious beast. The devourer will not will

not be there. Which means it was charted out and mapped out by the LORD as a sanctuary, as a refuge for his people as they walked towards the kingdom, the highway that goes to the kingdom of GOD. Therefore, this gospel of truth is lacking in the church. That is why the bible says, it is a secret truth.

51Take notice! I tell you a mystery (a secret truth, an event decreed by the hidden purpose or counsel of GOD). We shall not all fall asleep [in death], but we shall all be changed (transformed). 52In a moment, in the twinkling of an eye, at the [sound of the] last trumpet call. For a trumpet will sound, and the dead [in Christ] will be raised imperishable (free and immune from decay), and we shall be changed (transformed). 53For this perishable [part of us] must put on the imperishable [nature], and this mortal [part of us, this nature that is capable of dying] must put on immortality (freedom from death). 54And when this perishable puts on the imperishable and this that was capable of dying puts on freedom from death, then shall be fulfilled the Scripture that says, Death is swallowed up (utterly vanquished [h]forever) in and unto victory.

It is important to identify the elements that bring decay which means the things that distort the truth and bring death. It is important that once you identify them, delianate them. Remove them from the truth then you can restore the church. Then they can know what constitutes decay, distortion, lies. Then keep away from it and now begin to walk in the highway of the truth, highway of holiness. Now one can see where the elect of GOD who preach the gospel of the truth, who live the gospel of the truth. Where they are walking, they are the same people who are walking through the narrow gate that Matthew celebrates. ““Enter through the narrow gate. For wide is the gate and broad is the road that leads to destruction, and many enter through it.” The bible says that you have to find it first meaning that it is a secret truth. You have to find it first before you walk in that way. The truth transforms the perishable by removing decay aspect and makes the perishable, imperishable. It brings us life eternal. The GOD we serve is the GOD of light. HE loves light, he shines HIS light upon men. One time Israel was colonized by Antiochus,

that was a King of Greece, Greece that worships the GOD of the sun, the moon, the stars, And when they colonized, they also took the Temple of the LORD. And they removed the artefacts from the Temple, and they replaced with their Greek GODs. That dispensation, is denoted in the bible as the dispensation of darkness that befell the Temple of The LORD. Later on, we see that Maccabee and the rest invade and take over the Temple and the Greek GODs were thrown out. And the first thing that happened was the miracle that the LORD brought right before their eyes and in that miracle, as they were cleaning out the idols Greek GODs from the Temple. In that miracle they found out that there was pure consecrated oil that remained from the previous Temple of the LORD that was not destroyed by the enemy. The key highlight about that victory against the Greek GODs was the rekindling of the Lamp of GOD in the sanctuary of the LORD. And therefore we can now see that our GOD is a GOD of light and celebrates Light. The light that was lit in the temple chased away the darkness that had befallen the Temple. And so it is right now in the church that when Christ brought the gospel of the truth indeed brought the gospel of light which now has translated into the gospel of life, and life eternal. The light of Christ that is in the gospel of Christ is indeed the life of Christ given to the church, eternal life. That is the ressurected life that He gave us at Calvary. The question now becomes; why would the church at this hour be groping in darkness within the sanctuary? Why has darkness colonized the inner chambers of the Temple of the LORD, which translates to the inner chambers of your hearts? Based on that wonderful synonymn, when darkeness entered into the sanctuary of The LORD as the pagan Greek GOD antiochus IV invaded and colonized Israel and the Lamp of the LORD was extinguished. It was not lit on that day and for all the years and instead they brought their pagan Greek worship in Israel. That is the only way darkness entered the sanctuary of the LORD. And now we see that a similar situation has befallen the church today, where darkness now marks the countenance of the interior of the sanctuary of the LORD. From the altar, the most holy place all the way down. And that can only tell us that the Lamp of GOD that the gospel lights in our lives in the church,

the gospel of truth lights the lamp of GOD in our hearts. That is the lamp you see the ten virgins spotting and especially the five wise virgins. When the LORD brings the gospel of the truth, it brought the light of Christ to the church. Because darkness had entered when man fell. But now we see that darkness has entered a second time. This time into the interior chambers of the sanctuary of the LORD. And that can only mean that the gospel of truth which is the light has ceased to be preached in the church. The answer is very simple, if darkness has again colonized the inner chambers of the santurary of this GOD of light, this GOD of glory, JEHOVAH, that can only mean that the lamps have not been lit in this day and age. And so by bringing light, the gravity, the significance, the varicity of the gospel of the truth to the at this hour that she may veer back to the truth. The LORD is essentially saying that “I am rekindling the lamp in the house. I have done a miracle now. Some oil that was not adultrated, not contaminated is now available. There is the new oil now and this oil is the Holy Spirit at this hour. He is the Spirit of the truth. And that is why when the LORD describes his coming to take the church in the Wedding Feast of the Lamb, and He describes the ten virgins, five wise virgins each with a jar of oil and five foolish, then you begin to understand the driving force. The force that keeps the lamps of the five wise virgins burning, But we have seen in Hebrews 10:26-31 is that indeed the Holy Spirit is the Spirit of the Truth.

26 If we deliberately keep on sinning after we have received the knowledge of the truth, no sacrifice for sins is left, 27 but only a fearful expectation of judgment and of raging fire that will consume the enemies of GOD. 28 Anyone who rejected the law of Moses died without mercy on the testimony of two or three witnesses. 29 How much more severely do you think someone deserves to be punished who has trampled the Son of GOD underfoot, who has treated as an unholy thing the blood of the covenant that sanctified them, and who has insulted the Spirit of grace? 30 For we know him who said, “It is mine to avenge; I will repay,”[a] and again, “The LORD will judge his people.” 31 It is a dreadful thing to fall into the hands of the living GOD.

So by rekindling the lamp in the house, the LORD is essentially restoring the gospel of the truth. However, the LORD had already promises in Amos 8:11-12 “The days are coming,” declares the Sovereign LORD, “when I will send a famine through the land—not a famine of food or a thirst for water, but a famine of hearing the words of the LORD. 12 People will stagger from sea to sea and wander from north to east, searching for the word of the LORD, but they will not find it.

That is the famine for the truth. This is because the LORD knew that there would be a scarcity of the truth in the compromised evil final days and these are the days that we are in. That is why there is no better time at which the LORD could send me to teach this. That the church may return to the message of the truth, the truth that the LORD gave us at Calvary. Which has become the gospel of light and the gospel of life eternal. Because only the truth can indeed bring eternal life in the church. At rapture, the decaying and decomposing element will not be partaker of the eternal kingdom of GOD, the corruptible, the mortal, the perishable. And in 1 Corinthians 15:50-56 says that when the perishable has been converted into the imperishable, and the mortal into immortality, and the corruptible into incorruptible, then the saying that is written comes true, that death has been swallowed up in victory and that quickly makes you understand that only the truth has the capacity to swallow up darkness to nullify and cancel death. Why would the church again veer off from this truth which has so much power to do away with death? In other words bringing eternal life, the very product the church is supposed to be exhibiting to the world. And that is why this message is a timely appeal to the church, that please let us return to the gospel of the truth becayse only the gospel of the truth has the capacity and authority to rid the church of decay to cause a transformation from corruptible to incorruptibility, perishable to imperishable, mortal to immortal. That means that the only treasure that the LORD ever lft the church with is the gospel of the truth. This then makes you wonder how someone is able to preach a deceptive gospel and still think it is the truth. It must indeed be

embedded on this narrow road, on this secret truth regarding the coming of the LORD. That is why HE says “I decree to you a mystery.” The secret truth, hidden by the wisdom and the counsel of GOD, the hidden purposes. So the church, now needs to get her way back to the truth, only the truth will set the church free and only the truth has power to nullify the decay in the church. Another miracle that we see happened in Israel, is the miracle of Hannukah, when the little oil went on for seven days. And that is the same miracle that took place at the finding of the oil. And this tells us that our GOD is so passionate about the church that continues to tend HIS lamp. And the only way to tend the lamp of GOD now is to emit the light of GOD, we have know is by preaching the truth, livng the truth, exuding the truth, sparkling the truth, radiating the truth, glowing the truth, disseminating the truth. When Jesus spoke again to the people, he said, “I am the light of the world. Whoever follows me will never walk in darkness, but will have the light of life.” John 8:12

Now we see very clearly that the gospel of light that Jesus gave us indeed has life embedded in it. The LORD repeated that it is that gospel of the truth, the gospel of light that bring life. He meant that the world is in darkness and hence in death. Darkness and death are one and similarly light and life are one. By saying that “I am the light of the world” signifying the life of Christ which is manifested in the church as the light of Christ. There is no way the church can claim to be born again when they do not emit the light of Christ because the life of Christ in the church is manifested as the light of Christ in the church. Meaning the Light of Christ in the life of the body of Christ, in the lives of the born again christians, the elect. The LORD also cautions saying, “Whoever follows me will never walk in darkness, but will have the light of life.” This essentially stated that without a doubt, if you are in the life of Christ emitting the ight of Christ then you cannot walk in darkness for two reasons. One, the light you have becomes the lamp unto your feet, so you cannot walk in darkness and tumble and fall. Two, wherever you are there will be always light and there can never be darkness. When you see the church in sexual sin, then that church is for sure walking in darkness. When you see a church in deception and lies, for

sure that church is walking in darkness. There is no way she can present her case and claim to be walking in the light. When all these things relating to sin, sexual sin, lies are all agents of decay and death, that the truth sets fre from. How the can the church continue to walk in them? The Holy Spirit is the driving force, the enabling power that can keep the lamps of the church burning, the lamps in your hearts burning. Only the Holy Spirit can help the church to walk in the light of Christ. Without the light of Christ, the church is lost. 1 As he went along, he saw a man blind from birth. 2 His disciples asked him, “Rabbi, who sinned, this man or his parents, that he was born blind?” 3 “Neither this man nor his parents sinned,” said Jesus, “but this happened so that the works of GOD might be displayed in him. 4 As long as it is day, we must do the works of him who sent me. Night is coming, when no one can work. 5 While I am in the world, I am the light of the world.” John 9:

3 “Enter through the narrow gate. For wide is the gate and broad is the road that leads to destruction, and many enter through it. 14 But small is the gate and narrow the road that leads to life, and only a few find it. (Matthew 7:13-14). It now becomes vividly clear that this life of Christ that the LORD brought to the church the light that the church presents to the world as the light of Christ, that is the testament of Christ to the church who is walking in the narrow road.

13 “You are the salt of the earth. But if the salt loses its saltiness, how can it be made salty again? It is no longer good for anything, except to be thrown out and trampled underfoot. 14 “You are the light of the world. A town built on a hill cannot be hidden. Neither do people light a lamp and put it under a bowl. Instead they put it on its stand, and it gives light to everyone in the house. In the same way, let your light shine before others, that they may see your good deeds and glorify your Father in heaven. (Matthew 5:13-16).

Here the LORD is factoring in two things in this message of the light. One in that “I am the light of the world” let us do the world of HE who sent me before darkness befalls. The LORD is calling the church into the

service of being the light. This means that the LORD was so generous that HE agreed that we may share in the light of GOD that HE had, the eternal life. However, we see the sanctions that the LORD included that if you are the light of the world, then your light must shine before men. And when your light shines unto men, meaning if you are walking in the gospel of the truth, then men will see the good deeds. Hence the light of GOD that is embedded in the gospel of light presents itself as the good deeds. Good to the LORD implies Holy. Only what is holy and righteous can be called good to the LORD. Therefore if the church is going to walk the gospel of the truth, which has now become the gospel of the word, the gospel of light, the gospel of life, then the world must see forth good, Holy deeds from her. And when they see the good and Holy deeds from her, then they will be drawn to your Father in heaven and hence worshipping the LORD. And you will be evangelizing to the world. So ther is no way the church can be going out for evangelism when she is not exuding good deeds and walking in light. One can only walk in light if you have received the gospel of light and after receiving the gospel of light and have the testimony of walking in that same light and not in darkness. That is the most important part of evangelism that the LORD left to the church. The LORD is saying, live your lives holy and that holiness has the capacity to draw people to Christ. Everyone is running up and down in hot pursuit of the truth and if they find he who has found truth, they will always conglomerate around this person that you may preach to them about this gospel. This is an instructive and preserve of the Holy Spirit. The church needs to veer back to the truth that was handed down at Calvary and then she will exude the light that is embedded in the light of the gospel, the light of the word, and the light of Christ. Deception beclouds the light of Christ and overshadows it. Sexual immorality beclouds the light of Christ and overshadows it

The Highway of Holiness

Prepare his way

When the LORD JEHOVAH created the church, HE developed the objective, the purpose, the mission, the vision, for which he created the church. And when the LORD JEHOVAH had established that this is going to be the final product of the church, the final mission of the church, the final vision of the church, the destination of the church, then He asks, “How then does the church reach there?” From the beginning, when the LORD created the church, He was precious enough to design and develop a blueprint for the church. A spiritual design for the church and that design was built in such a way that when the church created by JEHOVAH would come and adhere to the specification of this design and blueprint then the church would achieve the final objection. Out of the LORD Mercies and grace, HE designed an architectural plan such that whosoever wants to reach that objective, whoever would dare to stick to the specifications embedded onto this blueprint would achieve the final destination. It is like an architect who wants to build a house, he first knows the type of building that is required, and based on the final product required for example a 200 storeyed building, then normally the architect now designs the architectural plan that the building engineers follow to the letter then they achieve the 200 storeyed building with so many wide metal beams, so many nails, bags of cement what percentage of cement and water and sand for them to achieve the final building. They will find out is the foundation strong, are there earthquakes in this area and so forth. The LORD JEHOVAH in the same way, builds the church, HE developed for the church a roadmap that when the church

would follow, she would arrive at the final destination of JEHOVAH, of the church. When you look at the final product of what the LORD wants to achieve, then you will know the importance of the specification were given.

Spiritual roadmap
And a highway will be there;
it will be called the Way of Holiness;
it will be for those who walk on that Way.
The unclean will not journey on it;
wicked fools will not go about on it.
No lion will be there,
nor any ravenous beast;
they will not be found there.
But only the redeemed will walk there, (Isaiah 35:8-9)

In other words, when that time arrives, a HIGHWAY shall be there. The LORD is saying that in the physical realm, when you want to go to Nakuru, you have to take the Nakuru highway. You can only reach Nakuru on that highway. If you are going to Thika super highway, you can only end up in Thika. So the LORD is saying that how come that when you want to go to Thika or Nakuru you take the Nakuru highway and yet now you want to reach the destination of the church, you do not know which way to take. When HE created the church by HIS grace, HE even designed for us the roadmap that if the church will dare follow that roadmap, and stick to certain specifications, landmarks on that road that she may no get lost, then the church will get to that final destination.

If you are directing somebody to Nakuru, on the way you will ask where they have reached maybe they will have gone past Naivasha. When you want to reach the destination

of the church, you do not know which way to take. In the same way, when the LORD created the church by HIS Grace, HE even designed for us the roadmap, that if the church will dare follow that roadmap, and stick to that specifications, landmarks that she may not get lost, then the church will get to the final destination. When you are directing someone to Nakuru, and they say that they have reached Naivasha or Kikopey, you will be glad that they are on the right road. Naivasha is a main landmark that marks where one has reached. Now we will look at where the church went astray. In other words, where the church left the super-highway of the LORD so she has another destination and hence understand the fall in the church. How about in the LORD’s super-highway, what are the markers?
“And a highway shall be there. And the name of that highway shall be the Way of Holiness”
In other words, it is only for those heading to holiness. Those heading to Nakuru, get on the Nakuru super-highway. And it shall be called, the HIGHWAY OF HOLINESS meaning destination is HOLINESS. What are the landmarks that the LORD put for you the church?

The unclean will not journey on it;
wicked fools will not go about on it.

One of the markers that when the church begins to walk in that Highway of Holiness, that will confirm that she is on the right track, is that when you see the people walking with you, there will not be prostitutes, liars, witches, abortions, pornography; one of the major landmark on this highway is that the clean will walk with you. Adhere to this, such that when you are on this journey and you see the specifications and the landmarks, you rest assured that you are still on the right

highway. And now you can right away begin to see why the other church is not waling in the highway of Holiness. Those in the highway of Holiness, will be those who have been cleansed. The second marker is that when you get into the highway of Holiness, only those walking in a certain lifestyle, the lifestyle of cleanliness, the lifestyle of holiness. The lifestyle will be uniform. Wicked fools will not go about on it. This highway will only be for the wise and hence wicked fools will not be found there. Only the wise church will be found there.

20 Where then does wisdom come from?

Where does understanding dwell?

21 It is hidden from the eyes of every living thing,

concealed even from the birds in the sky.

22 Destruction[a] and Death say,
“Only a rumor of it has reached our ears.”

23 GOD understands the way to it
and he alone knows where it dwells,

24 for he views the ends of the earth
and sees everything under the heavens.

25 When he established the force of the wind
and measured out the waters,

26 when he made a decree for the rain
and a path for the thunderstorm,

27 then he looked at wisdom and appraised it;
he confirmed it and tested it.

28 And he said to the human race,
“The fear of the LORD—that is wisdom,
and to shun evil is understanding.” (Job 28:20-28)

One of the markers is that the church walking in this highway of Holiness will bear wisdom. Only the church with which wisdom has been bestowed, will be found on this way. This is the fourth marker that JEHOVAH has put as a landmark to help you, since only the Holy Spirit, bestows wisdom unto the church. The fourth marker will be the fact that this church will be the anointed church, The Holy Ghost filled church. Out of “the wise” that will walk here, they will have the Fear of the LORD. Based on this few markers, you can already begin to probe yourself and re-examine yourself, and your ministry, and after which you might compelled to repent and cry to the LORD to return you to the Highway.

No lion will be there,
nor any ravenous beast;
they will not be found there.
One of the main features will be that no

devourer, no ferocious beast, no enemy will enjoy your flesh on that Highway. When I created the church it was not meant to be devoured by the enemy. The LORD designed this super-highway for the church to follow that by HIS Grace and Mercy, HE sealed it that for that church that will dare come and walk in this highway, the devil will not access her. That is the power and authority unto the church. The only way the devil can be eating the sheep in the church is if that church is for sure no walking the Highway of the LORD. A lady brought a prayer request that she had been praying and fasting for many years that her husband may one day come to church. And then one Sunday morning, she was shocked to find her husband preparing to go to church with the family, until she wept. And one day she asked, “Is it a bad thing to take ones husband to the church?” And I answered her, “By no mans, definitely it is a very good thing because a husband is the Spiritual head on this home” She asked because when she took her husband to the church, she celebrated, but when her husband continued going to church with her, and one she asked her husband, “How did you like the church?” And he answered, “I did not know that church is this good.” And she was overjoyed, and wept before the LORD because she had fasted for many years. But what broke her heart was that she finally got to know that the husband had got into an affair with a girl who became pregnant and eventually got a baby. Now the man has two families! At times he goes to spend at her place and other times he sleeps at home. That is happening until today. The most ill-dressed women are found in church. The most immoral women are found in the church. The most immoral men are found in the church and worse that are found in the pulpit and the worship. The LORD is saying that he developed this roadmap, this blueprint, this highway that when you walk as a church and you look at the marker set forth by JEHOVAH and you find that the beast is busy devouring the congregation and then he says you have every reason to question and ask are we really on the hightway of the LORD. In other words the only way the church the body of Christ can be the place men go to find good women and women go to find good men and worst of all where men go to find men, and women go to find women, is when that church has detoured, and gone astray, and is no longer walking the Highway of the LORD.

But only the redeemed will walk there, (Isaiah 35:8-9)

Another marker that JEHOVAH says that you must find on this Highway. The church that will be walking with you on this Highway, must have been redeemed. In other words, only those who will have been delivered, cleansed by the Blood will walk there. One of the markers is THE BLOOD. When HE mentions the blood it shall be the Highway of the Cross that when you walk there and listen to the preachings at this Highway you will hear, The Cross of JESUS, At the Cross at Calvary, The old Rugged Cross, there will always be the resonance of the Cross and the Blood of Jesus. In other words, HE is saying that it shall also be called the Highway of the Blood. The highway of the Lamb. These landmarks go a long way in navigating the church that she may never ever get lost until she arrives the final destination.

Final Destination
of the church

What is the final destination that when we look at this specifications we may highly appreciate them for what they are directing the church to achieve.

11 So Christ himself gave the apostles, the prophets, the evangelists, the pastors and teachers, 12 to equip his people for works of service, so that the body of Christ may be built up 13 until we all reach unity in the faith and in the knowledge of the Son of GOD and become mature, attaining to the whole measure of the fullness of Christ. 14 Then we will no longer be infants, tossed back and forth by the waves, and blown here and there by every wind of teaching and by the cunning and craftiness of people in their deceitful scheming. 15 Instead, speaking the truth in love, we will grow to become in every respect the mature body of him who is the head, that is, Christ. 16 From him the whole body, joined and held together by every supporting ligament, grows and builds itself up in love, as each part does its work (Ephesians 4:11).

With all this specifications, this blueprint that the church had to adhere and observe on this Highway but what do they help to build so that we may be able to appreciate them more and never to depart from them? The LORD designed the Highway of Holiness for the church, in such a way that when that church

that chooses this way, will walk the Highway of the LORD, the fivefold ministry will be birthed out. There will be the realization of the five fold ministry of JEHOVAH, the apostles, the prophets, the evangelists, the Pastors and the teachers. In other words, if you look at the church where you are today and you find that there are “apostles” there, false prophets, false evangelists doing crusades and gathering money there, false pastors there and false teachers of falsehood there, then you should ask, “Are we really in the highway of Holiness. Because he says that the church that will walk this highway of holiness, that church will be shielded from the devil, the father of all lies and so she will realize the five fold ministries of JEHOVAH. It will be a genuine five-fold ministry of the LORD. The LORD is explaining the product of walking in the Highway of Holiness, and unveiling the object for which HE designed this roadmap, where it should reach, what it should achieve, the fruit it should bear. If the body of Christ will dare walk this Highway of JEHOVAH, first of all the genuine fivefold ministry will be birthed out. That means that on this Highway, the portals of heaven are open and heaven is directly communicating with that church. And when this portals are open, that can only mean that there will be an outpour of the Holy Spirit which means that there will be a Holy Ghost Revival. And that will manifest in the birthing out of the fivefold ministry. And when the five-fold ministry will have been realized, it will bring into fruition and prepare the congregation of the LORD, for the works of the ministry. It will also equip them to go out and do massive exploits for the LORD. This means that when the church enters this Highway of the LORD, she will be prepared for service. The LORD is saying that if the church will enter this Highway of Holiness, the five-fold ministry that will be birthed out will have the intention of perfecting of the saints. In other words, it will make the perfection of excellent in the congregation and their salvation. How do you make salvation excellent in the church? If you want to know that the church has been walking the Highway of Holiness, the salvation therein, is that she will be excellent in Righteousness. This is because only Righteousness can make salvation perfect. That is the objective of the Highway that finally the salvation in the church may be built up with excellence. If you look at your church and look at it as a pastor

from year 1 to year 3, you should ask yourself if you really are in the Highway and if so, what gains you have made in the excellence of salvation, in other words, in righteousness. Ask yourself if righteousness has increased in this church or has it decreased? Then you can make up your mind and either continue with that highway of holiness if righteousness is increasing or return to the highway of Holiness if you find that righteousness has diminished. The intention was excelling and the full equipping of saints, those that line the highway of the LORD is to achieve GOD’s consecrated people, the elect of GOD. If you look at how the Priest in Israel would go into the Holy of Holies, wearing his sacred priestly garments, there were some main features on that garment. One of the features was the turban and inside the fold at the front there was a golden writing saying ‘Holy unto the LORD’ meaning consecrated unto the LORD, separated unto the LORD. The LORD is saying that if the church is surely walking the Highway of Holiness then the 1 Corinthians 6:14-18 church must realized and manifest.

1 Corinthians 6:14-18

A church that is separated, a church that mixes not light and darkness, a church where idol worship cannot be mixed with the worshipping of Christ. The LORD’s intention of raising the church on this way was the perfecting his consecrated people. When a church chooses to walk the Highway of the Lamb, the Highway of the LORD, The Highway of JEHOVAH, Highway of the CROSS, the Highway of the Blood, The Highway of Holiness, the Highway of Righteousness that this church there will be discipling here. This is where the young talents and gifts are being raised. Only the redeemed of the LORD will walk here, only the delivered, the consecrated by the Blood of the Lamb. In that church you will see the five-fold ministry, consistent separation of the saints from the world and in the process you will see the building up of the body of Christ. The church that walks the Highway of Holiness is a developed church. This means to be civilized, enlightened of the Word and not ignorant. She is aware of the command in the Word, the decrees of GOD in the Word, the sayings of the Word. When JEHOVAH

created the church the purpose was that the church walks this Highway, she maybe built up into oneness, united and mature, the unity of the faith. The understanding of the requirements of the time is the same. When Paul left Thessalonica, He came to Caesaria in Phillipi and found a meeting of the LORD. And in that church was a prophet of the LORD and he remembered the dream the LORD had given him. He took belt and tied his hands and feet and asked him if he is going to Jerusalem Paul said yes. Then the Prophet revealed that he was going to be jailed there. Here you see that there was unity, spiritual ones and physical manifestation of the oneness in faith in that church. If the church walked in the blueprint, the way that the LORD developed for her, and dare walk the highway of the LORD, then there would be a manifestation of the five fold ministry. And if that ministry is birthed out then the excellence in salvation, and righteousness, growth of Holiness in the lives of the sheep and in the lives of the Pastors and in the lives of the body of Christ. The LORD is saying that when the church achieves excellence in the way, they worship JEHOVAH then essentially the sheep will have been discipled by perfecting Righteousness. The LORD says that “I am the light of the world and whoever follows me cannot walk in darkness” When the church perfects righteousness in that way then their righteous light will shine unto the world as the light of Christ and in so doing they will have evangelized Christ JESUS. In other words He is saying that if you evangelize Christ in this Highway of Holiness then essentially you are evangelizing the light of Christ, the righteousness of Christ the holiness of Christ and then the body of Christ will grow to full stature, maturity, exact height and perfection of the knowledge of the perfectness of the Excellence, of the Person of Christ, of the Messiah. Then when that happens, then the church will have already become the Bride of Christ and entered the rapture.

If for example, you go to the US and want to turn into a highway, there is what they call a turnpike. And for you to enter a highway, you have to go in an office where you pay the toll. And they give you an electronic gadget and it sticks in the inside of your windscreen. Once you have paid and you want to enter into the interstate Super-Highway, there is a sign that reads “For turnpike turn right” and when you

branch the toll station have a metal barrier. And as you enter the electronic system detects the gadget in your windscreen and clears you and open as you pass. It is only opened for those who have paid. And if you have not paid, the barriers will not open. In the same way, the LORD created Adam and Eve, they walked in the cool of the day meaning they walked in obedience to the LORD. But when Adam disobeyed The LORD then the judgement of The LORD befell and then the LORD brought plan B, the Messiah. The Messiah came to redeem, meaning to take back. The church that walks the highway of Holiness is a church people have died to self and she belongs to the LORD. (Romans 6). That highway is the narrow road.

“Enter through the narrow gate. For wide is the gate and broad is the road that leads to destruction, and many enter through it. 14 But small is the gate and narrow the road that leads to life, and only a few find it (Matthew 7:13-15).

This road is distressed, under pressure, reduced and you must find it first. When you enter the narrow road, then you will enter eternal life because you have been purchased and delivered and your man has been crucified at the Cross.

Faith

BELIEVING GOD

Faith is the pillar of salvation and the cornerstone of the every Christian's lifestyle. Every Christian and priesthood is in the business of faith and all or nothing of salvation. In this spiritual exploration of faith, we will look at how significant faith is and not only preserve it but grow in it and protect it.

And he [Abram] believed in (trusted in, relied on, remained steadfast to) the LORD, and He counted it to him as righteousness (right standing with GOD). Genesis 15:6 (Amp)

The basis definition of Faith is believing GOD. Faith introduces very important aspects that touch directly on christian lifestyle as it ought to be. When we say that the definition of Faith is Believing GOD then what comes out very clearly is Trust, confidence in HIM. Faith actually is the definition of the covenant. Faith is what brings out honour unto the LORD as trustworthy. As we begin to delve this journey of exploring the definition of Faith, we see very clearly in that scripture that we are dealing with JEHOVAH the GOD of Israel, and also we are dealing with somebody that the LORD decreed in HIS infinite wisdom and counsel and authority, declared that person the Father of Faith. In that declaration and blessing that the LORD advanced towards Abraham as the father of all human faith, one is able to pick out the texture in that fabric because HE says "And he [Abram] believed in" meaning that with regard to the church and GOD Almighty,

if the church believes the LORD, then the church will have essentially exalted the LORD. In other words the church has said, "The LORD I believe HIM" in whatever HE says or does, I do not need any evidence before I can believe in HIM. Having faith is a very important aspect of glorifying, exalting, Blessings the LORD and honouring the LORD. Faith speaks of Trustworthiness of the LORD. When you have faith as a church, you are instead underscoring the Faithfulness of the LORD. Therefore having faith means Trusting in the LORD and relying on the LORD meaning you are depending on the LORD. In GOD's elucidation of Faith, HE already says that if we have Faith, we depend on HIM alone. Faith calls for total unwavering dependence and reliance on the LORD only. Then one can clearly see the enemies of faith, depending on others or other systems. In handling faith, it is suffice to mention that the reason that there is apostasy in the church is because the church has put her faith in others. It then draws a begging question that have the body of Christ today really relied on the LORD and on the LORD alone? When we believe GOD then we believe HIS Word and when we believe HIS word, then that means that we exalt HIM. In the scripture, we learnt that Abraham remained steadfast to, the LORD. Therefore essentially when one defines christian faith, the LORD now brings in the aspect of remaining steadfast to. We see that when the LORD came to

deliver the church, HE came as a King, a special gift package from the Mighty Throne of GOD. And when the LORD Jesus unveiled to us the gift HE was, it became the big sacrifice on the Cross, the death and resurrection of Christ Jesus. So having faith, believing GOD entails remaining steadfast to the LORD implying holding onto the salvation that you received, preserve that which you received at Calvary. That was the birthing out of christian faith. John 3:16 for GOD so loved the world, that whoever believes in Him should not perish but have eternal life. Therefore in unveiling faith, there is a very big unfolding on what it entails and what the instruction on faith is. It also involves *remaining*, where you were first put, what you were given and that is the salvation that birthed out our the faith. That was the ushering in of the dispensation of faith. You can now see the underpinnings that anchor this, 'remain steadfast to' when discussing faith. To remain steadfast to the LORD means the Cross at Calvary, to acknowledge the gift HE gave us and to acknowledge the channel that HE gave us to lead us to HIM. However, in the process of defining faith as being the remaining steadfast to, then you can almost hear the undertones that there is a danger of drifting away from faith, Remain meaning that you can drift away hence the warning watch out that you do not drift away from that position. The LORD already declared that based on his

act of faith towards the LORD, he became the father of all human faith. However, on exploring on that relationship, we see that because Abraham had faith and because Abraham believed GOD, the LORD counted to him as Righteousness. Indeed, having faith in the LORD implies being righteous unto the LORD. Now we see where our righteousness rests thereby stating that walking in righteousness that is so much coveted implies having faith in the LORD. So in other words, if there is going to be apostasy, that takes away the righteousness of the saints and of the body of Christ, then that means that the church has lost faith. Now you begin to understand the gravity of not standing in righteousness. Faith is indeed the precursor of this manifest righteousness that the LORD is talking about. For you to manifest righteousness, you must be faithful, walking in faith and you must believe GOD. For you not to be in righteousness means that you do not have faith, you do not believe GOD. Now you can begin to understand where the fall came from in the church. When a pastor is going out to preach the gospel, he cannot engage in malpractice and say 'sow a seed here first and get your miracle' and start selling the Blood of Jesus. Those who want to get babies, so a see of this amount, that cannot happen. The reason that the pastors cannot do that is because the faith we ought to profess and be believing GOD and HIS word which says do not worry I will provide, then we manifest righteousness. And when one go out and try to fend for themselves through corrupt means that in the first place that, that person has no faith and that is where apostasy comes in. That is the failure of faith in the church. The priesthood is in the business of faith and hence cannot lack faith because there is no way the priesthood can be a deliverer except that they have been delivered. So if the priesthood is going to teach faith in the congregation then the priesthood have to first of all be Faithful. One cannot start teaching 'sow a seed' which is corruption and then say I have school fees, food

and rent to pay. Then that speaks to your faithlessness to GOD yet the LORD says that

26 Look at the birds of the air; they neither sow nor reap nor gather into barns, and yet your heavenly Father keeps feeding them. Are you not worth much more than they? 27 And who of you by worrying and being anxious can add one unit of measure (cubit) to his stature or to the [a]span of his life? 28 And why should you be anxious about clothes? Consider the lilies of the field and [b] learn thoroughly how they grow; they neither toil nor spin. 29 Yet I tell you, even Solomon in all his [c]magnificence (excellence, dignity, and grace) was not arrayed like one of these. [I Kings 10:4-7.] 30 But if GOD so clothes the grass of the field, which today is alive and green and tomorrow is tossed into the furnace, will He not much more surely clothe you, O you of little faith? 31 Therefore do not worry and be anxious, saying, What are we going to have to eat or, What are we going to have to drink or, What are we going to have to wear? 32 For the Gentiles (heathen) wish for and crave and diligently seek all these things, and your heavenly Father knows well that you need them all. 33 But seek ([d]aim at and strive after) first of all His kingdom and His righteousness ([e]His way of doing and being right), and then all these things [f] taken together will be given you besides. 34 So do not worry or be anxious about tomorrow, for tomorrow will have worries and anxieties of its own. Sufficient for each day is its own trouble. Matthew 6:26-34

The church cannot engage in any acts of unrighteous practice of lawlessness, the so called sow a seed and get your miracle because if she does then she is manifesting her fall and her faithlessness. This means that she does not trust GOD, she does not believe GOD, she does not rely on GOD and did not remain steadfast to the LORD. Now we begin to understand that the essence of Righteousness in the church is actually

faith. In fact, faith becomes the precursor to a holy walk. If you have faith then you can walk in righteousness. Putting it together, then it becomes very clear that the definition of faith is actually the fear of the LORD. Therefore the fear of the LORD is actually what defines Faith which is actually the pillar and the cornerstone upon which to rest the christian lifestyle. In other words we learn that without faith then we have no business in salvation because the case that has been advanced to us is that faith is the foundation of righteousness where salvation rests. Without faith we cannot count ourselves to be in salvation. The LORD will not count us as having been saved or born again.

For what does the Scripture say? Abraham believed in (trusted in) GOD, and it was credited to his account as righteousness (right living and right standing with GOD) Romans 4:3. We see that even the justification that the LORD Jesus brought to the church, to humanity at Calvary, was through the avenue of faith without which we cannot access the trappings of the Cross at Calvary.

For if Abraham was justified ([a] established as just by acquittal from guilt) by good works [that he did, then] he has grounds for boasting. But not before GOD! Romans 4:2

Here the LORD is introducing another aspect that faith is what gave us justification. In other words what made the LORD justify us because HE sent us he Redeemer but we would have to have faith and believe HIM. This means believing the channel of redemption that the LORD opened for us through Christ Jesus and access it so we are justified. Here you can see that the LORD is introducing the Grace of GOD by adding in that 'not by works'. The LORD is underscoring the important of faith because faith is the only thing that exonerates us from having to pay the full penalty. So that now without physical

payment we can now just believe GOD and access acquittal, access redemption, access justification and access the Grace of GOD that was unleashed at Calvary. It is clear now that the failure to understand the basics and foundation of salvation is what has resulted to corruption in the church. And now only through faith can we be able to dialogue whether we can access Christ. One must first have faith because the trappings of faith is actually the Grace of GOD. Because when you have faith then the Grace of GOD is bestowed upon you, the acquittal, the justification. That we may now not be judged for the very sins that we committed. All that is through this very important avenue of faith. That when we are founded on faith then now we can access the gift of the Grace of GOD. Now faith becomes the currency that causes us to do the transaction to remove us from the death of what we ought to have paid. But now you have faith you now have the spiritual currency you can access the righteousness of the LORD which faith is defining. And through that faith has hence defined the fear of GOD. Furthermore, we learn that faith indeed is the Grace of GOD that when you believe GOD then you justified for the Grace. In all this put in a nutshell, you right away the conflict with which JEHOVAH has with the church and with humanity. When contradiction came about, it was as a result of the church losing faith in GOD, which the LORD treasures because when you have faith and believe HIM then automatically you believe HIS Word and in the process you honour GOD. In other words saying Look HE is Believable, Trustable, Reliable and Dependable. Faith towers very high before the Throne of GOD. Now to a labourer, his wages are not counted as a favor or a gift, but as an obligation (something owed to him) (Romans 4:4) Humanly speaking, Abraham the Father of Faith, did nothing at all to earn him the high stature, the favour of the LORD except that he had Faith in the LORD.

Abraham did nothing to earn him the blessing that the church was grafted into, the blessings that the Messiah comes through his lineage, the Redeemer of mankind. That blessings emanated from the fact that Abraham exuded faith towards the LORD which means he believed GOD. One can now understand the significance of the foundation of faith within the body of Christ and in the lifestyle of the christian today and the lacking of faith being the cause of apostasy in the church today. And if the church understands this then she will get her bearing back to restoration and she will trace her path back to where she went astray.

5But to one who, not working [by the Law], trusts (believes fully) in Him Who justifies the unGODly, his faith is credited to him as righteousness (the standing acceptable to GOD) (Romans 4:5).

The LORD underscores the most critical fruitions that come out of faith. It is still the righteousness of the LORD. The standing acceptable to GOD which means that GOD may now accept us when we have faith. Therefore, no one can say that they have faith but they are not walking in righteousness. Your faith can increase, that is acceptable meaning that the Holy Spirit is helping you to perfection your righteousness. However the diminishing of righteousness can only mean that faith has been lost.

6Thus David [b]congratulates the man and pronounces a blessing on him to whom GOD credits righteousness apart from the works he does: 7Blessed and happy and [c]to be envied are those whose iniquities are forgiven and whose sins are covered up and completely buried. (Romans 4:6-7) To understand the genesis of forgiveness boils down to faith. It is clear that in fact, faith is what defines our forgiveness of sins.

For GOD so greatly loved and dearly prized the world that He [even] gave up

His only begotten ([a]unique) Son, so that whoever believes in (trusts in, clings to, relies on) Him shall not perish (come to destruction, be lost) but have eternal (everlasting) life (John 3:16).

This is a scripture that anchors humanity and the church to GOD. This is mighty scripture of sacrifice that opens the portals, the channels of communication between fallen man and the Holy Kingdom of GOD, is actually an embodiment of the description of faith and how important it is. That is why the scripture says ‘that whoever believes in HIM’ shall not perish but have eternal everlasting life. If this is the central scripture in the bible, then surely the entire bible is indeed embedded on faith, to the extent that if you do not have faith, then the bible will have very little effect on you and you cannot access the trappings that accrue from the bible. That entire scripture actually underscores how important faith is, to GOD the Father for HIM to be able to release HIS one and Only Begotten Son to go and die on the Cross.

In your daily life, it is important to pray and ask the LORD ‘Can you please increase my faith today. Can you protect my faith.’ This is because faith is the mother of all righteousness. In other words, once you will believe GOD, then you will believe HIS word, which says only the righteous will enter the Kingdom of GOD. You will believe that and hence walk according to that Word. Faith is what births out the fear of the LORD and that means that if the LORD will bless your faith then you will walk in righteousness and you will always adhere to the fear of the LORD.

For we hold that a man is justified and made upright by faith independent of and distinctly apart from good deeds (works of the Law). [The observance of the Law has nothing to do with justification.] Romans 3:28

When Adam was brought unto this earth created by GOD, he was told to believe GOD. In other words, to take HIM for HIS word, and so when the LORD told

him that there is a tree at the centre of the garden and told him not to eat of its fruit. Adam adhered to that which means he believed GOD, he had faith. But when Adam fell upon the advent of Eve, the devil came to him and said, ‘if you will eat that, you will get wisdom, the knowledge of good and bad’ And both Adam and Eve believed. When they set out to disobey, based of the deception of the adversary, to test good verses evil. For Adam to question, “Did he really say so?” The moment Adam stepped out and doubted, then came the fall. The consequence of failing to have faith bring eternal death. If Adam and Even had just believed GOD, taken GOD for HIS word, death would have not occurred. If they had held steadfast without losing that which he told them because they had faith in HIM, they would not have brought death. Therefore, the consequence of a diminished faith is death nothing else. When Adam walked faithfully, took the LORD for HIS Word, he walked in uprightness and walked with GOD in the cool of the day. But when Adam lost faith in the words of GOD and he stopped believing GOD and hence believed the adversary, his faith dwindled then came the fall. And now when The LORD sends Christ Jesus the Messiah to redeem fallen man, HE tells us in this scripture that Faith is the antidote of what was lost in the garden of Eden and that faith is the answer to the fall. Even as mankind fell and death came about, just having faith, fallen now becomes upright before the LORD. Faith is actually what the LORD Jesus came to restore. By Faith, what was lost at the garden of Eden was faith, and what was gained at Calvary is Faith. This means that, that faith that was lost at the garden of Eden was faith and when the Redeemer came, he brought restoration of the faith that was lost into the life of mankind. And as John 3:16 clearly states, that if you would just believe in the LORD, and have faith, you would not perish but now have eternal life. That is the antidote for the death that came into the scene. Therefore if the body of Christ

in her entirety, can just embrace this basic and return to faithfulness to the LORD then everything else will be restored. The only way the church can retrace her bearing back to the LORD now, is to return to that position of childlike Faithfulness with GOD, to where she relies upon, depends on, trust, and believes the LORD. Now it is understandable that when The LORD said that the Garment of the Bride of Christ is spotless, without spot, without stain, without wrinkle, HE actually alluded the faith of that church. That her faith would never have a speck of a doubt and that is why she can faith to tell the mountain ‘be ye removed from here and it is thrown and cast in the ocean’. And if she has faith and without a doubt believes that, that mountain will be removed and cast in the ocean. That is why the LORD said that the final church, the church that enters the Kingdom of GOD, is the church that will be in the unity of the faith. Faith is a such a treasure in the kingdom of GOD and cannot be overlooked in the church. And a church that is faithful to GOD is indeed a church that is righteous to GOD and is walking in the righteousness of the LORD. In human terms, when somebody says that his wife is faithful to him, that means that he trusts his wife, and if he trusts his wife that means that he really loves his wife, and she really loves him, and that means that there is a very deep covenant between the two. Similarly, Faith in the body of Christ, actually denotes a very strong covenant that is there between Christ and the church, such that a faithful church, is a church that is strongly bonded to the LORD. Because when somebody is faithful to another there is a relationship. There is honour to that relationship, there is the praising, exalting of that relationship above all the others that would have interfered with it and that is why it is sustainable. When The LORD talks about faith in the body of Christ a begging question is thrown to her. “Have you truly prized, and exalted before the eyes of men and the world that mighty

covenant that I invoked at the Cross at Calvary?” So, in a nutshell, the genesis of the apostasy in today’s church, that the waywardness , the lawlessness that is heavily manifested in the church today can only symbolize a church that has lost faith in the LORD. That means for the pastors to be corrupting to get money for themselves means that they have lost faith that The LORD can provide. If you see ministries where miracles are being faked, that means that they have lost faith that The LORD can heal. Faith is everything in the church and in today’s post-modern fallen church is to able to retrace her path back to what she received in the beginning, what she was supposed to hold steadfast to, then she has to ask the LORD to restore the faith that she lost. Without faith the church has no business, because we are in the business of making people have faith in Christ. Without faith the church has no future with GOD in heaven. That is how significant faith is in the christian lifestyle. Faith is indeed the foundation of all christian walk because even the righteousness we need to wear is a by-product of faith. You cannot walk in righteousness unless you have faith, meaning you are faithful to The LORD. Faithful means that you trust the LORD so much that you treasure and cannot break the covenant with The LORD. What the church needs to restore today is Faith because Jesus came to Calvary at the Cross to restore that which was lost at the garden of Eden. And because Adam walked in the cool of the day with GOD, he must have been righteous before the fall because The LORD is righteous but they fell. And if there is something that they lost that cause The LORD to cast them out of GOD’s presence then it was Righteousness faith. Because only faithfulness can yield righteousness. When in John 3:16, the LORD Jesus came at Calvary to restore that which was lost at the Garden of Eden, we see that what He restored was faith, hence, whoever believes in Him, whoever relies in Him, that whoever depends on Him, whoever clings on Him, holds steadfast

to Him, shall not perish, be destroyed or lost but inherit eternal everlasting life. So when Jesus brought back righteousness, He clothed it in faith. Faith is the carrier of the righteousness of JEHOVAH.
